Take Hold of Your Dream

God has a dream for you, and if you will seek Him, He will reveal and guide you to it. Living your dreams isn't easy. It takes persistence and tenacity, along with faith in yourself, in God, and in the vision He has given you. In this small book, Jentezen Franklin gives you a powerful message of hope: you can do it! The question is not can you dream, but do you have the courage to act on it? Is there a dream in your heart? Has life buried it? Have others told you it's too late? Don't you believe it! Using personal experiences and examples from biblical characters who pursued their dreams to the end, Franklin shows you how to find and walk out your God-given vision for your life.

Hold Onto Your Celestial Dreams

Everyone wants to live a rich, satisfying life, but according to author Joseph Castleberry, the only way for that to happen is for us to discover and live out our deepest dreams. Many books on personal fulfillment help people identify their goals and objectives, but *Your Deepest Dream* goes beyond that to explain how developing godly character, having a strong moral center, and growing a vital relationship with God are all key to realizing our dreams. Put your spiritual gifts into action as you discover how the Holy Spirit can help you live in joy and creativity. Action points and exercises are included in each chapter.

The Key to Eternity

This book can change your life significantly by showing you how to take responsibility for your life and to follow your dreams. In this life changing book Elmay describes strategies you can use to help you get on the right track to start chasing your dreams. She gives you the tools to stay motivated, to set goals, and how to eliminate many of life pitfalls while following your dreams. Are you living your dreams or you just chasing them? What is holding you back from changing the conditions of your life and become the person that you know you're capable of being? Are you ready to experience the success that God has predestined for you? Honestly, are you living your dreams? *Follow your dreams* is a life changing book. It describes how to set your goals and go after them relentlessly. I share some of the personal insights and practical suggestions that I have acquired over the years. I want you to focus on your dreams and go after them relentlessly while using the principles and practical suggestions outlined in this book. If you want to leap into your dreams and make them a reality, you will find this book valuable in preparing you to reach your full potential. God has a plan for your life. If you trust His plan and discover your purpose and go after it with determination, you will discover the best in you.

Stop Dreaming! Make It Happen!

Has your prayer life come to a standstill? Is it quiet? This brief history of France during WWII reveals the pitfalls and dangers that dampen the prayer life of a believer. The Nation of France has a history of triumphs, but in 1940 the streets of Paris were empty and quiet. The darkest hour of it's existence was at hand. What happens next? Could history repeat itself? Without prayer, triumph cannot exist. Step into your position of becoming a prayer warrior. Enter a campaign of effective fervent prayer. Recover what has been lost; not only for yourself but for your family, church, ministry, city and nation.

God's Daily Answer....365 Devotions...One for Each Day of the Year

Spiritual dreams and goals are often shattered by personal failures and shortcomings. Obedience to God's way often seems to be in vain as old patterns of behavior dominate lifestyles. All because, while hearts are renewed, minds very often don't follow suit. In this practical and interesting book, readers will discover how to let God guide and direct their thoughts. Stephan Joubert presents a biblical view of how the mind works and what it really means to let God renew the mind. Readers will find that the key to following in the footsteps of the great heroes of the Bible lies in thinking God's way. God has not kept the secret to a renewed life hidden. It's all in the Bible. Readers will find that the way to spiritual maturity is through learning to give their thoughts to God and to adjust their way of thinking to correspond with His view of life. GOD-CONTROLLED THINKING will help readers to experience new dimensions of spiritual living through surrendering their minds to God. It is possible to live an abundant and victorious life.

Believe That You Can

When you think of disability, what comes to mind? You might assume that it is a medical term, but I was surprised to find out it is not medical. It is a legal term. Understanding disability is the first step of being stable. I have included my testimony as it pertains to the Word of God. I have some resources for you in the book: I have a few devotionals, some mental health worksheets, and I teach you how to do routines and to plan to reach your goal of becoming stable. This book will teach you how to be a published author and increase your income and leave a legacy for the next generation. This book will help you practice using your imagination and get your creative juices flowing to come up with your vision. A vision is something that is the end result that you want to accomplish. A vision is important because you don't want life to make decisions for you. Deciding if you want to create a legacy of faith for your kids is a life-and-death situation. There is life and death in the tongue. This book has practical information that you can apply today to reach your vision.

A Heart Full of Joy

God has a purpose for your life. Stability after Disability

We have lost our way. Many people struggle to find not just who they are but where they're going. Today the choices are seemingly endless and vast, making the discovery of one's purpose more confusing and difficult. Or so it may seem. Men and women are able to choose from so much more of what the world can offer. As a result, people often find that what they choose may be practical but not fulfilling. We often choose what will bring us the most income and financial rewards, which is indeed important, but often at the expense of our passions and dreams—if we even know what our passions and dreams are. People are seeking happiness, when what they really want is peace and contentment. Happiness is circumstantial and fleeting. Peace and contentment are sustainable and are developed through meeting our core longing for purpose. Codes of relativism and situational ethics have especially clouded our sense of purpose. Yet, there is an answer for us to return to our true sense of purpose. With standards comes a strong, stable sense of direction. The more we distance ourselves from God, the less we know ourselves, and the more confused we are. The reason for our existence, as God has designed, is directly tied to our purpose. Come and explore, and let the truth set you free!

From Potential 2 Profit

It's time to get off the bench! No matter where you came from, what you have done, or what you struggle with, God can use you! He can restore you. He can put you into the starting lineup and use you to change the world. Let's stop believing the enemy's lies. Join us as we review the game tapes of biblical examples to learn what plays they made, where they fumbled, and how we can gain the victory. It's time to get in the game!

NCV, The Devotional Bible

According to former NFL player, American Ninja Warrior and international speaker Anthony Trucks, cultivating identity is the most important tool for anyone seeking to achieve their dreams. In an era with more access to the lives of others than ever before, it's easy to feel as if everyone else is more successful, in better shape, making more money and living their dreams. This daily barrage of "better-than-me" drives feelings of imposter syndrome, unworthiness and shame as many yearn for a clear sense of self and stability in a sea of comparison—especially when one's internal identity is out of alignment with the life they want to live. Anthony Trucks' Identity Shift gives motivated individuals the tools to make meaningful change where it counts: their identity. Anthony shares the secret to his success, framed with an honest examination of his own story and determination to move beyond his circumstances. He has seen how the ability to shift one's identity is an innate ability that can be cultivated to unlock new levels of power, perspective, passion and productivity; and he believes this shift can occur within anyone, so long as they are ready to change their life.

Identity Shift

If one can safely assume something, many of us who love reading are unable to do so due to lack of time to read a full novel running into a number of pages. Life in Different Colours offers the readers short and captivating stories, which focus on some facets of life as seen by the author, woven into a world of fiction. Each story in this book can be read within a maximum of thirty to forty minutes. But that is not all. The author hopes that, through his imagination captured in these stories, these stories will not only make for a good read but also help the readers in some manner.

Divining Your Dreams

This book is Volume 1 of "God's Divine Plan for Humanity" series. You are a very important part of God's divine plan for humanity; God wants to draw you closer to him and bring you to that place where you reach the full potential of your life, far beyond your imaginable dreams. When you read this book, you will never look at your life and the world the same again; you will start to see the world and understand the Bible better than ever before. This book will take you to God's creative library, step-by-step to unveil the mysteries of God's plan for humanity, using the language of heaven. The knowledge you gather from this book will draw you closer to God just like Abraham, Isaac, Jacob, Joseph, Moses, David, and Joshua, all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world. Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life - Jesus Christ. When you look at the world, do you believe there is something seriously wrong with the whole system? Do you believe there is something not natural that for some inexplicable reason, is holding humanity hostage? You can analyze it from all political angles, but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates, you will remain a slave to the system. The Bible teaches in

Psalm 24:1-2 that God owns the world and everything in it. If God owns it all, then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world. The battles we face in this world are not natural. Any attempt to use natural weapons to fight these battles is a big mistake; you cannot use natural weapons to fight a supernatural battle. When you believe the enemy and look at life through the eyes of the enemy, you become engulfed and enslaved by the enemy; but when you believe in Jesus and look at life through the eyes of Jesus, you will ultimately become united to Jesus. In life, what you believe, determines what you see. The battle is in your mind. The choice is yours! "In this world you will have trouble. But take heart! I have overcome the world." John 16:33.
