A collection of stories, songs poems and information celebrating winter in all its glory.

Holidays with a Tail

Young Alex is beyond excited on Christmas Eve. He knows that Christmas celebrates the birthday of Jesus Christ, and he cannot wait for tomorrow to come--he wants a puppy of his own to play with and love. On Christmas Day, he opens a large box with, yes, a puppy inside. Alex names him Zipper! However, when grandparents come bearing gifts, Zipper bounds out of the open door. Mother and Alex then begin a neighborhood adventure as they search for a runaway dog and meet neighbors with different winter holiday celebrations and traditions: the Hindu Diwali, the Jewish Hanukkah, the Latinx Las Posadas and the African-American Kwanzaa. Alex then returns home for a Christmas feast, happy with his new canine companion and the knowledge that his neighborhood is filled with amazing people who are more alike than different. "Kelly Darmofal takes her readers on an unexpected Christmas journey that leads her readers to discover the beauty of our diverse winter holidays! Holidays with a Tail: A Tale of Winter Celebrations is a book to read aloud to all!" --Debbie McIntyre, Principal of Jefferson Elementary School "With warmth and cheer, Darmofal captures Christmas Day in Holidays with a Tail: A Tale of Winter Celebrations. A day of adventure for a boy becomes a day of learning and connecting with others for a deeper understanding of cultures and traditions that differ from his own. A great holiday read!" --Emily M. Cagle, Media Specialist at Meadowlark Elementary School "With vibrant illustrations and easy to understand language, the author introduces us to five holiday celebrations enjoyed by families of different cultures. This book is non-judgmental and depicts appreciation for the differences among us. While it is intended for children, parents might also learn something new.

Holidays With a Tail is a valuable resource if we plan to raise our children with an acceptance of diversity." --Dr. Laurie Zelinger, Child Psychologist, Author of Please Explain Vaccines to Me Because I HATE SHOTS! "Holidays with a Tail is a sweet story that celebrates the beauty of diversity. As a teacher of multilingual learners, I appreciate the way Darmofal introduces various cultural traditions in a way that is comprehensible and accessible for children." -- Amy A. Talley, EL (English Language) Teacher at Jefferson Elementary School "Holidays with a Tail starts with a classic story of a boy and his dog, and turns into a celebration of culture, all while providing insights into what makes each celebration special and unique. This book is existential, yet so accessible for children of all ages. In a world full of white noise titles, this book stands out as a unique opportunity to share what makes us human to the special children in your life." -- Katie L. Dowd, EC MAP Recourse Teacher at Jefferson Elementary School "How wonderful to have a local author at Jefferson Elementary School! This book celebrates diversity and differences that exist everywhere and will help kids to appreciate other cultures and families! --Anna Sabio, Media Coordinator at Jefferson Elementary School Learn more at www.ImLostInMyMind.com From Loving Healing Press

We Celebrate Winter

In a hard driving society like the United States, holidays are islands of softness. Holidays are times for creating memories and for celebrating cultural values, emotions, and social ties. All Together Now considers holidays that are celebrated by American families: Easter, Memorial Day, Independence Day, Halloween, and the December holidays of Christmas or Chanukah. This book shows how entire families bond at holidays, in ways that allow both children and adults to be influential within their shared

interaction. The decorations, songs, special ways of dressing, and rituals carry deep significance that is viscerally felt by even young tots. Ritual has the capacity to condense a plethora of meaning into a unified metaphor such as a Christmas tree, a menorah, or the American flag. These symbols allow children and adults to co-opt the meaning of symbols in flexible and age-relevant ways, all while the symbols are still treasured and shared in common.

All Together Now

"The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. The sixth volume probes the theological complexities of human nature as presented in Tachanun, the prayers that acknowledge human sin and petition divine pardon. It also illuminates the prayers that conclude the standard Jewish service: Kaddish, Alenu, and K'dushah D'Sidra; and provides a detailed treatment of Maimonides' thirteen principles of faith. The personal call for judgment combined with hope for the universal reign of God define Judaism as a religion for individuals and the world, with a liturgy that affirms both. Vol. 6—Tachanun and Concluding Prayers features the traditional Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayer service, and how to truly use the commentaries to find meaning in the prayer book. Commentaries from eminent scholars and teachers from all movements of Judaism examine Tachanun and Concluding Prayers from the viewpoints of ancient Rabbis and modern theologians, as well as a myriad of other perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Tachanun and Concluding Prayers. My People's Prayer Book enables all worshipers, of any denomination, to create their own connection to 3,000 years of Jewish experience with the world and with God.

With welcoming views of the broad and expansive marsh, oak trees draped with moss, and a huge sky overhead, Hofwyl-Broadfield Plantation was home to five generations of one family. Located where the Altamaha River empties into the Atlantic Ocean near Brunswick, Hofwyl-Broadfield was the last of the coastal plantations to grow rice. Its story involves a love of the land--fertile yet sometimes unyielding, binding to it the people who owned it and those who worked it. It was this legacy that Ophelia Dent bequeathed to the State of Georgia at her death in 1973. Her hope was that future generations would enjoy the beauty of this special place and understand how each family found a way to bestow it upon the next. The Hofwyl-Broadfield Plantation State Historic Site, operated by the Georgia Department of Natural Resources, Parks, and Historic Sites Division, captures and tells the story of a special era.

Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as *Christmas Evil* (1980) and *3615 code Pere Noel* (1989) are examined, along with "Yule-Die" slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.
