A brand-new Sir Robert Carey mystery, perfect for fans of C.J. Sansom and S.J. Parris. Sir Robert Carey, Deputy Warden of the West March, has just foiled a double plot to assassinate King James. Now he rides for Leith hunting the would-be killer Joachim Hochstetter. Has he taken ship for the Continent, or ridden south for England and, quite literally, gone to ground? Originally from Augsburg, Hochstetter's family runs a smelting business in Keswick amid a colony of German miners. Just how far would they go to protect one of their own? Sir Robert's other problem? His dour, difficult Sergeant, Henry Dodd, has disappeared somewhere on the snowy moors. They found his horse... but there's no sign of the rider. Sir Robert's searches will see him sorely tested, both above and below ground, at sword's point and at fuse's end... 'Chisholm displays a masterful hand... A resoundingly satisfying conclusion and a terrific hook. I have never loved Sir Robert more' DANA STABENOW.

A Suspicion of Silver

A brand-new Sir Robert Carey Mystery, full of roguish courtiers, rival gangs, border raiders, treason, realpolitik and unbridled ambition.

An Air of Treason

Investigating the death of Elizabeth I's rival Amy Robsart Dudley, Sir Robert Carey struggles with the queen's and his father's involvement in the case, which is complicated by a poisoning attempt and a bodyguard's disappearance.

A Famine of Horses

Newly appointed to his post as Deputy Warden of the West March, Sir Robert Carey encounters his first challenge when a lad is found dead.

An Air of Treason

Investigating the death of Elizabeth I's rival Amy Robsart Dudley, Sir Robert Carey struggles with the queen's and his father's involvement in the case, which is complicated by a poisoning attempt and a bodyguard's disappearance.

A Chorus of Innocents

Thursday, 12th October, 1592. Eighteen days after the action closes in *An Air of Treason*, courtier Sir Robert Carey and Carey's surly, larcenous, and loyal henchman Henry Dodd, Land Sergeant of Gilsland, are back in Carlisle and the Debateable Lands, the Border country, the Wild North, the land of the hot trod where the thieving, feuding reiver clans are "English when it suited, and Scots at their pleasure." *A Chorus of Innocents* ushers forward Lady Elizabeth Widdrington, the married woman whom Carey adores but respects. It opens when a very pregnant young woman rides to Lady Widdrington's tower crying that her minister husband has been murdered and she herself has been raped. You will meet canny King James VI, his amoral favorite Lord Spynie, the fey Lady Hume, Mr. Anricks, a surprisingly skilled tooth drawer, Young Henry Widdrington with his unfortunate spots, and all the boys in murdered Minister Burn's choir. The action proceeds full tilt for ten days and "finishes with a marvelous set piece of derring-do involving enough arms and ammunition for the siege of Stalingrad, plus the last line will leave you with your heart in your mouth," says author Dana Stabenow, who adds, "As always the scene Chisholm sets is a veritable time travel portal you step through the instant you turn to the first page."

A Clash of Spheres

Sir Robert Carey "remains estranged from his dour but lethal henchman Henry Dodd ... Dodd can't forgive Carey for taking the high road at the conclusion of the incident at Dick of Dryhope's tower, when Sir Robert called out the Carlisle garrison, but 'honourably and skillfully avoided the bloody-pitched battle' that seemed inevitable. Dodd is old-school and would have preferred to exterminate as many under Wee Colin Elliott, and also Grahams, as he could. Not for him, but for peace to the Debateable Land. Sir Robert Cecil ... warns of a new challenge: the King of Spain's 'intentions in Scotland.' Will Cecil be sending a pursuivant to the Borders to suss out, and possibly interrupt, whatever plots are in progress against England?"--Book jacket flap.

A Melody in Silver

David had a suspicion. He did not know it was that, but that is what it was. He suspected that Mother thought he was a good little boy, and he suspected that she thought Mitchell Horrigan was a bad little boy. Perhaps Mother had a suspicion, too; she might have suspected that it was Mitch who had put a certain notion into David's head-a notion which had to do with pants. Only you must not call them pants; they are "trouvers. Keene Abbott (1876-1941) was the author of: *A Melody in Silver* (1911) and *Wine O' the Winds* (1920).

Empire of Silver

The eagerly awaited 4th novel in the bestselling Conqueror series, continuing the life and adventures of the mighty Khan dynasty.

Swords in the East

A new omnibus in the highly acclaimed Sir Robert Carey Mysteries, full of roguish courtiers, rival gangs, border raiders, treason, realpolitik and unbridled ambition.

A Melody in Silver

David had a suspicion. He did not know it was that, but that is what it was. He suspected that Mother thought he was a good little boy, and he suspected that she thought Mitchell Horrigan was a bad little boy.

A Murder of Crows

It's September 1592, and the redoubtable Sergeant Dodd is still in London with dashing courtier Sir Robert Carey, dealing with the fall-out from their earlier adventures. Carey urgently needs to get back to Carlisle where he is the Deputy Warden; the raiding season is about to begin. However, there are complications. His powerful father, Henry, Lord Hunsdon (son of the other Boleyn girl, Mary, and her paramour, young Henry VIII) wants him to solve the mystery of a badly decomposed corpse that has washed up from the Thames on Her Majesty's privy steps. Meanwhile, although he hates London, Sergeant Dodd has decided that he will not go north until he has taken suitable revenge for his mistreatment by the Queen's Vice Chamberlain, Thomas Heneage. Carey's father wants him to sue, but none of the lawyers in London will take the brief against such a dangerous courtier. Then a mysterious young lawyer with a pock-marked face eagerly offers to help Dodd. Nobody knows who that balding young would-be poet and lover William Shakespeare might be working for. And then, just as Carey is resigning himself to the delay, the one person he really does not want to see again arrives in London to stir up everything.

Reckoning

In the village of Martindale, hundreds of miles north of the new English capital of Windsor, sixteen-year-old Silver Blackthorn takes the Reckoning. This coming-of-age test not only decides her place in society - Elite, Member, Inter or Trog - but also determines that Silver is to become an Offering for King Victor. But these are uncertain times and no-one really knows what happens to the teenagers who disappear into Windsor Castle. Is being an Offering the privilege everyone assumes it to be, or do the walls of the castle have something to hide? Trapped in a maze of ancient corridors, Silver finds herself in a warped world of suspicion where it is difficult to know who to trust and who to fear. The one thing Silver does know is that she must find a way out . . . Reckoning is the first title in the electrifying Silver Blackthorn Trilogy from bestselling sensation, Kerry Wilkinson.

Miss Silver Comes to Stay

James Cray was always a cruel man . . . When he was 21 James Lessiter told Henrietta Cray that he loved her before all things and so broke Catherine Lee's heart. But James has a side to him that most people do not see. When the engagement is broken off no one is sure why and Rietta refuses to explain. Twenty years later James returns to the village an extremely wealthy man. Rietta is still unmarried and Catherine is a penniless widow living in a cottage on the Lessiter estate. Trouble is inevitable, for Catherine has started to sell some of the valuable contents of the cottage to keep up a lifestyle she cannot afford but James has his suspicions and is looking forward to exposing her. He has always enjoyed seeing someone else suffer whatever the cost.

The Silver Falcon

A widow attempts to fulfill her dead husband's last request—to enter his prize horse in the Derby—and plunges into a deadly world of blackmail, revenge, and murder. Less than a year after arriving at his sprawling ancestral estate as his secretary, Isabel Cunningham marries the much-older Charles Schriber. But now Charles is gravely ill, and before he dies, he asks one last thing of his wife. Determined to honor her husband's deathbed wish, Isabel makes preparations to train the magnificent Silver Falcon to win the Epsom Derby. But someone doesn't want Isabel to succeed. When she almost drowns in an accident, suspicion immediately falls on Richard Schriber, Isabel's handsome, troubled stepson, who was estranged from his father for a decade and blames him for his mother's tragic suicide. As the Derby approaches and the violence escalates—a vicious attack on a stable boy is followed by two brutal murders—Isabel must confront a shattering truth about her deceased husband and the man who now ignites a dangerous desire in her. Is Richard the lover she can trust with her life? Or a homicidal maniac just waiting for the right moment to strike?

Gold: Or, Legal Regulations for the Standard of Gold & Silver Wares in Different Countries of the World

"The Silver Bullet" by Fergus Humes is a detective fiction novel. Hume, was a prolific English novelist, known for his detective fiction, thrillers, and mysteries. His skills at which are put to good use in this thrilling book. Robin, wracked with grief after the loss of his mother, finds himself struggling to find the energy and the will to go on the journeys that once inspired him. That all changes when a mysterious death captures the intrigue of him and his travel partners.

Gold and Silver as Currency

I am Silver, and there is no other pirate like me on these waters. . . . This being the last testament of the infamous pirate Long John Silver, you would do well not to trust a word in its pages. Held captive aboard his own ship, the *Linda Maria*, he is to be taken to England, where he will hang at the King's pleasure. But he has another plan: to exact revenge upon his captors by disclosing their secrets in a journal. It tells a tale of treason, murder, his own ascent from pickpocket street urchin to pirate captain, a lost treasure that would rival King George's own riches, and what really happened on Treasure Island. This book is that journal . . . but is Silver to be believed?

Prospecting for Gold and Silver in North America

CAN YOU FIND JUSTICE... WHEN THE WORLD IS WATCHING? When breakfast TV host and nation's darling, Rosie Harper, is found brutally murdered at home, suspicion falls on her spouse, formerly international football star, Danny 'walks on water' Mallard, now living out of the public eye as trans woman, Debbie. Not only must Debbie challenge the hard evidence against her, including her blood-drenched glove at the scene of the crime, she must also contend with the nation's prejudices, as the trial is broadcast live, turning it into a public spectacle. For someone trying to live their life without judgment, it might just be too much to bear. Legal duo Judith Burton and Constance Lamb are subjected to unyielding scrutiny as they strive to defend their most famous client yet. Another thought-provoking courtroom drama from the acclaimed author of the Burton & Lamb series.

The Silver Bullet

Jennifer Jones is trying to be a better person. It's not easy. She has a lot to make up for, considering that she's an immortal blood-sucker with a history of serial killing. But at least she probably can't get worse. And for the last seventy years, things have been going well. She's got a job, friends that she

cares about, a steady relationship, and she hasn't killed a single human. But something dark is on the horizon. A body appears in an alley, bringing up unsettling memories. A Necromancer warns of an approaching menace. And as more and more bodies begin to appear, repeating a very familiar pattern, Jennifer finds herself being framed for murder. Someone is out for revenge, and they're willing to kill to get it. You might be able to ignore your past, but you can't outrun it, and Jennifer's has just caught up to her.

Hall Marks on Gold and Silver Plate

Running title: Establish federal monetary authority. T. Alan Goldsborough, chairman of subcommittee.

Silver in the Fifty-first Congress

A gardener's death sends a country house into a frenzy, and a governess-turned-sleuth digs in to the case: "Miss Silver is marvelous" (Daily Mail). Edward Random returns to Deeping a forgotten man. Although raised in the village's manor house, he is no longer wealthy—the result of a quarrel with an uncle, which left him out of the old man's will. For years Edward's name has not been spoken in the town, save for wild rumors that he had gone to prison for dueling, decamped to the Orient, or had simply died of mysterious circumstances. In fact, he is in good health, ready to start life where he left off, money or no money. But the old family feud stands in his way, and the situation at the manor house grows vicious in the wake of the under-gardener William Jackson's death. Did he drown by accident, or was he murdered? Only Maud Silver, the demure but brilliant detective, can say for sure.

The Silver Question

This thrilling murder mystery features some veritable characters: inventor and heir-at-law Dick Allenby, and banker and speculator Leo Moran. Add Dornford, Hennessey and the actress Mary Lane, and Washington Wirth who gives parties and loves flattery. Hervey Lyne, Binny and the indomitable Surefoot Smith. Of them all only Tickler is innocent. Leaving gala night at the Litigation Club, Dick and Surefoot are discussing guns...but there before them a cab has been left in the middle of the road. The man inside has been shot.

Hall marks on gold and silver plate. To which is now added a history of l'orfèvrerie française

His first wife died suddenly--and his wealthy new bride may be about to meet a similar fate . . . Former schoolteacher Miss Maud Silver is making her way back to London when, with a violent shudder of the train, a young woman is thrust into her compartment. She is beautiful, well dressed, newly married, and wealthy--which may be about to get her killed. In a state of shock, Lisle Jerningham explains that she fled her home in a hurry when she overheard a sinister conversation through the bushes. Her new husband's first wife died in an apparent accident, and the resultant infusion of cash saved his family home. Now, he is broke again--and trying to engineer a second convenient mishap. Miss Silver is unsure whether the drama is real or a figment of Lisle's imagination--but if this frightened young lady is a target for murder, the killer will have to deal with the governess-turned-sleuth first. Starring a mature sleuth who "has her place in detective fiction as surely as Lord Peter Wimsey or Hercule Poirot"

The Question of Silver

Silver Blackthorn is a fugitive. Silver Blackthorn has committed treason. She is dangerous. Do NOT approach her. A large reward is on offer. Report any sightings to your nearest Kingsman. Long live the King. Silver Blackthorn is on the run. She fled Windsor Castle with eleven other teenagers, taking with her something far more valuable than even she realises: knowledge. With the entire country searching for the missing Offerings, Silver must keep them all from the vicious clutches of King Victor and the Minister Prime. Until now, no one has escaped the king and lived to tell the tale. Or have they? With expectations weighing heavily on the girl with the silver streak in her hair, will she ever find her way home? Following the breath-taking Reckoning, Renegade continues the excitement of the Silver Blackthorn Trilogy by bestselling author Kerry Wilkinson.

Der Architekt Noel Holcroft wird überraschend zum Testamentsvollstrecker bestimmt. Damit nimmt das Schicksal seinen Lauf, denn Holcroft ahnt nicht, dass er Teil eines teuflischen Plans ist. Vierzig Jahre später wird er von der Vergangenheit eingeholt.

Die Zeit ist reif

Die Generäle sind zurück. Und sie wollen an die Macht. Sechs hochdekorierte internationale Generäle schließen sich zusammen, um ihre wahnwitzige Idee von einem Riesenreich gewaltsam zu verwirklichen. Ihrer Verschwörung geben sie den Namen Aquitaine. Joel Converse und Preston Halliday, zwei renommierte Anwälte, erfahren von diesem schrecklichen Plan. Als es Joel gelingt, die machtsüchtigen Generäle aufzuspüren, wird er zum meistgejagten Mann Europas. Er ist der Einzige, der beweisen kann, dass Aquitaine existiert und dass der Tag der Generäle bevorsteht.

Buch und Bibliothek

Er gründete seine eigene Einheit – jetzt kommt ihr härtester Einsatz Paul Janson ist nicht länger für die Regierung als Geheimagent und Attentäter aktiv, sondern hat sich gemeinsam mit der hochbegabten Scharfschützin Jessica Kincaid selbstständig gemacht. Allerdings übernimmt er nur Missionen, von denen er glaubt, dass sie dem Wohl der Menschheit dienen. Sein neuester Auftrag: Er soll einen von afrikanischen Piraten entführten Mediziner befreien. Doch das Unternehmen misslingt und Janson begreift, dass er mitten in den größten Schwierigkeiten steckt.

Börsenblatt für den Deutschen Buchhandel

Eine fast vergessene, hochbrisante Geheimdienstakte ist der Auslöser für eine brutale Mordserie in Europa. Als der Investmentbanker Ben Hartmann in Zürich nur knapp einem Anschlag entgeht, folgt er gemeinsam mit der US-Agentin Anna Navarro den Spuren des Falles und sie geraten in den lebensgefährlichen Sog einer weltweiten Verschwörung.

Die Aquitaine-Verschwörung

Mit ausgefeilten Computerstrategien manipuliert der Matarese-Geheimbund Macht an sich zu reißen. Nur CIA-Topagent Beowulf Agate kann ihn stoppen...

Das Janson-Kommando

„Hydra“ – ein neues, weltbedrohendes Virus bricht aus In Moskau sterben US-Diplomaten an einem tödlichen, neuartigen Virus. Es lässt sich nicht diagnostizieren, nicht aufhalten und es gibt kein Gegenmittel. Die perfekte Biowaffe, die ihr Ziel in der DNA ihrer Opfer findet und diese rasend schnell zerstört. Jon Smith von der amerikanischen Sondereinheit Covert One wird von Prag nach Moskau beordert, um die Attentäter ausfindig zu machen. Er kommt einer weltweiten Verschwörung auf die Spur, die von einem geheimnisumwitterten Mann geleitet wird.

Halbjährliches Verzeichnis Taschenbücher

Salman Rushdie erhält den Friedenspreis des Deutschen Buchhandels 2023 »für seine Unbeugsamkeit, seine Lebensbejahung und dafür, dass er mit seiner Erzählfreude die Welt bereichert.« (Aus der Begründung der Jury) Leben und Schreiben, Wirklichkeit und Fantasie sind bei kaum einem Autor so eng, so schicksalhaft miteinander verknüpft wie bei Salman Rushdie. Ob in seinem Weltbestseller »Mitternachtskinder«, in seinem jüngsten, hochgelobten Roman »Quichotte« oder in den vielzähligen Essays, die er über die Jahre vorgelegt hat – in jeder Zeile steckt er selbst: seine Suche nach einer allgemeingültigen Sprache, sein Glaube an die Kraft des Erzählens, seine Erfahrung als Verfolgter und Emigrant und damit verbunden seine radikale Absage an Unterdrückung und Diskriminierung. Das zeigen alle seine Werke eindrücklich. Klug und differenziert beleuchtet Rushdie in seinen Essays, Glossen und Reden die aktuelle Weltpolitik von Osama bin Laden bis Donald Trump, gibt Einblick in seine Ideenwelt und sein künstlerisches Schaffen. Gerade in seinen brillanten Literaturkritiken wird deutlich, wer ihn inspiriert: Shakespeare, Borges, auch sein Freund Harold Pinter. Die in »Sprachen der Wahrheit« erstmals versammelten und zum Teil bisher unveröffentlichten Texte aus den vergangenen zwei Jahrzehnten veranschaulichen, wie ernst Salman Rushdie seine Verantwortung als Weltautor nimmt. So sind seine geistreichen Schriften immer auch ein Plädoyer für das vielstimmige Miteinander der Kulturen. »Salman Rushdie ist ein phantastischer Erzähler und einer der besten lebenden Essayisten.« Arno Widmann

Das Sigma-Protokoll

Eine weltweite Organisation arbeitet an einer neuen Waffen- und Überwachungstechnologie, die so lückenlos funktionieren soll, dass selbst Geheimdienste überflüssig werden. Ein tödlicher Wettlauf um dieses lukrative Geschäft nimmt seinen Anfang.

Gangster, Opfer, Detektive

Die Lazarus-Gruppe ist die Speerspitze einer Umweltbewegung, die gegen die Technologisierung der Welt kämpft. Sie wird angeführt von einem mysteriösen Führer mit dem Namen »Lazarus«. Als nach einer Attacke auf ein Forschungslabor tausende Menschen ums Leben kommen, schlägt die Stunde von Colonel Smith.
