Why do you want to become an RA?

Most students apply because they want to get free meals, accommodation and stipend. Or they like the RA role because it offers an easy way of blending into the community, and getting to know the other students...

You can also say that you try to learn the working habits while studying, and that the RA position is perfect for building a sense of responsibility.

You can also say that you believe to have the right personality for the position, and good communication skills, and an ability to work independently...

How do you imagine your typical week, from the position of a resident assistant?

Try to show them that you plan to actively help with social, academic, and personal adjustment of students to the residence hall and University.

What is the most difficult aspect of working as RA, from your point of view?
