Breakfast at the Castle

Cookbooks Best Sellers 2015 Series Presents...Breakfast At The Castle! The best part about these scrumptious breakfast recipe's focus is that they are easy to make, sultry and delicious at the same time. You'll find the following in this cookbook. But watch out, they're awesome... => Each breakfast recipe meal recipe is no fuss, and delicious! => Step-by-step directions for preparing each of the breakfast recipe masterpieces, that makes the process of cooking much easier and quicker. So that you can get back to more important things, like satisfying yourself and that special someone. => Every ingredient for every amazing breakfast recipe is written in clear fashion, so there shouldn't be questions about size (portions) and oh, precise measurements are given. => Amazing images of every finished recipe, for no guessing and extra confidence in the kitchen. No matter what your preference, the breakfast recipes are simply the best collection of truly inspired, quick and fast sultry satisfactions around

Cooking and Castle-building

Anticipating the end of the family vacation era, we packed up Rick Steves style and traveled to Great Britain. There we encountered the Full English Breakfast, lots of castles, churches, and shrines. We were never in any danger except while on the small roads in Wales. Nothing was lost, aside from our appetite for eggs. No one fell ill, but we neared starvation on our first day as we tried to understand the British restaurant business hours. Join us as we 'Mind the Gap' on the Tube and visit Scotland without eating haggis.

Hold the Bubble and Squeak

French gastronomy is renowned for its classic recipes passed from generation to generation. From Burgundy to the Auvergne, Provence, the Loire and the Pyrenees, traditional family cooking has always been at the heart of the French kitchen and lifestyle. With its delicious dishes and exquisite ingredients as diverse as they regions from which they came from, heritage cooking and family values from provincial France have stood the test of time. In this book Michel Roux Jr., star of MasterChef and owner of the two-Michelin star Le Gavroche in London, explores the heritage of his native French cuisine. With classic recipes using delicious ingredients, Michel Roux Jr. will help you bring provincial

French cooking into your kitchen and helps you to recreate the 'je ne sais quoi' that only French cuisine can embody.

The Great British Breakfast

In-room fireplaces, classic charm, four-poster beds and low rates.

The French Kitchen

This Princess Doesn't Need to be Rescued Snow White, the Seven Dwarves, and the Adorable Bed and Breakfast is a "fractured fairy tale" that imagines what would happen if Snow White took her amazing cleaning and organizing skills and applied them to business. In this fun and beautifully-illustrated story, Snow White takes control of her own fate and improves the lives of everyone around her, without any help from a prince. This fairy tale retelling is a short chapter book suitable as a read aloud or for young, advanced readers. It's perfect for fans of Ursula LeGuin's Catwings or Ruth Stiles Gannett's My Father's Dragon.

B&b Stops in England, Scotland & Wales 2004

When Hugh is given a new cupboard, little does he know the secret it holds or how it will affect him and all his friends. Because the cupboard changes things - sometimes dangerously - and if it has the power to change a wallet into a pig, imagine what it can turn Hugh's friend Penn into! . . . And then there are Hugh's dreams; or are they really dreams?

Snow White, the Seven Dwarves, and the Adorable Bed and Breakfast

"One (inn) sounds more friendly and inviting than the next". Family Travel Times The more than a hundred bed-and-breakfast establishments in the towns and along the countrysides make the perfect home base for any traveler seeking castle ruins, pastoral meadows, or historic cities. This edition includes inns in Northern Ireland, a hot new vacation spot.

A Castle Of Bone

Theodore and Arlen have heard that the one true King lives in the castle at the top of the mountain, but they have never seen him. Arlen wants the King to punish his father for being so cruel to him and Theodore has read that the law of the land is "Love the King"--and how can she love him, if she doesn't know him? As they set off for the castle, the children are unaware of the danger awaiting them.

The Irish Bed and Breakfast Book

Interdisciplinary research is a method that has become efficient in accelerating scientific discovery. The integration of such processes in problem solving and knowledge generation is a vital part of learning and instruction. Promoting Interdisciplinarity in Knowledge Generation and Problem Solving is a pivotal reference source for the latest scholarly research on interdisciplinary projects from around the world, highlighting the broad range of circumstances in which this approach can be effectively used to solve problems and generate new knowledge. Featuring coverage on a number of topics and perspectives such as industrial design, ethnographic methods, and methodological pluralism, this publication is ideally designed for academicians, researchers, and students seeking current research on the promotion of interdisciplinarity for knowledge production.

The Quest for the Silver Castle

This collection of recipes represents the French home cooking as passed down through generations of food-loving families. Inspired by their mother, who passed on the secrets of her native Normandy cuisine, the book has been put together by Michel and Albert Roux. Divided into twelve regional chapters, each introduction gives an overview of the region and its culinary traditions. Typical recipes follow and each chapter concludes with a list of ingredients indigenous to that area.

The Professor at the Breakfast Table

Featuring Britain's most delicious but threatened ingredients THE GREAT BRITISH FOOD REVIVAL celebrates local produce in classic recipes written by Britain's favourite cooks Britain is home to the tastiest fruits and vegetables, fish, meat, and honeys in the world but many of our original species

and breeds are under threat by foreign invaders. British food needs us! From West Country apples, rare breed bacon, Baldwin blackcurrants and Scottish heather honey, THE GREAT BRITISH FOOD REVIVAL is the nation's definitive collection of British recipes. Combining traditional ingredients with modern flair, these dishes provide every reason why we should be eating and cooking local produce from the British Isles. With big flavours and simple ingredients, the food is the star. And to celebrate with true cooking magic the Hairy Bikers, Clarissa Dickson-Wright, James Martin and many other top chefs take the reader on a gastronomic journey and rediscover the jewels of our great food heritage.

The Happy Cottagers: Or, The Breakfast, Dinner, and Supper

Recipes from Feast of Fiction, the innovative YouTube show featuring fantastical and fictional recipes inspired by books, movies, comics, video games, and more. Fans of Feast of Fiction have been clamoring for a cookbook since the channel debuted in 2011. Now it's here! Just as they do on the small screen, hosts Jimmy Wong and Ashley Adams whip up their real-life interpretation of fictional dishes to pay homage in a genuine, geeky, and lively way. Jimmy brings a wealth of gamer and nerd cred to the table, and baker extraordinaire Ashley provides the culinary wisdom. The quirky duo offer an array of creative and simple recipes, featuring dishes inspired by favorites such as Star Trek and Adventure Time, as well as Butterbeer (Harry Potter), A Hobbit's Second Breakfast, Mini "Dehydrated" Pizzas (Back to the Future), Sansa's Lemon Cakes (Game of Thrones), and dishes from the niches of gaming, comics, and animation such as Fire Flakes (Avatar), Poke Puffs (Pokemon), and Heart Potions (The Legend of Zelda). With 55 unique and awesome dishes, this long-awaited cookbook will help inspire a pop culture dinner party, a fun night at home with family and friends, or an evening on the couch thinking about what you could be cooking!

The Irish Bed & Breakfast Book

Omar Khayyam's magical poetry with its rich sensual glow and evocative oriental imagery, once again available in Edward Fitzgerald's famous translation. One of the great classics of world literature. Large print edition PERSIAN POETRY

Promoting Interdisciplinarity in Knowledge Generation and Problem Solving

When Judith and her cousin Renie go on vacation in a remote and possibly haunted Scottish castle owned by a rich whiskey distillery baron strange things start occurring. They meet Harry Gibbs, a dissolute young man who is estranged from his wife and is found smothered to death shortly after Judith and Renie arrive. His widow, Moira, is suspect No. 1, of course, but there are plenty to go around since Harry was a real jerk and wanted to run the petrol company Moira inherited from dear old dad. Suspects include Moira's bastard half-brother, Blackwell Petroleum's sleazy CEO, the wily comptroller, an even wilier corporate attorney, the whisky baron, Moira's former mother-in-law who mixes delicious jams along with her not-so-delicious poisons, Moira's apparent lover, and, last but not least, Chuckie, the dwarfish epileptic who runs around castle. There's a ghost, some goofy villagers, and enough suspects to overwhelm any police force, but no challenge is too daunting for the cousins.

French Country Cooking

Professor Carlton Jones, of Celtic Affairs at the Southeastern University in Atlanta, is taking a sabbatical leave to study castles in Wales. He is an expert on Welsh castles and, in particular, wants to study the Castle of the Scarlet Ghost, little known today, but dating back to King Henry IV of England. He arrives at a bed and breakfast house, which adjoins the ruins of the old castle. Anxious to get started, though it is late in the afternoon and stormy weather, he starts up the hill towards the castle. A blast of lightning and a broken tree bough knocks him to the ground, unconscious. He awakens in a strange mansion in the Fourteenth Century attended by a beautiful girl. The mansion belongs to the wealthy and powerful master, Owain Glyndwr, who becomes the greatest hero of Wales. Although Glyndwr is, at first, skeptical of the professor's story, they soon become good friends. Glyndwr organizes a resistance to the cruel English masters, and Jones, his assistant, does not reveal what history will produce. Eventually everything is lost, and in the last chapter, the castle gains its name. Along the way, Glyndwr rescues Lady Margaret from the Tower of London. Many battles are fought, won and lost, and Professor Jones and the beautiful Siriz fall in love. Although Glyndwr is Wales' greatest hero, little is known of his life. I have researched his history and visited Wales twice. There is an article on Owain Glyndwr in the 2001 April/May issue of British Heritage. It indicates the interest that the public has in Owain Glyndwr.

Great British Food Revival

Alastair Sawday's British Bed and Breakfast guide offers something for everyone - from young families to young lovers, peace-seekers, walkers, cyclists, surfers and art and history buffs. Enjoy your Bed and Breakfast experience in a handsome townhouse or a quirky castle, a little terraced cottage or a university college, some are lavish, others simple. There are no set rules, no interminable checklists, no hard and fast criteria for inclusion: we look for character, authenticity and owners who love people and go the extra mile. Each entry in this wonderful Bed & Breakfast guide is special in its own way. One B&B may have fabulous architecture and inspirational views, another amusing hosts and delightful interiors; some have it all. Breakfasts will always be delicious: maybe eggs and bacon from down the road, soft fruits from the garden, homemade breads and jams, compotes and sausages. Honest write-ups take the slog out of finding the right place for you, be it somewhere perfect to take the dog, a child-friendly city bolthole or a gorgeous hideaway for two. * Find some great value Bed and Breakfast places too: many have double rooms for GBP70 or less * This new Bed and Breakfast guide features over 100 new places, many run by a new generation of owners bringing new ideas to the traditional B&B, many passionate about growing and rearing their own food. Some even offer creative courses in gardening and cookery * Clear symbols, excellent maps, over 750 colour photos, and honest and lively write-ups take the hard work out of finding the perfect place for your special stay

The Feast of Fiction Kitchen

New York Off the Beaten Path features the things travelers and locals want to see and experience—if only they knew about them.

Ereighda Castle: a Novel

First published in 1831, "Crotchet Castle" is the sixth novel by Thomas Love Peacock. Similar to his previous novel "Headlong Hall", the story revolves around an interesting group of obsessive eccentrics and their witty and entertaining conversations. The story begins with a gathering in one of the character's villa on the Thames and includes a canal journey towards Wales. Startlingly witty and infinity entertaining, "Crotchet Castle" is recommended for lovers of clever satirical writing and is not to be missed by fans of Peacock's fantastic work. Thomas Love Peacock (18 October 1785 – 23 January 1866) was an English poet, novelist, and important figure in the East India Company. A good friend of Percy Bysshe Shelley, they both had a significant influence on each other's work. Peacock was most famous for writing satirical novels, which usually involved characters sat around a table discussing contemporary philosophical ideas. Other notable works by this author include: "Headlong Hall" (1815), "Gryll Grange" (1861), and "Melincourt" (1817). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with introductory essays by Sir Walter Raleigh and Virginia Woolf.

Morning in the bowl of night

The Order of the Northern Star Varden had lived his entire life believing the old legends of the fairies. He had never seen a fairy, but as the leader of the Order of the Northern Star, he had vowed to keep the fairies safe and to someday return the Dragon's Eye to the Fairy Queen. Although the Dragon's Eye had been missing for untold centuries, the sudden appearances of the Ghost Horse had Varden convinced that the magical orb was on its way back to Adarlyndra and he was determined to keep the remaining fairies from being destroyed before its arrival.

The Scottish Bed & Breakfast Book

4 boys, 3 days, 1 castle. You do the math. It adds up to adventure, trouble and ... fries. In "The Secret of Markree Castle," 4 young boys find themselves in a 1 castle for 3 days and the nanny who was supposed to watch over them ... flaked. "That's OK," their parents said, "They're old enough now and responsible, right?" You can practically hear the boys' voices, "Sure, dad, we're responsible ... !" Then queue the evil background laugh and kids boiling pots of parents deep in the dungeon and ... I have to stop. It doesn't get that bad, I swear. But you see, dear reader, this book was written together with these 4 real life boys. We had Skype calls together (2 of the boys live in Beijing, China), we shared emails and asked lots of questions (for example, "If you could have any magical power, what would it be?"). I think it's fair to say that I learned more about my boys and their 2 friends writing this book together with them than I did hanging out with them all together. The Secret was the first book in the Markree Castle series and got the boys through the first night. This is the second book in the series and in "The Key to Markree Castle," the boys are in deeper than they thought possible, with the future of the castle in their hands. Here is a list of bullet points of takeaways from the book. -- 9-year old references no adult could possibly understand (or want to). -- Soccer, fries, and a castle. What else could a few boys dream of? -- Useless phrases in Dutch and Mandarin you can use at school to impress your friends! -- Written with the help of real 9- and 11-year olds. -- Parenting strategies so questionable your kids will be begging you to adopt them (the strategies, not the kids). -- Rarely before witnessed insight into the minds of young boys on their own with no parents. -- Study guides included on medieval castle architecture. (OK, not really.) -- Fun for the whole family! (Depending on your family, of course.) -- Bonus: learn the names of Donald Duck's nephews in Dutch and Mandarin!

Castle Richmond

An Irish girl describes life as a poor junkie. The mecca of her kind is Paris with its beauty and tolerant authorities. When her American boyfriend has to flee a drug dealer, they move to London where she lives on the dole. They break up and she goes to America.

The Small House at Allington

Tells of an impoverished American writer who unwittingly becomes involved in the disreputable doings of an international financier. The action, which involves a beautiful blonde Countess, shifts from Nice and the French Riviera to a medieval castle in the mountains of Provence. Publisher's note).

Scots on the Rocks

Written by a parent, for parents, this opinionated, personal, and easy-to-use guide has hundreds of ideas to keep the kids entertained for an hour, a day, or a weekend! Fun with the Family Upstate New York leads the way to amusement parks, historical attractions, children's museums, wildlife habitats, festivals, parks, and many other exciting places to go. The whole family will enjoy ... Flume zooming at the Catskills' largest water park, fly-fishing on the Willowemoc, or hiking to Huckleberry Point Immersing themselves in the wonderful world of America's pastime at the National Baseball Hall of Fame & Museum in Cooperstown Exploring Ithaca's nationally acclaimed Sciencenter, or traveling through a huge heart and brain at the Rubenstein Museum in Syracuse Standing in awe before Taughannock Falls or Niagara Falls

The Castle of the Scarlet Ghost

An invaluable book, this directory provides illustrations and information on bed and breakfast accommodations, from elegant town houses to farm houses in the heart of the country, as well as must-see sights in all areas of England, Scotland and Wales. Illustrations and photos, some in color.
