Key Reasons You Decided To Leave the Protestant Tradition and Become Eastern Orthodox and Pursue the Priesthood

Enduring Virtues or any Positive Accomplishments of the Protestant Reformation

Contact between the Lutheran Movement and Orthodoxy

Apostolic Tradition

St John Chrysostom

How Does the Protestant Teaching of Sanctification Differ from the Orthodox Understanding of Salvation as Theosis

Papal Indulgences

Catholic Counter-Reformation

Father You Know There Are Many Orthodox I've Heard Who Have Said that the Reformation Was in Many Ways a Reinterpretation of the Christian Faith and They Connect this Idea with the Idea of the Development of Doctrine the Doctrine Wasn't Set and Infallibly Set by the Apostles in the Apostolic Tradition but Needs To Continue To Develop Led by the Holy Spirit as They Would Argue and There's Been So Much of this in the West How Do Orthodox View this Idea of the Development of Doctrine Differently for Us the Faith as I Mentioned Was Something That Christ Gave to Us and the Articulations the Dogmatic Articulations of the Faith over Time Have Primarily Been Issues of Clarification in Response to Heresy

Differently for Us the Faith as I Mentioned Was Something That Christ Gave to Us and the Articulations the Dogmatic Articulations of the Faith over Time Have Primarily Been Issues of Clarification in Response to Heresy so We Don't We each Ecumenical Council We Don't Believe Is Establishing Something New Now the Catholics Who Have a Much More Robust Positively Speaking Concept of the Development of Doctrine Which They've Had To Kind Of Create To Justify the Creation of New Dogmas that the Ancient Church Didn't Recognize like the Immaculate Conception of the Virgin Mary like the Infallibility of the Pope Etc They've Try To Make an Argument that What Development of Doctrine Is Is a Seed

Who Have a Much More Robust Positively Speaking Concept of the Development of Doctrine Which They've Had To Kind Of Create To Justify the Creation of New Dogmas that the Ancient Church Didn't Recognize like the Immaculate Conception of the Virgin Mary like the Infallibility of the Pope Etc They've Try To Make an Argument that What Development of Doctrine Is Is a Seed Growing into a Tree so They Try To Maintain Continuity They Have a Far Greater Emphasis on that than the Protestants Do Themselves Who Are Much More Content Simply To Say this Is What the Scripture Says and Maybe There Were Whole Periods of Darkness in Which the Church Was Airing They'Re Much More Content To Say that However from an Orthodox Perspective Our Concept of Originality They've Try To Make an Argument that What Development of Doctrine Is Is a Seed Growing into a Tree so They Try To Maintain Continuity They Have a Far Greater Emphasis on that than the Protestants Do Themselves Who Are Much More Content Simply To Say this Is What the Scripture Says and Maybe There Were Whole Periods of Darkness in Which the Church Was Airing They'Re Much More Content To Say that However from an Orthodox Perspective Our Concept of Originality What We Think of When We Think about the Faith Originally Given We Think that Originality for Us Today Is Being Faithful to the Originals

We Don't Think Originality Is Coming Up with Something New like You Have To Do When You Go Do a Phd in a Western University You Have To Come Up with a Doug a Dissertation on some Subject Known as Ever Discussed Which Fuels Innovation in Theology Especially in the Area in the Area of Theology So in Orthodox Would Be Much Very Much Uncomfortable with the Idea that You Could End Up Articulating a Dogma that Previous Generations Would Not Recognize as Their Own Faith

You Point Out in Your Book Father Desire Rock and Sand That from the Beginning There Was and We've Discussed some of this that There Was a Wide Spectrum of Difference within the Protestant Reformation

You Would Think that those Who Are the Great Teachers of the Scripture like the Profs and Reformers Would Be Able To Agree on that What the Significance of the Central Act of Christian Worship Is the Eucharist yet None of Them Could the Lutheran's Had Their Definition the Swingley Ends and the Out of Active Ted Their Definition of with You Grift the Calvinist Had Their Definition of What Is the Verse and They all Fought that Their Expressions Their Dogmatic Statements on that Point Were the Clear Teaching of Scripture and in Fact They Almost Went to War the Princes That Were Supporting Them and Remember that Protestantism Is Nothing about Political Supporters this Is Very Much a Political Movement We Were Talking about It in the Realm of Theology

What Do You Say in Response the Claim of some Protestants That I've Heard that the Traditional Church Hierarchy in Order of the Roman Catholic and the Orthodox Churches Do Not Represent the Order or Polity of the Quote Early New Testament Church but Was Rather the Creation of the Imperial Church of Constantine of the 4th Century Yes this Is a Very Common Affirmation by Protestants Especially by American Type of Angelica's I Remember after I Had Just Become Orthodox I Was Teaching a Bible Study and I Had some Friends in It Who Are from an Epidemic or Background and Their Pastor Was Interacting with Me in Writing

You Don't Just Walk into God's House and Use the Resources Alone of Your Own Mind and Heart because that Is a Very Limited Pool Cs Lewis Says It Very Beautifully in One of His Articles I Believe It Was in God in the Dock although I'M Not Positive He Said that the Reason the Church Is Always Used Written Prayers Prayers Composed by Deified Men and Women Who Were Close to God His Friends and Knew How To Approach Him How To Speak to Him this Is One of the Reasons That We Use those Prayers He Says the Reason that Church Has Always Use Written Prayers Is because if You Don't if a Pastor Prays Extemporaneously He's Asking His Congregation To Do Three Things at the Same Time That Are Impossible To Do the First Is To Listen Super Carefully

He Said that the Reason the Church Is Always Used Written Prayers Prayers Composed by Deified Men and Women Who Were Close to God His Friends and Knew How To Approach Him How To Speak to Him this Is One of the Reasons That We Use those Prayers He Says the Reason that Church Has Always Use Written Prayers Is because if You Don't if a Pastor Prays Extemporaneously He's Asking His Congregation To Do Three Things at the Same Time That Are Impossible To Do the First Is To Listen Super Carefully so that You Get the Words because You Don't Know What's Coming the Second Is To Theologically Evaluate What's Being Said To See if It's Correct and the Third Is To Save the Ahmen if You Don't Say the Amend the Prayer Is Not Your Prayer

This Is Also Very Difficult for Protestants To Grasp because One of the One of the Tenets of the Protestant Movement Was that Nothing Should Be Done in Worship without Explicit Warrant of Scripture of Course this Falls from Sola Scriptura if the Scriptures You Have To Base Your Life on the Scriptures Alone and Worship Is Such an Important Part of Life You Should Do Anything That the Scriptures Don't Tell You To Do and Worship the Problem with that Is that's Not How Jesus Lived Chanukah Is no Way Authorized as a Service for the Jews and Yet Jesus Was Participating in the Festival of Hanukkah
