How to Say Goodbye in Robot by Natalie Standiford

Natalie Standiford's realistic young adult novel "How to Say Goodbye in Robot" centers around Beatrice Szabo, who just moved to Baltimore, MD and has to start her senior year in high school as a "new girl." Because of Mr. Szabo's job as a biology professor, Bea's family never stays in one place for too long.

How to Say Goodbye in Robot - Natalie Standiford -

"How to Say Goodbye in Robot" by Natalie Standiford is a heartbreaking story about a unique friendship, but although teen characters are realistic and multidimensional, not all of them are likable or easy to relate to.

How To Say Goodbye In Robot: Natalie Standiford

5 Jun 2014 — The title is a nod to Beatrice's "nickname" from her mom who thinks she's a little cold and remote. Bea's mom on the other hand feels too much, crying over the death of her new pet gerbil, and just acting generally off.

I'm Not a Robot - Wikipedia

10 Sept 2009 — How To Say Goodbye in Robot is funny, atmospheric, and disturbing. Because it's about friendship rather than romance, and because the characters are so unconventional, I don't think that it's going to appeal to everyone. However, I think that for a particular audience, this book will resonate strongly.

How To Say Goodbye In Robot - Books

If you'd only let me come by myself, none of this would have happened. Having you around makes everything worse.' She buried her head under her pillow. 'Stop it! you're so cold! You're heartless, you little robot!' The pillow muffled her words, but they still stung. 'I feel things,' I said. 'I'm not a robot!'

How to Say Goodbye in Robot by Natalie Standiford ...

19 Feb 2011 — The plot is less important than the characters themselves. Despite the oddness of the book or perhaps because of it, How to Say Goodbye in Robot was fascinating. Bea moves to Baltimore from Ithaca when her professor father accepts a new job. She is a nice girl but very detached.
