Sports Illustrated Football's Greatest Revised and Updated

SI's team of experts answer once again tackle the questions pro football fans have been debating since the pigskin started flying. Who's the greatest quarterback of all time? The most dominant linebackers? In 2012, Sports Illustrated sought to answer this question in Football's Greatest. In the past five years, new players have come on the scene, coaches have come and gone and great games have been played. Through it all, SI has been there, analyzing, tracking, photographing and reporting on every game as only SI can. Now, in Football's Greatest: Revised and Updated, an all-new team of experts comes together to debate everything that makes football, football – whether it's the best players, the best on the defensive line, the cheerleaders, or the stadiums, our team of experts have ranked them. Additionally, for this revised and updated edition, we've added a "Roundtable with the Stars" that includes some of the most legendary NFL Hall of Famers discussing whom they consider to the greatest. We've also added two new categories to the rankings: "Rivalries" and "Most Entertaining Players," that makes Football's Greatest: Revised and Updated an essential addition to any football fan's library. Once again, this is the book that's sure to end many arguments, and help start some new ones.

The Best NFL Offenses of All Time

They're the best the NFL has ever seen! This title introduces the NFL's biggest stars, past and present. Phil Simms (CBS Sports) has said of previous editions, the NFL Record Fact Book is an invaluable tool for those who follow the NFL. The ultimate guide to the NFL 2006 season The only reference book authorized by the National Football League and distributed to NFL teams and news organizations Includes complete statistics on the previous season, as well as comprehensive player and team information All-time NFL individual and team records included 2006 NFL draft summary Includes Fantasy Football section Complete game schedule and digest of NFL rules

NFL's Greatest

Filled with compelling photos of the most important teams, games, players and events as determined by the officials of the Pro Football Hall of Fame, this fascinating and in-depth book will enthrall sports fans.

Who's Better, Who's Best in Football?

Who are the best quarterbacks in NFL history? How about running backs? Wide receivers? How can we objectively rate the performance of individual defensive players? And how can we make reasonable judgments about players at different positions and from different eras? Who is the greatest football player of all time? Jerry Rice? Lawrence Taylor? Jim Brown? Such are the questions pondered by pro football writer Steve Silverman late at night (and during the day). As statistician Elliott Kalb did with baseball, basketball, and golf, Silverman now takes the next step with *Who's Better, Who's Best in Football?*. Taking the analytical methods he developed over his years as a senior editor at Pro Football Weekly, he applies them to an evaluation of players going back to the earliest days of the NFL. The result is a fascinating ranking of the best of the gridiron, from legendary old-timers like Sammy Baugh to present-day superstars like Peyton Manning. Throughout, Silverman discusses the many considerations that must be made when comparing modern players with players of past eras and players at different positions. Including biographical essays on those top 75 players and detailed statistics for their playing careers, *Who's Better, Who's Best in Football?* is a must have for anyone who considers football to be more than just a game.

Football All-Stars

A collection of short biographies of the best at the position they play in NFL football.

The Pro Football Historical Abstract

Using metrics of his own design, the author ranks the best professional football players of all time by position, along with providing rankings for the greatest coaches of all time.

The Greatest NFL Coaches of All Time

NFL coaches put together game plans to help their teams defeat tough opponents. They figure out how to best use their talented players to outwit and outplay the other team. *The Greatest NFL Coaches of All Time* looks at twenty-five of the best coaches ever.

Tom Brady Vs. the NFL

Showcasing one of professional football's best players, this book spotlights the life and career of gridiron great Tom Brady. More than just a biography, it relates Brady's story while also establishing his prominent place in NFL history. By examining his skills and statistics in a variety of categories and comparing him to other great quarterbacks--including Peyton Manning, Joe Montana, Bart Starr, Johnny Unitas, Roger Staubach, and more--the guide makes a strong case for Brady as football's best signal caller. Along the way, his best moments as a Patriot are revisited, from championship seasons and his favorite receivers to his relationship with legendary coach Bill Belichick. With detailed sidebars on Brady's celebrity status, fashion sense, much-talked-about hair, and supermodel wife, this is a must-have for faithful New England fans and pro football buffs alike.

Distant Memories

The 26 men featured in this book have one thing in common: They were all great football players. These legends were the superstars of the NFL and AFL during the glorious 60s and the fun-loving 70s. However, only 2 of these legends are in the Hall of Fame in Canton, Ohio. These stars revolutionized the game of Pro Football with their brilliant performances and were Pro Football's biggest gate attractions. As the years go by, and the 60s and 70s have become a distant memory, these outstanding football players and mavericks have been unappreciated and forgotten. These heroes and legends of the fall contributed to the success of the NFL and made Pro Football the most popular and exciting sport in America. *Distant Memories- The NFL's Best Ever Players of the 60s and 70s* focuses on Pro Football's forgotten stars and legendary heroes from the glorious past. It's about pioneers and great players from yesteryear. I have always wanted to write a book like this. Since I was a former amateur football player and have the knowledge and resources about football, I thought I would be the right person to write this book and do it with class and style. I have watched every football player in this book play every week and have seen all of the weekly highlight shows. I have followed their entire careers and I have seen every touchdown they scored. I watched all NFL and AFL games on TV in the 60s and 70s. In 1970, when the AFL and NFL merged to become one league, I watched every game on TV during the 70s. I can remember my golden Sunday mornings and early afternoons when I played football during the 70s. I always hurried home from my games so I could watch the NFL on TV. You can ask my wonderful

mother. She knew where I was every Sunday afternoon during the football season when I was young. I would like the players in this book to finally receive the recognition they deserve for their outstanding accomplishments. Danny Jones <http://www.starsofthenfl.com/index.html>

Trailblazers and Unsung Heroes

Trailblazers and Unsung Heroes: A License To Thrill- All-time Football Greats of Yesteryear, focuses on forgotten stars from the glorious past. Author Danny Jones has dedicated most of his life, over 50 years preserving the legacy and memories of all-time legendary players from the past. They were outstanding players who somehow flew under the radar and slipped through the cracks of immortality. Most of these stars had the talent and credentials to be in the Pro Football Hall of Fame- but are not. Many of these guys were trailblazers, pioneers, and unsung heroes in the 50's, 60's, 70's, and 80's. Seven out of 10 players in this book have waited over 40 years and still aren't in Canton, Ohio. A few of them have passed away. These unsung heroes defined an era with their brilliant performances. They were the biggest gate attractions in Pro Football. These legends of the fall have become distant memories. They were dedicated professionals who didn't play for money. These mavericks of yesteryear played because they loved the game. This book takes a glimpse back at the most memorable moments and best seasons of their illustrious careers. All 10 of these guys had a license to thrill. Hopefully, it's time for them to finally receive the recognition they deserve. I hope all of you get chosen to the Hall of Fame soon. That includes all 101 of the football legends I wrote about. Enjoy the book.

The Q Factor

Brian Billick, Super Bowl-winning coach and current analyst for the NFL network, takes on the 2018 draft class of quarterbacks and follows them for two years, identifying the tangibles and intangibles of success, in search of the key to better predicting who will make it as a top-ranked NFL franchise QB. There are elite athletes in every sport -- people who possess tangible and intangible qualities that allow them to overcome daunting odds, spot opportunity in the midst of adversity, and turn defeat into victory. No position embodies this dynamic more than football quarterbacks, and nothing is a greater test of performance than the NFL. The tangibles -- metrics, stats, ratings, bowl games, championships -- are critical to evaluation. But they're not enough. Every year, highly rated college quarterbacks are analyzed, critiqued, hyped up and/or doubted, and those who manage to survive the scrutiny are drafted early. Some of those early picks make it to the top, some end up journeymen, and some just wash out. Why? What separates the elites from the pack? In THE Q FACTOR, former NFL coach Brian Billick takes the highly promising 2018 NFL quarterback Draft class -- the most touted class since 2004 (Manning, Roethlisberger, Rivers) and 1983 (Elway, Kelly, Marino) -- and measures the top five quarterback picks to gauge how, why, and if they succeed. They are all first rounders, all with sterling college credentials, all talented athletes, all taken by teams betting their futures. One or maybe two could go on to greatness. But which ones, and why? Could the prediction process be better? Are the "experts" looking at the wrong factors? How do we find the best of the best? That's what THE Q FACTOR explores...and finally explains.

Football's Top 10 Quarterbacks

Who are the best passers in football? What does it take to be one of football's top ten quarterbacks? Touchdowns. Yardage. Completions. Accuracy. From Johnny Unitas to Peyton Manning, author Barry Wilner has listed the ten greatest quarterbacks (Sammy Baugh, Terry Bradshaw, Tom Brady, John Elway, Brett Favre, Otto Graham, Peyton Manning, Dan Marino, Joe Montana, Johnny Unitas) of both yesterday and today.

The Best NFL Defensive Players of All Time

They're the best the NFL has ever seen! This title introduces the NFL's biggest stars, past and present. Readers of all levels will be drawn in by easy-to-read stories, quick-hit sidebars and high-impact photos that tell each player's story. With spotlight stats, info boxes, a glossary, additional resources, and more, this series is jam-packed with information fit for any football fan.

Best NFL Defensive Players of All Time

They're the best the NFL has ever seen! This title introduces the NFL's biggest stars, past and present. Readers of all levels will be drawn in by easy-to-read stories, quick-hit sidebars and high-impact photos

that tell each player's story. With spotlight stats, info boxes, a glossary, additional resources, and more, this series is jam-packed with information fit for any football fan. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

Then Madden Said to Summerall. . .

Written for every sports fan who follows the NFL, this account goes behind the scenes to peek into the private world of the players, coaches, and decision makers—all while eavesdropping on their personal conversations. From locker rooms to the sidelines and inside huddles, the book includes stories about Terry Bradshaw, Brett Favre, Dan Marino, Joe Namath, Don Shula, Lawrence Taylor, Johnny Unitas, and Bill Walsh, among others, allowing readers to relive the highlights and the celebrations.

The NFL's Top 100

"A look at the top 100 NFL players in history as selected by a panel of experts, with brief overviews of each player's career and stats"--

The Baseball 100

A sportswriter and lifelong student of the game, Posnanski that tells the story of baseball through the lives of its greatest players. His choices include iconic Hall of Famers, unfairly forgotten All-Stars, talents of today, and more. Rather than relying on records and statistics, he retraces players' origins, illuminates their characters, and places their accomplishments in the context of baseball's past and present. The result is a rich pageant of baseball history, and stories that have long gone unheard. -- adapted from jacket

Who's Better, Who's Best in Football?

Who are the best quarterbacks in NFL history? How about running backs? Wide receivers? How can we objectively rate the performance of individual defensive players? And how can we make reasonable judgments about players at different positions and from different eras? Who is the greatest football player of all time? Jerry Rice? Lawrence Taylor? Jim Brown? Such are the questions pondered by pro football writer Steve Silverman late at night (and during the day). Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. Throughout, Silverman discusses the many considerations that must be made when comparing modern players with players of past eras and players at different positions. Including biographical essays on those top 65 players and detailed statistics for their playing careers, Who's Better, Who's Best in Football? is a must-have for anyone who considers football to be more than just a game.

The NFL's 60-Minute Men

In 2019 the NFL celebrated its 100th season. During that historic year the league selected an All-Time Team of 100 former star players. Among them were seven from before football's free substitution rule (1920-1945), two-way players who were skilled at both offense and defense. They were: Sammy Baugh (Quarterback), Dutch Clark (Running Back), Dan Fortmann (Guard), Mel Hein (Center), Cal Hubbard (Tackle), Don Hutson (Wide Receiver) and Bill Hewitt (Defensive End). There were more than just seven great players from those years, when men in leather helmets played multiple positions on dirt fields for

modest salaries. This book ranks the NFL's top two-way players, with detailed biographies and analysis by their contemporaries.

The Last Best of All Times

Robert Semenza has always considered himself fortunate to have been brought up in what may have been, in his mind, the "last best of all times" "an era that spanned only a little more than a decade and a half, from the early forties to the midfifties, from World War II to the Korean police action," from FDR to Harry [the buck stops here] Truman to Ike." He was even more blessed to be raised in an environment where he was "surrounded by a wealth of love and warmth from our parents and a seemingly unlimited number of relatives and "piasians"; however, the adults in our lives were there only when we needed them sort of a Charlie Brown' type of existence but without his anxiety." He felt that all his wonderful memories would be lost forever and wanted to preserve them for the generations to follow. His tale is told in a self-effacing way and from the perspective of a young boy being raised in "the West," a neighborhood in New Rochelle, New York; "of Italians and colored people" (you never called them "blacks" or "African Americans" unless you were prepared for a fight); and the rest of civilization, referred to simply as the Americans. It tells of his Tom Sawyer/Huck Finn type of youthful adventures and mishaps centered around a cast of colorful and unforgettable "characters" that roamed the streets of the West, from the likes of the "Goat Man," who would "proudly parade his goats down Union Avenue" and whose "route was undeniably marked by a trail of small round soft black pellets, which the goats expelled as they merrily strolled to their noonday repast [presumably to make more pellets]" to the "Iron Horse" to Louie "Chicken Breast," and to a whole host of other characters. As he explains, they "were just there and accepted as they were, except that they, like everyone else in the neighborhood, had a nickname, which was generally linked to their physical appearance, which, in each case, was obvious." He has attempted the impossible task of trying to list all of these nicknames his nickname was "Chesty" the reader will learn why. His personal memories transport the reader back to that time and to his boyish recollections of his family, the school, the church, the Boys Club, the games they invented, and the special joys brought by each season of the year. www.readerscircle.org

The World's Best Football Stories - Fun & Inspirational Facts & Stories of the Greatest Football Players and Games of All Time

Curious about how one iconic play can alter the course of football history? Want to see how a single player can revolutionize a position and influence generations of athletes? Interested in learning about the resilience and determination behind the most memorable moments in football? In The World's Best Football Stories, you'll be captivated by: Tom Brady: The Sixth Round Pick: Journey through Brady's overlooked early career, his rise to superstardom, and his remarkable legacy as one of the greatest quarterbacks in NFL history. Embark on a journey through football's most inspiring stories. Grab your copy now and prepare to be enthralled by the greatest football players and games of all time!

NFL Century

From the former executive director of the Pro Football Hall of Fame comes a sweeping and lively history of the National Football League, timed to coincide with the NFL's 100th anniversary season. "I can think of no one better qualified—or more enthusiastic—to chronicle the National Football League's century-long history than Joe Horrigan."—Marv Levy, Hall of Fame NFL coach The NFL has come a long way from its founding in Canton, Ohio, in 1920. In the hundred years since that fateful day, football has become America's most popular and lucrative professional sport. The former scrappy upstart league that struggled to stay afloat has survived a host of challenges—the Great Depression and World War II, controversies and scandals, battles over labor rights and competition from rival leagues—to produce American icons like Vince Lombardi, Joe Montana, and Tom Brady. It is an extraordinary and

entertaining history that could be told only by Joe Horrigan, former executive director of the Pro Football Hall of Fame and perhaps the greatest living historian of the NFL, by drawing upon decades of NFL archives. Compelling, eye-opening, and authoritative, NFL Century is a must-read for NFL fans and anyone who loves the game of football. Advance praise for NFL Century "Joe Horrigan takes the reader on a delightful tour of the seminal moments of the NFL in the past one hundred years—the players, owners, coaches, executives, and historical events that made the game of football the most popular in America. It's a wonderful walk down memory lane for any football fan, young or old."—Michael Lombardi, author of Gridiron Genius "There is no one—and I mean no one—who knows more about the history of the NFL than Joe Horrigan, the heart and soul of the Pro Football Hall of Fame. As the gold standard of sports leagues celebrates its one hundredth season, it's appropriate that the gold standard of sports historians has written NFL Century, an entertaining and educational journey."—Gary Myers, New York Times bestselling author of Brady vs Manning

The Best Wisconsin Sports Arguments

An essential sports reference for Packers, Badgers, Brewers, and Bucks fans! Brand-new to the popular Best Sports Arguments series, The Best Wisconsin Sports Arguments looks at the great debates from the most-loved sports of the state of Wisconsin, including: The great Favre debate: who's right and who's wrong? What's the greatest moment in Wisconsin sports history? Who's the bigger Badger rival—Iowa or Minnesota? Better tradition—"Jump Around" or the sausage race? Written by veteran Wisconsin sports personality Andy Kendeigh, The Best Wisconsin Sports Arguments covers football, baseball, basketball, hockey, and more. Every question a Wisconsin sports fan wants to explore is here, sure to spark controversy and debate.

Going Deep

How Wideouts Became the NFL's Standouts From the time Cris Carter started his career as a supplemental draft pick of the Philadelphia Eagles in 1987 to his retirement in 2002, the position of wide receiver exploded in the NFL. Receivers went from being quiet and classy to being known for their electric play, off-the-field antics, and -- in some cases -- over-the-top personalities. In Going Deep, Carter and ESPN journalist Jeffri Chadiha chronicle the rise of the wide receiver and explain how it became the most complex, compelling, and talked-about position in all of professional sports. Using stories from his own career to offer unprecedented insight into the position, Carter explains the players' unique personalities, how their minds work, and why teams need to understand exactly what they're dealing with when it comes to their wideouts -- the NFL's newest superstars. Told through Carter's opinionated voice, Going Deep covers all the important moments and people -- from Michael Irvin, Jerry Rice, and Keyshawn Johnson to Randy Moss, Terrell Owens, and Chad Johnson -- who have contributed to this revolution. He also tells stories readers have never heard about their favorite players, shares theories about the position that only get discussed in front offices and locker rooms, and offers revealing explanations on what these players mean to the league today, as well as why the NFL can't go forward without them. "One of the most riveting, insightful football books I've ever read. This book takes you inside the huddle, along the sidelines, and deep into the secret world that is the NFL. Breathtaking work." -- Jeff Pearlman, New York Times bestselling author of Boys Will Be Boys and The Bad Guys Won "No one understands wide receivers better than Cris Carter, and I loved his book. If you want to understand how we think, and hear inside stories about the most over-the-top athletes in sports, read Going Deep." -- Jerry Rice, Hall of Fame wide receiver "I am so glad someone got Cris Carter to sit down and describe what makes receivers tick. (It's deeper than you think.) You'll get to the last page of this book and say, 'I really learned a lot here--and the pages flew by.'" -- Peter King, senior writer, Sports Illustrated; author of Monday Morning Quarterback; and two-time National Sportswriter of the Year

The Green Bay Packers All-Time All-Stars

Let's say you're the coach of the Green Bay Packers, deciding which players should start in a Super Bowl matchup against the toughest team in the AFC. But instead of choosing from the current roster, you have every player in the team's 100-year history in your locker room. Who starts at quarterback: the steady field general Bart Starr, gunslinger Brett Favre, or cannon-armed Aaron Rodgers? At outside linebacker, do you play Hall of Famer Dave Robinson, Lombardi-favorite Dan Currie, current All Pro Clay Matthews, or another player from the team's deep roster? Which players get the start at wide receiver? Donald Driver, James Lofton, Sterling Sharpe, Max McGee, Jordy Nelson, or Antonio

Freeman? Combining career stats, common sense, and a host of intangibles, veteran sportswriter Chuck Carlson imagines an embarrassment of riches and sets the all-time All-Pro Packer lineup for the ages.

NFL Heroes

The NFL's best players, all in one action-packed volume. Over a century after the formation of the American Professional Football Conference, the precursor to the National Football League, pro football continues to excite and captivate millions of fans across the globe. At the core of the NFL is its legendary players -- the incredible athletes who have thrown, caught, run, tackled and kicked their way into the annals of sports history. NFL Heroes presents the best of the best in pro football. From the pioneers, to the current stars, to the all-time legends that occupy the Hall of Fame in Canton, Ohio, they're all here, including: Tom Brady Jim Brown Jerry Rice Dick Butkus Johnny Unitas Deacon Jones Reggie White Joe Montana Antonio Brown Walter Payton Aaron Donald Lawrence Taylor Dan Marino Terry Bradshaw Emmitt Smith Brett Favre Roger Staubach Rob Gronkowski LaDainian Tomlinson Deion Sanders. Featuring 100 riveting stories and over 120 photos of the game's best, NFL Heroes is a must-read for any fan of America's favorite sport.

The Greatest Football Teams of All Time (a Sports Illustrated Kids Book)

Covering individual teams (Hello, 1972 Miami Dolphins!) but also the best eras in famous teams' history, such as the Patriots of the '00s and the Steelers of the late 1970s, the editors at Sports Illustrated Kids dissect the best of the gridiron to show the whys and hows of team building, brilliant strategy, player combinations, and that special magic that the greatest teams have and which owners can't buy--even if there weren't a salary cap. Player profiles, stats and records, and thrilling narratives show the march to the Super Bowl and into history of America's favorite spectator sport. Amazing photos, insider stories, and fun facts capture the cultural phenomenon that is football in the U.S.! The SI Kids editors won't forget college ball! Picture the 2001 Miami Hurricanes cruising to the national title with a perfect season that was fun and full of swagger, displaying an absurd level of talent with six first-team All-Americans leading the way.

The Mental Performance Index

"You've got to continually eliminate errors and take pride in not making mental and physical mistakes. It takes extra work, extra thoughts, and extra practice to get it all done. It just doesn't happen on Sunday. You have to make up your minds to get it done and make up your minds to win." -Don Shula, Head Coach, Baltimore Colts (1963-1969) and Miami Dolphins (1970-1995). Most Career Wins (347), Most Super Bowl Appearances (6), Only Perfect Season (1972 Miami Dolphins), and 2 Super Bowl Titles with the Miami Dolphins (VII & VIII) "This is a fascinating work of remarkable scope and scholarship. Dr. Murray has devised a valid new way to measure and predict greatness in the game of football." -Steve Sabol, President of NFL FILMS "Everyone is gifted, but not everyone opens the package. Open this package and you will understand the secret advantage that helped keep me in the NFL for 12 years!" -Jim "Crash" Jensen, Miami Dolphins All Purpose Player (1981-1992), NFL Special Teams Player of Year (1988), "Miami Dolphins Unsung Hero" (2006) "As a professional kicking coach, who has spent my entire career working with professional athletes, I feel that John has done a brilliant job of demonstrating the importance of mental toughness, and intelligent play in professional football! 'The Mental Performance Index: Ranking the Best Teams in Super Bowl History' should be required reading for all football coaches at every level of the game. His book is masterfully done, and clearly outlines that mental preparedness, and intelligence on the playing field, is equally as important as physical ability and athletic talent!" "John, I truly believe that you have created a masterpiece! As a kicking coach, I am very excited about what you have done." -Doug Blevins, President, DOUG BLEVINS KICKING AND PUNTING, Miami Dolphins Kicking Coach, Football Consultant "Dr. John F. Murray is trailblazing a new frontier in understanding and appreciating football and helping teams win! This is a must read for coaches, reporters and anyone who loves the sport." -Jim Martz, Miami Herald sports writer (1970-1990), Editor of Cane Sport (University of Miami fan magazine), Author of 4 Miami Hurricanes books "Today's athletes are blessed with unprecedented physical talent, speed, strength, grace, facilities, technologies, and coaching. Unfortunately, they are often plagued by an ADD culture that inhibits their most important asset in performance - bringing their passion and focus to the moment. Whether the placekicker with a last minute game-winning field goal, an offensive lineman who goes off-sides on a key 4th down in the 4th quarter, or the safety who blows a coverage that costs a game, it is

the individuals, but more importantly the TEAMS that play with collective intelligence that consistently win championships. Dr. John F Murray's Mental Performance Index helps us finally understand how and why teams like Bill Belichick's New England Patriots play smarter. I learned in almost 20 years in the NFL that it was improving my capacity to focus on the right things in the moments of truth that took me from a good college placekicker to the most accurate kicker in NFL History. Read this book and carve out new space in your life for lasting success!" -Nick Lowery, New England Patriots, Kansas City Chiefs & New York Jets Placekicker (1978-1996) "Catching or dropping the big pass in a game actually happens long before the game in great or poor mental preparation. By measuring terrific execution, or it's opposite in carelessness and mental errors, Dr. Murray is also capturing how well players prepare mentally before the big game!" -Dan Johnson, Miami Dolphins tight end (1983-1987), Caught a touchdown pass from Dan Marino in the first quarter of Super Bowl XIX

Any Given Sunday

An authoritative 100-year history of America's National Football League from its founding. The NFL has become the most lucrative sports league in the world, yet it has not always been a roaring success story. It is a rocky road filled with detours and wrong turns; with heroes and villains; and, most importantly, with thousands of games. Any Given Sunday recounts twenty of the biggest of those, starting with the first contest ever played in 1920 and working through to key fixtures in the recent past. Each chapter is complemented by interviews with some of the game's true stars; first-hand accounts from games, including multiple Super Bowls; and, finally, full access to the Pro Football Hall of Fame. Matthew Sherry, founder of Gridiron, the UK's only NFL magazine, takes readers from the boardroom to the field, into the locker-room and inside the journeys of legends, providing a full snapshot of the NFL's epic first century.

Football Done Right

Former NFL general manager and three-time Super Bowl winner Michael Lombardi takes readers on the ultimate journey through the NFL's history to present his calls on the greatest players and coaches the sport has ever seen. From Monday Night Football to Super Bowl Sunday, the NFL is a dominating force in the lives of millions of fans who tune in and passionately cheer for their favorite teams. And when the games are over, the conversation is just getting started. Who's the greatest player of all time? Which coaches truly shaped the game we know and love today? What was the most unforgettable game? Why is professional football such an undeniable part of our culture? Three-time Super Bowl winner Michael Lombardi has done it all—from scout to executive to coach—and now he sets the record straight on these questions and more. With Football Done Right, Lombardi tackles all aspects of the sport, discussing the best of the best. He channels his 35+ years of experience with the NFL into an all-encompassing celebration of the game. More than just ranking the giants of the league, Lombardi shows how and why each affected the game. Mixing first-person, in-the-locker-room experience with little known history and hard stats, Lombardi makes a definitive case for the most influential coaches and the best players, and also offers an insider look to how drafts and trades operate behind the scenes and honoring the sportscasters who played an essential role in popularizing the sport. Both a full history of the sport and a comprehensive re-imagining of the Football Hall of Fame to honor every deserving athlete and coach, Football Done Right will change the way you watch, discuss, and debate the gridiron.

Best of Rivals

In this revealing, in-depth look at the NFL's greatest quarterback controversy, Adam Lazarus takes readers into the locker room and inside the huddle to deliver the real story behind the rivalry—when Joe Montana and Steve Young battled on and off the field and forged one of the finest football dynasties of all time. From 1987 to 1994, the two future Hall of Famers spurred each other on to remarkable heights, including three Super Bowl wins and four MVP awards, and set new standards for quarterback excellence. The two men couldn't have been more different in background, personality, and playing style, and their competition created as much tension as it did greatness, forcing Montana to prove that he was still the game's best quarterback and Young to prove that he was a worthy successor. Featuring candid interviews with Montana, Young, Jerry Rice, George Seifert, and many more, Best of Rivals brings to life the story of two sports legends, the golden era of football their rivalry presided over, and the amazing legacy it produced.

Football For Dummies

Provides an insider's look at the game, discussing such topics as playing fields; equipment; rules; offensive and defensive players; children's, school, and college play.

G.O.A.T. Football Teams

"From the undefeated 1972 Miami Dolphins to Tom Brady's best New England Patriots team, meet the greatest NFL teams of all time. The fun top-ten-list format is supported by plenty of fascinating facts and stats"--

Showdown

A classic NFL/civil rights story—the showdown between the Washington Redskins and the Kennedy White House In Showdown, sports historian Thomas G. Smith captures a striking moment, one that held sweeping implications not only for one team's racist policy but also for a sharply segregated city and for the nation as a whole. Part sports history, part civil rights story, this compelling and untold narrative serves as a powerful lens onto racism in sport, illustrating how, in microcosm, the fight to desegregate the Redskins was part of a wider struggle against racial injustice in America.
