

Educational Sociology 1st Edition

[#educational sociology](#) [#sociology of education](#) [#first edition](#) [#education and society](#) [#social foundations of education](#)

Explore the crucial intersection of education and society with this foundational Educational Sociology 1st Edition. Delving into the sociological perspectives that shape learning environments, this book provides an essential introduction to understanding the social structures, inequalities, and dynamics within educational systems. Perfect for students and researchers, it covers key theories and contemporary issues in the sociology of education.

Our goal is to make academic planning more transparent and accessible to all.
