## The Ghosts of Confederate Gold

The Ghosts of Confederate Gold (98,554 words) The ghosts of the American War Between the States still keep their secrets especially if gold is involved; then again when could for giggly girl ghosts ever keep secrets!

## Civil War Gold And Other Lost Treasures

\* School teacher finds 54,000 in Civil War-era currency near Gettysburg.\* Children find 5900 in gold coins in Florida.\* Tree blown over by storm in Louisiana reveals Civil War plantation's jewels and silver.\* Treasure hunter finds a silver plate and coins worth 24,000 in a park in the center of Roanoke.\* Loot from John Hunt Morgan's raids never recovered.\* Contents of the U.S. Mint in New Orleans never recovered after the Confederate occupation.\* At least 150,000 from the Confederate treasury unaccounted for when Jefferson Davis was captured. Some of the legends about lost Civil War treasure have proven to be true in recent years. Today, a dedicated band of treasure hunters continue the search for the biggest hoards of gold, coins and relics of the Civil War era that have never been found. Civil War treasure hunter and historian W. Craig Gaines has produced a fascinating introduction to lost Civil War treasure, including a chapter and maps devoted to each of the forty states, as well as Mexico, the Bahamas and the West Indies, where lost treasures are said to be buried. Many tales of Civil War treasure belong in the realm of legendary and Gaines has carefully assembled the evidence to separate genuine incidents from fanciful. Each Civil War treasure tale is documented and has references for further research. Both the general Civil War enthusiast and the prospective treasure-hunter will be fascinated by these stories, including lost mines discovered during campaigns in the West, lost family treasures hidden from Union or Confederate raiders, sunken Confederate blockade-runners, lost payrolls of military units, and the missing loot from Confederate raids on the Colorado gold fields. The author has also drawn upon his many years' experience in research and exploration to provide an extensive guide to the world of the Civil War treasure and relic hunter, including journals, organizations, websites, government agencies, shops and manufacturers.

## The Ghost and the Gold Louis

Historical paranormal. A ghost tells her great granddaughter the tale of gold coins that purchased her as a slave in 1810 and their journey through time to present. The ghost leads her granddaughter on the trail to recover Gold Louis coins donated to the Confederate War effort by one of her twin sons. The granddaughter has inherited a museum in New Orleans that her cousins bankrupted while she was growing up. The coins must be recovered to save the museum. Fast-paced action/adventure woven through historical events.

#### Confederate Gold and Silver

This historical mystery contains two stories which gradually merge into one. One occurs during 2011, while the other takes place in 1863 during the height of the Civil War. In 2011, after moving to South Carolina, Paul Waring, a retired Connecticut state trooper, and his wife start their new life. Soon after moving, Paul makes a startling discovery. He discovers the remains of a long-forgotten Confederate soldier, along with several Civil War artifacts. Those artifacts include two glass bottles containing several clues he must decipher. Paul determines that one clue concerns the whereabouts of the lost Confederate treasury; a treasury largely comprised of gold and silver coins. He later discovers much of this gold was stolen from the United States government at the outbreak of the Civil War.

#### Confederate Gold

Lorenzo Torres arrives in Fairfield, VA, to the cries of murder by a prize bull at the farm of his former boss and mentor, Dr. Zachery Watson. Unable to make sense of the dubious circumstances of Zack's death, Lorenzo enlists the help of investigator Nate Simon, the only person he is certain has the competence and tenacity to discover the truth.

#### Ghost Town Gold

Released from Yuma prison after serving five years for a crime he didn't commit, Jubal Brand travels to a remote ghost town in the Arizona desert hoping to uncover a trunk of Confederate gold. Jubal was told by a dying outlaw in prison where the gold was hidden. Jubal wants that gold as a reward for serving time with robbers who refused to clear his name. But he soon learns that escaped murderer Edward Cobb is also searching for the gold, along with Lani St. Claire, a beautiful but mysterious dove. With a dangerous Apache on the loose, and with enigmatic U. S. Marshal Maxfield Knight tracking Cobb, Brand fears that he won't live long enough to spend any of that gold.

#### Rebel Gold

What if a secret society, founded during the Civil War, accumulated a fortune in gold coins in the hopes of someday funding a second war between the states? What if they buried their treasure in a vast network of remote locations across the South and the Southwestern United States, and appointed sentinels to guard them -- sentinels who passed the secrets of this treasure from generation to generation? What if the keys to this fantastic treasure were hidden in a series of mysterious coded maps? In *Rebel Gold*, investigative journalist Warren Getler and Bob Brewer, a descendant of one of the Confederate sentinels sworn to protect this treasure, uncover the truth behind the legend of this buried gold and the group rumored to have hidden it, the Knights of the Golden Circle. A fast-paced blend of history and modern-day detective story, *Rebel Gold* reveals a shadowy chapter in American history -- and how its legacy may be continuing to this day.

#### Ghosts of the Confederacy

Through an examination of memoirs, personal papers, and postwar Confederate rituals, this book explores how white southerners interpreted the Civil War, accepted defeat, and readily embraced reunion and a New South. It reveals that while the Lost Cause was a central force in shaping late 19th-century southern culture, the legacy of defeat ultimately had little impact on southern behavior.

#### Civil War Ghosts at Fort Delaware

Ghosts at the Civil War island prison at Fort Delaware State Park.

#### The Beast of Rickards Road and the Ghost of Payne Road

The Beast of Rickards Road appeared out of the darkness one October night and terrorized the small community of Walkertown, NC. Is it a hoax perpetrated by a person wearing a dark suite or a demon with supernatural powers on the loose in a rural farming community? In the second ghost story, the ghostly murders have been unexplained for over a century, until the sheriff's department hires a private investigator to solve the serial murders out on Payne Road. The investigator, Bill Christian meets Clara Bell and Wilber Parker, as they join forces to battle the evil demon out on Payne Road! Bill Christian goes to Old Salem to research the old records of the early Moravians to look for clues in his investigation. They must ask the Cherokee Nation for spiritual assistance because they are in for the battle of their very lives! Will the demon slayers uncover lost treasure from centuries past?

#### Confederate Gold

The South is losing the war. In a last ditch effort to turn the war around and give the Confederacy a chance of salvation, a solid deadly attempt is made in a trade agreement with France for guns and gold bullion. Twenty-two desperate Confederate soldiers embark on a trip across the ocean to France. They encounter Union spies and cut throat dealings with the French Ambassador before they arrive in Mexico. They brave death, hardships, storms and the desert in their journey to save their way of life and free the South. They must battle their way back across the ocean and the desert of Mexico to reach Richmond, making all who come against them pay in blood.

#### Confederate Gold

On April 2nd 1865, with the Confederate states in turmoil, a train carrying the separate monies of both the Confederate Treasury and the Virginia banks left Richmond. Following a hazardous flight south, the train was eventually split, allowing the bank money to return to Richmond. On May 24th, the wagon train carrying this money north was hijacked near Washington, Georgia. While some of the stolen money was recovered, much remains missing to this day. Rumors abound as to where the thieves hid their loot. Some claim it was dumped in that portion of the Savannah River, which is now part of Thurmond Lake. There have been many attempts to find it with no success although occasional claims of finding a gold bar or a few coins have been made. Others suggest the money is hidden in Crawfordville at the home of then Vice President Alexander Stephens but again no evidence has been found. Confederate Gold deftly blends fact and fiction into an historical mystery. The novel is woven around past realities and encompasses the many aspects of human strengths: loyalty, patience and fortitude offset by human frailties: greed, lust and deceit. Adventure and suspense are combined against a backdrop of real and fictional characters. In the end the novel suggests an answer to the whereabouts of that missing treasure. If it is not in the Savannah River or at the home of Vice President Alexander Stephens, it could well be where Singleton states it to be.

#### Confederate Gold

Just before Richmond burned in 1865, the last of the Confederate treasury was whisked into hiding. Its existence following the war remained a mystery. But the discovery of a coded document by George "Bo" Bolitho offers clues to the location of the lost Confederate gold. Bo soon finds himself in competition with the U.S. government for recovery of a southern legacy.

#### The Hunt for Confederate Gold

The South is losing the war. In a last ditch effort to turn the war around and give the Confederacy a chance of salvation, a solid deadly attempt is made in a trade agreement with France for guns and gold bullion. Twenty-two desperate Confederate soldiers embark on a trip across the ocean to France. They encounter Union spies and cut throat dealings with the French Ambassador before they arrive in Mexico. They brave death, hardships, storms and the desert in their journey to save their way of life and free the South. They must battle their way back across the ocean and the desert of Mexico to reach Richmond, making all who come against them pay in blood.

#### Confederate Gold

In April 1865 the Civil War is over for most Americans. Confederate President Jefferson Davis flees Richmond, the Southern capital, accompanied by most of his administration, a cavalry escort, various hangers-on, and the Confederate treasury.

## Haunted Colorado

About the Book The Old West has intrigued the imaginations of many over the years, drawing people in with the mystery and wonders of the wilderness, gun fights, and stories of heroes and villains. But there is more than meets the eye to the Old West: there is a wild magic that lives within the bones that make up the land. Ghost Town: Spooky Stories of the Old West takes the supernatural and places it into the heart of the Western. With tales of ghost towns, spells, mysterious and mystical women, and everything in between, the genre of the Supernatural Western is born. About the Author Richard Brent Reed has been a teacher and attorney with experience in acting, directing, and writing for the stage. He enjoys music, geology, history, horticulture, natural history, and paleontology.

## Ghost Town: Spooky Stories of the Old West

Jack Duncan, a poor copyboy for the Cleveland Tribune, has just learned he is the sole heir of a Southern Plantation just outside of Atlanta, Georgia. It has sat vacant since his Uncle died in 1959. He travels to Georgia to discover his heritage, and initially plans to dispose of the place, but after his arrival, he discovers there are secrets to his ancestry and this house that will change him forever.

## Ghosts in the House

Settle in for a juicy bushel of Peach State bafflement.

## Georgia Legends & Lore

The destinies of President Lincoln, General Sherman and Confederate President Davis are forever bound to the Lost Confederate Gold, but questions still linger about those astonishing events: \* Why did President Lincoln want the Confederate President and his cabinet to "escape the country" after the war? \* Why did President Johnson's administration believe General Sherman had been bribed with Confederate gold to let Jefferson Davis escape through North Carolina? \* Who were the Confederate secret agents who had been in Canada, and why was a reward issued for their capture after Lincoln was assassinated? \* How did John Wilkes Booth escape so easily across a guarded bridge after Lincoln's assassination, and why do the descendants of John Wilkes Booth want DNA samples from the 3 vertebrae taken during the autopsy of the man believed to be the killer? \* Why did the Federal government launch decades of lawsuits and send treasury agents in search of gold in the Confederate states and England? \* Why was neutral England asked to cede Canada and forced to pay \$15.5 million to the United States after the war? Find the answers in this intriguing new book about the amazing last days of the Civil War.

## Lincoln, Sherman, Davis and the Lost Confederate Gold

On the night of April 2/3, 1865, a train left Richmond carrying the gold and silver from the Confederate Treasury, perhaps worth \$370,000, as well as \$450,000 in gold and silver from a group of Richmond banks. The train roughly followed the escape route of Jefferson Davis and his cabinet - sometimes ahead of Davis, and sometimes behind. By the time the treasure cache reached Washington, Georgia, the Confederate Treasury was depleted. We'll examine in some detail what happened to the gold and silver along the way. The Richmond bank specie fared better up to that point, arriving more or less intact. But this would change radically on May 24, 1865 when Confederate parolees hijacked the Richmond bank gold as it was being shipped from Washington, GA back to Richmond. While some of that gold was recovered, there is still about \$140,000 (1865 dollars) missing. This book will tell the tale of the last days of the Confederate Treasury, and the lost gold and silver of the Richmond Banks. The book contains 44 illustrations.

## Lost Confederate Gold

Veenie Goens and Ruby Jane Waskom would like to retire, but they lack a nest egg. In fact, they barely have a nest. They co-own a ramshackle, but cozy home, that's overrun with quirky characters. Determined to supplement their social security, the amateur aging women sleuths, who live in the small town of Knobby Waters, Indiana, decide to go pro with their one natural talent: nosiness. They sign on as detectives with the Shady Hoosier Detective Agency, run by Harry Shades, an incompetent womanizer. Their knees aching, but their spirits high, the senior sleuths' first crime case, the Ghost Busting Mystery, finds the lifelong friends chasing ghosts, bank robbers and hillbilly hoodlums through the barnyards of rural Indiana. Follow Ruby Jane and Veenie's antics in the Ghost Busting Mystery, an award-winning feel-good, funny mystery voted the Best Humor Book 2019 by the Indie Reader. This is Book 1 in the humorous Shady Hoosier Detective Agency Cozy Mystery Series.

### Ghost Busting Mystery

With his wife on the prowl for other men and his temper catching up with him, Enoch Brand signs on for a wagon train headed for Tennessee and soon finds more trouble than he can handle.

### Confederate Gold

Northern California has a dark side--a hidden world of ghosts, monsters, and devils.

### Haunted Northern California

With its 100-year history of infant mortality, violence, murder, war, surgical amputations, political intrigue, thousands of ghastly deaths, and a long streak of truly bad luck, it's little wonder that Carnton Plantation is haunted, or that thousands travel each year to visit its hallowed grounds in the hopes of spotting a ghost themselves. What is perhaps more surprising is that no one has thought to chronicle the accounts of Carnton's many ghost stories, and put them in a book for readers of all ages. Lochlainn Seabrook, a former Carnton tour guide and the author of dozens of popular Civil War books, has rectified this situation by providing us with the first nonfiction book ever written about the goblins of Tennessee's most haunted Civil War house. Carnton Plantation Ghost Stories is loaded with both fun and serious facts touching on numerous topics, from the Civil War, plantation life, and Victorian culture, to 19th-Century medicine, genealogy, and slavery. And all is written from the South's point of view, a refreshing perspective that enriches an already fascinating subject: a Southern plantation full of Civil War ghosts! Included is a complete list of the dead Rebel soldiers buried at the McGavock Confederate Cemetery, over 100 photos and illustrations of paranormal energies, Carnton Mansion, and the grounds, maps of the property, a wonderful and useful "Ghostly Glossary," a history of both Carnton and the Battle of Franklin II, and factual discussions on Lincoln's War. Additionally, Seabrook, who is related to the founders and owners of Carnton, has thoughtfully included a family tree for the plantation clan. Entertaining yet educational, diverting yet gripping, this is a book that everyone from ghost-hunters to Civil War buffs will want on their shelf. The foreword is by Austin Cook, team leader of SyFy Channel's hit TV series Killer Contact. Available in paperback and hardcover. Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books that have introduced hundreds of thousands to the truth about the War for Southern Independence. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" His other books include: The McGavocks of Carnton Plantation: A Southern History; Encyclopedia of the Battle of Franklin; Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!; Give This Book to a Yankee! A Southern Guide to the Civil War For Northerners; Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition; and Confederate Flag Facts: What Every American Should Know About Dixie's Southern Cross. "

### Carnton Plantation Ghost Stories

The Old Dominion is filled with the unexplained... With a history stretching back to the 1607 Jamestown settlement, Virginia is rich in mystery. There are ghost towns, fake towns, a vampire in Richmond, a Bunnyman in Clifton and secret government sites all over. Colonists buried gold along the James River and Sir Francis Bacon's plan for a "New Atlantis" lies in a vault in Williamsburg. Fabled pirates Captain Kidd and Blackbeard stashed treasure along the Virginia coast. A ghost light appears at a railroad

crossing near West Point and mysterious booms rattle windows from central Virginia to the Eastern Shore. Cryptid creatures stalk the forests from Fairfax County to the Great Dismal Swamp. A devil monkey lurks in Goochland, Bigfoot roams Marine Corps Base Quantico, and a sea serpent swims through the Chesapeake Bay. Join Virginia native Denver Michaels as he explores these legends and many more.

### Strange Tales from Virginia's Foothills to the Coast: The Richmond Vampire, the Witch of Pungo, the Dismal Swamp Monster & More

Ages 8-12: Twelve year-old Cricket Kelly is back again, but this time, she is headed south to Savannah, Georgia, with Aunt Lila and her best friend, Lucy Marcum, to accept an award for solving her first case, the mystery of The Ragged Suitcase. As soon as Cricket arrives at Devereaux House in Savannah's historic district, she and Lucy meet Tracy, the mayors daughter, who explains that the city is known for its ghostly hauntings. Cricket isnt sure how she feels about spirits, but it doesnt take long until she witnesses her first ghost. Investigating the possible rumblings of resident ghost, George Devereaux, Cricket encounters more than she bargained for the theft of a painting by famous Civil War artist, Sallie Habersham. Cricket and her friends soon find themselves on the trail of an art thief who is burglarizing Savannah's grand homes, and Cricket begins to wonder whats so special about those paintings? Furthermore, what does the strange old man, Sawyer Lee, have to do with the case? Join Cricket on her second road trip as she tangles with some rowdy ghosts and investigates a century-old legend of lost Confederate gold. Will she identify the burglar and locate the treasure, or will the thief find it first?

### Savannah Belle

James "Wild Bill" Hickok was a legendary lawman, gunfighter, gambler and, during the Civil War, a spy. When the Confederate capital of Richmond fell at the end of the war, President Jefferson Davis and what was left of his government fled the city bringing with them the entire Confederate treasury and the assets of the banks of Richmond intending to set up a new capital in exile. But in the next couple of weeks Robert E. Lee would surrender the Confederate Army of Virginia to Union General Ulysses S. Grant - the war would be over - President Abraham Lincoln would be assassinated, Davis arrested and the treasury had vanished without a trace. Many legends and stories have arisen about what may have happened to the gold. Some say that it was hidden to one day fund the resurrection of the Confederacy, but what did Hickok have to do with it? Recruited by the Union for one last spy mission and with the aid of Moses Jones and old friend Samuel Clemens, Hickok orchestrated the covert diversion of the treasury to a vastly different cause. It's a story of danger, deception and lies. Spies, soldiers and politicians who had most recently been at war with one another working secretly in concert while others were led on to inadvertently help in the mysterious cause. It's a story of statesmen, soldiers, thieves and spies and of an incalculable mystery that doesn't reveal itself until the very end. What became of the Confederate gold? This is that story.

### Soldiers Statesmen Thieves & Spies

Fictional story based on events of the American Civil War. The Civil War broke out in April 1861 when secessionist forces from the Confederate States of the South attacked Fort Sumter in South Carolina. The loyalists of the Union in the North faced secessionists of the Confederate States in the South, who advocated for states' rights in order to uphold slavery. Photography was still in its infancy. Our story follows the life of photographer Jim Hooker as he travels through the battlefields and headquarters of the Confederate States of America. Toward the end of the War, Confederate President, Jefferson Davis, under siege in Charleston, is forced to leave as the Union Army continues its bombardment of the city. Expecting the possibility of an encounter with Union soldiers as he escapes, Davis entrusts four naval cadets with all the gold that remains in his treasury. He instructs them to bring the gold to him in Danville where he is heading. He believes they have a better chance to get past the Union army than he does. The narrative follows these young lads who meet up with the photographer Jim Hooker along their way. As events unfold, the gold has to be hidden. The story switches to the present day and the discovery of a map by a shadowy character named Smythe. The map is a key to the mystery of the missing Confederate gold. Smythe discovers the map after purchasing a chest full of old photographs at a closed box auction. Having no use for the photos, he sells them to photograph dealer Kathy Tyler. Among the many photographs is an old journal written by Jim Hooker. After reading it, Kathy and her boyfriend Nick decide to go on a hunt to see if they can find the gold.

## The Photographer and the Missing Confederate Gold

Selected by a poll of more than 180 Gothic specialists (creative writers, professors, critics, and Gothic Studies program developers at universities), the fifty-three original works discussed in 21st-Century Gothic represent the most impressive Gothic novels written around the world between 2000-2010. The essays in this volume discuss the merits of these novels, highlighting the influences and key components that make them worthy of inclusion. Many of the pioneer voices of Gothic Studies, as well as other key critics of the field, have all contributed new essays to this volume, including David Punter, Jerrold Hogle, Karen F. Stein, Marie Mulvey-Roberts, Mary Ellen Snodgrass, Tony Magistrale, Don D'Amassa, Mavis Haut, Walter Rankin, James Doig, Laurence A. Rickels, Douglass H. Thomson, Sue Zlosnik, Carol Margaret Davison, Ruth Bienstock Anolik, Glennis Byron, Judith Wilt, Bernice Murphy, Darrell Schweitzer, and June Pulliam. The guide includes a preface by one of the world's leading authorities on the weird and fantastic, S. T. Joshi. Sharing their knowledge of how traditional Gothic elements and tensions surface in a changed way within a contemporary novel, the contributors enhance the reader's dark enjoyment, emotional involvement, and appreciation of these works. These essays show not only how each of these novels are Gothic but also how they advance or change Gothicism, making the works both irresistible for readers and establishing their place in the Gothic canon.

## Atlantis Rising 95 - September/October 2012

Confederate Gold: A Modern-day Romp through the Civil War History of Richmond, Virginia, is a mainstream comic novel. This fun, funny novels endearing characters, fast-paced plot, and intriguing setting has mass appeal. There is a built-in audience of history enthusiasts and tourists, but this raucous run rampaging through the Civil War history of Richmond, Virginia, delving into subjects of timely concern and debate, appeals beyond the Civil War history enthusiasts and tourists of the American South.

## 21st-century Gothic

"Yeah, I know Benjamin said to hold the gold for the new army," he shrugged, "but the Confederacy's no more." "It's now on board here at Apalachicola, so what'll we tell the others?" Belo thought a moment, "We're supposed to ship the gold crates across the isthmus to Tehuantepec, so we'll stay with the plan." "O; we're not go'n tell Dan about New Orleans?" "No, not yet!" he shook his head. "The Yanks are still after us ... we'll spread some coins around in Mexico and let 'em look that way." He calmed and let out a breath, "We'll decide after that." Mystery and intrigue followed the Confederate gold reserves from the time it left Richmond, much with the presidential train. Earlier other gold crates mainly \$20 coins left Richmond under the orders of Secretary of State Judah Benjamin. As a New Orleans lawyer, Benjamin negotiated with Mexican officials, both the emperor and rebel leaders to secure a rail route to the Pacific. In the last weeks of the war Secretary of State Benjamin recalled the arrangements with Mexican officials and secretly shipped gold crates from Richmond to Equator by way of the Tehuantepec peninsula. Now with the Confederacy dissolved where is the gold?

## Confederate Gold

This booklet is a report on and an analysis of the Confederate Secret Service. Any errors or misinterpretations of referenced sources are strictly those of the author. The author is an experienced intelligence officer, but he also harbors the caution of a typical intelligence analyst and knows that there is always more to know. My interest in this topic stems from both my intelligence career and from research of family history/genealogy which begun in 1983. The genealogy reveals that ancestors served in nearly

every conflict starting with the American Revolution. That family military tradition continues in the current generation with two sons who are serving as officers of US Marines.

#### Confederate Gold

When Zachary Cobb and Nell Travis are hired by Angela Swanson to find her brother, Keith, they find themselves embroiled in a sixteen-year-old mystery. Keith had been searching for Confederate gold lost during the Civil War. Can he still be alive?

#### The Confederate Secret Service

New York Times bestselling author Lisa Wingate captures the heart and faith of small-town America in *Talk of the Town*. Daily, Texas, has never really been known for much until Amber Anderson becomes a finalist on a television singing show. The producers want to stage a surprise concert for one of the final episodes--only everyone in town seems to know the secret. And paparazzi are arriving. And word from Hollywood is that Amber has disappeared with a bad-boy actor. Can anything go right in this tumbleweed town? Widow Imagene Doll loves her town, but without her beloved husband, life seems lonely--and a bit dull. At least until that fancy-dressed television producer pulls into town, looking terrified and glamorous all at once. Soon life's not the least bit boring as the town finds itself at the center of a media maelstrom . . . with a young girl's future on the line.

#### Confederate Gold

First published in 1987, *The Confederate Image* examines the popular lithographs and engravings cherished by Southerners during and after the Civil War. These images helped sustain and revive Southern identity following the collapse of the Confederacy.
