Q. Tell me about yourself and why you want to work in PR?

I am very hard working, passionate about PR, enthusiastic and totally team- focused in everything I do.

Q. Why do you want to work for us?

For the simple reason that, in order to be good at public relations, you have to not only set very high standards in the work you undertake, but you must also be one step ahead of your competitors.

Q. What are the different stages of a successful PR campaign?

I would start off by determining the exact goals and objectives of the campaign, including the budget I had available. This part is vital, because you fail to obtain a thorough brief, the other stages will fail.

Q. If we ran a PR campaign, how would you evaluate the success of the campaign?

I would evaluate the success of the campaign by determining whether or not the initial campaign objectives had been met.

Q. What's your biggest weakness? I think I have two weaknesses that I am trying to improve upon.

The first is that I definitely struggle to find a healthy work-life balance.
