

Objective Type Questions For Computer Application

[#objective questions computer application](#) [#computer science MCQs](#) [#IT objective type questions](#) [#online computer quizzes](#) [#multiple choice questions for software](#)

Enhance your understanding and test your knowledge with our comprehensive collection of objective type questions for computer application. This resource provides a wide range of computer science MCQs, perfect for students, professionals, or anyone looking to prepare for IT objective type exams and deepen their grasp of various software and hardware concepts. Improve your scores and confidently tackle any multiple choice questions related to computing.

All syllabi are reviewed for clarity, accuracy, and academic integrity.

We truly appreciate your visit to our website.

The document Mcq For Computer Science you need is ready to access instantly. Every visitor is welcome to download it for free, with no charges at all.

The originality of the document has been carefully verified.

We focus on providing only authentic content as a trusted reference.

This ensures that you receive accurate and valuable information.

We are happy to support your information needs.

Don't forget to come back whenever you need more documents.

Enjoy our service with confidence.

This document remains one of the most requested materials in digital libraries online. By reaching us, you have gained a rare advantage.

The full version of Mcq For Computer Science is available here, free of charge.

Intro

Which of the following are components of Central Processing Unit (CPU) ?

Which among following first generation of computers had ?

Where is RAM located ?

If a computer has more than one processor then it is known as ?

If a computer provides database services to other, then it will be known as ?

Full form of URL is?

In which of the following form, data is stored in computer ?

Technology used to provide internet by transmitting data over wires of telephone network is?

Which level language is Assembly Language ?

Documents, Movies, Images and Photographs etc are stored at a ?

Which of following is used in RAM?

What is full form of GUI in terms of computers?

What is full form of ALU?

Who was the Founder of Bluetooth ?

Who was the father of Internet?

Verification is process of ?

What is LINUX ?

What is the name of first super computer of India ?

Which is most common language used in web designing?

Who is also known as Father of Computer ?

Which among the following is commonly used language in Android applications ?

Where are saved files stored in computer?

Which among following is odd ?

Which operations are performed by RAM?

Which among the following is secondary storage device?

USB is which type of storage device

Which program is run by BIOS to check hardware components are working properly while computer is turned ON ?

ROM is non volatile.

Random Access Memory (RAM) is which storage of device?

Random Access Memory (RAM) is non volatile in nature.

Second generation of computers consist of which of the following ?

MPG is an file extension of which type of files ?

What is full form of SMPS?

Which component of computer is also considered as it Heart?

What is used to make computer chips?

Where BIOS is stored ?

What is full form of EXIF ?

1 Mega Byte is equal to

An electronic path, that sends signals from one part of computer to another is?

Which is odd one?

Which device among the following is used for sending digital data over a phone line?

IP address version 4 is in which format?

In banking, railways etc which computers are used ?

Which type of software is an operating system?
 Which type of switching is used in Internet?
 Microsoft office is type of ?
 Intersection of columns and rows is called a ?
 A wireless technology built in electronic gadgets used for exchanging data over short distances is?
 ARP stands for ?
 Which is responsible for communication between Memory and ALU?
 Who is also known as father of JQuery?
 If CPU executes multiple programs simultaneously, it will be known as ?
 Who invented C++?
 One byte is equal to how many bits?
 What is the meaning of OSI, in terms of computers ?
 One nibble is equal to how many bits?
 ULSI microprocessor is used in which generation of computers ?
 Who invented keyboard ?
 What is meaning of OMR?
 What can be considered as basic building blocks of a digital circuit?
 Which function key is used to check spellings?
 Which type of storage device is a BIOS?
 Which is a application software among the following ?
 In computer who converts AC to DC?
 Which among the following is responsible for specifying address of a memory location ?
 Which among the following is responsible for finding and loading operating system into RAM?
 By pressing which key we can move to beginning of a page ?
 What is the full form of RAM?
 What is the full form of TIFF ?
 Computer resolution measures?
 Which are the main parts of central processing unit?
 From which year 5th generation of computers is considered ?
 What is the full form of CAM?
 Which term is related to database ?
 Which among the following is engine of computer?
 Which language was used as first generation language ?
 Where is cahce memory is located ?
 Which among the following is odd one?
 Which operating system is developed by Apple ?
 Who invented Java?
 Who is known as father of Artificial Intelligence ?
 What is the full form of HTTP?
 Which among the following is an image name extension ?
 An Assembler is used to translate a program written in ?
 Charles Babbage designed the first mechanical computer named
 What is the name of a device that converts digital signals to analog signals
 Which is known as the most powerful type of computer
