Snowflake Bentley

In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasm was misunderstood. But with patience and determination, Wilson catalogued hundreds of snowflake photographs, gave slideshows of his findings and, when he was 66, published a book of his photos. His work became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.

Swing Like a Monkey

Open up a fresh and stylish story about growing up and keeping hold of your favorite memories. As the year passes, the narrator's favorite dress goes through a series of creative changes, from dress to shirt to tank top to scarf and so on, until all that's left of it is a good memory. Assisted by her patient and crafty mama, the narrator finds that when disaster strikes her favorite things, she doesn't need to make mountains out of molehills—she "makes molehills out of mountains" instead! Structured around the days of the week, the story is also illustrated to show the passing of the seasons, a perfect complement to the themes of growing older and keeping hold (and letting go) of special mementos. Praise for *I Had a Favorite Dress* "A spunky story about adjusting to change with creativity and style. Tailor-made, so to speak, for the Etsy generation of DIY enthusiasts." —Publishers Weekly "Everyone is smiling in the buoyant confections created by illustrator Julia Denos—including, it's fair to say, young readers looking at them. Endearing picture book." —Wall Street Journal "What could have been yet another example of kindergarten consumerism instead becomes one of resourcefulness and resilience." —New York Times "Denos's multimedia illustrations reinforce the narrator's vibrant personality and the amazing transformations of the dress while capturing the action and emotion of the story. This book is sure to capture the imaginations of would-be seamstresses; children who can't bear to part with a favorite item; and those who want to reduce, reuse, recycle." —School Library Journal "Breezy in style, they smartly stitch each scene of alteration as the not-so-little girl sashays through the days of the week and the seasons. A charming interpretation of an old story that will speak to young fashionistas." —Kirkus Reviews

There Was an Old Lady Who Swallowed a Fly

Acclaimed for such Academy Award—winning screenplays as Butch Cassidy and the Sundance Kid and such thrillers as Marathon Man, not to mention the bestselling classic The Princess Bride, William Goldman stands as one of the most beloved writers in America. But long before these triumphs, he caused a sensation with his brilliant first novel, a powerful story of reckless youth that was hailed as a worthy rival to *The Catcher in the Rye*. *THE TEMPLE OF GOLD* Ray Trevitt is coming of age in the American midwest of the late 1950s. Handsome, restless, eager to live life and to find his place in the world, Ray hurtles headlong through a young man's rite of passage—searching for answers and somewhere to belong. What he discovers is that within friendships and love affairs, army tours and married life, victory and tragedy, lie the experiences that will shape his destiny, scar his soul, and ultimately teach him profound lessons he never expected.

St. Elmo; a novel

An inheritance hangs in the balance in a case of stolen identities, imposters, and murder Banished from the idyllic English countryside he once called home and en route to live with his cousin in America, Sir John Farnleigh, black sheep of the wealthy Farnleigh clan, nearly perished in the sinking of the Titanic. Though he survived the catastrophe, his ties with his family did not, and he never returned to England—not even for the funerals of his mother, his father, or, most recently, his older brother Dudley. Now, nearly 25 years since he was first sent away, Sir John has finally returned home to claim his inheritance. But another “Sir John” soon follows, an unexpected man who insists he has absolute proof of his identity and of his claim to the estate. Before the case can be settled, however, one of the two men is murdered, and Dr. Gideon Fell, who happens to be passing through the village, finds himself facing one of the most challenging cases of his career. To solve it, he'll have to confront a series of bizarre and chilling phenomena, diving deep into the realm of the occult and brushing up against witchcraft, magic, and a sinister automaton to explain a seemingly impossible crime. Selected by a panel of twelve mystery luminaries as one of the ten best locked-room mysteries of all time, *The Crooked Hinge* is a creepy and atmospheric puzzle inspired by a real life case. It is the ninth installment in the Dr. Gideon Fell series, which may be read in any order.

In this mystery by the acclaimed author of *To Wake the Dead*, an inheritance hangs in the balance in a case of stolen identities, imposters, and murder. Banished from the idyllic English countryside he once called home and en route to live with his cousin in America, Sir John Farnleigh, black sheep of the wealthy Farnleigh clan, nearly perished in the sinking of the *Titanic*. Though he survived the catastrophe, his ties with his family did not, and he never returned to England—not even for the funerals of his mother, his father, or, most recently, his older brother Dudley. Now, nearly twenty-five years since he was first sent away, Sir John has finally returned home to claim his inheritance. But another “Sir John” soon follows, an unexpected man who insists he has absolute proof of his identity and of his claim to the estate. Before the case can be settled, however, one of the two men is murdered, and Dr. Gideon Fell, who happens to be passing through the village, finds himself facing one of the most challenging cases of his career. To solve it, he’ll have to confront a series of bizarre and chilling phenomena, diving deep into the realm of the occult and brushing up against witchcraft, magic, and a sinister automaton to solve a seemingly impossible crime . . . Selected by a panel of twelve mystery luminaries as one of the ten best locked-room mysteries of all time, *The Crooked Hinge* is a creepy and atmospheric puzzle inspired by a real-life case. It is the ninth installment in the Dr. Gideon Fell series, which may be read in any order. “Carr . . . is at his best in this creepy and baffling entry in the American Mystery Classics series, originally published in 1938. . . . This is an all-time classic by an author scrupulous about playing fair with his readers. Golden age fans won’t want to miss it.” —Publishers Weekly, starred review

The Crooked Hinge

An archaeologist struggles to unearth her own true passions in the “richest, most absorbing novel” by the author of *The Dark Flood Rises* (Joyce Carol Oates). Frances Wingate is one of England's most renowned archaeologists, having recently discovered a lost city in the Saharan desert. On the outside, she appears to have it all. But beneath the surface, the scientist deals with the demands of children and family—as well as a tumultuous, on-again, off-again romance with a married historian. It's only when Frances throws herself into her work that she discovers some surprising connections to others, in this novel about the search for meaning in life that is “alive with ideas” (Anatole Broyard, *The New York Times*).

Jerusalem the Golden

The Crock of Gold is about the hardworking and honest Roger Acton and how he slowly tires of his simple country life. Excerpt: "A very miserable man was Roger Acton now, for this last trial was the worst of all. The vapors of his discontent had almost passed away—that bright pernicious dream was being rapidly forgotten—the morning's ill-got coin, "thank the Lord, it was lost as soon as found," and penitence had washed away that blot upon his soul; but here, an honest pound, liberally bestowed by his hereditary landlord—his bright bit of gold..."
