Background

Organized into four sections

Preamble

Core Values

Ethical Principles Social Justice

Ethical Responsibilities to Clients continued- Cultural Competence (1.05)

The Code of Ethics provides an exhaustive list of ethical dilemmas and step-by-step instructions.

Social workers may have limited physical contact with clients

Regardless of circumstances, the wellbeing and self-determination of a client is always the social worker's top priority

Which of the following are NOT a valid reason to break confidentiality and reveal identifying client information without their consent?

The same confidentiality expectations apply for social work with individuals, families, and groups

Social workers may deny client requests to view their records

Social workers have the right to terminate clients for nonpayment

Ethical Standards

Ethical Responsibilities in Practice Settings continued

Ethical Responsibilities to the Broader Society continued

Social workers should never have a dual relationship with a client or supervisee

If a social worker colleague is incompetent, impaired or acting unethically, you should first

It is considered unethical for social workers join an organized labor union

Social workers may conduct some types of evaluation or research without client consent

Social workers should not engage in political advocacy as this may be a conflict of interest with their employer
