A Love & Murder Christmas

Good will to all, and peace on Earth. Even to those trying to kill you. Adam Donahue lives in the perfect vacation place – Door County, Wisconsin. But his life isn't perfect. His wife was killed by a drunk driver three years ago, and his twelve-year-old daughter has type one diabetes. Now his daughter claims a mythical pooka, in the shape of a giant cat only she can see, is living in her bedroom. It scares him enough to do something he hates – ask for help from his late wife's best friend. Lauren Finney's insurance agent husband disappeared four and a half years ago. Good riddance. Her Irish wolfhound is better company than he ever was. And she misses her best friend more than the missing husband, though Adam – her best friend's widower – makes her heart beat faster. Now it's time to initiate divorce proceedings against her husband, before the prenup restrictions expire and he comes back to claim half her considerable assets. As soon as she starts the proceedings, bad things happen. Very bad things. Then Adam asks her help with his daughter, and good things happen. Very good things. It might be their very best Christmas ... or it might be their very last.

The Murder Before Christmas

Their chocolates are to die for—but things aren't so sweet when a real killer comes to town, in this debut mystery perfect for fans of Joanne Fluke and Laura Childs. Identical twin sisters Alex and Hannah are the owners of Murder and Mayhem, a mystery bookshop that sells their famous poison-themed Killer Chocolates. But now, there's a real killer in their midst. Shortly before Christmas, their septuagenarian neighbor, Jane, confides to Alex that a murderer from a true-crime show has taken up residence in the village. Unfortunately, she's also shared her suspicions with town gossip Netta. The next morning, Alex shows up at Jane's house to watch the show, but instead discovers Jane's body, with a box of Killer Chocolates nearby. The sheriff quickly zeroes in on two suspects: Alex, a beneficiary in Jane's will, and Zack, a handyman who was seen leaving the crime scene. But Alex maintains her innocence and sets out to draft a list of other potential suspects—townsfolk who'd recently been seen arguing with Jane. When Alex gets hold of Jane's journal, she begins to understand the truth. But a bearer of ill tidings is arriving early this year—and Alex just might not make it to Christmas.

Murder-on-Sea

"[Murder After Christmas] supplies cheerfully calculating relatives, decorously brutal dialogue, and a fiendishly intricate set of Chinese boxes before the surprising reveal...no, they don't make them like this anymore."—Kirkus Reviews, Starred Review "A war's on and a murder has been committed—and we sit here talking nonsense about almond whirls and mince pies!" Good old Uncle Willie—known for an insatiable sweet tooth and being an epic pain in the rear—has come to stay with the Redpaths

for the holidays. As luck would have it, he's found dead in the snow, in a Santa suit on Boxing Day. It seems as though someone may have poisoned his chocolate...or was it the mince pie? As the police flock to the house, Willie's descendants, past lovers and distant relatives are drawn into a perplexing investigation to find out how the old man met his fate, and who stands to gain by such an unseasonable crime. First published in 1944, *Murder After Christmas* is a lively riot of murder, holiday desserts, and misdirection, cleverly twisting the tropes of Golden Age detective fiction to create a pacey, light-hearted package admirably suited for the holiday season. Featuring an introduction by CWA Diamond Dagger Award-winning author and series editor Martin Edwards.

Murder in the Manger

In this clever reimagining of Charles Dickens's life, he and fiancée Kate Hogarth must solve the murder of an old miser, just before Christmas . . . London, December 1835: Charles and Kate are out with friends and family for a chilly night of caroling and good cheer. But their blood truly runs cold when their singing is interrupted by a body plummeting from an upper window of a house. They soon learn the dead man, his neck strangely wrapped in chains, is Jacob Harley, the business partner of the resident of the house, an unpleasant codger who owns a counting house, one Emmanuel Screws. Ever the journalist, Charles dedicates himself to discovering who's behind the diabolical defenestration. But before he can investigate further, Harley's corpse is stolen. Following that, Charles is visited in his quarters by what appears to be Harley's ghost—or is it merely Charles's overwrought imagination? He continues to suspect Emmanuel, the same penurious penny pincher who denied his father a loan years ago, but Kate insists the old man is too weak to heave a body out a window. Their mutual affection and admiration can accommodate a difference of opinion, but matters are complicated by the unexpected arrival of an infant orphan. Charles must find the child a home while solving a murder, to ensure that the next one in chains is the guilty party . . . Praise for the Dickens of a Crime Mysteries! "Mystery fans and history buffs alike should cheer." —KirkusSTARRED Review "Sharp, incisive, and delightfully twisty. I'm sure I won't be the only reader exclaiming, 'What the Dickens?!'" —Anna Lee Huber, bestselling author. * "A must for cozy fans." ~Booklist (American Library Association) starred review THIS IS THE REGULAR PRINT EDITION, NOT LARGE PRINT AS DISPLAYED IN SAMPLE Not even a blizzard can keep Rex Graves away from Swanmere Manor, an historic hotel on the rolling Sussex Downs. But instead of Christmas cheer, the Scottish barrister finds a dead guest. Was it a stroke that killed

old Mr. Lawdry? Or an almond tart laced with poison? When more guests die, all hopes for a merry holiday are dashed. On top of all, the remote mansion is snowbound; confined with a killer, no one can leave. The resourceful Rex takes it upon himself to solve the intriguing mystery. Could the killer be the sherry-swilling handyman? The gay antiques dealer with a biting wit? The quarreling newlyweds? Surely, it's not Helen d'Arcy, the lovely lass Rex seems to be falling for... "The first installment in this new mystery series is a winner... At times, it seems we are playing Clue or perhaps enjoying a contemporary retelling of a classic Agatha Christie tale with a charming new sleuth. A must for cozy fans." ~Booklist "C.S. Challinor's Christmas Is Murder dishes up an English manor house mystery with the traditional elements: a murder, a small contingent of suspects thrown together, and an engaging and witty sleuth... Challinor will keep most readers guessing as she cleverly spreads suspicion and clues that point in one direction, then another." ~Alfred Hitchcock Mystery Magazine "It's a charming novel, especially since the violence occurs offstage. Christmas Is Murder is full of people with interesting characters and clues... Ms. Challinor was educated in Scotland and England, which explains how she writes so convincingly of both her setting and her characters." ~Florida Weekly "Christmas Is Murder has all the elements traditional English cozy fans have come to love. The plot is tight, suspects limited and an investigation uses Rex's wit rather than a lot of outside sources. The setting is lovely and the characters entertaining. A great start to a new series that is sure to become a modern favorite traditional English cozy series." ~The Mystery Reader (Recommended) "Christmas Is Murder is an engaging whodunit populated with an interesting and imaginative mix of characters and a very appealing and charming sleuth in Rex Graves. The story effortlessly combines elements of a classic country house mystery with an Agatha Christie-style denouement to great effect." ~Mysterious Reviews "Authors are sometimes compared to Dame Agatha but, in my opinion, few of their books have those characteristics and--more important--the overall feel of hers. Christmas Is Murder does." ~Cozy Library "Wanted to let you know I just finished the book and enjoyed it very much. I'm thinking of pairing it up with a large assortment box of shortbread at the holidays. Eat some shortbread, make a cup of tea and curl up with a good book." ~Barbara Selvaggio, Walkers Shortbread US
