Model T Ford Factory Service Manual

Complete illustrated instructions for all operations on the Model T Ford.

Model T Ford Factory Service Manual

The very most valuable book for anyone who owns a Model T Ford. Every operation on the car, including complete disassembly and reassembly, is covered with detailed instructions in large print, and high resolution photographs of every step. This book is so complete that it can also be used as a proper sequence of operations on other cars with adaptation to different technologies. It is written for farmers and blacksmiths who have no prior knowledge of automotive engineering.
