Differentiation in the Elementary Grades

In this comprehensive resource for elementary school teachers, Kristina J. Doubet and Jessica A. Hockett explore how to use differentiated instruction to help students be more successful learners--regardless of background, native language, learning preference, or motivation. They explain how to * Create a healthy classroom community in which students' unique qualities and needs are as important as the ones they have in common. * Translate curriculum into manageable and meaningful learning goals that are fit to be differentiated. * Use pre-assessment and formative assessment to uncover students' learning needs, tailor tasks accordingly, and ensure that students are "getting it." * Provide interactive learning experiences that encourage students to engage with both the content and one another. * Present students with avenues to take in, process, and produce knowledge that appeal to their varied interests and learning preferences. * Navigate potential roadblocks to differentiation. Each chapter provides a plethora of practical tools, templates, and strategies for a variety of subject areas developed by and for real teachers. Whether you're new to differentiated instruction or looking to expand your repertoire of DI strategies, Differentiation in the Elementary Grades will show you classroom-tested ways to better engage students and help them succeed every day. Includes URL and password for free downloadable forms.

School Library Storytime

This book is an invaluable resource for school library aides who conduct storytime activities, providing everything from instruction on how to read to children to a week-by-week read aloud curriculum for the entire school year. School Library Storytime: Just the Basics is the perfect resource for library aides, paraprofessionals, or other library staff who conduct storytime in a school library media center. It provides all of the essential information, materials, and step-by-step guidance needed to facilitate these

all-important events for children in kindergarten through second grade, allowing library staff without previous training or experience to get started with confidence. The fifth title in the highly regarded Just the Basics series, this book starts with an introduction, followed by explanations of how to read aloud and tips for managing and working with children in the primary grades. The authors suggest specific picture books that tie into school year-based themes and supply materials that can be used as listed or easily modified to meet the individual library's needs. Event-specific lessons are supplied for many weeks within the school year, making this title one that educators will rely on for storytime ideas from September through May.

The Common Core in Grades 4-6

The Common Core in Grades 4-6 is the first in a series of comprehensive tools to tap into the vast flow of recently published books for children and teens, offering recommendations of exemplary titles for use in the classroom. Currency meets authority, brought to you by the editors of the highly regarded review sources, School Library Journal and The Horn Book Magazine. This guide includes approximately 200 selections published since 2007 for grades 4-6 recommended by The Horn Book Magazine. The titles are grouped by subject and complemented by School Library Journal's "Focus On" columns, which spotlight specific topics across the curriculum.

A to Zoo

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

A Poem in Your Pocket (Mr. Tiffin's Classroom Series)

Usher in National Poetry Month with Mr. Tiffin and his students, stars of the hugely popular *How Many Seeds in a Pumpkin?* and *The Apple Orchard Riddle*. Once again, Margaret McNamara sets her playful, child-friendly story in the classroom, and this time, poetry—from metaphors to acrostics to haiku—is the name of the game. The focus here is on Elinor, whose confidence falters as she tries to write something "perfect" for Poem in Your Pocket Day and impress a visiting poet. G. Brian Karas's accessible, adorable illustrations add to the fun. Includes a list of Mr. Tiffin's tips for celebrating Poem in Your Pocket Day. "A nimble introduction to poetry as well as a sensitive look at the perils of perfectionism." —The New York Times "Pair this book with the works of Shel Silverstein, Paul B. Janeczko, Jack Prelutsky, Douglas Florian, or Robert Louis Stevenson." —School Library Journal, Starred

The Apple Orchard Riddle (Mr. Tiffin's Classroom Series)

Mr. Tiffin and his students from the perennially popular *How Many Seeds in a Pumpkin?* are back in this picture book about a school trip to an apple orchard! In this playful, humorous, and child-friendly classroom story, the students learn a lot about apples and apple orchards—including how apples are harvested, how cider is made, and what the different varieties of apples are—while trying to solve a riddle. The book also celebrates how some children learn differently than others. Margaret McNamara and illustrator G. Brian Karas bring us another fun and educational picture book.

The True Story of George Washington

On a freezing night in 1778, General George Washington vanishes. Walking away from the Valley Forge encampment, he takes a fall and is knocked unconscious, only to reappear at a dog park on San Francisco Bay-in the summer of 2014. Washington befriends two Berkeley twenty-somethings who help him cope with the astonishing-and often comical-surprises of the twenty-first century. Washington's absence from Valley Forge, however, is not without serious consequences. As the world rapidly devolves around them-and their beloved Giants fight to salvage a disappointing season-George, Tim, and Matt are catapulted on a race across America to find a way to get George back to 1778. Equal parts time travel tale, thriller, and baseball saga, Finding George Washington is a gripping, humorous, and entertaining look at what happens when past and present collide in the 9th inning, with the bases loaded and no one warming up in the bullpen.

The Most Wonderful Christmas Tales Of All Time

The life and legacy of our nation's first president, also known as commander of the Continental Army, husband to Martha, and an avid farmer and equestrian. Over two hundred years after his death, George Washington remains one of the most studied figures in American history. This clear and concise picture book biography covers the important facts and historical background, complemented by charming illustrations. The text details Washington's early life as well as the Revolutionary War and his impressive career as leader of the newly formed United States. Young readers will love learning more about the man who was "first in war, first in peace, and first in the hearts of his countrymen." Back matter features a timeline. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history, or who need reliable sources for school book reports.

Finding George Washington

"One of the great political cartoonists of our time." —David Remnick A gorgeous, hilarious, and provocative compendium of the Pulitzer Prize-winning artist's illustrations for *The New Yorker*, *The New York Times*, *Vanity Fair*, and more. Barry Blitt's cartoons have been lampooning American politics and culture for decades. His iconic *New Yorker* covers are defining images for our times, earning him adoration from critics and fans and piles of hate mail from everyone else. This lavish full-color collection showcases more than a quarter century of Blitt's work: his wry and provocative *New Yorker* covers, from the Obama fist bump heard round the world, to George W. Bush's drowning cabinet, to the myriad (and counting) misadventures of Donald Trump; Blitt's long-running collaboration with Frank Rich on *The New York Times* op-ed page; and his work for *Vanity Fair*, *Time*, *Entertainment Weekly*, and others. Blitt also shares his private sketchbooks, drafts, and uproarious rejected illustrations, offering readers an illuminating view into his creative process. Featuring the author's hand-scrawled annotations and self-deprecating witticisms, more than one hundred never-before-seen sketches and drafts, and essays from Blitt's collaborators and peers, including Frank Rich, Françoise Mouly, and Steve Brodner, Blitt is a visual delight and a rollicking trip into the mind of an utterly original artist.

Journal of Education

The #1 *New York Times* bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—*O, The Oprah Magazine* When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. George Washington's Lost Birthday

New York Times bestselling author James L. Swanson brings to life the fast-paced, suspense-filled story of Abraham Lincoln's and Jefferson Davis's final journeys through our wounded nation following the Civil War. This middle grade nonfiction book is an excellent choice for tween readers in grades 7 to 8, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. This suspense-filled true-crime thriller—the young readers' adaptation of Swanson's *Bloody Crimes*—explores two epic events of the Civil War era: the manhunt to apprehend Confederate president Jefferson Davis in the wake of Abraham Lincoln's assassination and the momentous 20-day funeral pageant that brought President Lincoln's body from Washington, DC to his home in Springfield. Full of fascinating twists and turns, and lavishly illustrated with dozens of rare historical images, *Bloody Times* captures the riveting stories of these two fallen leaders who changed the course of history. It's perfect for young readers who enjoy dramatic nonfiction tales from the likes of Steve Sheinkin and Patricia McCormick. This book contains a note from the author, a glossary, a list of important Civil War figures, and a guide to visiting the historic sites mentioned within. A companion to the bestselling and highly acclaimed *Chasing Lincoln's Killer*.

Rip Van Winkle, and The Legend of Sleepy Hollow

** Library Journal's Editor's Pick! ** Philadelphia 1793. Hercules, President George Washington's chef, is a fixture on the Philadelphia scene. He is famous for both his culinary prowess and for ruling his kitchen like a commanding general. He has his run of the city and earns twice the salary of an average American workingman. He wears beautiful clothes and attends the theater. But while valued by the

Washingtons for his prowess in the kitchen and rewarded far over and above even white servants, Hercules is enslaved in a city where most black Americans are free. Even while he masterfully manages his kitchen and the lives of those in and around it, Hercules harbors secrets-- including the fact that he is learning to read and that he is involved in a dangerous affair with Thelma, a mixed-race woman, who, passing as white, works as a companion to the daughter of one of Philadelphia's most prestigious families. Eventually Hercules' carefully crafted intrigues fall apart and he finds himself trapped by his circumstance and the will of George Washington. Based on actual historical events and people, *The General's Cook*, will thrill fans of *The Hamilton Affair*, as they follow Hercules' precarious and terrifying bid for freedom.

Michigan School Moderator

"In this startling new memoir, Sibel Edmonds--the most classified woman in U.S. history--takes us on a surreal journey that begins with the secretive FBI and down the dark halls of a feckless Congress to a stonewalling judiciary and finally, to the national security whistleblowers movements she spearheaded. Having lived under Middle East dictatorships, Edmonds knows firsthand what can happen when government is allowed to operate in secret. Hers is a sobering perspective that combines painful experience with a rallying cry for the public's right to know and to hold the lawbreakers accountable. With U.S. citizens increasingly stripped of their rights in a calibrated media blackout, Edmonds' story is a wake-up call for all Americans who, willingly or unwillingly, traded liberty for illusive security in the wake of 9/11."--P. ****NOW A MAJOR FILM STARRING ROBERT PATTINSON, CHARLIE HUNNAM AND SIENNA MILLER**** 'A riveting, exciting and thoroughly compelling tale of adventure' JOHN GRISHAM The story of Colonel Percy Harrison Fawcett, the inspiration behind Conan Doyle's *The Lost World*, by the author of the international Number One bestsellers *KILLERS OF THE FLOWER MOON* and *THE WAGER* Fawcett was among the last of a legendary breed of British explorers. For years he explored the Amazon and came to believe that its jungle concealed a large, complex civilization, like El Dorado. Obsessed with its discovery, he christened it the City of Z. In 1925, Fawcett headed into the wilderness with his son Jack, vowing to make history. They vanished without a trace. For the next eighty years, hordes of explorers plunged into the jungle, trying to find evidence of Fawcett's party or Z. Some died from disease and starvation; others simply disappeared. In this spellbinding true tale of lethal obsession, David Grann retraces the footsteps of Fawcett and his followers as he unravels one of the greatest mysteries of exploration. History of the George Washington Bicentennial Celebration ...

The New York Times bestselling history of the private relationships among the last thirteen presidents—the partnerships, private deals, rescue missions, and rivalries of those select men who served as commander in chief. The Presidents Club, established at Dwight Eisenhower's inauguration by Harry Truman and Herbert Hoover, is a complicated place: its members are bound forever by the experience of the Oval Office and yet are eternal rivals for history's favor. Among their secrets: How Jack Kennedy tried to blame Ike for the Bay of Pigs. How Ike quietly helped Reagan win his first race in 1966. How Richard Nixon conspired with Lyndon Johnson to get elected and then betrayed him. How Jerry Ford and Jimmy Carter turned a deep enmity into an alliance. The unspoken pact between a father and son named Bush. And the roots of the rivalry between Clinton and Barack Obama. Time magazine editors and presidential historians Nancy Gibbs and Michael Duffy offer a new and revealing lens on the American presidency, exploring the club as a hidden instrument of power that has changed the course of history.

'The best new writer of fiction in America. The best.' - John Irving Nathan Hill's brilliant debut takes the reader from the rural Midwest of the 1960s, to New York City during Occupy Wall Street; from Chicago in 1968, to wartime Norway: home of the mysterious Nix. Meet Samuel: stalled writer, bored teacher at a local college, obsessive player of online video games. He hasn't seen his mother, Faye, in decades, not since she abandoned her family when he was a boy. Now she has suddenly reappeared, having committed an absurd politically motivated crime that electrifies the nightly news, beguiles the Internet, and inflames a divided America. The media paints Faye as a radical hippie with a sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she's facing some serious charges, and she needs Samuel's help. As Samuel begins to excavate his mother's, and his country's, history, he will unexpectedly find that he has to rethink everything he ever knew about her - a woman with an epic story of her own, a story she has kept hidden from the world.
