A Christmas Carol

THE STORY: This theatrical and spirited version of A CHRISTMAS CAROL puts the phantasmagoric qualities of Charles Dickens' classic tale center stage. A swirling, dancing chorus of ghosts that weave through this uplifting holiday story of redemption

A Christmas Carol in Prose, Being a Ghost Story of Christmas

Celebrate the true meaning of Christmas with A Christmas Carol: A Ghost Story of Christmas by Charles Dickens. This timeless classic tells the tale of Ebenezer Scrooge, a bitter old man who learns the spirit of giving after a visit from three ghostly apparitions. Embellished with Dickens' vivid storytelling and keen social insight, A Christmas Carol is not just a festive tale but a story of transformation and redemption that resonates year-round. Unforgettable characters and a powerful moral message make it a must-read for all ages. Rediscover the spirit of Christmas with A Christmas Carol. Order your copy today and experience the magic and warmth of this beloved classic.

A Christmas Carol

From the bustling, snowy streets of 19th-century London to the ghostly apparitions of Christmases past and future, award-winning artist Roberto Innocenti vividly renders not only the authentic detail but

also the emotional impact of Charles Dickens's beloved Christmas tale. In both crowded urban scenes and intimate portraits of familiar characters, we gain a sense of the timeless humanity of the tale and perhaps catch a glimpse of ourselves.

A CHRISTMAS CAROL A GHOST STORY OF CHRISTMAS

Pond-Smith presents his take on the classic Dickens' tale about the meanest man in London, Ebenezer Scrooge, and the Cratchit family.

A Christmas Carol

Do you want to read A Christmas Carol? If so then keep reading... A Christmas Carol is a novella by Charles Dickens, first published in London by Chapman & Hall on 19 December 1843. The novella met with instant success and critical acclaim. Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation into a gentler, kindlier man after visitations by the ghost of his former business partner Jacob Marley and the Ghosts of Christmases Past, Present and Yet to Come. The book was written at a time when the British were examining and exploring Christmas traditions from the past as well as new customs such as Christmas cards and Christmas trees. Carol singing took a new lease on life during this time. Dickens' sources for the tale appear to be many and varied, but are, principally, the humiliating experiences of his childhood, his sympathy for the poor, and various Christmas stories and fairy tales. Dickens' Carol was one of the greatest influences in rejuvenating the old Christmas traditions of England, but, while it brings to the reader images of light, joy, warmth and life, it also brings strong and unforgettable images of darkness, despair, coldness, sadness, and death. Scrooge himself is the embodiment of winter, and, just as winter is followed by spring and the renewal of life, so too is Scrooge's cold, pinched heart restored to the innocent goodwill he had known in his childhood and youth. A Christmas Carol remains popular-having never been out of print-and has been adapted many times to film, stage, opera, and other media. A Christmas Carol In Prose Being A Ghost Story of Christmas By Charles Dickens Annotated Classic Edition

In this luminous picture book adaptation of Charles Dickens' immortal classic, the story of Ebenezer Scrooge leaps off the page to warm the soul of one and all. Be swept away in an unforgettable Christmas Eve, from Scrooge's first "Bah, humbug" to the arrival of the Ghost of Christmas Past; from the courage of Tiny Tim to the glory of Christmas morning. Brett Helquist's art bursts with spirit, humor, and an irresistible attention to detail. Here is a treasure for the whole family to share, year after year. A merry Christmas, everyone...

A Christmas Carol In Prose Being A Ghost Story of Christmas By Charles Dickens Annotated

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843 the first edition was illustrated by John Leech. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by Christmas Eve by the end of 1844 thirteen editions had been released. Most critics reviewed the novella positively. The story was illicitly copied in January 1844 Dickens took action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story which proved so successful he undertook 127 further performances until 1870, the year of his death. A Christmas Carol has never been out of print and has been translated into several languages

the story has been adapted many times for film, stage, opera and other media. With *A Christmas Carol*, Dickens captured the zeitgeist of the mid-Victorian revival of the Christmas holiday. He has been acknowledged as an influence on the modern Western observance of Christmas and inspired several aspects of Christmas, such as family gatherings, seasonal food and drink, dancing, games and a festive generosity of spirit.

A Christmas Carol: A Christmas Carol in Prose, Being a Ghost-Story of Christmas, a 1843 Novella by Charles Dickens

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as *A Christmas Carol*, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. *A Christmas Carol* tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man.

A Christmas Carol in prose being a ghost story of christmas

A Christmas Carol in Prose, Being a Ghost-Story of Christmas or *A Christmas Carol* It is novella met with instant success and critical acclaim. *A Christmas Carol* It tells the story of a bitter old miser called Ebenezer Scrooge and his transformation into a gentler, happier man after a visit to the spirit of his former business associate Jacob Marley and the Ghosts of Christmas Past, Present and Still To Come. The book was published at a time when the British were researching and changing past Christmas rituals as well as modern ones such as Christmas cards and Christmas trees. Carol's singing has taken a new lease on life during this period. Dickens' story sources tend to be numerous and varied, but they are mostly the traumatic memories of his youth, his sympathy for the poor, and various Christmas stories and fairy tales. *Christmas Carol* remains popular - never out of print - and has been adapted several times to film, stage, opera, and other media.

A Christmas Carol in Prose

A Christmas Carol: A Ghost Story of Christmas by Charles Dickens "Illustrated": Publisher: A Kindle Edition is also available. This Paperback is the ideal small size of 5" x 8". *A Christmas Carol* by Charles Dickens; published in 1843, is a story of sour and stingy Ebenezer Scrooge's ideological, ethical, and emotional transformation resulting from supernatural visits from Jacob Marley and the Ghosts of Christmas Past, Present, and Yet to Come. A classic tale of what comes to those whose hearts are hard. This edition includes additional Christmas Illustrations. A Christmas Carol a Ghost Story of Christmas

"Merry Christmas, everyone!" "Bah!" said Scrooge. "Humbug!" With those famous words unfolds a tale that renews the joy and caring that are Christmas. Whether we read it aloud with our family and friends or open the pages on a chill winter evening to savor the story in solitude, Charles Dickens' *A Christmas Carol* is a very special holiday experience. It is the one book that every year will warm our hearts with favorite memories of Ebenezer Scrooge, Tiny Tim, Bob Cratchit, and the Ghosts of Christmas Past, Present, and Future-and will remind us with laughter and tears that the true Christmas spirit comes from giving with love."

A Christmas Carol in Prose

A Christmas Carol. a Ghost Story of Christmas, commonly known as *A Christmas Carol*, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843. "I will live in the Past, the Present, and the Future!" Scrooge repeated, as he scrambled out of bed. "The Spirits of all Three shall

strive within me. Oh Jacob Marley! Heaven, and the Christmas Time be praised for this! I say it on my knees, old Jacob; on my knees!"- Scrooge

A Christmas Carol. In Prose. Being a Ghost Story of Christmas BY Charles Dickens The Annotated Edition

It's Christmas Eve. As the cold, bleak night draws in, the penny-pinching Ebenezer Scrooge is confronted by the spirit of his former business partner, Jacob Marley. Bound in chains as punishment for a lifetime of greed, the unearthly figure explains it isn't too late for Scrooge to change his miserly ways in order to escape the same fate. But first he'll have to face three more eerie encounters... Mark Gatiss' spine-tingling adaptation is faithful to the heart and spirit of Charles Dickens' much-loved festive ghost story--with an emphasis on the ghostly. Commissioned by Nottingham Playhouse, the adaptation premiered there in 2021, starring Nicholas Farrell alongside Gatiss, and directed by the theatre's Artistic Director, Adam Penford. *A Christmas Carol - A Ghost Story* subsequently transferred to Alexandra Palace Theatre, London, produced by Eleanor Lloyd Productions and Eilene Davidson Productions.

A Christmas Carol In Prose Being A Ghost Story of Christmas By Charles Dickens Annotated Classic Volume

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as *A Christmas Carol*, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. *A Christmas Carol* tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote *A Christmas Carol* at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by Christmas Eve; by the end of 1844 thirteen editions had been released. Most critics reviewed the novella positively. The story was illicitly copied in January 1844; Dickens took action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story which proved so successful he undertook 127 further performances until 1870, the year of his death. *A Christmas Carol* has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera and other media.

A Christmas Carol (Annotated & Illustrated)

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as *A Christmas Carol*, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. *A Christmas Carol* tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote *A Christmas Carol* at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory.

A Christmas Carol. In Prose. Being a Ghost Story of Christmas BY Charles Dickens The Annotated Volume

A Christmas Carol. In Prose. Being a Ghost Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843 and illustrated by John Leech. A Christmas Carol recounts the story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the spirits of Christmas Past, Present, and Yet to Come. After their visits, Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol during a period when the British were exploring and re-evaluating past Christmas traditions, including carols, and newer customs such as Christmas cards and Christmas trees. He was influenced by the experiences of his own youth and by the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella and was inspired following a visit to the Field Lane Ragged School, one of several establishments for London's street children. The treatment of the poor and the ability of a selfish man to redeem himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this is a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by Christmas Eve; by the end of 1844 thirteen editions had been released. Most critics reviewed the novella favorably. The story was illicitly copied in January 1844; Dickens took legal action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story, which proved so successful he undertook 127 further performances until 1870, the year of his death. A Christmas Carol has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera, and other media. A Christmas Carol captured the zeitgeist of the mid-Victorian revival of the Christmas holiday. Dickens had acknowledged the influence of the modern Western observance of Christmas and later inspired several aspects of Christmas, including family gatherings, seasonal food and drink, dancing, games, and a festive generosity of spirit.

A Christmas Carol In Prose Being A Ghost Story of Christmas By Charles Dickens Annotated Classic Version

A delightful new take on the Charles Dickens' classic story, "A Christmas Carol." Think you know this story? Well, you haven't experienced "A Christmas Carol" until you've read it through the eyes of Scrooge's pet dog. It's the classic tale you know, now narrated by a dog. A greyhound named Carl. Ebenezer Scrooge--and his faithful greyhound, Carl--are visited on Christmas Eve by the ghost of his dead partner, Jacob Marley. What follows is the story you know, but with a twist. With faithful Carl by his side, Scrooge experiences the Ghosts of Christmas Past, Present and Future, taking away a lesson that will change his--and Carl's--life forever. It's the classic you love ... but now it's a slightly different tail! Grab it now!

A Christmas Carol. In Prose. Being a Ghost Story of Christmas BY Charles Dickens The Annotated Classic Edition

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. A Christmas Carol

From the bustling, snowy streets of 19th-century London to the ghostly apparitions of Christmases past and future, award-winning artist Roberto Innocenti vividly renders not only the authentic detail but also the emotional impact of Charles Dickens's beloved Christmas tale. In both crowded urban scenes and intimate portraits of familiar characters, we gain a sense of the timeless humanity of the tale and perhaps catch a glimpse of ourselves.

A Christmas Carol

Everyone is familiar with this classic Christmas story. Ebenezer Scrooge is a miserly, unpleasant man who despises Christmas and overworks his clerk Bob Cratchit. As he prepares for another Christmas Eve without celebration, Scrooge is greeted by his dead business partner, Jacob Marley who warns him that his greed will not go unpunished. At first, Scrooge doesn't heed Marley's warning, but soon he is visited by the Ghosts of Christmas Past, Present, and Christmas Yet to Come. He is made to face his cruel nature, and to consider whether he should change his ways. This is a free digital copy of a book that has been carefully scanned by Google as part of a project to make the world's books

discoverable online. To make this print edition available as an ebook, we have extracted the text using Optical Character Recognition (OCR) technology and submitted it to a review process to ensure its accuracy and legibility across different screen sizes and devices. Google is proud to partner with libraries to make this book available to readers everywhere.

A Christmas Carol

A Christmas Carol, in full A Christmas Carol, in Prose: Being a Ghost Story of Christmas, short novel by Charles Dickens. Through a series of spectral visions, the miserly Ebenezer Scrooge is allowed to review his life and to change its outcome. The Ghost of Christmas Past reveals vignettes of Scrooge's early life as a schoolboy, an apprentice, and a young man in love. The Ghost of Christmas Present reveals to Scrooge that joy has little to do with wealth; together they visit the homes of Bob Cratchit, Scrooge's much-abused clerk, and of his generous nephew Fred, who has married for love. Finally the Ghost of Christmas Yet to Come allows Scrooge a vision of what his end will be like if he continues on his present course—he will die despised and unmourned. After witnessing these scenes, Scrooge is a changed man. He immediately sets about mending his ways, becoming generous and thoughtful and thereby finding redemption and joy.

The Annotated Christmas Carol

A reprinting of the 1843 first edition, complete with the original illustrations, is supplemented by over eighty related sketches and annotations on and analyses of the text and historical notes on the writing of "The Christmas Carol."

A Christmas Carol

The classic Christmas story adapted for young children. Tiny Tim reigns supreme with his family, the Cratchits and his friend Scrooge.

A Christmas Carol - A Play

The classic story of A Christmas Carol is retold in this brand new adaptation. Ebenezer Scrooge hates Christmas. But one Christmas Eve, Scrooge is visited by the Ghost of the late Jacob Marley and the Ghosts of Christmas Past, Present and Future. Will the things that they show Scrooge be enough to make him change his miserly ways forever? With a running time of around 50 minutes, this is a magical and spooky Christmas treat for family audiences and young performers.

A Christmas Carol. In Prose. Being a Ghost Story of Christmas

One night, the old money-lender Ebenezer Scrooge receives four visitors. The first is the ghost of his business partner, Jacob Marley, who warns Scrooge of the night ahead. The next three spirits show Scrooge what he once was, what he came to be, and what will become of him if he continues to be a miserly, selfish, cheerless person. Scrooge must regain his compassion and humanity to avoid the fate shown to him by the last spirit. First published in 1843, Charles Dickens' English novella is a classic Christmas story. This unabridged version of the text is taken from the 1847 edition, with original illustrations by John Leech.

A Christmas Carol

Scrooge is rich, but mean and miserable. He particularly hates Christmas. His assistant, Bob Cratchitt, is poor but happy, even though his son, Tiny Tim is very ill. One Christmas, three ghosts visit Scrooge to show him his past, his present and the terrible future. Will this soften Scrooge's heart and change him into a generous man?

A Christmas Carol

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions

from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of

Christmas Carol (A). Con Traduzione E Dizionario

For the first time, Charles Dickens's classic work is a heartwarming, mixed-media special edition complete with charming Victorian English-inspired watercolor paintings, decorative hand-lettering, and vintage imagery. As you read and connect with this unique, artfully-designed Visual Journey, its pages become a reminder that Christmas should be a time of goodwill to everybody—both the Cratchits and the Scrooges of the world! The high-spirited, generous-hearted Dickens reminds readers that wealth does not make Christmas happy, and that poverty and isolation need not make it miserable. Since its publication in 1843, *A Christmas Carol* has inspired millions of people to have compassion and love for the poor, the lonely, and the marginalized. This special Visual Journey edition is accented by 80 full-color paintings, engravings, and hand-lettered quotes. Additional stories in this collection include "The Gift of the Magi" (O. Henry), "The Adventure of the Blue Carbuncle" (Arthur Conan Doyle), "The Louis d'Or" (François Coppée), and "The Torn Cloak" (Maxime du Camp).

A Christmas carol, a facs. of the original manuscript

A Christmas Carol is Charles Dickens' most famous book and arguably the world's most read Christmas story. Here, we follow Ebenezer Scrooge, a miserly and mean-spirited businessman, who undergoes a total transformation and becomes a kind person after being haunted by ghosts on Christmas Eve. It is one of the great classics of world literature, here accompanied by other classics from Dickens' Christmas repertoire, like *A Christmas Tree* and *The Seven Poor Travellers*. CHARLES DICKENS [1812–1870], born in Portsmouth, England, was the most popular English-language novelist of his time. He created a fictional world that reflected the social and technological changes during the Victorian era. Among his most famous works are *David Copperfield*, *Oliver Twist*, *Great Expectations*, *A Tale of Two Cities*, *A Christmas Carol*, and *The Pickwick Papers*.

A Christmas Carol : a 1843 novella by Charles Dickens

Charles Dickens left us with the notion that Ebenezer Scrooge was "better than his word and became as good a friend, as good a master, and as good a man as the good old city knew." Another Christmas Carol, by author Lee E. Woodard, picks up where Dickens left off. This story chronicles the life and times of Scrooge from the point of his reclamation throughout the balance of his life. As the trials and tribulations of everyday life in Victorian London come alive, Woodard's continuing story highlights Scrooge's interaction with the Cratchit family and the other wonderful characters Dickens created. As Scrooge attempts to spread his newfound happiness, he is forced to deal with painful parts of his past and must once again connect with the spirit world to fulfill his destiny. What was true in Dickens' original classic work is true yet again. Relive the joy of the familiar characters as they grow up, grow old, and live out their lives.

A Christmas Carol

THE STORY: A highly inventive adaptation of the classic Dickens story, paired down to its essential elements. In this version, we encounter a company of traveling players about to enact the Dickens story. As the on-stage trunk of supplies opens, ac

A Christmas Carol and Other Christmas Writings

This annotated version of *A Christmas Carol* includes the full original novel, an author's biography and an in-depth analysis. This novel is a great story, that even written as a Christmas story, is just as entertaining all year long, and should definitely be read by anyone who loved fictive classics! The tale begins on a "cold, bleak, biting" Christmas Eve exactly seven years after the death of Ebenezer Scrooge's business partner, Jacob Marley. Scrooge is "a squeezing, wrenching, grasping, scraping, clutching, covetous, old sinner" who has no place in his life for kindness, compassion or charity. He hates Christmas, calling it "humbug." Returning home that evening, Scrooge is visited by Marley's ghost: he warns Scrooge to change his ways lest he undergo the same miserable afterlife as himself...

Charles Dickens (1812-1870) has been called "the man who invented Christmas." "A Christmas Carol" is a long novella he wrote in 1843.

Another Christmas Carol: A Yuletide Fable

A graphic novel that features Scrooge who gets a rude awakening to how his life is, and how it should be.

Charles Dickens' A Christmas Carol

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory.

A Christmas Carol (Annotated)

A Christmas Carol has gripped the public imagination since it was first published in 1843, and it is now as much a part of the holiday season as is mistletoe or Santa's reindeer. Ebenezer Scrooge, Tiny Tim, the Ghosts of Christmas Past, Present, and Future--it is impossible to go anywhere during the month of December and not hear these names, time and again. Now comes a wonderful new collection of Dickens' Christmas stories, graced with many of the original drawings that appeared in the first edition. Pride of place goes to A Christmas Carol, of course, but the book also includes four other marvelous tales: The Chimes, The Cricket on the Hearth, The Battle of Life, and The Haunted Man. All five stories show Dickens at his unpredictable best, jumbling together comedy and melodrama, genial romance and urgent social satire, in pursuit of his aim "to awaken some loving and forbearing thoughts, never out of season in a Christian land." The volume also features an excellent introduction by Robert Douglas-Fairhurst, who offers invaluable background to the Christmas stories, illuminating the social questions they set out to address, outlining their reception and the enduring popularity of A Christmas Carol, and highlighting how their style and themes resonate in more complex ways in his major fictions. In addition, the book includes two appendices containing Dickens's article, "What Christmas Is As We Grow Older," and facsimile pages from Dickens's reading version of A Christmas Carol. A wonderful gift for the holiday season--featuring colored end papers, delightful contemporary illustrations, and a ribbon marker--this superb volume will delight the heart of readers young and old.

A Christmas Carol

'A Christmas Carol' is a truly wonderful novella, written by Charles Dickens. It was first published in 1843, and met with instant success and critical acclaim. 'A Christmas Carol' is a perfect volume for inquisitive children, and tells the story a bitter old miser named Ebenezer Scrooge, and his transformation into a gentler, kindlier man after visitations by the ghost of his former business partner, and the Ghosts of Christmases Past, Present and Yet to Come.... Dickens' Carol was one of the greatest influences in rejuvenating the old Christmas traditions of England, but, while it brings to the reader images of light, joy, warmth and life, it also brings strong and unforgettable images of what happens when these things are missing. The book has never been out of print since its first publication. 'A Christmas Carol' further contains a series of dazzling colour illustrations – by a master of the craft; Arthur Rackham (1867-1939). One of the most celebrated painters of the British Golden Age of Illustration (which encompassed the years from 1850 until the start of the First World War), Rackham's artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine and elucidate Charles Dicken's enthralling narrative. Pook Press celebrates the great 'Golden Age of

Illustration' in children's literature – a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

A Christmas Carol

A Christmas Carol. In Prose. Being a Ghost Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843 and illustrated by John Leech. A Christmas Carol recounts the story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the spirits of Christmas Past, Present, and Yet to Come. After their visits, Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol during a period when the British were exploring and re-evaluating past Christmas traditions, including carols, and newer customs such as Christmas cards and Christmas trees. He was influenced by the experiences of his own youth and by the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella and was inspired following a visit to the Field Lane Ragged School, one of several establishments for London's street children. The treatment of the poor and the ability of a selfish man to redeem himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this is a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by Christmas Eve; by the end of 1844 thirteen editions had been released. Most critics reviewed the novella favorably. The story was illicitly copied in January 1844; Dickens took legal action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story, which proved so successful he undertook 127 further performances until 1870, the year of his death. A Christmas Carol has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera, and other media. A Christmas Carol captured the zeitgeist of the mid-Victorian revival of the Christmas holiday. Dickens had acknowledged the influence of the modern Western observance of Christmas and later inspired several aspects of Christmas, including family gatherings, seasonal food and drink, dancing, games, and a festive generosity of spirit.

Gather the family around for a wonderful journey through time with this life affirming tale, excellent for reading aloud on Christmas Eve. You know the story..... Ebenezer Scrooge is a bitter old man who "will keep Christmas in my own way"

A Christmas Carol

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees.

A CHRISTMAS CAROL (A Ghost Story of Christmas) ANNOTATED

A Christmas Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation into a gentler, kindlier man after visitations by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. The book was written at a time when the British were examining and exploring Christmas traditions from the past as well as new customs such as Christmas cards and Christmas trees. Carol singing took a new lease on life during this time. Dickens's sources for the tale appear to be many and varied, but are, principally, the humiliating experiences of his childhood, his sympathy for the poor, and various Christmas stories and fairy tales. This edition of the book contains all 32 of the original illustrations by Arthur Rackham, rejuvenated, of which 12 are in full-color. They truly bring the story to life. A Christmas Carol remains popular--having never been out of print--and has been adapted many times to film, stage, opera, and other media.

A Christmas Carol

A Christmas Carol. In Prose. Being a Ghost Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. A Christmas Carol tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits, Scrooge is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane Ragged School, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by Christmas Eve; by the end of 1844 thirteen editions had been released. Most critics reviewed the novella favourably. The story was illicitly copied in January 1844; Dickens took legal action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story which proved so successful he undertook 127 further performances until 1870, the year of his death. A Christmas Carol has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera and other media. With A Christmas Carol, Dickens captured the zeitgeist of the mid-Victorian revival of the Christmas holiday. He has been acknowledged as an influence on the

modern Western observance of Christmas and inspired several aspects of Christmas, such as family gatherings, seasonal food and drink, dancing, games and a festive generosity of spirit.

A Christmas Carol in Prose

A Christmas Carol in Prose, Being a Ghost-Story of Christmas, commonly known as *A Christmas Carol* tells the story of a bitter old penny-pinching man named Ebenezer Scrooge and his transformation into a gentler, kinder man after visitations by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come, taking him on a journey where he discovers the true meaning of Christmas. The story was first published in 1843, authored by Charles Dickens and with illustrations by John Leech. The book's chapters are called staves as the stanzas of a song, a Christmas Carol.

A Christmas Carol

Do you want to read *A Christmas Carol*? If so then keep reading... *A Christmas Carol* is a novella by Charles Dickens, first published in London by Chapman & Hall on 19 December 1843. The novella met with instant success and critical acclaim. Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation into a gentler, kinder man after visitations by the ghost of his former business partner Jacob Marley and the Ghosts of Christmases Past, Present and Yet to Come. The book was written at a time when the British were examining and exploring Christmas traditions from the past as well as new customs such as Christmas cards and Christmas trees. Carol singing took a new lease on life during this time. Dickens' sources for the tale appear to be many and varied, but are, principally, the humiliating experiences of his childhood, his sympathy for the poor, and various Christmas stories and fairy tales. Dickens' Carol was one of the greatest influences in rejuvenating the old Christmas traditions of England, but, while it brings to the reader images of light, joy, warmth and life, it also brings strong and unforgettable images of darkness, despair, coldness, sadness, and death. Scrooge himself is the embodiment of winter, and, just as winter is followed by spring and the renewal of life, so too is Scrooge's cold, pinched heart restored to the innocent goodwill he had known in his childhood and youth. *A Christmas Carol* remains popular-having never been out of print-and has been adapted many times to film, stage, opera, and other media. A Christmas Carol

This story is inspired by *A Christmas Carol* by Charles Dickens. The characters are the same, but the story is different. Very different. In this version of *A Christmas Carol* Marley is alive and kicking, encouraging and helping Scrooge to be that much meaner. Double trouble. The original paranormal Christmas fantasy. A NEW VERSION of *A Christmas Carol*. Scrooge is meaner than ever but so are the ghosts. "Not to be missed." Dianne's review Nov 07, 155 of 5 starsbookshelves: author-review, author-gift, great-dialogue, holiday-theme, own Read in November, 2015 -- I own a copyA.J. Gallant tackles a brave venture in his version of the events that changed Ebenezer Scrooge and he has come out a victor! A New Version of *A Christmas Carol*, adds more color, more characters and, more ghosts!

Meet this version of Scrooge, along with his partner in nastiness, Marley as they revel in destroying lives, and pinching every penny until it turns blue. Bob Cratchet is still working for them, and Tiny Tim is just as ill, just as adorable and kind-hearted, but we also get to see him as a little boy, longing for friends and to be able to have snowball fights like the other boys. This Scrooge is not visited by three ghosts; he gets several, revealing just how awful he was. Will this Scrooge see the error of his ways before it's too late or will he succumb to the darkness waiting gleefully to torture him for eternity? What secrets do Scrooge and Tim share? A.J. Gallant has taken a wonderful tale and given it a more dramatic spin, while applying his own brand of darkness, charm and fantasy. Well-told, with a few surprises along the way, this is like a new and improved version of a timeless classic, with more ghosts, more life altering events, all while keeping in the spirit of the season. Get to know each character better, while you are at it! Most of the characters are back in this NEW version of A Christmas Carol. The story's delivery is different than the original though just as entertaining. Marley is alive and just as cantankerous as Scrooge, feeding off one another and making everyone around them miserable. Even grave robbing is not too dastardly for these two.

A Christmas Carol in Prose, Being a Ghost-Story of Christmas

"The reading of all good books is like conversation with the finest (people) of the past centuries." - Descartes The classic Christmas story with beautiful illustrations. Merry Christmas, everyone! "Bah!" said Scrooge. "Humbug!" With those famous words unfolds a tale that renews the joy and caring that are Christmas. Whether we read it aloud with our family and friends or open the pages on a chill winter evening to savor the story in solitude, Charles Dickens' A Christmas Carol is a very special holiday experience. A Christmas Carol is a novella by English author Charles Dickens. It was first published by Chapman & Hall on 19 December 1843. Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation resulting from a supernatural visit by the ghost of his former business partner Jacob Marley and the Ghosts of Christmases Past, Present and Yet to Come. The novella met with instant success and critical acclaim. The book was written and published in early Victorian era Britain, a period when there was strong nostalgia for old Christmas traditions together with the introduction of new customs, such as Christmas trees and greeting cards. Dickens' sources for the tale appear to be many and varied, but are, principally, the humiliating experiences of his childhood, his sympathy for the poor, and various Christmas stories and fairy tales. It is the one book that every year will warm our hearts with favorite memories of Ebenezer Scrooge, Tiny Tim, Bob Cratchit, and the Ghosts of Christmas Past, Present, and Future--and will remind us with laughter and tears that the true Christmas spirit comes from giving with love. With a heartwarming account of Dickens' first reading of the Carol, and a biographical sketch. "A room without books is like a body without a soul." - ... A 19th century classics literature edition.
