

Surviving A Borderline Parent

[#borderline personality disorder](#) [#BPD parent](#) [#childhood trauma](#) [#coping mechanisms](#) [#emotional abuse](#)

Navigating a childhood with a parent who has borderline personality disorder can be incredibly challenging. This often involves understanding the disorder's impact, developing effective coping mechanisms to manage difficult behaviors, and ultimately, prioritizing your own emotional well-being and healing from potential childhood trauma. Finding support, setting boundaries, and seeking professional guidance are crucial steps in this process.

All textbooks are formatted for easy reading and can be used for both personal and institutional purposes.
