Intro

Will there be snakes in heaven

Are there any other laws from the law of Moses still binding

Is Moses in heaven

Are some people meant to be bad

How do you know when its time to run

Why doesnt the fourth commandment mention the wife

Why do people wash their feet before breaking bread

If youve went to church your whole life will you go to heaven

What is the difference between sin transgression and iniquity

Is it okay to pray for forgiveness for my children

What does it really mean to keep the Sabbath day holy

Will those people also be raised

This was our first time **installing**, flooring, and it was much easier than I expected.

started by removing the base boards and labeling them for reuse

push in any nails that were sticking out the floors

measure and map out the entire area

divide the width of the room by the width of the planks

trim off about two or three inches on every last row

install those strips for the reducers

start at the left corner of the longest wall in your space

snap the planks together with a few taps of a mallet

push it to the wall using quarter inch spacers

hook it into the long edge at 45 degrees

hook the plastic block from the installation kit

account for the quarter inch spacing

started installing stairs

apply industrial adhesive

added the reducers for the transitions

installed the entryways separate to the kitchen area
