Millions of people, in the US and other parts of the world, face the grim prospect of losing their driving privileges, their mobility, and to a great extent their freedom, due to a deterioration in their eyesight or a disabling eye disease. Driving with Confidence is an empowering tool. Its message is simple: In many cases, people with low vision can and do receive, retain and safely exercise their driving privileges. The book presents a clear, no-nonsense discussion on the realities of low vision conditions, together with a practical program designed to help low vision individuals maximize their chances of retaining and/or extending their driving privileges. It also provides a detailed description of driving vision regulations in every state in the US. Martin Green is a retiree/free-lance writer living in Roseville, California. In 1991, the year after he retired, he started writing articles for a weekly alternative newspaper in Sacramento, Sutters News. In the same year, he began free-lancing for the Neighbors section of the Sacramento Bee, contributing over 100 articles until Neighbors was discontinued in 2002.. Since 2000, He's been writing for a monthly newspaper, the Sun Senior News, which goes to over 10,000 households in two retirement communities, Sun City Roseville (where he lives) and Sun City Lincoln Hills. He currently does two monthly features, "Observations" and "Favorite Restaurants." Earlier in 2011 Martin put out a collection of his journalistic pieces, "People, Places and Events." In addition to his journalism, Martin has had about 250 short stories published in online magazines and has self-published three collections of these stories (2006, 2007 and 2008) as well as a longer work, "One Year in Retirement" (2009) and a collection of his "Observations"(2010). This book is called "Potpourri," defined as a mixture or stew, as it contains short stories (published since 2009), a year and a half of "Observations," and something new, "Last Words," which are essays "On Growing Old," "On Writing," "On Reading," and "On Travel." Martin has been married to Beverly (a water-color artist) for 46 years, has three sons (David, Michael and Christopher), three grandsons (Mason, Morgan and Logan), one granddaughter (Stephanie) and two cats (Bun-Bun and Shandyman).

Introduction to Study and Immigration in USA

The electrifying prequel and perfect introduction to the bestselling and fan-favorite Thomas Prescott series, with over 1.3 million downloads and 10,000+ five-star ratings on Amazon and Goodreads! After getting canned from the Seattle PD, brilliant, wisecracking Thomas Prescott follows his sister Lacy to Philadelphia, where she swims on the Drexel University team. While Thomas's slapstick antics mask a keen analytic mind, it's his nose for trouble that leads him again and again into dicey situations. The ex-homicide detective is not long in Philly before getting caught up in two high-powered criminal cases. Thomas stumbles into a crime scene amid the Occupy Philadelphia protests. Activist Brooke Wexley has been strangled within sight of city hall. While demonstrating against economic inequality, the college student hid her own family's wealthy background. The über-rich Wexleys have many dark secrets—one of which may have led to Brooke's violent death. Thomas is also called to join an emergency multiagency task force on the trail of a prolific serial killer who leaves gruesome calling cards: a three-digit number carved on each of his many victims. It's when Thomas realizes the murders are linked to the Numbers—the old illegal street lottery—that his investigation shifts into high gear. The trail jumps back to the past before rushing back to the present like a tsunami of fire, bent on revenge. Amid all this, Lacy has a health scare, and Thomas's priorities shift. Encountering gambling church ladies, felonious businessmen, and murderous mobsters—with an investigation hampered by a competitive colleague and Lacy's narcoleptic pug—Thomas must summon all his considerable powers to root out the guilty and dangerous while caring for his adored sister. Reader's Note: This book takes place when Thomas Prescott is thirty years old (three years before the events of *Unforeseen*). If you are new to the Thomas Prescott series, this is the perfect place to start!

Physician's Guide to Assessing and Counseling Older Drivers

This is a love story that spans over a sixty-eight-year period. Some of this time was unrequited love for a painful twenty-eight years and also a happy time of reconciliation. The main character of the story is Ralph H. Little (1908-1999). He pursued the "Love of his life," Freda, for all of his adult life. A log house in the Oregon woods defines Ralph more than anything else in his life. He was told during the courtship of Freda that one condition of marriage was the building of a log house on her father's 180-acre, Oregon homestead. Logs were cut by hand and hauled to the construction site by horses. The log house was built not only with hard work and sweat, by "Uncle" Ralph, but primarily with love for his beloved Freda. Ralph suffered betrayal and the loss of Freda. After 28 dark and lonely years Freda returned after she suffered a betrayal in her life. There was a happy remarriage and almost immediately Freda suffered illness and became bed-ridden. Freda was expected to live for only six months. Ralph lived out his marriage vows by nursing Freda for 13 years beyond the time she was expected to live. Following the death of Freda, Ralph began showing signs of dementia. He pleaded with his nephew and niece, who became his caregivers, to help him stay in his log house, for as long as possible. He often said, "I will have to be handcuffed to leave this house." Sadly it eventually came to pass that is exactly what happened. This story is also about those, "sweet and sour times", and the resulting family relationships and legal issues often faced by caregivers.

From her home in New Mexico, Baba continues to navigate the unpredictable currents of old age with her usual ironic sense of humor. She is renting an apartment in a Victorian house where the heating and plumbing challenge her and her landlord.. Her three daughters and her grandchildren live in Oregon, Indiana, and Pennsylvania, so she must tackle airline regulations if she visits. Damp and cold weather set off arthritis in her knees and spine, but she seldom babies herself to get where she is going. When she is not playing bridge or doing crossword puzzles, she contemplates decorated sweatshirts, her pleasures and displeasures gambling in Las Vegas, the laws of physics pertaining to clogged drains, plastic and pills to enhance sexual prowess, meerkats, cell phones, the ignorance of American tourists in the beautiful Alaskan wilderness, zombies and aliens, and teenage ego-centricity. She avoids the health police whenever she can but still manages to give up smoking.

In the spring of 2004, Philip Anders ingested the first of what would be a daily dose of estrogen tablets, and from that moment forward, his life would change forever. During the agonizingly slow transformation from male to female, he would lose a 22-year career in journalism, his marriage, his home, his savings, and most of his friends. "Gypsy Moon" presents an insightful view of the incredible courage and strength required to complete this journey.

The International Medical Graduate's Guide to US Medicine & Residency Training

Passing the California driver's license test can be easier than you ever imagined when you use this handbook or manual which is a compendium of road and traffic signs, to prepare. Experience has shown that over 70% of the test questions border around road and traffic signs which have been systematically organized to adequately cover all-road/traffic signs. Using this all-in-one road and traffic sign handbook would certainly be very helpful to all test-takers and other road users and Instructors. The more you take these practice tests, the more you get familiar with the answers. For a successful test, I strongly advise you to get very familiar with each sign. This is made possible as you ensure to you flip through the pages of this manual as many times as you can so as to hit a consistent score of up to 85% and above correct answers each time you take the practice test. This approach would help you get very conversant with the signs which automatically put you on track to securing a mind-blowing score in the real DMV test. This book contains skillfully formulated questions and answers on road and traffic signs. You will be amazed to find the questions in this book to be really very similar to the actual test questions. And as you prepare using these practice questions and answers as opposed to reading the DMV driver's handbook which has shown to be really time-consuming, you will learn basic driving skills, road signs, and traffic signals with their meanings. This book will among other things teach you how to answer the trick questions which always appear in the DMV test. As I have guided many test-takers towards achieving success in their DMV exams, this manual was put together to give a helping hand to many more people. Get your copy and enjoy success all the way in your DMV Exam and driving experience. Buy this book now!
