Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

#### Buffalo Bill's Spy Trailer: or, The Stranger in Camp

By the author of the celebrated "Buffalo Bill" stories. First published in 1908.

#### Buffalo Bill's Spy Trailer Or, the Stranger in Camp

Reproduction of the original: Buffalo Bill's Spy Trailer by Prentiss Ingraham

#### Buffalo Bill's Spy Trailer

'Buffalo Bill's Spy Trailer; Or, The Stranger in Camp' is a Western novel written by Prentiss Ingraham. It is a fictionalized account featuring the famous real-life Western-era figure, Buffalo Bill. The story begins with a horseman drawing rein one morning upon the brink of the Grand Cañon of the Colorado. It is a mighty abyss, too vast for the eye to take in its grand immensity; a mighty mountain rent asunder and forming a chasm which is a valley of grandeur and beauty, through which flows the Colorado Grande. Ranges of mountains tower to cloudland on all sides with cliffs of scarlet, blue, violet, yes, all hues of the rainbow; crystal streams flowing merrily along; verdant meadows, vales and hills, with massive forests everywhere—such was the sight that met the admiring gaze of the horseman as he sat there in his saddle, his horse looking down into the canyon.

#### Buffalo Bill's Spy Trailer

Buffalo Bill Cody was bigger than life. He was also braver, handsomer, and kinder—in short, just about perfect, as any reader of Prentiss Ingraham's dime novels could tell you. Along with his nearly 600 novels and plays, Ingraham (1843–1904), Confederate colonel and mercenary, penned a biography of his hero. The Buffalo Bill Cody who emerges from this book is not so very different from the paragon in Ingraham's novels, but as Cody's close companion, Ingraham had the inside story on this iconic figure of the American West. Add to that the dime novel-writer's bravura style, and Ingraham's Buffalo Bill Cody: A Man of the West becomes an irresistible work of Americana, in many ways an apt portrait of its larger-than-life subject. And because both men were firsthand witnesses to historic moments—the struggle between slavers and abolitionists, the Civil War, the building of the railroads, the Indian Wars, the golden age of circuses—the biography offers a close-up perspective of life on the American frontier. Published here with an introduction and notes by Cody aficionado Sandra K. Sagala, who transcribed and edited the text of the biography from the original that was serialized in 1895 by Duluth Press, and illustrated with line drawings by one of Ingraham's contemporaries, Buffalo Bill Cody: A Man of the West is at once a unique view of an outsize figure of the Wild West, an original document of American history, and a performance as entertaining as any the self-styled cowboy and showman Buffalo Bill Cody ever staged.

The Classic Works of Prentiss Ingraham

The Greatest Western Writer Of The 21st Century Fame And The Fighting Man A long way from Montana Territory, Falcon MacCallister is back east, visiting his family, with Buffalo Bill Cody by his side. When the government asks both men to take a break from being famous to get back to fighting, Falcon and Buffalo Bill head west-into a hornet's nest of trouble. A renegade Indian has followed his vision of bloodshed on a once peaceable territory. A land baron uses the slaughter as an excuse to clear out a valley. And the U.S. Army, trying to keep the peace, is backstabbed by a traitor. Now, Falcon and Cody are headed into this beautiful, vast and deadly land. A place where history, spirits, greed, and guns have come together-and hot lead is roaring like a prairie fire. . .
