Personal Identity Is an Illusion

There's a Sense in Which They CanNot Be Culpable for Doing Things Wrong They Were Bound To Do those Things if Somebody Said to Me and People Have Believed this that God Sends People to Hell but He's Created Them in Order to Senator Hell I Would Feel Morally Affronted but I'M Not but My Moral Affront Would Be Based on the Fact that if People Do Go to Hell Must Be Their Own Choice and Not God's Choice so Now You Do Have Somebody Pulling the Strings It's Not Just Nature on this Sort of View There Is a Personal Being Who's Doing that to You and You Fear Affronted that There Being Should Not Have Done that Hmm

It's Not Just Nature on this Sort of View There Is a Personal Being Who's Doing that to You and You Fear Affronted that There Being Should Not Have Done that Hmm and I Think It'LI Libertarian Would Say and of Course God's Not like that Anyway but People Should Not Do the Things They Do and There Is Also the David Hume Point That Actually Determinism It Is Just Unprovable You Can't You Can't Show that Everything Has To Happen the Way It Does Unfortunately for the Libertarian if a Free Choice Really Involves the Conditions You Say Then How Could You Be Responsible
