Baring Witness

In *Baring Witness*, Welker and thirty-six Mormon women write about devotion and love and luck, about the wonder of discovery, and about the journeys, both thorny and magical, to humor, grace, and contentment. They speak to a diversity of life experiences: what happens when one partner rejects Church teachings; marrying outside one's faith; the pain of divorce and widowhood; the horrors of spousal abuse; the hard journey from visions of an idealized marriage to the everyday truth; sexuality within Mormon marriage; how the pressure to find a husband shapes young women's actions and sense of self; and the ways Mormon belief and culture can influence second marriages and same-sex unions. The result is an unflinching look at the earthly realities of an institution central to Mormon life.

Good and Cheap

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

Mabel Finlayson Allred was a wife of Rulon Allred, leader of the Apostolic United Brethren, one of the major groups of fundamentalist Mormons who, since about the 1930s, have practiced plural marriage as separatists from the mainstream Latter-day Saints Church. Mabel's autobiography maintains a mood of everyday normalcy strikingly in contrast with the stress of the ostracized life she was living. Her cheerful tone, expressive of her wish to live simply and gracefully in this world, is tempered by more somber descriptions of her personal struggle with clinical depression, of Rulon Allred's inner struggles, of tensions with the law and with Allred's fundamentalist colleagues, and ultimately by her forthright account of his assassination. Emerging from this unique narrative is the portrait of a woman buoyed by faith in both her religion and her husband, a window into the interior life of a woman seeking a resilient simplicity in an uncommonly challenging life. *Plural Wife*, contextualized by Martha Bradley's introduction, gives us insight into Mabel's experience of history during an important period of the 20th century and advances our understanding of life ways of 20th century polygamy and the growth of the fundamentalist movement.
