Oliver, Sr. Elizabeth Baptist Church by EBCInYourCity 2,461 views Streamed 10 hours ago 1 hour, 46 minutes - Join us for a profound exploration into the transformative power of invitation, as we delve into the timeless wisdom of scripture and ...

In John.42, we witness the compelling narrative of Andrew inviting his brother Simon Peter to encounter Jesus. This pivotal moment underscores the profound impact of personal invitation in leading others to Christ. Statistics reveal that an overwhelming 83% of church attendees were initially drawn through a friend or relative's invitation.

As Jesus engages with his followers in John.asking, "What are you seeking?" we are challenged to personalize our approach in inviting others to Christ. Understanding the diverse motivations behind seeking Christ, whether it be societal trends, personal healing, or familial tradition, enables us to extend authentic invitations that resonate with individuals' deepest needs.

The Ultimate Guide to Real Estate

With hundreds of strategies, insider's tips and techniques, this book is useful for home-buyers and property investors alike.

The Complete Guide to Property Investment

From the author of Amazon best-sellers "Property Investment For Beginners" and "Beyond The Bricks" Over the last 20 years, more than a million Brits have made life-changing profits from buy-to-let. But as prices keep rising and the tax landscape changes, investors need to get smarter in order to succeed. It's far from "game over," but the game is changing... for the better. The unwary and under-prepared will be squeezed from the market - leaving educated, strategic investors to have their best decade yet. The Complete Guide To Property Investment gives you the insight, information and action plan you need to navigate this new property landscape and come out on top. It starts by demonstrating - with real-life examples - a range of strategies suited to achieving different investment goals. Only then does it take you step by step through every aspect of researching, financing, buying and managing investment properties. You'll learn: How to formulate a strategy suited to achieving your investment goals Everything you need to know about financing your investments An exact step-by-step research process you can use to decide what to invest in How to manage your investments What the property cycle is, and how you can use it to your advantage How to build a profitable portfolio for the long-term - including scaling up, surviving recessions, and exit strategies. Whether you're turning to property to secure your retirement, start a new career or generate a stream of passive income, this book will be the most valuable investment you make.

The Advanced Guide to Real Estate Investing

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Some of the covered topics include: Principles and formulas for profitable landlording Understanding how the real estate market works The pitfalls of real estate investing and how to avoid them Types of rental formats Where to get information on prospective properties How to finance real estate investments The legal aspects of buying and renting property Tenant selection Property maintenance Filled with easy-to-understand and credible advice, The Canadian Landlord Guide is a must-have resource for all Canadian landlords. Seasoned professionals and aspiring beginners alike will find Doug Gray's landlording guide to be one of their key tools in their quest for real estate success. Doug Gray, B.A., LL.B. (Vancouver, BC) has been buying, renovating, and renting real estate for 35 years. In addition to being a successful real estate entrepreneur, Doug has written over 28 bestselling real estate, business, and personal finance titles, including Making Money in Real Estate (978-0-470-83620-0) and The Canadian Snowbird Guide (978-0-470-15375-8).

The Canadian Landlord's Guide

The previous edition of this book is The Complete Idiot's Guide to Real Estate Investing, Second Edition. The book focuses heavily on commercial real estate investing, but given the absence of the word commercial in the title and elsewhere within the book, it was purchased by many whose interests in real estate were of a much smaller scale and involved residential income properties, as opposed to commercial real estate development. The Complete Idiot's Guide to Commercial Real Estate Investing, Third Edition, is retitled and slightly refocused to better target the intended audience aspiring commercial real estate investors/developers. What little coverage of residential income properties that existed in previous editions has been cut, and the remaining content has been updated to clearly reflect the focus on buying and selling commercial properties.

The Complete Idiot's Guide to Commercial Real Estate Investing

This is not a general overview of real estate flipping nor some inspirational self-help book--this is a step by step, HOW-TO blueprint to build a multi-million dollar real estate empire from scratch. Making

millions renting out or flipping real estate has nothing to do with luck or even having a large budget to play with. It's all skill... so let me cut years from your learning curve and save you tens of thousands of dollars in the process. I will treat you as one of my clients and take you through every bit of minutia from pre-purchase preparation to final closing, with real world data drawn from some of the dozens of investments I'm making right now in the modern marketplace and not idealized examples from the past. Whether you're a brand-new investor with a few grand in your pocket or a seasoned real estate agent representing a \$100 million fund, the key to lasting success in this business is being able to sniff out hidden equity in off-market homes before anyone else. That's precisely what I'll teach you to do faster, cheaper and smarter than any wealth management fund out there. My clients call me a "guru" and a "prodigy," my competitors "one lucky SOB," but the truth is I don't have some "Spidey sense." I can teach anyone every one of my tricks in a matter of hours. So why not? Let's have some fun. The market is sure big enough to accommodate plenty more fresh millionaires. With this vast trove of hard-learned lessons and insider tips in your corner, all you need to supply is self-discipline and ample elbow grease to turn even a few grand into millions within a few years. No luck required and the skills are provided. So what's holding you back from dominating your local market? Pre-Purchase Checklist: Will this book add value for me? Are you a stock market investor tired of being at the mercy of high-speed trading algorithms and random headline news events? Do you ever wish you had more control over your investments? Have you avoided direct real estate investment because you weren't quite sure how to leverage big data to buy off-market properties at +90% discounts, with a minimum of 30% equity? Are you a real estate professional trying to bring more value to your clients and really stand out from the pack? Would you like to take your skillset to a whole new level and earn 10x the commissions with half the work? Are you a current investor frustrated about all the competition nowadays and the ever-thinning margins? Would you like to skip the direct mailing campaigns and generate vetted leads before anyone else?

Rental Property Investing QuickStart Guide

Presents a guide to real estate with advice and techniques needed to navigate the fluctuations in the market.

The Real Book of Real Estate

M. A. Hines presents a comprehensive survey of the myriad factors involved in international real estate investing. Written specifically for practicing real estate professionals, portfolio managers, and students of finance and investing, *Guide to International Real Estate Investment* examines six principal types of property investment on a worldwide basis: housing and apartment buildings, hotels and motels, new towns, shopping centers and other retail buildings, office buildings and parks, and industrial properties. In addition, the author fully addresses such issues as financing, taxation, development trends, investment strategies, and outside influences on the real estate investment climate.

Guide to International Real Estate Investment

Break the Chains, Achieve Financial Freedom, and Leave the 9-to-5 With US Real Estate Are you interested in real estate investing, but aren't sure how to begin? Do you want to live your life on your terms, create true long term wealth, and break the chains of a J-O-B? Do you want to achieve financial freedom? Do you feel confused by US investment lingo, or unsure you have the ability to make a career of it? Do you wish you could make millions and free yourself from that desk ... for life? You, my friend, need the help of Reed Goossens and his new book, *Investing in the US: The Ultimate Guide to US Real Estate*. This bold instruction manual, taught by a surprisingly down-to-Earth real estate investor, brings passion and excitement to a subject that most consider inaccessible. Goossens shares knowledge built on almost a decade of real estate success and hundreds of millions of dollars worth of controlled assets which has allowed him to achieve financial freedom, quit his JOB, and live his life on his terms! Wish this same story could be yours? It can. This guide will teach you how to: Get started in the exciting, yet daunting, world of real estate investment Decode the complicated lingo and insider speak of the industry Find the right investment market for your needs and abilities Review the competition and find your opening Become a financing expert and choose the right options for you Spin deals to your advantage and close them with aplomb Turn these steps into a reliable, repeatable process Ditch debt, break the chains and leave your 9-to-5 behind Live a life of design, intention and success, every day Of all the investors in the US market, Reed Goossens is perhaps the most qualified to teach US investing. As an Australian, he had to learn the tricks of the trade from nothing, exploring the market from the outside in. The result: A no-nonsense approach lacking in preconceived notions and chock full of winning strategies. Before beginning his real estate investing career, back in 2009, Goossens' civil engineering background took him around the world. He was an integral part in projects ranging from Australia to the US, Fiji to Europe, and even worked on the 2012 Summer Olympic Games. His worldly approach plus hard-hitting (but fun!) approach makes this the perfect read for anyone looking to transition from the cubicle to the unfettered life - just like he did. If Reed can move halfway across the globe in order to achieve financial freedom, then so can you! Ready to give life a CRACK, as Goossens would say? Don't wait. Buy this book NOW. Investing in the Us

In the Real Estate industry, as in most sales professions, prospecting is a dirty word. Far too many people enter the field of Real Estate believing they can wait for the phone to ring and earn a great living. Unfortunately, many new agents set themselves up for failure by this approach to the business. A real estate professional's goal is to list and sell real estate. One of the primary keys to being successful is to identify those people who truly want or need to move, and find a way to meet with them. This concept of identifying and targeting likely buyers and sellers is called prospecting, and it is a process, not an event.

Real Estate Prospecting

Discover the surprising secret to financial freedom with real estate investing Do you want to know to create passive income, build real long-term wealth, and achieve financial freedom all through real estate investing? Real estate has always been a powerful tool for investing, and many people believe that a single-family home investment strategy will help them achieve their goals. However, the true path to financial freedom using real estate is found in apartment buildings. The author has 30 years of real estate investment experience and achieves financial freedom in the first 10 years. This book gathers the author's strategy on real estate investment, the secret of success in real estate investment, the skills of successful apartment investment, the ordinary person's steps, and attention to realize real estate investment. It is interesting that more than 1,000 people have adopted the author's method to

achieve financial freedom. If you want to achieve freedom through real estate investment, then this book is worth reading. Take that first step today! Scroll up and click the "Buy Now" button.
