[#18th century night](#) [#history of night](#) [#enlightenment era](#) [#18th century social life](#) [#cultural history](#)

Delve into the fascinating history of night during the 18th century, a period often illuminated by the Enlightenment era's intellectual advancements but still profoundly shaped by the darkness after dusk. This exploration examines 18th century social life, daily routines, fears, and the gradual evolution of artificial light, offering a rich perspective on a largely unseen aspect of cultural history.
