I'm Going to Be Your Big Sister

A new big sister is excited for all the fun adventures that she and her younger sibling will experience together. As her imagination reveals the wild, enjoyable moments they will share, she also reflects on the positive influences she will have on her new sibling. This short rhyming story, along with its creative illustrations, offers young readers a fun, imaginative journey into the world of being a big sister.

Hello in There!

From the author and illustrator of the bestselling In My Heart This oversized interactive book is a heartfelt look at the wonder and excitement of waiting . . . and waiting . . . and waiting for a new sibling to

arrive. The charming protagonist is so eager to step into her role as a big sister that she's starting early. She sticks close to her mama so she can sing songs to her sibling-to-be (loudly, of course) and explain all the great things waiting in the outside world (cupcakes strawberries swimming). Quaint line drawings and lovely patterns lend a breezy, lighthearted atmosphere to the story, and a variety of playful flaps add gentle humor, showing the new baby blissfully tucked away in its mama's belly. A joyful and celebratory ode to the growing family for any sister- or brother-to-be. The Growing Hearts series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling. Praise for Hello in There **STARRED REVIEW** "Roussey's whimsical, scraggly, illustrations are perfectly suited to the girl's excitement as the big day approaches." --Publishers Weekly, starred review "Thick and sturdy pages and flaps are made to withstand many eager perusals as big sisters and brothers everywhere gear up for their own big days." --Kirkus Reviews "This has charming possibilities for helping a youngster to envision (and get accustomed to) the impending sibling." --The Bulletin of the Center for Children's Books

I'm Big Now

I'm Going to Be a Big Sister!

I'm a Big Sister Now! is a children's book about a proud little girl, Ava, who welcomes her little sister, Lia, into her family. Although uncertain at first, Ava soon takes on the role of big sister, and she enjoys teaching, playing with, and caring for her younger sibling. Based on conversations the author had with Ava, the book describes the developing relationship between the two sisters. The love they show each other as they play and learn together is evident throughout the book. These precious moments are memories to be cherished. This book will engage young readers who have, or are expecting, a younger sibling. Children will easily relate to the special relationship that exists between two sisters.

I'm a Big Sister Now!

Includes music.

The Youth's Companion

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!"Dust piles up like snow across the prairie. . . . "A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

Through the story of Claire and her new baby brother, Eddie, the All About Babies book series helps new big brothers and sisters understand how babies grow, and how to play with babies as they grow. In Curious and crawling, Eddie is sitting up by himself, eating, and starting to move and crawl. Claire is also learning how to handle new big sister challenges, as Eddie is very curious about her toys. Tensions rise when Eddie takes Claire's teddy, but Claire finds a solution. All About Babies Series: Each book in the series focuses on developmental milestones throughout baby's first year, and new challenges for big brothers and sisters. 1 - Itty bitty newborn (0-3 months): Claire sings to baby, helps him with tummy time, and washes her hands before playing with him. 2 - When will baby play? (3-6 months): Eddie is still small but is doing lots of new things like holding his toys, rolling over, and teething. 3 - Curious and crawling (6-9 months): Eddie is sitting up, starting to crawl, and reaching for Claire's toys. Best Buddies (9-18 months): Eddie is crawling everywhere, taking steps, babbling to Claire. Claire finds solutions to new challenges, like helping Eddie learn how to take turns. The All About Babies book series was inspired by the author's two year old daughter becoming a big sister. The books were written to help her understand how her baby brother would grow and change, and slowly learn to play like her.

Bannack is a story of adventure and self-discovery set in the time of the Civil War and vigilante violence. Sixteen-year-old Billy Mayfair, kicked out of his home in Illinois by his father, sets out to find a fortune

in gold in a remote mining camp in what would become the Montana Territory. While in St. Louis, he loses his money and virginity, gets in a fight and lands in jail. But he manages to save enough working in a Union hospital caring for Civil War casualties to book passage on a streamer headed 2,000 miles north to Fort Benton. Panning for gold and living in the wild hard-drinking town of Bannack, he becomes a friend of the sheriff, who will become known in the official record as the most notorious outlaw in Montana history. There, Billy witnesses the deadliest outbreak of vigilante violence in U.S. history: twenty-one men are hanged in less than a month's time. What makes this story unique is that it gives voice to the victims as well as the victors of this actual event.

Counsels on Sabbath School Work

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

The Sabbath School Teacher

With a biting, satirical style reminiscent of *The Onion*, *How to Be a Perfect Christian* takes a humorous look at the quirks of cultural Christianity while subtly challenging the reader to search for more than a cultural faith. Written in the trademark style of *The Babylon Bee*, this book humorously satirizes cultural Christianity while peppering in subtle challenges to the reader. Through humor and sarcasm (and a handy meter to rank your "holiness" as you progress through the book), readers will be called to find a more biblical understanding of the Christian faith, all while poking fun at the quirks of the modern, American Christian community.

Sabbath School Program Planner

How People Grow reveals why all growth is spiritual growth and how you can grow in ways you never thought possible. Our desire to grow runs deep. Yet the issues in our lives and relationships that we wish would change often stay the same, even with our best efforts at spiritual growth. What does it take to experience increasing strength and depth in our spiritual walk, our marriages and family lives and friendships, our personal development--in everything life is about? And how can we help others move into growth that is profound and lasting? Unpacking the practical and passionate theology that forms the backbone of their counseling, Drs. Henry Cloud and John Townsend shatter popular misconceptions about how God operates to reveal how growth really happens. You'll discover: What the essential processes are that make people grow. How those processes fit into a biblical understanding of spiritual growth and theology. How spiritual growth and real-life issues are one and the same. What the responsibilities are of pastors, counselors, and others who assist people in growing. What your own responsibilities are in your personal growth. Shining focused light on the great doctrines and themes of Christianity, *How People Grow* helps you understand the Bible in a way that will help you head with confidence down the high road of growth in Christ. Workbook also available.

The Five Love Languages

Excerpt from *The Sabbath-School Index: Pointing Out the History and Progress of Sunday-Schools, With Approved Modes of Instruction, Examples in Illustrative, Pictorial, and Object-Teaching; Also the Use of the Blackboard, Management of Infant-Classes, Teachers' Meetings, Conventions, Institute* A few years ago the authors prepared a little Manual entitled "The Sunday-School Worker Assisted," etc., which was so favorably received as to call for a large edition without any special advertising. What has seemed to be a most imperative call has again come up, from various sections of our land, and from many denominations of Christians, for a fuller and more complete work, illustrated with examples. If our pastors, superintendents or teachers, wished for specific details of all the departments of the Sabbath-school, they complained that they were compelled to purchase a dozen English and a dozen American works, and even then there were important topics of information still unreached. Besides, books written a quarter of a century ago will not fully meet the requirements of an intelligent Sabbath-school man at this day. The cause is making constant progress, and many real improvements

Reinvent Your Sabbath School

A few years ago the author prepared a little Manual entitled "The Sunday-School Worker Assisted," etc., which was so favorably received as to call for a large edition without any special advertising. What has seemed to be a most imperative call has again come up, from various sections of our land, and from many denominations of Christians, for a fuller and more complete work, illustrated with examples. If our pastors, superintendents or teachers, wished for specific details of all the departments of the Sabbath-school, they complained that they were compelled to purchase a dozen English and a dozen American works, and even then there were important topics of information still unreached. Besides, books written a quarter of a century ago will not fully meet the requirements of an intelligent Sabbath-school man at this day. The cause is making constant progress, and many real improvements have been made during the past few years which are worthy of special record and notice. How to Be a Perfect Christian

The craving for love is our deepest emotional need. We feel loved when others speak our live language. Dr. chapman's goal for readers is that they may be lead to explore the possibility of speaking different love languages to God and thus expand their understanding of God and others.

This book has been around a while. Since it was first published, a lot of other books about health have come and gone. Some of them have been bigger than this one, but none of them have ever been better. Perhaps you have noticed the explosion in diet and exercise publications. Today it is obvious that the pursuit of health and fitness is more than just a quick fad. Looking and feeling good isn't optional, for many people these days, it's a high lifestyle priority. "The Ministry of Healing" is a book that crusades for total fitness, not just physical fitness because we are human beings and are more than just bodies. This book speaks to the needs of the whole person, body, mind and spirit. For a whole lot less than one visit to the Doctor, this classic on health will tell you how to manage stress, get well and prevent disease while feeling vibrantly alive. - The True Medical Missionary. The Work of the Physician. Medical Missionaries and Their Work. The Care of the Sick. Health Principles. The Home .The Essential Knowledge. The Worker's Need. Scripture Index. General Index

Teaching the Faith

The shift from adolescence to adulthood, a recently identified stage of life called "emerging adulthood," covers an increasing span of years in today's culture (roughly ages 18-30) due to later marriages and extended education. During this prolonged stage of exploration and self-definition, many young adults drift away from the church. Here two authors--both veteran teachers who are experienced in young adult and campus ministry--address this new and urgent field of study, offering a Christian perspective on what it means to be spiritually formed into adulthood. They provide a "practical theology" for emerging adult ministry and offer insight into the key developmental issues of this stage of life, including identity, intimacy and sexuality, morality, church involvement, spiritual formation, vocation, and mentoring. The book bridges the gap between academic and popular literature on emerging adulthood and offers concrete ways to facilitate spiritual formation among emerging adults.

Wacky Wednesday

A boy imagines what it would be like if he had such things as duck feet, a whale spout, or an elephant's trunk.

Crazy Hair Day Big Book

In a cheering tale of kindness and friendship, Stanley's worst day ever takes a surprising turn when his classmates concoct a creative show of solidarity. Stanley Birdbaum couldn't be more excited. He has rolled and wrapped and dyed his hair. He has dipped it and sprayed it and made it, well, perfect. He is ready to celebrate Crazy Hair Day at school. But when Stanley saunters up to the classroom, he learns, to his horror, that Crazy Hair Day is . . . next week. To make matters worse, today is School Picture Day, and everyone is expected to line up for the class photo! What's Stanley to do?

Ten Apples Up on Top!

This book will teach you to count from one to ten.

Silly Sally

First, some giant ants steal breakfast. Then there are the evil ninjas, massive ape, mysterious mole people, giant blob, and countless other daunting (and astonishing) detours along the way to school. Are these excuses really why this student is late? Or is there another explanation that is even more outrageous than the rest? From Davide Cali and Benjamin Chaud, the critically acclaimed author/illustrator team behind *I Didn't Do My Homework Because . . .* comes a fast-paced, actionpacked, laugh-out-loud story about finding the way to school despite the odds—and the unbelievable oddness! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival-demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explaining appropriate practice.

There's No Place Like Space!

This fun, light-hearted book will keep children highly entertained as it describes all the different ways to eat and enjoy ice cream! It also teaches them about making choices along the way as it discusses different flavors, different toppings, and different ways to eat ice cream!

I Can Do Hard Things is a beautiful reminder to tune into and listen to that quiet voice inside so that you can do what's right for you. I don't always feel brave, confident or strong. Sometimes it seems easier to follow others along. It's hard to navigate a world in which we get so many messages about how we should be. We pause. We listen to the quiet voice inside. I connect with the love and strength it brings. It helps me remember: I can do hard things. I Can Do Hard Things: Mindful Affirmations for Kids is the perfect addition to your home or school library. (The book is available in Spanish as Yo Puedo Hacer Cosas Difíciles: Afirmaciones Concientes Para Niños).

It's Ice Cream Time!

Describes some of the signs of winter, including changes in light and temperature, plants at rest, bare branches on trees, animals and birds responding to the cold and lack of food, and other differences, and suggests related activities.

I Can Do Hard Things

Two children sitting at home on a rainy day meet the cat in the hat who shows them some tricks and games.

We're Going on a Leaf Hunt

Spot believes he deserves to be in the zoo with the other amazing animals. In this Beginner Book edited by Dr. Seuss, Spot shows two young friends all the exciting things he can do with his spots. From changing their color and juggling them to moving them onto everything around him, you won't believe what Spot can do. Beginning readers will be delighted by Robert Lopshire's lively tale that proves there is a special spot for everyone. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

The Artful Parent

Pete the Cat loves his four groovy buttons... but can he keep singing without them? Pete the Cat is back in another rock'n'roll story about staying positive no matter what life throws at you.

Put Me in the Zoo

Mr. Brown is an expert at imitating all sorts of noises. There isn't a sound Mr. Brown can't do, from a hippo's gumchewing to a goldfish's kiss. The noisemakers are graphically illustrated and the "sound effects" are printed in big lettering.

Pete the Cat and his Four Groovy Buttons (Read Aloud)

A compilation of more than a dozen previously published Dr. Seuss books, plus essays by nine authors and other book lovers, including Audrey Geisel, widow of Dr. Seuss.

Mr. Brown Can Moo! Can You?

If you want a green kangaroo, a skateboard TV or a Jeep-a-Fly kite - just wait till the first of October. This delightful exercise in wish-fulfilment introduces children to the months of the year and the idea that they may not always get what they want! Ages 4-7 this title belongs to the highly acclaimed Beginner Book series developed by Dr. Seuss, in which the essential ingredients of rhyme, rhythm and repetition are combined with zany artwork and off-the-wall humour to create a range of books that will encourage even the most reluctant child to learn to read. Originally published under the pseudonym of theo. LeSieg, Please try to Remember the First of October is being rebranded with a stylish new cover design which reveals, for the first time, the true identity of the author - Dr. Seuss himself! Ages 4-7

Your Favorite Seuss

A New York Times Bestseller! A group of clever animals find an unusual but warm and furry home during Alaska's long winter in Jan Brett's newest snowy adventure. Cozy is the softest musk ox in Alaska, with the warmest fur you ever did feel. When a storm hits while he's separated from his family, he starts to feel lonely—but not for long. As the snow piles up, animals start to notice just how warm and cozy Cozy really is! One mama lemming has a bright idea . . . maybe the best place to spend the winter is under Cozy's fur! As more and more animals burrow in, Cozy adds to the house rules: quiet voices, gentle thumping, claws to yourself, no biting, and no pouncing. That seems easy enough . . . until the lemmings, snowshoe hare, snowy owl, arctic fox, and wolverine begin to bicker. Luckily, signs of spring soon appear, and that means Cozy can find his herd and his new friends can head to their summer homes. But not before promising to get cozy with Cozy next year! Jan Brett brings a new lovable character to life through this gorgeous tale of sharing, friendship, and living in harmony. Snuggle up with all of Jan Brett's snowy treasures: The Mitten, The Hat, The Snowy Nap, The Three Snow Bears , and The Trouble With Trolls.

Please Try to Remember the First of October

In a simple, cheerful conversation with nature, a young boy observes how the season changes from winter to spring in Kenard Pak's Goodbye Winter, Hello Spring. As days stretch longer, animals creep out from their warm dens, and green begins to grow again, everyone knows—spring is on its way! Join a boy and his dog as they explore nature and take a stroll through the countryside, greeting all the signs

of the coming season. In a series of conversations with everything from the melting brook to chirping birds, they say goodbye to winter and welcome the lushness of spring.

Cozy

Pete the cat builds rockets and embarks on a special mission to outer space, where he floats in extra-cool zero gravity.

Goodbye Winter, Hello Spring

It's About Time. to wake up. . . . to learn, to play, to read. . . . to cuddle up in the blankets and to dream. A twenty-four -- hour day is full of great things to do! Endearing illustrations depicting things kids do every day make this an easy introduction to the skill of telling time, perfect for very young readers.

Pete the Cat

It's Groundhog Day, and everyone is gathered to find out if it's time for spring. But Groundhog does NOT want to leave his cozy bed in his cozy den. Will the townspeople be able to coax him outside to do his job? Kids will love the humorous antics of Groundhog in this delightful rhyming tale from the author of Sleep, Big Bear, Sleep.

It's About Time!

Drew, who has a hard time remembering things, forgets to wear his pajamas to school on Pajama Day but still manages to make the best of the situation.

Grumpy Groundhog

Encourage young investigators to feel, listen, smell, taste, and see their way to discovery by seamlessly infusing math and science throughout the school day As you incorporate all five senses into learning experiences, you will give little innovators the opportunity to observe and explore the world around them. The activities in Hands-On Science and Math: Fun, Fascinating Activities for Young Children will help you plan engaging science, technology, engineering, and math (STEM) lessons that will excite children and foster their critical thinking. Children can experience the thrill of scientific inquiry through simple experiments: Launching Recycled Rockets Shake and Freeze: Homemade Ice Cream Look Out Volcano Erupting The Mystery of Suspensions Go, Car, Go Simple Machines and Inclined Planes Designed to work with easy-to-find materials, the Hands-On Science and Math activities are inexpensive and uncomplicated, yet they lay the groundwork for understanding more complex STEM concepts later on. Young Children

Kids will love this playful story of of a unique fall friendship between a girl . . . and her squash! On a trip to the farmers' market with her parents, Sophie chooses a squash, but instead of letting her mom cook it, she names it Bernice. From then on, Sophie brings Bernice everywhere, despite her parents' gentle warnings that Bernice will begin to rot. As winter nears, Sophie does start to notice changes.... What's a girl to do when the squash she loves is in trouble? The recipient of four starred reviews, an Ezra Jack Keats New Writer Honor, and a Charlotte Zolotow Honor, Sophie's Squash will be a fresh addition to any collection of autumn books.

Pajama Day

An easy reader about animals—real and imaginary—with illustrations by Dr. Seuss! Featuring a mix of real animals and Seussian creatures, this super-simple rhymed riff about animals is both a concept book AND a funny introduction to the world of Dr. Seuss. Illustrated with art from beloved Dr. Seuss books—including One Fish Two Fish Red Fish Blue Fish, Mr. Brown Can Moo! Can You?, and Dr. Seuss's ABC—it teaches beginning readers to identify animals in the world around them and ones only found in classic books by Dr. Seuss! Nurture a love of reading—and of Seussian creatures—with this great new concept book for beginning readers!

YC Young Children

Animals abound in Dr. Seuss's Caldecott Honor–winning picture book *If I Ran the Zoo*. Gerald McGrew imagines the myriad of animals he'd have in his very own zoo, and the adventures he'll have to go on in order to gather them all. Featuring everything from a lion with ten feet to a Fizza-ma-Wizza-ma-Dill, this is a classic Seussian crowd-pleaser. In fact, one of Gerald's creatures has even become a part of the language: the Nerd!

Hands-on Science and Math

A lesser-known collection of classic Dr. Seuss stories about humility, equality, and the power of imagination! This collection of three rhyming stories by Dr. Seuss features a whole litter of Cat in the Hat-like cats! In "I Can Lick 30 Tigers Today!" a boastful cat bites off more than he can chew in the shape of 30 tigers; in "King Louie Katz"--a tale about tails--a single cat challenges authority and creates a more "demo-catic" society; and in "The Glunk That Got Thunk," a cat thinks up something so wild, she needs to un-thunk it! Beautifully illustrated in ink and watercolor, this quirky collection of Seussian silliness will be a welcome gift to Dr. Seuss fans of all ages.

Firenze's Light

An engaging picture book for children that celebrates what it means to be American--regardless of politics. What does it mean to be American? Does it mean you like apple pie or fireworks? Not exactly. While politics seem to divide our country into the two opposing teams of red and blue, one truth remains: we are all Americans. But what does that mean? This continuation of the popular *What Does It Mean to Be...?* series provides a nonpartisan point of view perfect for any and all Americans who are proud of who they are--and where they come from, regardless of their political views. Other Titles in the *What Does It Mean to Be...?* Series: *What Does It Mean to Be Present?* *What Does It Mean to Be Global?* *What Does It Mean to Be Kind?*

Sophie's Squash

It's Splat's first day of school, and he's worried. What if he doesn't make any new friends? Nervous kitties wondering about friends and school will enjoy laughing along with Splat the Cat! Just in case, Splat decides to bring along his pet mouse, Seymour, and hides him in his lunchbox. The teacher, Mrs. Wimpydimple, introduces Splat to the class and he soon starts learning all his important cat lessons. But when Seymour escapes and the cats do what cats do (they chase mice!), Splat's worried again. Maybe now he'll lose all his friends, old and new! Just in time, wise Mrs. Wimpydimple takes charge and teaches everyone an important new lesson. Maybe Cat School is going to be okay after all! A fun school story to share in the classroom or at home.

Dr. Seuss's Book of Animals

A classic Dr. Seuss story about a boy who's a little different—now available in a larger size! Based on the 1951 Academy Award–winning animated cartoon written by Dr. Seuss, this sturdy hardcover edition of *Gerald McBoing Boing*—with vintage graphic-style illustrations by Mel Crawford—is now available in the same size as other large Seuss classics! Gerald is a small boy who speaks in BIG sounds instead of words. (Think “HONK!” “BOING BOING!” and “CLANG CLANG CLANG!”) Unhappy at home and in school, he feels alone in the world until he is discovered by the owner of a radio station in search of sound effects! An ideal choice for celebrating the quirks that make each of us unique, *Gerald* is a funny and lively read-aloud, perfect for sparking discussion. It's a great gift for birthdays, holidays, and happy occasions of all kinds!

If I Ran the Zoo

With his unique combination of hilarious stories, zany pictures and riotous rhymes, Dr. Seuss has been delighting young children and helping them learn to read over fifty years.
