We admitted we were powerless over our addiction that our lives had become unmanageable

Came to believe that a Power greater than ourselves could restore us to sanity

Made a decision to turn our will and our lives over to the care of God as we understood Him

Made a searching and fearless moral inventory of ourselves

Admitted to God, to ourselves and to another human being the exact nature of our wrongs

Were entirely ready to have God remove all these defects of character

Made a list of all persons we had harmed, and became willing to make amends to them all

Continued to take personal inventory and when we were wrong promptly admitted it
