Living History

This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. One of the most intelligent and influential women in America reflects on her eight years as First Lady of the United States in a revealing book - personal, political and newsmaking. During her husband's two administrations, Hillary Rodham Clinton redefined the position of First Lady. How this intensely private woman not only survived but prevailed is the dramatic tale of her book. Hillary Clinton shares the untold story of her White House years and recalls the challenging process by which she came to define herself as a wife, a mother, and a formidable politician in her own right. Mrs Clinton was the first First Lady who played a direct role in shaping domestic policy; she was an unofficial ambassador for human rights and democracy around the world; and she helped save the Presidency during the impeachment crisis.

Hillary Rodham Clinton

Covering all aspects of America's controversial former President's wife, this comprehensive biography offers an unprecedented view of our first baby boomer First Lady, and provides a better understanding of lawyer, board member, and commission member Hillary Clinton.

A Woman In Charge

A Woman in Charge reveals the true trajectory of Hillary's astonishing life and career. From a staunchly Republican household and apparently idyllic Midwestern girlhood - her disciplinarian father here revealed as harsher than she has acknowledged - we see the shaping of a brilliant girl whose curiosity was fuelled by the ferment of the 1960s and a desire to change the world. During her student years, she was already perceived as a spokeswoman for her generation. Then, at Yale Law School, she met and fell in love with Bill Clinton, cancelling her own dreams to tie her fortunes to his. Bernstein clarifies the often amazing dynamic of their marriage, charting both her political acumen and her blind spots,

and untangling her relationship to the great controversies of Whitewater, Troopergate and Travelgate. And then, in the emotional and political chaos of the Lewinsky affair we see Hillary standing by her husband - evoking a rising wave of sympathy from a public previously cool to her and in effect, Bernstein argues, saving his presidency. It helps carry her into the Senate: her time has come. As she decides to run for President, this self-described 'mind-conservative and heart liberal' has one more chance to fulfill her long-deferred ambitions. Bernstein has interviewed some 200 of her colleagues, friends and enemies and was given unique access to the candid record of the 1992 presidential campaign kept by Hillary's best friend, Diane Blair. Marshalling all the skills and energy that propelled his history-making Pulitzer prize-winning coverage of Watergate, he gives us a detailed, sophisticated, comprehensive and revealing account of the complex human being and political meteor who has already helped define one presidency and may well become the woman in charge of another.

Hillary

First . . . student commencement speaker at Wellesley First . . . woman to become full partner at Rose Law Firm First . . . Lady of the United States First . . . First Lady to hold a postgraduate degree First . . . First Lady to win a Grammy Award First . . . elected female Senator of New York First . . . woman to be a presidential candidate in every primary in every state First . . . First Lady to seek the presidency "Always aim high, work hard, and care deeply about what you believe in. . . . And, when you're knocked down, get right back up and never listen to anyone who says you can't or shouldn't go on." -Hillary Rodham Clinton As a young girl growing up in the fifties, Hillary Diane Rodham had an unusual upbringing for the time her parents told her, "You can do or be whatever you choose, as long as you're willing to work for it." Hillary took those words and ran. Whether it was campaigning at the age of thirteen in the 1964 presidential election, receiving a standing ovation and being featured in LIFE magazine as the first student commencement speaker at Wellesley, or graduating from Yale Law School-she was always one to stand out from the pack. And that was only the beginning. Today, we have seen Hillary in many roles. From First Lady of the United States to the first female Senator of New York and most recently as the United States Secretary of State. An activist all her life, she has been devoted to health care reform, child care, and women's rights, among others. And she's still not done. Critically acclaimed author Karen Blumenthal gives us a sharp and intimate look at the life of Hillary Rodham Clinton, American politics, and what the future holds in store. Illustrated throughout with black and white photographs, this is the must-have biography on a woman who has always known her public responsibility, who continues to push boundaries, and who isn't afraid to stand up for what she believes in.

Hillary Clinton

"Updated through the 2016 Presidential Election."--Cover.

Hillary Rodham Clinton

A biography of Hillary Rodham Clinton-- former first lady and Yale Law graduate, senator from New York and former contender for the Democratic nomination for president.

Hillary Rodham Clinton

Is Hillary Clinton a true leader or just another corrupted politician? Is she going to be a great President of the United State, or this is another politician "all talk, no action?" What you'll learn here is not just about her life and accomplishments, but also about the way she does things and the motivation behind it. She believes in HARD CHOICES and indeed this is what most of us have to do in order to see a better future. People make mistakes, that's for sure. What's more important than that is the ability to acknowledge those mistakes and learning from them. This is what Hillary's all about. It's time to learn the "ugly truth." Grab your copy now!

Hillary Clinton's Biography: The Ugly Truth

Influential lawyer, first lady of Arkansas and then the United States, senator for New York, and U.S. secretary of state—Hillary Clinton has been an influential figure in American politics for over three decades. This biography aimed at the lower elementary market presents Hillary's achievements and policies in a simple, easy-to-grasp manner. If her history proves anything, she'll remain a key political figure in the years to come. Hillary Clinton just released her memoir *Hard Choices*, and many consider her to be the frontrunner for the 2016 Democratic presidential nomination—making a biography that explains her platform to lower elementary readers key in the coming years.

Hillary Clinton

As a young girl, Hillary Diane Rodham's parents told her she could be whatever she wanted--as long as she was willing to work for it. Hillary took those words and ran. In a life on the front row of modern American history, she has always stood out--whether she was a teen campaigning for the 1964 Republican presidential candidate, winning recognition in *Life* magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In *Hillary Rodham Clinton: A Woman Living History*, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (*Tommy: The Gun That Changed America*) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant." —Publishers Weekly, starred review

Hillary Rodham Clinton

Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Hillary Clinton: Groundbreaking Politician

HILLARY CLINTON: The Almost President - A Biography of Hillary Clinton For the better part of three decades, Hillary Clinton has been a name to take heed of. Initially, the people of the United States knew her as the sharp, attractive wife of sharp, attractive Bill Clinton as he ran for president in 1992. We all remember her as the embattled first lady when she became the center of one of the United State's worst presidential scandals. But, that's not the full view available when it comes to Hillary Clinton. There is so much to unpack and digest--it feels silly that the world-at-large sees her as this stock figure. In reality, she is very much like the rest of us. She has flaws, misgivings, and deceits. However, she may be one of the most powerful women of all time. You could say the rest of it just comes with the job. In 2008, when she ran for president opposite Barack Obama, she gathered the most votes for a woman in a primary...ever. Clinton, as we all know, lost that battle to the eventual two-term president. However, she took on the prestigious role of Secretary of State and served honorably for many years. Fresh in the minds of everyone, however, must be the 2016 election. This time, Clinton came into the race as an undisputed front-runner. She was eventually opposed by Bernie Sanders in one of the more divisive primary cycles to date for the Democrats. However, by the time Summer 2016 rolled around, she had become the first woman to ever be nominated to run for president by a major American political party (read: Republicans or Democrats). However, she lost the scandal-plagued presidential election to a very unpopular presidential candidate and she has now decided to become simply, "an activist citizen". Hers is a tale of democracy, triumph, and plenty of tragedy. However, there are lessons to be learned at every turn. No one has looked so squarely into the maw of politics and been turned away quite so extravagantly--save, maybe, the inimitable William Jennings Bryan. But, with any good politician (or bad, if you so choose) the best way to really surmise their impact is to look at their record before it became obscured by black limos and secret service members. This biography looks at the life, career and times of Hillary Clinton, America's Almost-President, to uncover the driving forces that make here nonetheless one of the most important icons of the 21st century.

Hillary Clinton

This nonfiction reader provides an engaging reading experience that will keep students interested from beginning to end. This intriguing biography describes the fascinating life of Hillary Rodham Clinton. With vibrant photos and images and intriguing facts, this text covers Clinton's early life and the influences that lead her to a career in public service and politics. Readers will learn about her role as one of the most influential First Ladies of all time and as Secretary of State. This book also covers Clinton's attempts at becoming the first female President of the United States and includes a helpful glossary and index.

Hillary Clinton: Shattering the Glass Ceiling

An inspiring and meticulously researched middle grade biography of Hillary Rodham Clinton—First Lady, senator, secretary of state, and the first female presidential nominee in United States history. Hillary Rodham Clinton is a true leader. Growing up in Park Ridge, Illinois, Hillary was inspired by the philosophy of John Wesley, who urged his followers to "do all the good you can." Rising to prominence in 1992 as the First Lady of the United States, Hillary captured the world's attention with her bold ideas and political forcefulness. From her time at Wellesley to her life at the White House and beyond, Hillary has been at the forefront of huge change—and despite setbacks and political scandals, she has worked for good in the world. Acclaimed author Cynthia Levinson creates a compelling and personal portrait of Hillary's historic journey from her childhood to her service as secretary of state and beyond. Includes a timeline of Hillary Rodham Clinton's life and a photo insert. "This extensively researched and comprehensive biography tells us more of the woman who is that public figure, from some of her inspirations (like Dr. Martin Luther King, Jr. and the Birmingham protests) and the impact of her religious faith on her commitment to service" (Brightly.com).

Hillary Rodham Clinton: Do All the Good You Can

Biography of First Lady Hillary Rodham Clinton from her childhood to the White House.

Hillary Rodham Clinton

Follow Hillary Clinton's inspiring life of service in this Step 3 Biography Reader! After volunteering as a young child, she became a leader in school and college, championed women's and children's causes as a young lawyer and wife of a politician, and finally became a politician herself. She has been our First Lady, a U.S. senator, the secretary of state, and the first woman candidate nominated for President of the United States by the Democratic Party. Hillary Clinton has achieved so many "firsts" in her life, and she remains a "citizen activist" following the 2016 election. Hillary Clinton: The Life of a Leader

University Press returns with another short and captivating portrait of one of history's most compelling figures, Hillary Clinton. Hillary Clinton is one of the most recognized figures in America. She rose from humble beginnings in Chicago to become a First Lady, senator, Secretary of State, and now, presidential candidate. Clinton is no stranger to scandal. She has made mistakes - many of them public. But she is resilient, tenacious, and smart. Public opinion is strongly divided: her supporters adore her; her detractors abhor her. One thing is certain: The world can't ignore her. This short book tells the intensely human story of a woman who is changing the world in a way that no one else can.

Hillary Clinton Book

Who Is Hillary Clinton? Readers of our New York Times best-selling series can find out now! At age fourteen, Hillary Clinton thought it would be thrilling to become an astronaut, so she sent an application to NASA. The reply was a flat out rejection: the space program didn't take women. It was a critical moment for the young girl, one that made her realize the world she lived in needed changing and that she had better try to make those changes happen. Clinton's life has been a thrilling series of firsts—First Lady of the US, then first First Lady to become a US Senator, Secretary of State, and the first woman to run as the Democratic candidate for President. This easy-to-read biography gives readers a firm grounding not only in Clinton's life history but the history of the times in which she's lived. It comes out as she makes her historic run for the White House.

Who Is Hillary Clinton?

For most first ladies, their years in the White House are their sole claim to fame. For one—Hillary Rodham Clinton—that tenure was just another step in a remarkable political career. Neither a "hit job" nor a facile tribute, Gil Troy's lively and refreshingly nonsensational new book provides a revealing look at arguably the most polarizing First Lady in history and undoubtedly the most prominent American woman of our time. Troy, named by History News Network one of America's Top 15 Young Historians, measures Clinton's historical footprint, tracing her activities during the turbulent decade that brought her to national prominence and examining her influence as a key player in her husband's administration. Covering her attempts to overhaul health care and redefine the first lady as co-president while she tried to cope with her husband's scandals and impeachment, he recounts how Hillary's rocky road had a mixed impact on the office, even as her ambitions illuminated the role's potential. As the first feminist first lady, Hillary Clinton faced dilemmas typical of modern American women as she tried to be both a family-oriented, devoted wife and a career-focused, independent woman. Troy shows how she did her best to navigate this divide and breaks new ground in taking her seriously as a thinker. Delving into Hillary's speeches and writings, he uncovers a surprisingly more moderate, even conservative worldview. In fact, he finds some of her positions—such as her outspoken views on abortion—to be authentic expressions of a genuine Puritan/Methodist centrism rather than a mere political ploy. Offering a mix of praise and censure that elevates to a more sophisticated level debates about her controversial career and presidential aspirations, Troy's book will enlighten and intrigue Hillary's passionate critics and staunch defenders alike. It will renew discussions of where she stands in the continuum of modern first ladies—and of where history will ultimately take her. Many of the book's key themes are effectively underscored by an entertainingly narrated photo essay, with provocative images drawn from the Clinton Presidential Library.

Hillary Rodham Clinton

An integral player in American politics for the last three decades, Hillary Clinton has taken on a multitude of roles at the highest levels of government. She has been the First Lady of Arkansas and the First Lady of the United States, a Senator for the state of New York, and the third woman to be appointed Secretary of State. This captivating book provides a balanced biography of Hillary Clinton. Chapters include her childhood, meeting Bill Clinton, her move from the statehouse to White House, her struggle to carve her own space in politics, the 2008 presidential campaign, and her time as Secretary of State.

Hillary Clinton

An analysis of Hillary Clinton's efforts to adapt her public image to render her a desirable presidential candidate describes how perceptions about her have changed, in a profile that considers her eligibility and potential for the presidency.

Extreme Makeover of Hillary (Rodham) Clinton

University Press returns with another short and captivating portrait of one of history's most compelling figures, Hillary Clinton. Hillary Clinton is one of the most recognized figures in America. She rose from humble beginnings in Chicago to become a First Lady, senator, Secretary of State, and now, presidential candidate. Clinton is no stranger to scandal. She has made mistakes - many of them public. But she is resilient, tenacious, and smart. Public opinion is strongly divided: her supporters adore her; her detractors abhor her. One thing is certain: The world can't ignore her. This short book tells the intensely human story of a woman who is changing the world in a way that no one else can.

Hillary Clinton

The truth about the most important woman in America In Her Way, two Pulitzer Prize-winning New York Times investigative journalists deliver: Previously undisclosed details about the Clinton's multi-decade plan for power including 8 years in the White House for Bill and 8 years for Hillary. Never-before-revealed information about Hillary's involvement in her husband's campaigns - including cover-ups and the truth about Bill's draft record. New details regarding Hillary's rivalry with Al Gore - and why it is likely to heat up. Provocative new information about Hillary's vote to authorize the Iraq War, and the steps she has taken to distance herself from that vote. Revelations about Bill Clinton's role in Hillary's campaign and his surprising opinion of Barack Obama New details of Hillary's failure to adhere to Senate ethics rules, and what this says about her political empire She is one of the most influential and recognizable figures in our country, and perhaps the single most divisive individual in our political landscape. She has been the subject of both hagiography and vitriolic smear jobs. But although dozens of books have been written about her, none of them have come close to uncovering the real Hillary -- personal, political, in all her complications. Now, as she make her historic run for the presidency, Pulitzer Prize-winning New York Times reporters Jeff Gerth and Don Van Natta Jr. bring us the first comprehensive and balanced portrait of the most important woman in American politics. Drawing upon myriad new sources and previously undisclosed documents, Her Way shows us how, like many women of her generation, Hillary Rodham Clinton tempered a youthful idealism with the realities of corporate America and big-league politics. It takes readers from the dorm rooms at Wellesley to the courthouses of Arkansas and Washington; to the White House and role as First Lady like none other; inside the back rooms of the Senate, where she expertly navigates the political and legislative shoals; to her \$4 million mansion in Washington, where she presides over an unparalleled fundraising machine; and to her war room, from which she orchestrates ferocious attacks against her critics. Throughout her career, she has been alternately helped and hindered by her marriage to Bill Clinton. Her Way unravels the mysteries of their political partnership -- one of the most powerful and enigmatic in American history. It also explains why Hillary is such a polarizing figure. And more than any other book, it reveals what her ultimate hopes and ambitions are -- for herself and for America.

Her Way

For the first time, a highly education, independent career woman stands at the President's side. This book describes the significant events, forces, and people who shaped her life from her childhood to the present and discusses the influence she will have in national decisions and policies.

Hillary

HILLARY RODHAM CLINTON'S INSIDE ACCOUNT OF THE CRISES, CHOICES AND CHALLENGES SHE FACED DURING HER FOUR YEARS AS AMERICA'S 67TH SECRETARY OF STATE, AND HOW THOSE EXPERIENCES DRIVE HER VIEW OF THE FUTURE, INCLUDING A NEW EPILOGUE. 'All of us face hard choices in our lives,' Hillary Rodham Clinton writes at the start of this personal chronicle of years at the centre of world events. 'Life is about making such choices. Our choices and how we handle them shape the people we become.' In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her formal rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, travelled nearly one million miles and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of girls, youth and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer readers a masterclass in international relations, as does her analysis of how we can best use 'smart power' to deliver security and prosperity in a rapidly changing world - one in which America remains the indispensable nation.

Hard Choices

Hillary Rodham Clinton made history when she was elected to the U.S. Senate for the state of New York, becoming the first U.S. First Lady to be elected to a national political office. She has been a key figure in U.S. politics since her husband, Bill Clinton, was elected president in 1992. One of the most politically active First Ladies in U.S. history, she used her position to fight for the interests of children and poor families. Intelligent, hard working, and outspoken, Clinton holds some controversial views that have won her many admirers as well as many critics. This profile follows the life and career of one of the country's best-known political figures. Book jacket.

Hillary Rodham Clinton

This single-volume resource for students and general audience readers provides an in-depth overview of the life experiences, influences, and personal views of Hillary Clinton from her childhood in 1950s suburban Chicago to her presidential run in 2016. While numerous volumes have been written about Hillary Clinton, many authors have devoted entire books to just one aspect of Clinton's public or private life. Yet few, if any, single volumes have provided a comprehensive look at her life in public service from an objective, scholarly viewpoint. Designed both for students doing research and general readers wanting to know more about Clinton's life and career, this book not only offers an overview of her education, family, career, and political views, but also provides historical context to her choices, accomplishments, and defeats. The volume's chapters present a chronological telling of her life story thus far including key experiences, influences, and the development of her political views. The volume also includes photographs and short sidebars, which help to tie Clinton's personal experiences to the contemporaneous culture of the nation. A lengthy bibliography provides assistance to readers interested in further research or reading.

Hillary Clinton

This book will also help to dissect what the future might hold for Hillary, whether she chooses to run for office again or decides to remain a private citizen and devote her time to lecturing, teaching, and philanthropy.

TIME Hillary

Hillary Clinton is a comprehensive biography that explores the extraordinary journey of one of the most influential and controversial figures in modern American politics. From her early years in Illinois to her historic run for the presidency, this book provides an in-depth look at the life and career of Hillary Clinton. Born on October 26, 1947, Hillary Diane Rodham Clinton has been a prominent figure in American politics for decades. As a member of the Democratic Party, she served as the United States Secretary of State under President Barack Obama from 2009 to 2013, representing the nation on the global stage and making significant contributions to foreign policy and diplomacy. Clinton's political career began as the First Lady of Arkansas, where she championed causes such as healthcare reform and children's rights. Her tenure as the First Lady of the United States from 1993 to 2001 saw her play an active role in shaping policy and advocating for gender equality. Her efforts to pass comprehensive healthcare reform faced challenges, but she persevered and continued to fight for the well-being of children and families. In 2000, Clinton made history as she became the first woman elected as a senator from New York. Her time in the Senate showcased her dedication to issues such as healthcare, education, and support for first responders affected by the September 11 attacks. However, her support for the authorization of the Iraq War and her subsequent opposition to the troop surge in 2007 drew both praise and criticism. The book also delves into Clinton's groundbreaking presidential campaigns, particularly her historic nomination as the first female candidate for a major U.S. political party in the 2016 election. Despite winning the popular vote, she ultimately faced a defeat in the Electoral College to Donald Trump. The aftermath of the election and her reflections on the experience are explored, shedding light on her resilience and determination. Written with meticulous research and balanced analysis, this book offers readers a comprehensive understanding of a complex and influential figure in American politics. It explores her achievements, challenges, and the controversies that have surrounded her career. This book is essential reading for those interested in the story of Hillary Clinton and her impact on the political landscape of the United States.

Hillary Clinton: The Biography of a First Lady Facing Hard Choices, and what Happened to Her Campaign and America

Una de las mujeres más conocidas en la política de los Estados Unidos, nos cuenta bajo su propia escritura, parte de su historia personal. Comienza contándonos su historia enfocándose en el lugar donde nació y pasó la mayor parte de su infancia, hasta llegar a la universidad, donde se transformó en activista republicana. Luego de casarse con Bill Clinton, se convirtió en primera dama de su país. Esta mujer nos va mostrando las vivencias en los distintos contextos históricos que le tocó vivir, habla de su familia, de su relación por más de treinta años con el ex presidente de la república y no pasa por alto los malos momentos que ha tenido que soportar por ser una de las figuras públicas más importantes de la historia actual de Norteamérica.

HISTORIA VIVA

Veteran newspaperman and author George Carpozi holds that Bill Clinton lusted after the presidency at an early age. Every move he made seemed to be part of a cunning strategy to attain his ultimate tenancy of the White House. This is an astonishingly frank analysis of our 42nd president and his wife. Photos.

Clinton Confidential

Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography Living History. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.

The Truth About Hillary

This book introduces young readers to the life of Hillary Clinton, beginning with her childhood outside of Chicago, Illinois, and her years at Wellesley College and Yale Law School. Readers will become familiar with her determination as they learn about her career as a lawyer, her service on the Richard Nixon impeachment inquiry committee, her marriage to Bill Clinton, and her life in Arkansas. Details of Mrs. Clinton's time as First Lady, including her advocacy for children and healthcare, as well as her current term as New York senator and candidate for the 2008 presidential election are also discussed. Informative sidebars and full-color photos accompany easy-to-read, engaging text. Includes timeline, fun facts, index, and glossary.

Hillary Rodham Clinton

A biography of Hillary Rodham Clinton which focuses on her childhood, education, work as a lawyer, and involvement in her husband's political career.

Hillary Rodham Clinton

HER WAY has already sent shockwaves through the election season, influencing the decisions of voters, providing pundits with tons of ammunition, and forcing Hillary Clinton's camp to answer some difficult question. The first truly balanced investigation into her life and career, Jeff Gerth and Don Van Natta Jr.'s masterful biography takes readers from the dorm rooms at Wellesley to the courthouses of Arkansas and Washington; to the White House and role as First Lady like none other; inside the back rooms of the Senate, where she expertly navigates the political and legislative shoals; to her multimillion-dollar mansion in Washington, where she presides over an unparalleled fundraising machine; and to her war room, from which she orchestrates ferocious attacks on her critics. Now in paperback, HER WAY features an incisive and illuminating new afterword that sheds light on the aftermath of Senator Clinton's historic run.

Her Way
