George Bailey, The President of Sleep Talker Joins Us!

About the company that Made Zpods

Details about the Zpods

How do you get into the sleep pod

is there a window that's there or is there a mirror?

how big is the mattress? Does the top come off? How do you change the sheets?

So my question is what happens when they get older and they are so used to sleeping in the bed and something changes? Something happens where they can't have the bed any longer? My son JUST started trying to sleep in his closet. I had to add a lock to his door.

Any possibility of this in Philadelphia?

How much does it weigh? Is it a hard thing to ship?

Are you going to be at any trade shows where people can get in and try it?

Were you named after George Bailey from it's a wonderful life?
