Invigilating exams - Invigilating exams by Cambridge International Education 19,937 views 2 years ago 3 minutes, 49 seconds - A short video for Cambridge **Exams**, Officers to help you invigilate **exams**, in your school.

Invigilators are the people in the exam room responsible for the conduct of an exam.

In this video we will cover some of the rules and regulations related to invigilation.

More information on invigilator requirements can be found in section 4.6 of the Cambridge Handbook

Invigilators must supervise the candidates throughout the

They should give their full attention to the candidates and move around the room rather than standing at the front

They should look out for any signs of malpractice or for candidates looking unwell.

Invigilators should respond as quickly as possible if a candidate raises their hand for help.

Remember, invigilators can only answer questions about information on the front of the paper.

If the candidate needs to leave the room temporarily, they must be accompanied by an invigilator.

Remember there must be enough invigilators left remaining in the room to supervise the other candidates.

If a candidate leaves the room, without intending to come back

make sure they are kept under Full Centre Supervision until the Key Time has passed

and that you collect their question paper and answer script.

Invigilators must understand our regulations for Key Times and Full Centre Supervision

Candidates need to be either in the exam or under Full Centre Supervision at the Key Time

If calculators are allowed in the exam, invigilators should check a sample of the candidates' calculators

before the start of the exam to make sure they comply with our regulations in section 5 of the Cambridge Handbook

Calculator cases are not allowed in the exam room.

Invigilators should look to prevent malpractice. Malpractice is any action that breaks our regulations

Malpractice can happen before, during and after timetabled exams or other assessments.

Invigilators must immediately report any suspected malpractice to the exams officer.

All cases of suspected malpractice must be reported to Cambridge International

Candidates may be eligible for special consideration if they are affected by unexpected or adverse circumstances
