One often sees job postings for an IT consultant. What do they actually do? Is it the same as IT support or something else?

If one has already passed the A+ exam, when it expires is it recommended to renew it?

How does renewal exams compare to initial exams?

How far apart should one take the 1102 exam after completing the 1101 exam?

Is there a limit to how many times CompTIA accepts a certain CEU?

If one is planning on studying for the Security+, with the 601 version expiring in July, would you recommend waiting to study the 701 or is the information similar enough?

If one is feeling scared to schedule the CompTIA A+ exam, what would you say are the best steps to take to feel more confidently prepared and ready?

Do you have any suggestions on how to help differentiate tasks a Power Shell script might be used for versus a Batch script?

If one recently completed the CompTIA A+ and have about two years of software development skills, is this enough to land a job as a Help desk tech?
