The Amish Journey Novels

All three novels from bestselling author Beth Wiseman's Amish Journey series together in one collection. Hearts in Harmony Musical prodigy Levi Shetler hasn't touched a piano since he secretly played one many years ago. His strict Amish community forbids instruments or the singing of any music not in their approved songbook. One person knows Levi's talents: Mary Hershberger, the girl who promised years ago to keep his secret. Mary comes from a more liberal district than Levi, and they realize that, despite their differences, they have a shared love of music—and a shared confusion about whether their talents are God-given gifts or temptations luring them into the Englisch world. Both Mary and Levi will need to reconcile what they love with what their hearts say is right. Listening to Love Englisher Natalie Collins looks forward to Friday night suppers at Levi and Mary Shetler's house every week: delicious food, wonderful conversation with her Amish friends, and, best of all, the presence of Levi's older brother Lucas. Natalie and Lucas have become best friends despite their different backgrounds. They share a love of books, and he is teaching her about God in a way she can understand. But the closer they become, the more opinions everyone seems to have. Why can't everyone understand that it's possible to just be friends? When a terrifying accident happens, Natalie and Lucas are forced to confront their true feelings and decide if they can stay true to themselves and each other. A Beautiful Arrangement Lydia still can't believe that she is Mrs. Samuel Bontrager. Or that she is seventeen with a six-month-old daughter. Just as Samuel thinks Lydia might be softening to him, she gets involved in investigating the mysterious past of a local homeless woman—a curiosity that threatens to drive the couple further apart.
