Anno Dracula 1899 and Other Stories

A collection of horror short stories by acclaimed author, journalist and movie-critic Kim Newman. This volume contains twenty-one stories featuring famous figures from Edgar Allan Poe to Frankenstein's monster, and includes a brand-new, exclusive Anno Dracula story 'Yokai Town: Anno Dracula 1899'.

Dracula

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

Anno Dracula

It is 1888 and Queen Victoria has remarried, taking as her new consort Vlad Tepes, the Wallachian Prince infamously known as Count Dracula. Peppered with familiar characters from Victorian history and fiction, the novel tells the story of vampire Geneviève Dieudonné and Charles Beauregard of the Diogenes Club as they strive to solve the mystery of the Ripper murders. Anno Dracula is a rich and panoramic tale, combining horror, politics, mystery and romance to create a unique and compelling alternate history. Acclaimed novelist Kim Newman explores the darkest depths of a reinvented Victorian London. This brand-new edition of the bestselling novel contains unique bonus material, including a new afterword from Kim Newman, annotations, articles and alternate endings to the original novel.

Anno Dracula 1999: Daikaiju

The new novel in the acclaimed alternate history vampire series from Kim Newman. "Compulsory reading... glorious" – Neil Gaiman on Anno Dracula THE NEW MILLENNIUM... Vampire princess Christina Light is throwing a New Year's Eve party in Daikaiju Plaza – a building in the shape of a giant mechanical dragon – in Tokyo, attended by world leaders of technology, finance and culture. But the party is crashed by less enlightened souls. The distinguished guests are held hostage by yakuza assassins and Transylvanian mercenaries. And vampire schoolgirl Nezumi – sword-wielding agent of the Diogenes Club – finds herself alone, pitted against the world's deadliest creatures. Thrown out of the party, she must fight her way back up through a building that seems designed to destroy her in a thousand ways. Can Nezumi survive past midnight?

The Bloody Red Baron

It is 1918 and Graf von Dracula is commander-in-chief of the armies of Germany and Austria-Hungary. The war of the great powers in Europe is also a war between the living and the dead. Caught up in the conflict, Charles Beauregard, an old enemy of Dracula, his protégé Edwin Winthrop, and intrepid vampire reporter Kate Reed go head-to-head with the lethal vampire flying machine that is the Bloody Red Baron... In the brand-new novella Vampire Romance, Genevieve Dieudonne, newly returned to England, infiltrates a singular vampire gathering in the service of the Diogenes Club.

Anno Dracula - Dracula Cha Cha Cha

LA DOLCE MORTE Rome 1959 and Count Dracula is about to marry the Moldavian Princess Asa Vajda. Journalist Kate Reed flies into the city to visit the ailing Charles Beauregard and his vampire companion Geneviève. Along with the undead British secret agent Bond, Kate is swiftly caught up in the mystery of the Crimson Executioner, who is bloodily dispatching vampire elders in the city. Also includes the brand-new novella Aquarius. Back in London, two party girls are found murdered, virtually drained of their blood. Kate Reed investigates, and finds herself face to face with an old enemy.

Something More than Night

Anno Dracula author Kim Newman reimagines the lives of Raymond Chandler and Boris Karloff with his signature wit in this gripping and horrifying tale of late 1930s Hollywood. Raymond Chandler writes detective stories for pulp magazines, and drinks more than he should. Boris Karloff plays monsters in the movies, and is a genial, cricket-playing member of the British film colony on the shores of the Pacific. Both understand that these streets are dark with something more than night. Together, these English public school men in exile investigate mysterious matters in a town run by human and inhuman monsters. Under Home House, the mock gothic mock mansion of a film mogul, is a mad science dungeon just like in the movies – where an experiment has gone dangerously wrong, or even more dangerously right. Fiery death spills onto Sunset Boulevard. Joh Devlin, an investigator for the District Attorney's office who scores high on insubordination, and Laurel Ives, a woman with as many lives as a cat and names to match, barely escape Home House. Fired by the DA, Devlin enlists Ray and Billy – Raymond Chandler and William Pratt (Boris Karloff) – to work the case, which threatens to expose Hollywood's most horrific secrets. These people will find out more than they should about the way this town works. And about each other. And, oh yes, monsters aren't just for the movies

Dracula of Transylvania

History bleeds evil. 1899 Transylvania bleeds of history and evil. Young Solicitor Jonathan Harker braves ghosts, demons, living skeletons, and armies of rats, as he encounters Dracula of Transylvania, the Son of Satan. The demonic, shapeshifting vampire imposes his wrath, malice, and vengeance upon an England about to enter the Modern Era, crushing everything in his path. Dracula of Transylvania is a fresh, bold retelling of the classic Stoker dark fairy tale with the pulse-pounding pace of the modern thriller. It is a gripping new softcover novel lavished with incredible concept art from one of Hollywood's leading Conceptual Designers, Ricardo Delgado. Murder among English tombstones! Daring chases through the infamous underground Paris Ossuaries! A spectacular gladiatorial battle within Rome's Colosseum during the Witching Hour! All this topped by a fever-pitch chase through Europe to the most terrifying place on earth: Castle Dracula. Dracula of Transylvania is The Exorcist meets Peter Jackson's The Lord of the Rings, in a sprawling yet haunting adventure with the air of the Victorian Era Ghost story. It is a powerful, unrelenting, and fascinating new vision of one of literature's most feared characters. This edition is footnoted throughout with historical facts from the Ancient to the Modern World.

Rogue Touch

"An interesting take on Rogue, as her powers take her down a path I never would have imagined."
--Chris Claremont, author of Dragon Moon and writer for seventeen years of Uncanny X-Men
Twenty-year-old Anna Marie was just fired for the third time--this time from a bakery. Why can't she hold a job? Well, for starters, she dresses . . . differently. She looks like a Goth girl to the extreme, her shock of white hair contrasting with her head-to-toe black garb, her face the only skin she chooses to reveal. But Anna Marie doesn't have a choice. Her skin, her touch, is a deadly weapon that must be concealed. She accidentally put her first boyfriend, Cody, in a coma when they kissed. Horrified, she ran away to Jackson, Mississippi, where she's been living alone in a cramped apartment and scraping by on food stamps. Then she meets otherworldly James and everything changes. He's just like her--completely alone and also on the run. To elude James's mysterious and dangerous family, the pair takes to the highway. As they cross the country, their simmering attraction intensifies and they both open up about their secretive pasts. James reveals that his true name is Touch and he christens Anna Marie Rogue. But with danger at their heels, they know they can't run forever. Rogue must decide if she'll unleash her devastating powers once again, which she swore never to do, in order to save the only person who seems truly to understand and accept her. "A lost chapter from Rogue's past, told with elegance and

conviction and attention to detail. Really entertaining." --Mike Carey, author of the Felix Castor novels and writer of X-Men: Legacy

Heart of Darkness and Other Tales

HEART OF DARKNESS * AN OUTPOST OF PROGRESS * KARAIN * YOUTH The finest of all Conrad's tales, 'Heart of Darkness' is set in an atmosphere of mystery and menace, and tells of Marlow's perilous journey up the Congo River to relieve his employer's agent, the renowned and formidable Mr Kurtz. What he sees on his journey, and his eventual encounter with Kurtz, horrify and perplex him, and call into question the very bases of civilization and human nature. Endlessly reinterpreted by critics and adapted for film, radio, and television, the story shows Conrad at his most intense and sophisticated. The other three tales in this volume depict corruption and obsession, and question racial assumptions. Set in the exotic surroundings of Africa, Malaysia, and the east, they variously appraise the glamour, folly, and rapacity of imperial adventure. This revised edition uses the English first edition texts and has a new chronology and bibliography. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Life's Lottery

"As rich and as revealing as you care to make it." Time Out At six years old you're asked to make a choice, the first of many in a multitude of possible lives. If you make the right decision, you may live a long happy life, or be immensely powerful, or win the lottery. If you take the wrong path, you may become a murderer, die young, make every mistake possible, or make no impression on life at all. The choice is yours. And by making the choices you do, you will change forever the lives of your family, your friends, your enemies, and your lovers. You can even change the fate of the world; all you have to do is choose... An adult role-playing novel where small decisions have monumental consequences.

The Man From the Diogenes Club

CAN'T ELIMINATE THE IMPOSSIBLE? Send for the man from the Diogenes Club! The debonair psychic investigator Richard Jeperson is the Most Valued Member of the Diogenes Club, the least-known and most essential branch of British Intelligence. While foiling the plot of many a maniacal mastermind, he is chased by sentient snowmen and Nazi zombies, investigates an unearthly murderer stalking the sex shops of 1970s Soho, and battles a poltergeist to prevent it triggering nuclear Armageddon. But as a new century dawns, can he save the ailing Diogenes Club itself from a force more diabolical still? Newman's ten mischievous tales, with cameos from the much-loved characters of the Anno Dracula universe, will entertain fans and newcomers alike.

Video Dungeon

Ripped from the pages of Empire magazine, the first collection of film critic, film historian and novelist Kim Newman's reviews of the best and worst B movies. Some of the cheapest, trashiest, goriest and, occasionally, unexpectedly good films from the past 25 years are here, torn apart and stitched back together again in Kim's unique style. Everything you want to know about DTV hell is here. Enter if you dare.

The Film Book

Story of cinema -- How movies are made -- Movie genres -- World cinema -- A-Z directors -- Must-see movies.

Dead Travel Fast

Ten tales of the ghastly and the macabre by award-winning author Kim Newman (Anno Dracula, Bloody Red Baron). Stories include: A Drug on the Market, Tomorrow Town, The Original Dr Shade, Famous Monsters, and Organ Donors.

The History of Science Fiction

The History of Science Fiction traces the origin and development of science fiction from Ancient Greece up to the present day. The author is both an academic literary critic and acclaimed creative writer of the genre. Written in lively, accessible prose it is specifically designed to bridge the worlds of academic criticism and SF fandom.

Powers of Darkness

An English translation of a recently discovered Icelandic adaptation of Bram Stoker's classic novel "Dracula" includes new characters, a re-worked plot, and annotations that provide literary, cultural, and historical context.

Anno Dracula: Johnny Alucard

Transylvania 1976 and the vampire Kate Reed is on the set of Francis Ford Coppola's troubled production of Dracula. Fallen from grace and driven from the British Empire, the Count himself seems long gone. A relic of the past. But when Kate helps a young vampire outcast begin a new life in America, a fresh monster is born. He reinvents himself as Johnny Pop and makes his name selling a dangerously addictive drug that confers vampire powers on its users. As Johnny stalks the streets of Manhattan and Hollywood, sinking his fangs ever deeper into the zeitgeist of 1980s America, it seems the past might not be dead after all...

Dracula Cha Cha Cha

Rome 1959. Along the Via Veneto, the living and the dead enjoy la dolce vita, as the vampires, intellectuals, conspirators, jet-setters and swindlers of Europe gather in an endless round of indulgence and gaiety, dancing giddily to the music of the Dracula Cha Cha Cha. The Vampire King, in Italian exile, is to be married to a Moldavian princess, and rumours circulate that his wedding will be the first move in a campaign to return him to his position as Lord of the Undead and a power in the world. In the eternal city, three corpses in the Fontana di Trevi lead three vampire women towards the destinies of their hearts. A flamboyant murderer stalks the elder vampires of the city, perhaps intent on wrecking the Royal Marriage; an undead British secret agent with a license to kill is swept up in a titanic conflict with the supernatural agents of SMERSH; a living American opportunist sees a way of surviving as a parasite upon the dead; and a creature older even than Count Dracula is awakened to decide the fates of lovers and monsters. From the author of ANNO DRACULA and THE BLOODY RED BARON comes this novel of horror and mystery, romance and intrigue.

Literary London

A fascinating guide to the best literary landmarks in London that takes the reader into publishing houses and along paths of inspiration, revealing the stories behind the stories. * One of the world's greatest literary cities, London has streets full of stories and buildings steeped in history. * The biggest and most beloved names in English literature have all been here, and you can still see or visit their stomping grounds and favourite places. * Follow Oscar Wilde from the salons to Clapham Junction; roam with Julian McClaren Ross through Fitzrovia, dropping in for a pint of three with Dylan Thomas at the Bricklayers' Arms; muse darkly over the Thames with Spencer, Eliot and Conrad; and watch aghast as Lorn Byron terrorizes his publisher on Albermarle Street... Moving through time and genre, from Spencer and Shakespeare to Amis and Barnes, from tragedy and romance to chick-lit and science fiction, Literary London is a snappy and informative guide, showing just why - as another famous local writer put it - he who is tired of tired of London is tired of life.

The MUP Encyclopaedia of Australian Science Fiction & Fantasy

This book covers all Australian science fiction and fantasy authors, books and stories, as well as important magazines, sub-genres and works published electronically.

Boys in the Valley

'The terror's exquisite. Fracassi's got his hand on the chisel going into your chest' Stephen Graham Jones, author of The Only Good Indians St. Vincent's Orphanage for Boys. Turn of the century, in a remote valley in Pennsylvania. Here, under the watchful eyes of several priests, thirty boys work, learn, and worship. Peter Barlow, orphaned as a child by a gruesome murder, has made a new life here. As he approaches adulthood, he has friends, a future. . . a family. Then, late one stormy night, a group

of men arrive at their door, one of whom is badly wounded, occult symbols carved into his flesh. His death releases an ancient evil that spreads like sickness, infecting St. Vincent's and the children within. Soon, boys begin acting differently, forming groups. Taking sides. Others turn up dead. Now Peter and those dear to him must choose sides of their own, each of them knowing their lives - and perhaps their eternal souls - are at risk. The Exorcist meets Lord of the Flies, by way of Midnight Mass, Boys in the Valley is a chilling folk horror set in a remote orphanage in turn of the century Pennsylvania. Praise for Boys in the Valley: 'Fracassi makes terror read so damn beautifully' Victor LaValle, author of The Changeling 'An unrelenting and highly entertaining show of horrors' Thomas Olde Heuvelt, author of Hex 'A smart and deftly-written tale instilled with the kind of creeping, claustrophobic horror I enjoy' Nick Cutter, author of The Troop 'As poignant as it is chilling, with a fast-paced, unflinching ending' Alma Katsu, author of The Hunger 'The most unsettling novel I have read all year. Cold dread clings to every page' Ronald Malfi, author of Black Mouth 'Harrowing and claustrophobic' Christopher Golden, author of Road of Bones 'Fracassi. . . builds his horrific tales slowly and carefully...he's especially skilful at creating, and sustaining, suspense' The New York Times 'Gut-wrenching, heart breaking, and terrifying' Andy Davidson, author of The Boatman's Daughter 'Horror readers will be hooked' Publishers Weekly 'A riveting, and horrifying, tale of survival set against a punishing and vivid backdrop.' Victor LaValle 'Fracassi. . . brings a depth of understanding to his monsters, human and otherwise' Guardian 'Fracassi's storytelling is. . . horror with a big, broken heart' Esquire 'His range, prolific output, and fast-paced prose are all set to put him on the shelf next to names such as King, Straub, and Thomas Harris' Signal Horizon

ZWEIHANDER Grim & Perilous RPG

Powered by HTML, this Zweihander eBook edition is published with a nuanced reflowable document layout. It includes: Reflowable text and images Sidebar navigation via device contents Hyperlinked Table of Contents and Index for fast, easy searches Hyperlinked cross-references throughout the book Tap and zoom illustrations This digital format differs from standard fixed layouts and PDFs. We highly suggest users download a sample before purchasing. WELCOME TO GRIM & PERILOUS GAMING Featured on Forbes.com, ranked one of the best-selling fantasy tabletop role-playing games at DriveThruRPG, and having sold over 90,000 copies worldwide, ZWEIHÄNDER Grim & Perilous RPG is a bloodier, grimmer, and grittier version of classical tabletop role-playing games. This revised edition is published in celebration with Andrews McMeel Publishing and features a refreshed layout, new artwork, rules clarifications, color plates by Dejan Mandic, and errata. ZWEIHÄNDER Grim & Perilous RPG is a game where your characters will: Live in a gritty, "realistic" fantasy world Make morally grey decisions & enact vicious reprisals Uncover insidious plots & political intrigue Take part in heart-pumping chase scenes Venture into the wilderness & survive its perils Desperately fight in clandestine & open field combat Defend themselves from injuries, madness, & mutations Encounter sanity-blasting creatures & their minions Using the Powered By ZWEIHÄNDER d100 game engine, you will create grim characters, write perilous adventures, and build your own low fantasy & dark fantasy campaigns. These rules are a perfect fit for Renaissance and medieval-styled adventures, too. You can also use this book to create your own home-brewed worlds, whether inspired by the works of Andrzej Sapkowski's The Witcher, George R.R. Martin's Game of Thrones, Glen Cook's Black Company, Myke Cole's The Armored Saint, Robert E. Howard's Solomon Kane, Scott Lynch's Gentlemen Bastard series, or other "grimdark"-inspired media. This all-in-one game includes most of what you need to play: a character creation guide, game mastery rules, and a bestiary brimming with creatures both fair & foul. All that's left are a few friends, pencils, and a handful of dice. ZWEIHÄNDER Grim & Perilous RPG awaits, and the fate of your grim & perilous tale hangs in the balance!

The Vampire Genevieve

Back by popular demand! The omnibus edition of Jack Yeovil's four classic Vampire Genevieve novels: Drachenfels, Genevieve Undead, Beasts in Velvet and Silver Nails.

Back in the USSA

1989... One of the two superpowers which has dominated the 20th century is on the verge of being torn apart. The old communists regime which has held sway since the Revolution of 1917 is weak and divided. Dissident voices, silent for too long, have been raised against the corrupt and inefficient gangsterism of a morally and financially bankrupt ruling party. A new age of openness and reconstruction is dawning... This is the United Socialist States of America. When Eugene Debs led

the Revolution, few expected it to lead to the iron-fisted regime of Chairman Al "Scarface" Capone, a dictatorship that would last into the 1950s. But no tyranny, capitalist or communists, can stop real revolutionaries like Buddy Holy, Howard Hughes, Tom Joad, Eliot Ness, Kurt Vonnegut, and the Blues Brothers. This is the story of 20th century where America had a revolution... and Russia didn't; where there were Tsars in the Kremlin and Commissars in the White House. Where America invaded Japan and Britain fought the war in Vietnam; where Isaac Asimov was a Russian TV astrologer and Ed Gein was a Hero of Labor. Kim Newman and Eugene Byrne turn history on its head with this novel of "what if..." -- a must-read for Proletariats world-wide!

Tam Lin

In the ancient Scottish ballad "Tam Lin," headstrong Janet defies Tam Lin to walk in her own land of Carterhaugh . . . and then must battle the Queen of Faery for possession of her lover's body and soul. In this version of "Tam Lin," masterfully crafted by Pamela Dean, Janet is a college student, "Carterhaugh" is Carter Hall at the university where her father teaches, and Tam Lin is a boy named Thomas Lane. Set against the backdrop of the early 1970s, imbued with wit, poetry, romance, and magic, Tam Lin has become a cult classic—and once you begin reading, you'll know why. This reissue features an updated introduction by the book's original editor, the acclaimed Terri Windling.

Libido Dominandi

The fantasy and science-fiction stories in this early collection by H. G. Wells deal in extraordinary sarcasm, vividness, and attention to detail. The fantastic go hand in hand with the humorous, the scientific is both dangerous and wondrous, while the protagonists meddle with bacteria, ostriches, or large bat-like creatures. An interesting and thought-provoking anthology, "The Stolen Bacillus and Other Stories" is a multifarious collection that can appeal to all tastes! H. G. Wells was an English writer, remembered mostly for his science fiction works. Often described as a futurist, H. G. Wells's influence cannot be neglected for his works foresaw many technological innovations such as space travel, the atomic bomb, and the Internet. Four times Nobel Prize in Literature nominee, Wells explored a wide array of themes in his works, occupying one of the central seats in the canon of British literature. Some of his best works include the time-travel novel "The Time Machine"

The Stolen Bacillus and Other Stories

Bram Stoker's initial notes and outlines for his landmark horror novel Dracula were auctioned at Sotheby's in London in 1913 and eventually made their way to the Rosenbach Museum and Library in Philadelphia, where they are housed today. Until now, few of the 124 pages have been transcribed or analyzed. This painstaking work reproduces the handwritten notes both in facsimile and in annotated transcription. It also includes Stoker's typewritten research notes and thoroughly analyzes all of the materials, which range from Stoker's thoughts on the novel's characters and settings to a nine-page calendar of events that includes most of the now-familiar story. Ample annotations guide readers through the construction of the novel and the changes that were made to its structure, plot, setting and characters. Nine appendices provide insight into Stoker's personal life, his other works and his early literary influences.

Bram Stoker's Notes for Dracula

This Pivot examines a body of contemporary neo-Victorian novels whose uneasy relationship with the past can be theorised in terms of aggressive eating, including cannibalism. Not only is the imagery of eating repeatedly used by critics to comprehend neo-Victorian literature, the theme of cannibalism itself also appears overtly or implicitly in a number of the novels and their Victorian prototypes, thereby mirroring the cannibalistic relationship between the contemporary and the Victorian. Tammy Lai-Ming Ho argues that aggressive eating or cannibalism can be seen as a pathological and defining characteristic of neo-Victorian fiction, demonstrating how cannibalism provides a framework for understanding the genre's origin, its conflicted, ambivalent and violent relationship with its Victorian predecessors and the grotesque and gothic effects that it generates in its fiction.

Neo-Victorian Cannibalism

From the bestselling author of The Rules of Supervillainy: Cassius Mass was the greatest star pilot of the Crius Archduchy. He fought fiercely for his cause, only to watch his nation fall to the Interstellar

Commonwealth. It was only after that he realized the side he'd been fighting for was the wrong one. Now a semi-functional navigator on an interstellar freight hauler, he tries to hide who he was and escape his past. Unfortunately, some things refuse to stay buried and he ends up conscripted by the very people who destroyed his homeland. LUCIFER'S STAR is the first novel of the Lucifer's Star series, a dark science fiction space opera set in a world of aliens, war, politics, and slavery.

Lucifer's Star

Anne Nielson, an American journalist, comes to London to investigate the strange death of her sister. Soon, she becomes sucked into a netherworld of corruption and perversion and is hurtled toward a final confrontation where she has only the dead as allies. From the author of Anno-Dracula.

"Like some damned Juggernaut"

Robert Bloch's ground-breaking novel Psycho introduced the world (and renowned director Alfred Hitchcock) to Norman Bates, a killer who haunted a generation of readers hungry for psychological thrills. But Bates was not the only serial slayer to inhabit the shadows cast by Bloch's pen. Witness Yours Truly, Jack the Ripper, a collection of tales that bring to life the darkest criminal legend of them all. From the murky hell of London's East End to the far reaches of space, Bloch charts the wicked path carved by the Ripper's blade. Saucy Jack stalks the streets of 1940s Chicago in the title tale, while "A Toy for Juliette" (from Harlan Ellison's groundbreaking Dangerous Visions anthology) sends the Ripper through the gates of time to a cold and distant future. The decks of the Starship Enterprise become Red Jack's hunting ground in Bloch's original Star Trek script, "Wolf in the Fold." Plus, Bloch reveals the history of the Ripper's heinous crimes and explores the controversial theories concerning the Whitechapel murderer's true identity in a pair of essays and an original novel (The Night of the Ripper), all included herein. Close your windows to the encroaching fog. Lock your doors and turn up the gaslights. Robert Bloch awaits you and so does Jack the Ripper.

Bad Dreams

Learn about how the world of government and power works in The Politics Book. Part of the fascinating Big Ideas series, this book tackles tricky topics and themes in a simple and easy to follow format. Learn about Politics in this overview guide to the subject, brilliant for novices looking to find out more and experts wishing to refresh their knowledge alike! The Big Ideas Series With millions of copies sold worldwide, The Politics Book is part of the award-winning Big Ideas series from DK. The series uses striking graphics along with engaging writing, making big topics easy to understand.

Yours Truly, Jack the Ripper

Some things are so wrong that they can never be put right, never atoned for, never let lie. These are unforgivable stories. In this collection, Kim Newman re-opens some of the great closed cases of fantasy and horror fiction, returning us to the worlds of Dr Jekyll and Mr Hyde, Edgar Allan Poe, the Victorian Ghost story, and Count Dracula. In each case, these familiar universes are altered, shown in a new, unusual light. Here, we visit a 1960s Britain that is bogged down in a war in Indo-China, an American city that has been home to the four-coloured heroes and villains of generations of comic books, a

Paris of Bogart and Bergman and other fantastical archetypes, and a frontier where there's no law west of Bristol but the gun and the iron horse. Including stories written in collaboration with novelists Eugene Byrne (THiGMOO) and Paul J. McAuley (Fairylane), this collection touches on all the horrors and humours Kim Newman has explored in novels like Anno Dracula, The Quorum and Life's Lottery. Unforgivable, but also unforgettable ...

The Politics Book

Grotesque murders are being committed on the streets of Whitechapel. Sherlock Holmes comes to believe they are the skilful work of one man, a man who earns the gruesome epithet of Jack the Ripper. As the investigation proceeds, Holmes realizes that the true identity of the Ripper puts much more at stake than just catching a killer...

Unforgivable Stories

This succinct, accessible two-volume set covers all aspects of Celtic historical life, from prehistory to the present day. The study of Celtic history has a wide international appeal, but unfortunately many of the available books on the subject are out-of-date, narrowly specialized, or contain incorrect information. Online information on the Celts is similarly unreliable. This two-volume set provides a well-written, up-to-date, and densely informative reference on Celtic history that is ideal for high school or college-aged students as well as general readers. The Celts: History, Life, and Culture uses a cross-disciplinary approach to explore all facets of this ancient society. The book introduces the archaeology, art history, folklore, history, linguistics, literature, music, and mythology of the Celts and examines the global influence of their legacy. Written entirely by acknowledged experts, the content is accessible without being simplistic. Unlike other texts in the field, The Celts: History, Life, and Culture celebrates all of the cultures associated with Celtic languages at all periods, providing for a richer and more comprehensive examination of the topic.

The Further Adventures of Sherlock Holmes: The Whitechapel Horrors

Contains the revised contents of Crime Fiction III, continued through 2000. Includes indexes by author, title, series, character, and setting of over 106,000 detective and mystery novels and over 6,600 collections. Includes author, title and contents lists of stories in single author collections, chronological list of books and stories, publisher list, and an index of over 4,500 films derived from the books and stories.

Judgment of Tears

The Celts [2 volumes]
