I'm the Boss of Me! Stay Sexy, Smart and Strong at Any Age

Joan Moran is a former actress, theater and film producer, screenwriter and author turned yoga teacher who, through her own personal experiences, knows it is possible to age gracefully, find an authentic voice, pursue a passion or two and discover a spiritual balance - all while living with joy and positive energy. In her memoir, 60, Sex & Tango, Confessions of a Beatnik Boomer, Joan shared how she found the courage to keep moving forward during her 60s with change being a constant companion. She learned to embrace life with an open heart and face her fears with gratitude. Joan continues her

journey into her 70th decade as a self-proclaimed manic and voracious blogger. I'm The Boss of Me! Stay Sexy, Smart & Strong At Any Age, is a book of her favorite blogs that are filled with honesty and wisdom about living life to its fullest and deepest. Joan's mantra: Be wise about your choices, be physically active and be aware of amazing possibilities. This mantra has given her the strength and courage to live her journey - her dharma - her true path in life.

An Accidental Cuban

Harry Cisneros faces frustration in a conflicted and moribund Cuban society. He is part of a generation of lost youth in Cuba and desperately wants to get off the island. He is trapped by a lack of money and family responsibilities. While in Havana, he gets involved in the underground economy and Russian subterfuge while planning his escape.

Hot Nights with the Boss

Dating the Boss What happens when your boss - the man voted the most eligible bachelor in Spring City - finds out you're attending a speed dating event on Valentine's Day? My boss is smart, ambitious, and sexy. He's also Spring City's most eligible bachelor, which means Coulter Manning has an endless supply of women begging for his attention. It also means he's out of my league. You'd think that would be reason enough for me to stop fantasizing about him, but... After acting as the third wheel on a slew of after hour events where he represents Manning Industries with a different woman on his arm, I put my foot down and tell him no. I mean, come on, being the third wheel on Valentine's Day is one indignity too many. Instead, I begrudgingly attend a speed dating event with my co-worker. So you can imagine my surprise when my boss pulls me out of the event with some fantasies of his own. This boss says he wants forever, but can I hope this will last longer than a few dates? + - + - + Flirting with the Boss What happens when the pin-up flirts her way into the company president's heart? Camden Manning is hot, rich, and arrogant - exactly the kind of man my mother said would want to fuck me, but never love me. He's also the CEO's brother, second in charge, and therefore my boss. I flirt with everyone. It's part of what makes me - me. But after one stolen kiss last Christmas, with him, I no longer merely flirt, I tease. I want him and he knows it, but I can't give in to a man who will grow tired of me after a couple of weeks, even if I get great sex out of it. So instead, I avoid him. But when his brother leaves for his honeymoon, he's in charge and assigns me as his executive admin. Now there is no avoiding him. The more time we spend together, the more I see he's not the playboy I thought he was—he's so much more. Can I give in to my desires and trust this boss with my heart? !! Formerly titled Flirt Like A Pin-Up !! + - + - + Tempting the Boss What happens when you tempt your over-the-top sexy, silver-fox CEO while on a company retreat in Maui? Braedon Taylor my father's frat brother, the company CEO, and twenty-three years my senior, which according to him means I'm off-limits. I disagree. Now we're on a company retreat where I flaunt my bikini clad curves and tempt him into doing what we both really want - each other. I think he's finally going to admit his feelings when he backs off, leaving me naked, alone, and completely devastated. But then he catches me flirting with other guys, and I meet a new side of him—a possessive side that lets me know exactly how he feels. Is this a tropical tryst or more? And if it's more, what's everyone else going to think when we get back at the office—to include my father? !! Formerly titled Hot CEO Summer !! + - + - + Teasing the Boss What happens when you give into your desires and submit to a weekend fling with a man who has no intentions of letting you go Monday morning? Three months ago I had the best sex of my life while on a business trip... with my boss... a man who is twenty years older and the president of the firm. Since then I've avoided Tate Morvick even though he's made it clear he wants more. But now we're on a tropical island where coconut rum and sheer sarongs are business attire. I know he's watching me, and I can't help tease him every chance I get. My body burns with the memory of his touch and I'm wondering if we can have a little secret fun while on vacation? While I don't want to sleep my way into my next promotion, I can't deny he's the best lover I've ever had. Just this weekend, and then it's back to business as usual. Think he'll agree? !! Formerly titled Hot Maui Nights !! * forbidden office romance, forced proximity, opposites attract, age-gap *

Souls Grown Deep

The African American culture of the South has produced many of the twentieth century's most innovative art forms. Widely appreciated for its music--from the blues and jazz, to gospel, soul, rock 'n' roll--the region has also played host to a less visible but equally important visual art tradition. Working without significant formal training, often employing the most unpretentious and unlikely

materials, these grassroots artists have created powerful statements that, like the music, are strongly influenced by the legacies of African belief systems, rooted in community, and committed to cultural continuity. At the same time, however, this quintessentially American art testifies to the originality and transformative force of individual imaginations. Since the 1980s, popular and critical interest in this genre has grown dramatically and has given it many names: "self-taught," "folk," "outsider," "visionary." *Souls Grown Deep: African American Vernacular Art* is the opening work in a multi-volume study that offers the first comprehensive exploration of this art form's development during the late twentieth century, an era shaped by the civil rights movement. *Souls Grown Deep* illuminates a remarkable spectrum of creativity: the media of painting, sculpture, and works on paper; the region's outdoor art environments and art installations; historical examples from earlier eras; and relevant decorative arts and crafts. With unprecedented thoroughness and scope, *Souls Grown Deep* takes readers inside these creators' worlds. The book includes lavishly illustrated, full-color chapters on forty vernacular artists. Writing from diverse perspectives, thirty-seven contributing writers—including civil rights leaders, art historians, museum curators, and folklorists—present thematic, and historical overviews crucial to and understanding of the art's origins

Boss of My Panties

I sell lingerie on line, just tiny little scraps of lace. And now, my boss wants more than just my panties. I like to call myself an entrepreneur. Most of the kids I went to high school with went off to college, but I stayed behind and started my own business selling lingerie. But not just any lingerie. I sell scraps of lace so naughty that they would make your cheeks blush. See-through, filmy, and so tiny that they're not much more than a piece of floss sometimes. Not just that, but the lingerie isn't exactly new. Because I've worn them, and the buyers are looking for that "special something" as part of the sale. It's not wrong. It's not against the law. It's just smart and entrepreneurial, is what I like to say. But then he shows up on the scene. Bruce Lockhart says he wants to buy my business. What? Why would a man want to get into this line of work? But the boss wants what he wants, and now that he literally OWNS my panties, how can I say no? In this book you'll find: A drop-dead gorgeous CEO A sassy curvy girl Over-the-top filth Insta-love that moves faster than lightning Lingerie, lingerie, and more lingerie 50k words

Betrayals & Fairytales

Bicycling magazine features bikes, bike gear, equipment reviews, training plans, bike maintenance how to's, and more, for cyclists of all levels.

Bicycling

After a deal with loan sharks sours, Darlene's brother is permanently transformed into a chipmunk. Not one to accept impossibility as a good excuse for failure, she's determined to rescue her brother and secure revenge against those who'd poisoned him with grade-A transformatives. If she wants to perform a miracle, she'll need to join forces with a divine, but the man upstairs and his angels refuse to help. None of the other so-called benevolent divines are willing to help her, either. Running out of time and options, Darlene prepares to storm the gates of hell for her brother. She never expected to fall in love with the Devil. Warning: this novel contains a woman with a chip on her shoulder, humor, and one hell of a hero. Proceed with caution.

A Chip on Her Shoulder

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Ask a Manager

Who would have thought that meeting went swimming on that Friday night would have drastically changed Gianna's life? Gianna was a profitable party planner in North Carolina who met the twins in hopes of plan in their party but what she got was more than she asked for. She dealt with the scrutiny of meat in the wrong Twin first and hoping she could turn back the hands of time. As things begin to get on track for her after one Twin threw her off track the trip to Italy pushed her relationship over the age where a crashed and burned. Good thing she believed in Resurrection because she almost lost out on the best man in her life. Gianna had enough and was retreating to her hometown in California there she runs into her ex of 10 years where she finally get closure. With an unexpected secret she helped for several months made the twins throw a monkey wrench in her escape plan. Could her relationship survive this drama too Or will this be yet another crash and burn? You'll have to find out by reading what she wrote and Dear Diary.

Dear Diary

"CAT KINGS AND OTHER GARYS," Part Three A mysterious quest for a local gourmet chef leads the Queens on a raucous adventure far outside the safety of Palisade's walls. What possible trouble could a gang of five heavily armed women get into while hunting for rare mushrooms?

Rat Queens Vol. 2 #1

Kimani Lewis is as cold hearted as they come, at least that's the persona she portrays. She's been hurt one time too many and has decided to play the game she's always loosing at. She meets Harrison Williams who is trying to teach her how to love again. Harrison is confident that he can change Kimani and does everything in his power to do so. Only she's rejecting his acts of kindness and attempts to push him away. Will Harrison be successful in teaching Kimani how to love again? Or is he just like the other men who's broken her heart in the past? Follow Kimani and Harrison on the quest to learning how to trust after being heart broken.

Cold Hearted Diva

The Art of Fire Emblem Awakening contains an in-depth, behind-the-scenes look at the smash-hit 3DS game, from beautifully illustrated renditions of your favorite characters, to storyboards for in-game events, character designs, weapon designs, character profiles, and the entirety of the script with every possible branch of dialogue! Relive some of the most poignant moments of the game, or see what might have been if you had made different in-game decisions with the Art of Fire Emblem Awakening!

The Art of Fire Emblem: Awakening

This is not your starry eyed, love struck romance. There are no singing birds or riding off into the sunset. There is no happily ever after. This is the type of story that tears your heart out, stomps it into the dirt, and very slowly sews it back together. Never to be the same again. Harley left Branchwood, Colorado, at eighteen in hopes of never returning. But at thirty-six she's forced to return to her hometown to bury her father. Can she come back home and not be touched by the painful secrets she left behind? Ford devoted his life to the Hell Hounds MC, even when doing so cost him the girl he loved. He survived that loss though, and put it firmly in his past. But sometimes the past comes running back into town to knocks you right on your ass. He wants the truth. She wants to forget. When the truth comes to light will they be able to work together and fix everything that went wrong? ***Beware this book contains sexy, dangerous bad boys***

Delayed Love

This is the complete series. The Boss's Son - Part 1 The Boss's Son - Part 2 The Boss's Son - Part 3 DescripToin: Britt woke up in Jack's glorious arms. Jack...whatever his last name was. She hadn't a clue who he was. Kicking her way out of the sheet, Britt got to her feet and clutched her head instantly. It pounded like an unsuccessful road construction project and her teeth hurt, actually ached from the hangover. Stumbling to the bathroom with annoyance, she drank water and took a shower and drank more water, chastising herself for letting it get this bad. She knew to drink water and take aspirin before bed to help curb this hideous feeling. She needed a full breakfast, something big. But she was stuck with this guy who thought it was socially acceptable to hang out after a one-night stand. Britt didn't have any experience with a one-nighter except that time in college with the one guy in her women's studies

class, the one with the tattoo of a hard drive motherboard on his chest. That hadn't ended well but for sure he had at least had the courtesy to leave her dorm immediately afterward. Were they supposed to have breakfast together? Bond in some way? She had work. He had...probably the unemployment line or guitar practice or something. Mainly, she needed head-space to get ready for her day and try to forget what she'd done the night before, namely some guitarist whose last name was a mystery better left unsolved. The guy was HOT! But she knew she would never see him again. Or would she?

The Boss's Son Box Set

A swoony small town holiday romance from USA Today Bestselling Author J.H. Croix! A broody FBI agent A smart, sassy heroine Off limits no more An accidental break in Swoony holiday romance Small town shenanigans Break in for benefits? When a friend offers me a week at her family's home in Maine for the holidays, I say 'yes' so fast I forget to say please. As a single mom, time to myself is impossible to come by. I'm barely in the house when I'm mistaken for a burglar. When the lights come on, I discover the broody FBI agent who found me is Noah Tate, the off-limits older brother of my best friend from high school. Noah was tall, dark, handsome, flirty, and popular back in high school. I kept my secret crush on him under wraps. I was above all that now. Except the chemistry burns so hot between us the air crackles with it. We're snowed in, so maybe we can make the best of it. Noah & Sasha's story is perfect for readers who love: friends to lovers, slow burn, broody FBI agents, small town gossip, emotional romance with a dash of angst, plenty of swoon and all the feels, and a protective hero who's more than ready to prove a sassy heroine wrong. *A full-length, standalone romance.

All I Need

Recently divorced, forty-something Vicky Andrews desperately needs a life. Finding her boss naked and dead at an open house she's hosting was not what she had in mind. Wishing she'd spent more time reading Nancy Drew in her formative years, Vicky calls upon her own intuition and various investigative skills to try to find a piece of incriminating evidence the murderer thinks she has--before the murderer finds her. She might decide that the world has it in for her if not for Detective Nick Carson, who shares frustration, information, and more than a few fantastic kisses as he tries to solve the case. Throw in a rescued miniature dachshund, a skeleton named Max, and a coven of well-intentioned neighbors, and maybe, just maybe, Vicky has found exactly what she needs.

Back on the Market

Joseph has been my best friends' boss for years. So when she comes to me, with this half baked idea of me posing as his girlfriend to help him out, I'm tempted to tell her to take a hike. But then she begs. And pleads. And says that he'll pay off my med school bills and... you guessed it, I cave. Even though I hate him. Even though we apparently hate each other (i'm not the one who didn't anything wrong, mind you). But things aren't always how they seem and the guy I thought I couldn't stand, I suddenly find myself falling for. It was supposed to be fake. An arrangement with no strings attached. So why can't I stop wanting more?

Falling for the Boss

Many of us know we need to change, but how do we do it? Spiritual teacher and intuitive counselor Beth Maynard Green offers a thorough, compassionate, and practical guide to personal and collective transformation. This step-by-step handbook gives solutions for overcoming ego domination, becoming happier and more relaxed, and achieving higher consciousness. It blends new and old wisdom in ways that are fresh yet familiar. In Section 1 of Living with Reality, Maynard Green shares original insights into who we are and includes the genesis of the ego, the development of our personalities from birth, the roles of fear and pain, and the causes of addiction. Section 2 provides a program for change and discusses • challenging yet commonsense paradigms • clear explanations of our habitual behavior patterns and ways to break them • practices that make us more relaxed, happy, and supportive to our world • self-help exercises, including detailed questions for self-reflection • techniques to access higher consciousness Practical and powerful, Living with Reality is a manual for living and a vehicle for both group and individual study and transformation. Read it! Live it!

Love, Luck & Clusterf*ck

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Living with Reality

Evil in its purest form. A man who cuts a trail of death, but leaves no footprints, no clues. Investigator Ben Masterson knows no man is perfect and that somewhere, some day the killer will make a mistake. When he does, Ben will trail him to the ends of the earth, if necessary, and bring him down. Or die trying. When two FBI agents are brutally executed in an apartment leased by a convent, Ben can't say "No," when a nun and childhood friend asks him to take the case, never imagining it will send him hurtling to a face-off with a serial killer and child rapist and come to a dramatic end in a battle that will leave only one of them standing. Along the way to the face-off with this monster, Ben learns love is not always what it seems, that good is not always completely pure, and evil sometimes contains a kernel of white light. Most importantly, he learns just how far he'll go to bring down a killer. As far as it takes - even if that means making a bargain with the devil himself.

New York Magazine

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Devil's Dollar

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

New York Magazine

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Ideal Team Player

Call me cocky, but it's a fact women fall at my feet. So why does this one want to kick me in the junk? Might be my work for her uncle's legal defense. Or the dubious ways I earned my millions. Or the scandal that cost my career. Or hell. Maybe it's just that I'm not a nice guy. A fact I'm regretting once Lucy storms in and gets me rethinking my rule on dating single moms. She's funny and smart and so sexy it shouldn't be legal. Take it from a disbarred lawyer. One desperate to dodge this desire sparking like frayed wires in a champagne flute of kerosene. A few stolen kisses and I'm suddenly starved for a simple life on this sweet lake, but that's absurd. Guys like me don't belong in small towns. Towns this charming, this good, this...pure. It should be easy staying chaste with Lucy, since our encounters include a precocious pre-teen, one misguided bat, and a goat who won't take no for an answer. But nothing's easy with a woman born to boss five grumpy brothers. Big as they are, those guys don't scare me. Not like my feelings for Luce and her daughter. Those have me quaking in my Gucci loafers. So does

this big-ass secret bearing down like a toxic tsunami. One-click this laugh-out-loud, enemies-to-lovers rom-com about a single mom and the bad boy millionaire she swears she'll never fall for (spoiler alert: she does).

New York Magazine

Hooked Barrett Beckmeyer lived his whole life knowing what he wanted. He wanted to be outside, on the lake at his family's resort. Fishing was his life. In the summer, in the winter, it didn't matter. He loved it. He didn't know anything was missing. Until Eden. One night with her and nothing was the same. Eden Craig wasn't looking for more than a night of fun. That was all Barrett was supposed to be. One night and then forget him. Only forgetting him was impossible. And when she's asked to be the lead architect on an addition at Maple Ridge Resort, she knows avoiding him will be inevitable. She was hooked from the second he sat down next to her, but did he feel the same? Sparked Nina Beckmeyer had been in love since she'd been sixteen. There was just one problem. The guy had no idea. After spending two summers and countless weekends with her family, Donovan Stewart was gone in the blink of an eye. All these years later, she's doing just fine, even if all her dreams are of a man she knows she can never have. Until he shows back up. Donovan has loved Nina since the moment he saw her thirteen years ago. It happened in a flash and has never gone away. But she's his friend's sister, and there is no way Emmett would be okay with them together. Or would he? When he arrives in town as a favor to Nina's family, the same spark of awareness that had been there so many years ago is even stronger. Donovan knows it's now or never, and he's not willing to settle for never. Is the love they each secretly felt all those years ago a love that is real? Shocked Emmett Beckmeyer had always been what most people would call stable. He came to work every day at his family's resort, did his job, had just the right amount of fun, and gave good advice. That all changed after a small fire in the newly added spa where his sister and the electrician were trapped. Since that moment, nothing has been the same. Maybe it was the fire telling him life was short or maybe it was the gorgeous, sexy electrician, Morgan, who he couldn't stop thinking of. He wanted her badly but knew from past experience that women weren't looking for long-term when it came to him. Something that had held him back long enough. Morgan's life was a mess. She'd moved to the small Wisconsin town of Lyden to meet her real dad, and from there, her life had been twisted every which way but up. After the fire, she was having a hard time sleeping and dealing with all that was on her plate. The very last thing she needed was to be having dreams about Emmett Beckmeyer, the man who saved her from the fire. He despised her, or at least that's what she thought. Until a party at his parent's house, where that all changed. Kneaded Decker Beckmeyer has a great life. He loves his family and his job. But every day, he remembers the past and how he almost gave it up for the wrong woman. He's vowed to never let another woman into his heart again, even though he yearns for love and a family of his own. When he does his sister an innocent favor, that all changes. Natasha can't believe her life has come to this. An ex-boyfriend is harassing her, and her once-perfect life is now in shambles. Enter Decker Beckmeyer. He's gorgeous, sexy, and has hair that any woman would be envious of. And he wants her to come work for Maple Ridge Resort and Spa. The timing couldn't be more perfect. There's just one problem. He spends his days ignoring her, while she spends all of hers obsessing over what it would be like to be with him. That is until she's had enough and confronts him, only to find out that maybe he's not as immune to her as she thought. Take one last ride with the Beckmeyer Family as Decker finally gets his happy ending.

McKay-Taggart operative Riley Blade has no intention of returning to Los Angeles after his brief stint as a consultant on mega-star Lyle Tarpin's latest action flick. Not even for Natasha Black, Tarpin's sexy personal assistant who'd gotten under his skin. Why would he, when Tasha made it absolutely clear that—attraction or not—she wasn't interested in a fling, much less a relationship. But when Riley learns that someone is stalking her, he races to her side. Determined to not only protect her, but to convince her that—no matter what has hurt her in the past—he's not only going to fight for her, he's going to win her heart. Forever.

USA Today Bestselling Author, Lexy Timms, brings you a contemporary billionaire romance anthology collection that will set your heart racing, your blood heating and a smile on your lips. Grab Managing the Billionaires Box Set for a Limited Time! NEVER ENOUGH Be good enough never is... Anthony Accardi is a man on a mission: make his father's watch company a success while bringing in millions of dollars. To do that, he needs an assistant to fill in and he needs one now. When Rosalee Clarkson walks through his door, he's immediately drawn to her wit, intelligence and of course, her beauty. She'll be a perfect fit for the job and when he discovers her living situation is less than ideal, he does what any wealthy bachelor would do—he offers her the use of his guesthouse. She accepts, with one condition—nothing can happen between them. Can they really commit to that? Only time will tell... WORTH THE COST Some things are worth the cost of their consequences ... Rosalee Clarkson isn't looking for love, she's looking for a temporary job. When she landed the job working as Anthony Accardi's personal assistant, she could have never imagined things developing the way they had. She was living in his guest house and getting full access to the man himself. Things are explosive between them. Sex with him is off the charts. She knows it's wrong to sleep with the boss, but there is no denying the chemistry between them. When he asks her to go to Italy on a business trip, she is forced to decide between what she wants and what her heart demands. SECRET ADMIRERS Some things are worth the cost of their consequences ... Anthony Accardi sets out to Italy to make his dream of opening one of his father's stores. He has his beautiful assistant, Rosalee Clarkson by his side and things couldn't be any better. His extended family welcomes him with open arms and opens his eyes to new things, including the idea of love. There is only one thing holding him back from truly being happy—his father's poor health. When things take a turn for the worse, his entire world is upside down. It's Rosalee he turns to. She has become his rock, his everything, but is what he feels for her real or part of the magic of being in a foreign land? Justify Me: A Stark International/Masters and Mercenaries Novella

Keller Scott wants to embrace his inner Buscemi and channel his Dafoe, but damn, if his looks don't keep getting in the way. He's dying to be taken seriously as an actor and land some legit roles that don't feature him shirtless, or worse. Lately, he's not even sure where Hollywood's version ends and the real Keller Scott begins. When Joey Mitchell shows up at his office, vying to be his next Personal Assistant, Keller has no doubt this Summa Cum Laude, USC grad is perfect for the role. She's hot, petite, and curvy in all the right places. A starry-eyed fan girl she's not. Joey packs a mean left hook, along with blistering hot pepper spray. On the outside, she's all business and confidence, but on the inside, she's broken and barely holding it together. Their lives collide when her best kept secret steals

his heart. What begins as a PR goldmine becomes something else entirely. One amazing kid, with a spirit as big as the sky, has love enough to bring out the very best in Keller and help Joey heal.

Managing the Billionaire Box Set Books #1-3

The hunt is on for Violet Reynolds! Who will find her first? Nash or the police?

Skin Deep

Psychotherapist Jonathan Alpert shares his revolutionary five-step program that teaches readers to get rid of their fears--large and small--and find true happiness and success. Most people have something that gnaws at them at night, a mess or unrealized dream somewhere in their lives that causes them to feel stuck, out of control, overwhelmed, incomplete, and dissatisfied. They want to run away, back away, and ignore what they fear--whether it's a demanding boss, unsatisfying sex life, or distant love interest, but they can't. The fear finds them anyway. It's always there, and it's the source of all of their unhappiness. It's what lies behind every problem, and it's what stands between them and the lives they were meant to live. Psychotherapist Jonathan Alpert wants readers to know one thing: you can face your fear and create your ultimate life--and you can do it quickly. You can find your dream job. You can end that dead end relationship and get the love you want and deserve. You can overcome perfectionism, procrastination, panic, worry, rejection, failure, excuses and even the people in your life who keep telling you that you can't. You can turn your dreams into reality. You can find happiness, success and love. And you don't need years of therapy or even medications to do it. BE FEARLESS is a 5 step plan that is guaranteed to transform the fearful into fearless. It's based on a revolutionary formula developed by Jonathan Alpert, and it's worked on countless patients whose amazing stories are told throughout the book. In as few as 3 weeks readers will transform their lives using the 5 step program: Define Your Dream Life Break Your Fear Pattern Rewrite Your Inner Narrative Eliminate Your Fear Response Live Your Dream By teaching readers to use fear to their advantage and take important risks BE FEARLESS will make the impossible possible.

No. 1 With A Bullet #5

Her social media, strong. Her variety show segments, a hit. Nash Huang is at the top of her game. But when the iRis Shutter contact lens hits the market, Nash's life is personally invaded. The latest leap forward in "technological progress," these contacts not only play video or augment reality but also record with the blink of an eye. Fighting to keep her life together after a leaked sex tape goes viral, a clingy super-fan is the last thing on Nash's mind but that's exactly when the bodies pile up and the terror begins. "Not just good, but important. A haunting shot across the bow of the worst the internet has to offer. Stunning and electric. DONNY CATES (GOD COUNTRY, REDNECK) Collects NO. 1 WITH A BULLET #1-6

Be Fearless

It looked as if Joe Dickenson might actually make it in the film/land jungle. But first there were some very nasty roadblocks to demolish. Mainly, he had to bring the famous and powerful Carole Clement into line for the studio. Or his job would quickly be yanked out from under him. Then there was the personal issue of tearing lovely, sweet Ann -- with whom he had fallen in love -- from the the clutches of the lustful Mari! And he knew it would take a master of emotions to pull it off...

No. 1 With A Bullet

Discover the rich philosophy of Ruth Langmore, everyone's favorite foul-mouthed criminal, in this irreverent, playful, and profanity laden "guide to life" inspired by the hit Netflix television series Ozark. Toughened by both her criminal ties and her dedication to her family, Ruth Langmore is guided by one principal: She doesn't know sh*t about f*ck. Far from being willfully ignorant, Ruth admits that she has much to learn, forming a personal philosophy based on a positive attitude toward lifelong learning. A born survivor, Ruth knows a thing or two about persevering through life's most difficult situations. In this blunt but profound guide to life, Ruth herself shows you how to navigate your own personal blind sides, while simultaneously learning the skills you need to thrive. So, listen motherf*ckers, and forget everything you think you know.

Abandonment Recovery, with Susan Anderson [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife 1,154 views 6 years ago 54 minutes - Welcome to episode 128 of the **Your Kick,-Ass Life**, podcast! Today I've got another amazing guest for you, Susan Anderson.

Intro

Welcome

Special Announcement

Podcast Masterclass

The Election

I cant not talk about it

My intention

How could you

What would you have argued

What would you have said

Why did you support Donald Trump

What power did you have to help

Would you have felt safe calling the police

Stand up for what you believe

Meet Susan Anderson

Why did you write this book

How does a devastating breakup compare to grieving

The death of a loved one is clean

The 5 stages of abandonment

Getting stuck in one of the 5 stages of abandonment

Why do people who abandoned us become powerful figures

Brain science

Primal abandonment

What to do to recover
 Dont shame yourself
 Taking responsibility
 Being alone vs feeling lonely
 The Black Swan
 What surprises Susan
 Pulp (Non) Fiction with Kira and Amy [Your Kick-Ass Life Podcast with Andrea Owen] - Pulp (Non) Fiction with Kira and Amy [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife No views 6 years ago 57 minutes - I can absolutely guarantee that this episode of the podcast is unlike any that you've listened to (as if you couldn't tell by the title)?
 Find out what Andrea deems as the WORST curse words of all time are
 Some of our bathroom habits (I might get some emails about this...)
 This realization is worth a tweet....
 How Amy neglected her personal safety to become Tom Cruise in Mission Impossible
 Kira + alcohol = every ridiculous situation that ever could exist
 Andrea shares a story that involves a jungle juice stain, losing her shoes, and being pelted with oranges. All in one night.
 Flashback to some painful (in more ways than one) fashions from the 90's
 My inner critic and how I manage it [Your Kick-Ass Life Podcast with Andrea Owen] - My inner critic and how I manage it [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife 48 views 5 years ago 36 minutes - If you've read my books, you know I write about the inner critic a lot. In fact, you can't escape me talking about the inner critic in ...

Erin provide tips to help get unstuck, shift your perspective and become motivated

The “morning pages” concept, what it is and how to use it

Biggest obstacles that prevent you from making your exercise routine a reality, plus advice for how to move past these challenges

How to be more loving and kind to yourself (and what Peanut M&Ms has to do with it)

The starting and stopping pattern with exercise routines

Erin's Soul Stroll Program, how to make the most of your daily walks by rewiring your thoughts

Recommendations and tools to help quiet your inner critic and how acknowledging all parts of oneself will help with the process

Healing From Anxiety and Finding Lasting Peace [Your Kick-Ass Life Podcast with Andrea Owen] -

Healing From Anxiety and Finding Lasting Peace [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife 39 views 5 years ago 51 minutes - Corinne Zupko is my guest this week on the podcast. She is the author of the best-selling book, From Anxiety to Love: A Radical ...

Corinne's inspiration to write a book on anxiety.seconds)

Corinne's take on spirituality and her work with anxiety and healing

Distinguishing between the inner therapist voice (intuition) and the ego voice (inner critic)

A three-step recipe for healing

Are we all in this together? With Mike Robbins [Your Kick-Ass Life Podcast with Andrea Owen] -

Are we all in this together? With Mike Robbins [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife 13 views 3 years ago 43 minutes - This week I am sharing my conversation with Mike Robbins. Mike Robbins is a speaker and author of five books, including, Bring ...

Mike's idea and journey for his book, We're All In This Together.

When he realized we are not all in this together.

Mike's experience with understanding what white privilege means.

Acknowledging how our conversation is an example of centering whiteness.

One entry point to anti-racism can be helpful is if white people call forward other white people.

The importance of being vulnerable.

5 questions women need to ask themselves [Your Kick-Ass Life Podcast with Andrea Owen] -

5 questions women need to ask themselves [Your Kick-Ass Life Podcast with Andrea Owen] by YourKickAssLife 7 views 6 years ago 18 minutes - As a coach, it's my job to ask women questions. Lots of them. Over the years, I've seen patterns of the women that come to me and ...
