

Too High A Price The Case Against Restricting Gay Parenting

[#gay parenting](#) [#LGBT parenting rights](#) [#same-sex parents](#) [#parental restrictions](#) [#child welfare](#) [LGBT families](#)

This critical piece argues against the imposition of restrictions on gay parenting, asserting that such limitations come at too high a societal cost. It meticulously builds a compelling case for unrestricted LGBT parenting rights, emphasizing the importance of non-discriminatory family structures for the well-being of children and the broader community.

Coming up

Intro

What it means to be Gay

The need for being a parent, and the rarity of exception

Role models and "brotherhood of the marginalized"

Inklings of starting a family

This is an important conversation

What marriage is

Psychological health through partnership

How Rubin was able to have a child

A family with two fathers, what does that mean?

Paternal and maternal parental roles

Realities of what might be lacking, and how to mitigate

Sustained adolescence is an important factor

Historically associated flamboyance, seeds of normalcy

Secular acceptance is necessary to mitigate fetishizing cardinal desire

Are all families equal? Falling short of the ideal

Shirking the ideal is not the answer for the margins

Who should society stop from having kids?

The conversation must be acceptable, even if uncomfortable

Genetic similarity is an important factor

Trying to live towards the most inherent good

Losing truth and false unification

Ken Zucker, the victimized 80 percent

The trans movement is extremely anti-gay

The banning of conversion therapy

Dave Rubins role in our changing culture

When you change fundamental structures...

You are villainized even for studying gender dysphoria

All encompassing tolerance is really a complete lack of discipline

Creativity is an abundant trait among LGBT people
