New Testament Theology

An ECPA Gold Medallion winner "New Testament theology is essentially missionary theology," writes I. Howard Marshall. Founded on a sure-footed mastery of the data and constructed with clear thinking lucidly expressed, this long-anticipated New Testament theology offers the insights born of a distinguished career of study, reflection, teaching and writing on the New Testament. Marshall's New Testament Theology will speak clearly to a broad audience of students and nonspecialists. But even on the most familiar ground, where informed readers might lower their expectations of learning something new, Marshall offers deft insights that sharpen understanding of the message of the New Testament. Here is a New Testament theology that does not succumb to the fashion of settling for an irreconcilable diversity of New Testament voices but argues that "a synthetic New Testament theology" is a real possibility. Beginning with the Gospels and Acts, proceeding to each of Paul's letters, focusing then on the Johannine literature and finally looking at Hebrews and the remaining general epistles, Marshall repeatedly stops to assess the view. And gradually he builds up a composite synthesis of the unified theological voice of the New Testament. On the way toward this synthesis, Marshall highlights clearly the theological voices of the individual New Testament books. Thus, his New Testament theology serves also as a sort of introduction to the New Testament books, making it double as an attractive complement to book-by-book introductions to the New Testament. Here is a New Testament theology that will not only guide students and delight teachers but also reward expositors with a lavish fund of insights for preaching.

New Testament Theology

I. Howard Marshall's New Testament theology guides students with its clarity and its comprehensive vision, delights teachers with its sterling summaries and perceptive panoramas, and rewards expositors with a fund of insights for preaching.

New Testament Theology

I. Howard Marshall's New Testament theology guides students with its clarity and its comprehensive vision, delights teachers with its sterling summaries and perceptive panoramas, and rewards expositors with a fund of insights for preaching.

A Concise New Testament Theology

A Concise New Testament Theology is an abridgment of I. Howard Marshall's celebrated and award-winning New Testament Theology: Many Witnesses, One Gospel. This condensed version

packages for students and laypeople the luminous considered conclusions and insights of one of the most respected evangelical New Testament scholars of our day. It is the perfect entrance into New Testament theology, and its author-by-author approach will also make it an attractive supplement for courses in New Testament survey or introduction.

Witness to the Gospel

A distinguished group of scholars here provides a comprehensive survey of the theology of the early church as it is presented by the author of Acts. The twenty-five articles show the current state of scholarship and the main themes of theology in Acts.

Theological Interpretation of the New Testament

The groundbreaking Dictionary for Theological Interpretation of the Bible (DTIB) introduced significant names, theories, and concepts in the field of biblical interpretation. Theological Interpretation of the New Testament features key articles from the award-winning DTIB, providing a history of interpretation and covering major theological ideas for each book of the New Testament. The articles, authored by leading scholars, make unique contributions to the study of theological interpretation of Scripture. This handy and affordable text offers students, pastors, and lay readers a comprehensive, book-by-book theological reading of the New Testament. Contributors William R. Baker Christopher Bryan S. A. Cummins Peter H. Davids David E. Garland Robert H. Gundry Edith M. Humphrey Sylvia C. Keesmaat Jon C. Laansma I. Howard Marshall Thorsten Moritz Francesca Aran Murphy John K. Riches Peter R. Rodgers Daniel R. Streett Max Turner Kevin J. Vanhoozer Steve Walton Charles A. Wanamaker N. T. Wright Stephen I. Wright

The Epistles of John

Marshall's study on the Epistles of John constitute a single volume in The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

Theology of the New Testament

Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's Theology of the New Testament is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents. Thomas R. Schreiner Professor of New Testament, The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church. Karen H. Jobes, PhD Associate Professor of New Testament, Westmont College

The Gospel of Luke

The Gospel of Luke was written, says its author, as an historical account of the ministry of Jesus. Not only would it serve as the basis for a sound faith on the part of professing Christians, but it would also claim a place for Christianity in history. Christ's ministry, as Luke shows, is realized prophecy; it

is that time during which God's promise of salvation was fulfilled. His teachings, healing, and acts of compassion are all part of the good news. In Luke's Gospel, Christ's message of salvation is directed to the weak, poor, and needy, with an emphasis on the importance of self-denial and of whole-hearted discipleship. Thus, while Luke is the most conscious historian of the Gospel writers, his history is a vehicle of theological interpretation in which the significance of Jesus is expressed. In this commentary I. Howard Marshall calls attention to the theological message of Luke the Evangelist. His primary purpose is to exegete the text as it was written by Luke, so that the distinctiveness of Luke's Gospel may be seen. Basing his commentary on the third edition of *The Greek New Testament*, Dr. Marshall also refers to many variant readings which are significant in this study. He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style. It is by this meticulous analysis of the Greek that Luke's theological intentions can be objectively determined.

New Testament Theology

In this volume in the Library of Biblical Theology series, James D.G. Dunn ranges widely across the literature of the New Testament to describe the essential elements of the early church's belief and practice. Eschatology, grace, law and gospel, discipleship, Israel and the church, faith and works, and most especially incarnation, atonement, and resurrection; Dunn places these and other themes in conversation with the contemporary church's work of understanding its faith and life in relation to God's self-revelation in Jesus Christ.

New Testament Theology PB

A 2005 ECPA Gold Medallion winner! "New Testament theology is essentially missionary theology," writes I. Howard Marshall. Founded on a sure-footed mastery of the data and constructed with clear thinking lucidly expressed, this long-anticipated New Testament theology offers the insights born of a distinguished career of study, reflection, teaching and writing on the New Testament. Marshall's *New Testament Theology* will speak clearly to a broad audience of students and nonspecialists. But even on the most familiar ground, where informed readers might lower their expectations of learning something new, Marshall offers deft insights that sharpen understanding of the message of the New Testament. Here is a New Testament theology that does not succumb to the fashion of settling for an irreconcilable diversity of New Testament voices but argues that "a synthetic New Testament theology" is a real possibility. Beginning with the Gospels and Acts, proceeding to each of Paul's letters, focusing then on the Johannine literature and finally looking at Hebrews and the remaining general epistles, Marshall repeatedly stops to assess the view. And gradually he builds up a composite synthesis of the unified theological voice of the New Testament. On the way toward this synthesis, Marshall highlights clearly the theological voices of the individual New Testament books. Thus, his *New Testament theology* serves also as a sort of introduction to the New Testament books, making it double as an attractive complement to book-by-book introductions to the New Testament. Here is a New Testament theology that will not only guide students and delight teachers but also reward expositors with a lavish fund of insights for preaching.

New Testament Theology

Exploring New Testament theology based on the conference table approach, this book examines the plan and the need for salvation as expressed by the writers of the New Testament.

New Testament Theology

New Testament Theology is a guide through the second half of the Bible with a specific eye on the culture from which the authors emerged to write their books. It is an attempt to grasp the authors' true meaning in a way other than the traditionally academic fashion.

Introducing New Testament Theology

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the

public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Exploring the New Testament

Written by scholars with extensive experience teaching in colleges and universities, the Exploring the Bible series has for decades equipped students to study Scripture for themselves. Exploring the New Testament, Volume Two provides an accessible introduction to the Letters and Revelation. It's filled with classroom-friendly features such as discussion questions, charts, theological summary sidebars, essay questions, and further reading lists. This volume introduces students to Jewish and Greco-Roman background Paul's life, mission, and theology the structure and major themes of each book issues of authorship, date, and setting methods in reading and interpreting the Letters and Revelation the intersection of New Testament criticism with contemporary issues of faith and culture Now in its third edition, this popular textbook has been updated and revised to take account of the latest advances in scholarly findings and research methods, including new sections on the theological links between Jesus and Paul the way New Testament authors read the Hebrew Scriptures the contribution of archaeology to New Testament studies updated bibliographies highlighting the most important and influential works published in the last decade Exploring the New Testament, Volume Two offers a thorough overview of the Letters and Revelation that will give students a stronger understanding and a solid foundation for ongoing study.

Acts

In the book of Acts the story of Jesus begun in the Gospel of Luke broadens into the story of the Holy Spirit, guiding the fledgling church to proclaim the saving reality of Jesus. While attentive to Luke's roles as a literary artist and theologian, I. Howard Marshall focuses primarily on Luke's role as a historian. He provides the reader with an accurate, balanced and holistic picture of the church's monumental first years as it sought to fulfill Christ's mandate to preach the gospel to the ends of the earth. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world's most distinguished evangelical scholars, these twenty volumes offer clear, reliable and relevant explanations of every book in the New Testament. The Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

The Theology of the Gospel of Mark

This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus. In Chapter 1 Dr Telford introduces the background of the text and its general message, attempting briefly to place the Gospel (and therefore its theology) in its historical setting. In the second chapter, he describes and analyses the Gospel's theology, again from an historical perspective and with particular regard to its original context. In the third chapter, Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament. Briefly reviewing this larger corpus and highlighting parallels and contrasts, where appropriate, he seeks to locate the Gospel's theology in its wider canonical context. The fourth and final chapter ranges even further afield, commenting on the Gospel's history of interpretation and on its significance in the contemporary context.

New Testament Theology

This comprehensive survey of New Testament theology is arranged thematically and includes careful exegesis of key passages.

Many Witnesses, One Lord

William Barclay discusses the distinctive viewpoints of the writers of the books of the New Testament and their interpretation of the significance of the gospel. This reissue of an older Westminster Press title makes a welcome addition to the highly popular William Barclay Library series. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Exploring the New Testament

Professors and students will warm to this clearly written and well-informed introduction to the New Testament Letters and the Apocalypse. Exploring the New Testament, Volume Two introduces students of biblical studies and theology to Greco-Roman background ancient letter writing content and major themes Paul's life, mission and theology issues of authorship, date and setting methods in reading and interpreting the New Testament Letters and Revelation the intersection of New Testament criticism with contemporary issues of faith and culture This revised edition features updated text and bibliographies, and incorporates new material gleaned from the experience of classroom use.

Luke: Historian & Theologian

Apart from the apostle Paul, Luke is arguably the most influential force in the canon of the New Testament. His Gospel and Acts occupy almost a third of the New Testament, and together their narrative voice carries us over a span of more than sixty years, from the birth of Jesus to the imprisonment of Paul in Rome. It is difficult to imagine our understanding of the New Testament period without Luke's writings. For this reason, the question of Luke's historical reliability has been repeatedly investigated. In this study Howard Marshall affirms Luke's trustworthiness as a historian. But Luke is more than a historian. He is also a theologian who finds his interpretive key in the great theme of salvation. Marshall provides us with a lucid guide to Luke's theology of salvation as it is unfurled in Gospel narrative, but always with a eye on its ongoing development in the companion work, the Acts of the Apostles. A postscript assesses the course of Lukan studies during the decade of 1979-1988.

Beyond the Bible

A seasoned interpreter presents a "principled approach," showing how the Bible, though written long ago, can speak authoritatively on contemporary ethical, doctrinal, and practical issues.

Do We Need the New Testament?

While many Christians wonder whether we really need the Old Testament, John Goldingay turns the question around: Perhaps Jesus' Bible—the Old Testament—is enough. Goldingay probes our misreading of the Old Testament and brings out the richness of the "First Testament's" message as Israel's and the church's gospel.

The Spirit and Christ in the New Testament and Christian Theology

This volume gathers writings about the Spirit and Christ by notable scholars including Richard Bauckham, D. A. Carson, James Dunn, and many others. Covering topics that are relevant for the worldwide church today -- the life-giving work of the Spirit, the Spirit in Luke and Acts, the gift of the Spirit in John 19 20, pneumatology and justification, community life through the Spirit, and more -- the twenty essays included will be a welcome resource for scholars and ministers. The Spirit and Christ in the New Testament and Christian Theology is also a fitting tribute to honoree Max Turner, whose outstanding scholarship has focused on pneumatology and Christology. Contributors: Richard Bauckham Cornelis Bennema D. A. Carson James D. G. Dunn Conrad Gempf Joel B. Green Desta Heliso Veli-Matti Krkkinen Anthony N. S. Lane John R. Levison I. Howard Marshall Graham McFarlane Robert P. Menzies Steve Motyer Andr Munzinger Volker Rabens Mark L. Strauss John Christopher Thomas Chris Tilling Robert W. Wall Steve Walton

Luke: Historian and Theologian

The writings of Luke (Luke-Acts) comprise over 28% of the whole New Testament -- even more than the extensive writings of his friend and companion, Paul, whose letters account for almost exactly a further 25%. This fact alone emphasizes the vital importance of the Lucan corpus to a true understanding of the doctrine as well as the history of apostolic times. There has been a growing awareness of the

qualities of Luke as a historian, and in this book Dr. Marshall demonstrates that Luke's theology, which he summarizes as "the theology of salvation," is at least of equal stature and importance with his carefully compiled history. - Back cover

An Introduction to the New Testament

Written by prominent professor and skilled interpreter Charles Cousar, *An Introduction to the New Testament* provides a concise overview of the content and purpose of the books of the New Testament within the context of the church's early development. This cogent introduction gives serious attention to the history of earliest Christianity but always returns to the texts' theological meaning and significance, highlighting the relevance of these books for the church today.

1 Peter

I. Howard Marshall examines Paul's counsel to Christians living in hostile times. Marshall's passage-by-passage exposition of 1 Peter (with verse-keyed notes on relevant exegetical issues at the bottom of the page) highlights the relevance of Peter's teaching for all Christians who want to act responsibly in the modern world.

Old Testament Theology

ECPA Gold Medallion Award winner In this first volume of a three-volume Old Testament theology, John Goldingay focuses on narrative. Examining the biblical order of God's creation of and interactions with the world and Israel, he tells the story of Israel's gospel as a series of divine acts: God Began God Started Over God Promised God Delivered God Sealed God Gave God Accommodated God Wrestled God Preserved God Sent God Exalted This is an Old Testament theology like no other. Whether applying magnifying or wide-angle lenses, Goldingay is closely attentive to the First Testament's narrative, plot, motifs, tensions and subtleties. Brimming with insight and energy, and postmodern in its ethos, this book will repeatedly reward readers with fresh and challenging perspectives on God and God's ways with Israel and the world—as well as Israel's ways with God. Goldingay's Old Testament Theology is not only a scholarly contribution to the ongoing quest of understanding the theological dimensions of the First Testament. Preachers and teachers will prize it as a smart, informed and engaging companion as they read and re-present the First Testament story to postmodern pilgrims on the way. This is Old Testament theology that preaches. Volume two focuses on Israel's faith, or Old Testament theology as belief. It explores the person and nature of God, the nature of the world and humanity, the character of sin and the significance of Israel. Volume three's focus is Israel's life, or Old Testament theology as ethos, exploring its worship, spirituality, ideals and vision for living.

New Testament Theology and Ethics

All too often, argues Ben Witherington, the theology of the New Testament has been divorced from its ethics, leaving as isolated abstractions what are fully integrated, dynamic elements within the New Testament itself. As Witherington stresses, "behavior affects and reinforces or undoes belief." Having completed commentaries on all of the New Testament books, a remarkable feat in itself, Witherington now offers the second of a two-volume set on the theological and ethical thought world of the New Testament. The first volume looks at the individual witnesses, while the second examines the collective witness. The New Testament, says Ben Witherington, is "like a smallish choir. All are singing the same cantata, but each has an individual voice and is singing its own parts and notes. If we fail to pay attention to all the voices in the choir, we do not get the entire effect. . . . [If the first volume was] about closely analyzing the sheet music left to us by which each musician's part is delineated, [this second volume attempts] to re-create what it might have sounded like had they ever gotten together and performed their scores to produce a single masterful cantata." What the New Testament authors have in mind, Witherington contends, is that all believers should be conformed in thought, word and deed to the image of Jesus Christ--the indelible image.

Introducing the New Testament

Explores the literature of the New Testament of the Bible, highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages. Also provides background of the time period and locations in which the New Testament was written.

Biblical Theology of the Old and New Testaments

This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation. Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments. He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old. Rather, Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices, each of which retains continuing integrity and is heard on its own terms.

Exploring the New Testament, Volume 2: A Guide to the Letters & Revelation

This clearly written and scholarly enriched introduction to the New Testament Letters and Apocalypse is a companion volume to Exploring the New Testament, Volume One: A Guide to the Apostles & Acts. In addition to making up-to-date New Testament scholarship accessible to students, I. Howard Marshall, Stephen Travis and Ian Paul fill this volume with helpful classroom features: questions and issues for discussion, suggestions for student research and debate, essay topics at an introductory and intermediate level, and recommendations for further reading and research. Particularly aimed at students of theology, Exploring the New Testament: A Guide to the Letters & Revelation introduces students to Greco-Roman background ancient letter writing Paul's life, mission and theology issues of authorship, date and setting reading and interpreting the New Testament Letters and Revelation content and major themes of each of the New Testament Letters and Revelation understanding the meaning of each of these documents for today Professors and students will warm to this well-designed and thoroughly informed introduction to the New Testament.

New Testament Theology and Ethics

All too often, argues Ben Witherington, the theology of the New Testament has been divorced from its ethics, leaving as isolated abstractions what are fully integrated, dynamic elements within the New Testament itself. As Witherington stresses, "behavior affects and reinforces or undoes belief." Having completed commentaries on all of the New Testament books, a remarkable feat in itself, Witherington now offers the first of a two-volume set on the theological and ethical thought world of the New Testament. The first volume looks at the individual witnesses, while the second examines the collective witness. The New Testament, says Ben Witherington, is "like a smallish choir. All are singing the same cantata, but each has an individual voice and is singing its own parts and notes. If we fail to pay attention to all the voices in the choir, we do not get the entire effect. . . . If this first volume is about closely analyzing the sheet music left to us by which each musician's part is delineated, the second volume will attempt to re-create what it might have sounded like had they ever gotten together and performed their scores to produce a single masterful cantata." What the New Testament authors have in mind, Witherington contends, is that all believers should be conformed in thought, word and deed to the image of Jesus Christ--the indelible image.

New Testament Theology

In this systematic, book-by-book exploration of the theology of each New Testament writing, Frank J. Matera explores theological diversity and unity in the writings of the New Testament. After an introduction to the history and method of New Testament theology, he explains and describes the theologies of the Synoptic, Pauline, and Johannine traditions, as well as the rich theology of other New Testament voices: Hebrews, the Catholic Epistles, and the book of Revelation. Integrating both Protestant and Catholic approaches, this work provides students, pastors, and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight.

The New Cambridge History of the Bible

New Testament scholar James D. G. Dunn has published his research on Christian origins in numerous commentaries, books, and essays. In this small, straightforward book designed especially for a lay audience, Dunn focuses his fifty-plus years of scholarship on elucidating the New Testament witness to Jesus, from Matthew to Revelation. Dunn's Jesus according to the New Testament constantly points back to the wonder of those first witnesses and greatly enriches our understanding of Jesus.

Jesus according to the New Testament

Edited by Joel B. Green, Scot McKnight and I. Howard Marshall, this reference work encompasses everything relating to Jesus and the Gospels.

It is Fulfilled

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Dictionary of Jesus and the Gospels

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Acts of the Apostles

Revelation

New Testament Theology

This work is not a history of New Testament times, nor an account of New Testament religion. Nor does it proceed from a view that the New Testament was written as theology. We must bear in mind that the writers of the New Testament books were not writing set theological pieces. They were concerned with the needs of the churches for which they wrote. Those churches already had the Old Testament, but these new writings became in time the most significant part of the Scriptures of the believing community. As such, they should be studied in their own right, and these questions should be asked: What do these writings mean? What is the theology they express or imply? What is of permanent validity in them? We read these writings across a barrier of many centuries and from a standpoint of a very different culture. We make every effort to allow for this, but we never succeed perfectly. In this book I am trying hard to find out what the New Testament authors meant, and this not as an academic exercise, but as the necessary prelude to our understanding of what their writings mean for us today. -- From the Introduction

New Testament Theology

This book gives an overview about the varieties of approaches in the New testamen debate - Abbreviations, Introduction, 1. Beginnings and the development of NT theology, 2. Methodology in NT theology, 3. The center and unity in NT theology, 4. NT theology and the OT, 5. Basic proposals toward a NT theology: a multiplex approach, Selectes bibliography, Index of names, Index of subjects

Biblical Theology of the New Testament

This volume brings together some of the most distinguished writers in the field of New Testament studies to provide an overview of discussions about the nature of New Testament theology. Examines the development, purpose and scope of New Testament theology. Looks at the relationship of New Testament theology with other branches of theology. Considers crucial issues within the New Testament, such as the historical Jesus, the theology of the cross, eschatology, ethics, and the role of women. Offers fresh perspectives which take discussion of the subject further in key areas Includes a foreword by Rowan Williams.

The Nature of New Testament Theology

Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974. Now this comprehensive, standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology, an augmented bibliography, and an entirely new subject index.

A Theology of the New Testament

In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor of the award-winning *Commentary on the New Testament Use of the Old Testament*, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by students of the New Testament and pastors alike.

A New Testament Biblical Theology

Critics have tried to revitalize the discipline of New Testament theology. The results of their labors are often disappointing. A. K. M. Adam suggests the problems many sense in New Testament theology arise from a mismatch of method and goals. That mismatch stems from a preoccupation with modernity as resident in the hallowed halls of regnant historical criticism. We need a hermeneutics of theology, a hermeneutics of hermeneutics. Adam here helps us understand what to keep of the historical-critical perspective when the realization hits that we have been sold a bill of goods that no longer makes good on its promises. In that sense, Adam's book is far more friendly to the historical-critical method as such than unfriendly (editor's preface).

What is New Testament Theology?

In this systematic, book-by-book exploration of the theology of each New Testament writing, Frank J. Matera explores theological diversity and unity in the writings of the New Testament. After an introduction to the history and method of New Testament theology, he explains and describes the theologies of the Synoptic, Pauline, and Johannine traditions, as well as the rich theology of other New Testament voices: Hebrews, the Catholic Epistles, and the book of Revelation. Integrating both Protestant and Catholic approaches, this work provides students, pastors, and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight.

Making Sense of New Testament Theology

In this volume in the Library of Biblical Theology series, James D.G. Dunn ranges widely across the literature of the New Testament to describe the essential elements of the early church's belief and practice. Eschatology, grace, law and gospel, discipleship, Israel and the church, faith and works, and most especially incarnation, atonement, and resurrection; Dunn places these and other themes in conversation with the contemporary church's work of understanding its faith and life in relation to God's self-revelation in Jesus Christ.

New Testament Theology

The Exegesis Quick-Reference Tool Every Pastor, Teacher, Student, and Scholar Needs The Concise New International Dictionary of New Testament Theology and Exegesis (CNIDNTE) by Christopher A. Beetham is a significant resource for those looking for a quick-reference guide to aid in exegesis

and interpretation. It retains all the essentials of the monumental and magisterial New International Dictionary of New Testament Theology and Exegesis edited by Moises Silva, bringing together its most important elements into one accessible volume. This reference includes the most vital, relevant information needed to delve deep into the study of the Greek words used in Scripture for study of the New Testament--its texts and theology. This volume offers a wealth of background and information on the meaning of Greek words in the New Testament, as well as related usage in classical Greek sources, the Greek Old Testament (Septuagint), and extrabiblical Second Temple Jewish literature. This significant tool offers the following features: All the nearly 800 entries covering over 3,000 Greek words found in the full edition are included and presented in the same order and arrangement. Retains approximately 60 percent of the original edition, with the emphasis now on synchronic word study and usage in the Greek Old Testament, extrabiblical Second Temple literature, and especially the New Testament. The unique arrangement according to Greek words and use of English concepts is retained from the full edition and allows all users to access Greek terms regardless of their level of competence in Greek. This edition retains the significant semantic-domain tool that directs the reader to all the Greek words that have something to do with a particular English word or concept. For example, under the English words "Resurrection," there is a list of four Greek words that are related to that topic. Discussions reflect the latest in modern scholarship. Bibliographies retain essential references to other standard lexicons and theological dictionaries. The Concise New International Dictionary of New Testament Theology and Exegesis is the ideal tool for pastors, Bible teachers, students, and scholars engaging in exegesis. It is packed with the essential information needed to study the New Testament.

New Testament Theology

Exploring New Testament theology based on the conference table approach, this book examines the plan and the need for salvation as expressed by the writers of the New Testament.

The Concise New International Dictionary of New Testament Theology and Exegesis

A Biblical Theology of the New Testament gives fresh insight and understanding to theological discipline. Scholars from Dallas Theological Seminary combine to create this important volume edited by Roy B. Zuck. Each contributor looks at divine revelation as it appears chronologically in the New Testament canon, allowing you to witness God's truth as it has unfolded through the decades.

Biblical Theology of the New Testament

This comprehensive survey of New Testament theology is arranged thematically and includes careful exegesis of key passages.

New Testament Theology

I. Howard Marshall's New Testament theology guides students with its clarity and its comprehensive vision, delights teachers with its sterling summaries and perceptive panoramas, and rewards expositors with a fund of insights for preaching.

A Biblical Theology of the New Testament

All too often, argues Ben Witherington, the theology of the New Testament has been divorced from its ethics, leaving as isolated abstractions what are fully integrated, dynamic elements within the New Testament itself. As Witherington stresses, "behavior affects and reinforces or undoes belief." Having completed commentaries on all of the New Testament books, a remarkable feat in itself, Witherington now offers the first of a two-volume set on the theological and ethical thought world of the New Testament. The first volume looks at the individual witnesses, while the second examines the collective witness. The New Testament, says Ben Witherington, is "like a smallish choir. All are singing the same cantata, but each has an individual voice and is singing its own parts and notes. If we fail to pay attention to all the voices in the choir, we do not get the entire effect. . . . If this first volume is about closely analyzing the sheet music left to us by which each musician's part is delineated, the second volume will attempt to re-create what it might have sounded like had they ever gotten together and performed their scores to produce a single masterful cantata." What the New Testament authors have in mind, Witherington contends, is that all believers should be conformed in thought, word and deed to the image of Jesus Christ--the indelible image.

New Testament Theology

This volume brings together some of the most distinguished writers in the field of New Testament studies to provide an overview of discussions about the nature of New Testament theology. Examines the development, purpose and scope of New Testament theology. Looks at the relationship of New Testament theology with other branches of theology. Considers crucial issues within the New Testament, such as the historical Jesus, the theology of the cross, eschatology, ethics, and the role of women. Offers fresh perspectives which take discussion of the subject further in key areas. Includes a foreword by Rowan Williams.

New Testament Theology

Ferdinand Christian Baur (1792-1860), one of the great innovators in the study of the New Testament, argued that each of its books reflects the interests and tendencies of its author in a particular religio-historical milieu. A critique of the writings must precede any judgments about the historical validity of individual stories about Jesus in the Gospels. Thus Baur could move beyond the impasse created by Strauss's *Life of Jesus*. Baur demonstrated that the Gospel of John is not a historical document comparable to the Synoptic Gospels and cannot be used to reconstruct the teaching of Jesus, and that the Synoptic Gospels must be read critically and selectively. He applied the same principles to the Epistles, arguing that only four are genuinely Pauline (Galatians, 1 and 2 Corinthians, and Romans). Baur's *Lectures on New Testament Theology*, delivered in Tübingen during the 1850s, summarize thirty years of his research. The lectures begin with an Introduction on the concept, history, and organization of New Testament theology. Part One is devoted to the teaching of Jesus, which Baur finds most reliably in Matthew. Part Two contains the teaching of the Apostles in three chronological periods. The first period presents the theological frameworks of the Apostle Paul and the Book of Revelation; the second period, the frameworks of Hebrews, the Deutero-Pauline Epistles, James and Peter, the Synoptic Gospels and Acts; and the third period, those of the Pastoral Epistles and the Gospel of John.

New Testament Theology

The discipline of Old Testament theology continues to be in flux as diverse approaches vie for dominance. Paul House serves as our guide—without being partisan or uninformed—exploring each Old Testament book, summarizing its content and showing its theological significance within the whole of the Old Testament canon. Readers with little prior background will find House's thematic surveys particularly helpful for coming to grips with basic biblical content as well as for probing the theological nuances of individual parts of the canon. The book concludes by forging a set of summary statements concerning God and his character, the people of God, and links between the Old and New Testaments that suggest avenues for the exploration of a full biblical theology. Old Testament Theology offers an overview of the discipline and a fair treatment of differing views while remaining unabashedly evangelical. Readers will welcome the obvious passion of its author for the subject matter. Student friendly and useful to a wide audience, this impressive work has proved a profitable read for many.

New Testament Theology and Ethics

A Concise New Testament Theology is an abridgment of I. Howard Marshall's celebrated and award-winning *New Testament Theology: Many Witnesses, One Gospel*. This condensed version packages for students and laypeople the luminous considered conclusions and insights of one of the most respected evangelical New Testament scholars of our day. It is the perfect entrance into New Testament theology, and its author-by-author approach will also make it an attractive supplement for courses in New Testament survey or introduction.

The Nature of New Testament Theology

Until this day, Adolf Schlatter's incisive theological work has remained something of a well-kept secret among English-speaking theologians and biblical scholars. The Anglo-American scholarly guild has been slow to award Schlatter the respect due him. During his lifetime, none of Schlatter's books were translated into English. His true stature, however, can be appreciated by the fact that the first volume of Gerhard Kittel's massive *Theological Dictionary of the New Testament* is dedicated to Kittel's teacher, Adolf Schlatter. While Schlatter may best be known for his commentaries on Matthew, John, or Romans, his theological approach is given its most pronounced expression in the two-volume *Die Theologie*

des Neuen Testaments, written during his Tbingen years. Schlatter claimed the primacy of historical research in New Testament theology, rejecting the intrusion of subjective, idealistic notions into the discipline. His insistence on the distinction between the two "horizons" of the biblical text, the ancient and the contemporary, and his affirmation of the preeminence of the first horizon are as timely today as they were then. At the same time, Schlatter did not rest content with historical exegesis. He urged the pursuit of "the doctrinal task ... [as] not only truth for the New Testament community, but also for us personally."

Lectures on New Testament Theology

If you intend to look at the New Testament as a collection of unconnected writings, or if you have doubts about its role in guiding your life, then take this opportunity to get yourself informed!"This book is a labor of love - for the Scriptures, for readers, for learning, for teaching, and for God himself. Robert W. Yarborough

New Testament Theology

New Testament Theology is a major new contribution to New Testament scholarship by renowned scholar Eckhard Schnabel. While many New Testament theologies approach the material through a particular thematic construct (e.g., covenant), Schnabel takes a different approach. First, he focuses on Jesus Messiah and his significance for the early church. Second, he seeks to describe the theology of the New Testament as it was written and read in its historical context. This approach honors the fact that the authors and original readers of the New Testament were real people dealing with real issues in their specific ecclesiological, cultural, and missiological settings. Schnabel comprehensively combines a historical description of the New Testament's theology with a systematic reflection on the New Testament's message and the convictions of Jesus and his early followers. This valuable contribution to the field will be insightful reading for students, scholars, and pastors.

Old Testament Theology

In this important new volume in the Library of Biblical Theology, Larry W. Hurtado introduces the different understandings of God that arise in the books of the New Testament, and explores the ramifications of those views for contemporary theology.

A Concise New Testament Theology

Companion volume to the author's New Testament introduction. Both an exposition of the doctrinal teaching of the apostolic writers and a careful examination of the opinions of modern scholars.

The Theology of the Apostles

In this extensively revised and updated edition of *The Flowering of Old Testament Theology*, Professor Ollenburger provides help for beginning theological students, who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology, to say nothing of the variety of approaches used in these works. This textbook has been re-issued with a new title, *Old Testament Theology: Flowering and Future*. Selected essays include key theological statements of Otto Eissfeldt, Walther Eichrodt, Theodorus C. Vriezen, George E. Wright, Gerhard von Rad, Walther Zimmerli, John L. McKenzie, Ronald E. Clements, Walter C. Kaiser Jr., Samuel L. Terrien, Claus Westermann, Brevard S. Childs, Rolf Knierim, Horst D. Preuss, Walter Brueggemann, Paul R. House, Bernhard W. Anderson, Erhard S. Gerstenberger, Hartmut Gese, Phyllis Trible, Jon D. Levenson, John H. Sailhamer, Gunther H. Wittenberg, James Barr, R.W.L. Moberly, and Mark G. Brett. An appendix contains Johann P. Gabler's 1787 seminal essay on biblical theology. An extensive bibliography and indexes of authorities and Scripture references conclude the volume. - Publisher.

New Testament Theology

Robert Morgan's classic work on the nature of New Testament Theology, including his translations of William Wrede's 'The Task and Method of "New Testament Theology"' and Adolf Schlatter's 'The Theology of the New Testament and Dogmatics'.

New Testament Theology

For a few decades, jet packs seemed to be everywhere: on Gilligan's Island, Lost in Space, Thunderball, and even the opening ceremony of the 1984 Olympics. Inventors promised we'd all be flying with them now, enabling us to zoom around effortlessly in the sky and getting us to work without traffic jams and trains. What happened to the jet pack? In *The Great American Jet Pack*, Steve Lehto gives us the definitive history of this and related devices, explaining how the technology arose, how it works, and why we don't have them in our garages today. These individual lift devices, as they were blandly labeled by the government men who financed much of their development, answered man's desire to simply step outside and take flight. No runways, no wings, no pilot's license were required. Soaring through the air with the wind in your face and landing anywhere there was room to stand—could this be done? Yes, it could be, and it was. But the jet pack was perhaps the most overpromised technology of all time. From the rocket belt to the jet belt to the flying platform and all the way to Yves Rossy's 21st-century free flights using a jet-powered wing, this book profiles the inventors and pilots, the hucksters and cheats, the businessmen and soldiers who were involved with these machines. And it finally tells a great American story of a technology whose promise may, one day, yet come to fruition.

God in New Testament Theology

Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? *Theology of the New Testament* takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's *Theology of the New Testament* is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents. Thomas R. Schreiner Professor of New Testament, The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church. Karen H. Jobes, PhD Associate Professor of New Testament, Westmont College

New Testament Theology

One would think that peace, a term that occurs as many as one hundred times in the New Testament, would enjoy a prominent place in theology and ethics textbooks. Yet it is surprisingly absent. Willard Swartley's *Covenant of Peace* remedies this deficiency, restoring to New Testament theology and ethics the peace that many works have missed. In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament, relating peace -- and the associated emphases of love for enemies and reconciliation -- to core theological themes such as salvation, christology, and the reign of God. No other work in English makes such a contribution. Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world. Retrieving a historically neglected element in the Christian message, *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace.

Old Testament Theology

`A combination of solid scholarship and living religion of a rare kind . . . An almost ideal book for an intelligent person who said: "I know little about Christian theology, but I want a straightforward introduction to it" ' (Dr Coggan, Archbishop of Canterbury). `Professor Hunter excels in seizing on the essentials of any subject and presenting them to the non-specialist reader in a clear and interesting way. The result is a book which meets all the reasonable needs of the beginner and has quite a lot to

say to those who are not beginners' (T. W. Manson in The Guardian). A. M. Hunter, Professor Emeritus of New Testament, was formerly Master of Christ's College, Aberdeen.

The Nature of New Testament Theology

New Testament scholarship since the Enlightenment is not quite like the histories tend to present it. It has not been the unfolding triumph of objective "critical" or "historical" thinkers over less progressive and dogmatically biased "theological" interests. Rather, in the same respective eras that "critical" thinkers like F.C. Bauer and R. Bultmann mapped out approaches to NT theology, responsible scholars from J.C.K. Hofmann to O. Cullmann have responded with viable programs of their own. This volume brings the ascendant Baur-Wrede-Bultmann line of analysis into dialogue with what may be called the salvation historical perspective, thus uncovering a line of inquiry that was significant in the past and may prove promising in the future.

Theology of the New Testament

Theology of the New Testament

Encountering God in the Old Testament

Walter Moberly is a top Old Testament theologian known for his creative, accessible, and provocative writing. His Old Testament Theology has been well received. This book, written in a similar vein, combines biblical criticism with constructive theology and engages both Jewish and Christian interpretations. Moberly offers robust readings of eight pivotal Old Testament passages that unpack the nature of God in Christian Scripture, demonstrating a Christian approach to reading the Old Testament that holds together the priorities of both scholarship and faith.

The God of the Old Testament

Provides daily devotional guidance using the people and events in the Old Testament as models for faithful and fulfilling Christian living.

Character

In this thought-provoking examination of how people encounter God, Wade Howell examines the way humans come in contact with the divine. Howell presents a biblical, theological, and philosophical case for why people, who are physical, can have a relationship with God, who is spirit. With an emphasis on centrality of the local church, Howell demonstrates how God designed the church to satisfy the most intimate human needs, which God placed in humans so he could be the source of their fulfillment. With a heart for people and a love for God's church, Howell echoes Augustine in showing why our soul is restless until it finds rest in God through his church.

Encountering God through the Church

Experience God in a deeper way by developing how you read and study his Word. Renowned Bible teacher Henry Blackaby, and his sons Norman and Mel, believe that Bible study is far more than a study method—it's a way of life, a way of encountering our Creator and His voice in our lives. In this timeless classic of Bible study, the Blackabys will teach you how to read the Bible so that you receive the message, encounter truth, and become transformed by the Word. Studying the Bible is not just the pursuit of biblical and theological head knowledge. It is a journey for your soul into the heart of God. You'll discover: How to approach the Bible with a mindset of worship. How your encounters with Scripture can change your everyday life. How to study effectively on your own by walking through short passages from the seven types of literature in the Bible. How reading Scripture conforms you to the image of God. How to write His words on your heart so that you more fully hear His voice and walk in His ways all the days of your life. Encounter God is an invitation to approach God through His Living Word. Encounter God and make life changes because of it. Not just head knowledge, but heart change. Get ready for a brand new experience with your Bible.

Encounters with God

I am often disturbed or disappointed by what I experience when I "go to church\

Encountering God Together

Reading Through Matthew, Encountering God is the first book by William Burch. He was born in North Hollywood, California in 1971, the second of 2 sons born to James and Rosa Burch. In 1977, the Burch family moved to Daleville, Alabama where the author grew up and later attended Auburn University in Auburn, Alabama. William served in the United States Army before moving to Texas and completing his Bachelor Degree at the University of North Texas in Denton, Texas. The author went on to attend Southwestern Baptist Theological Seminary in Fort Worth, Texas completing a Master of Divinity Degree. William has served in a number of churches as a teacher, lay leader, and staff member. This book fulfills his long held desire and passion for writing. In the future, the author envisions continuing his ministry in both writing and church ministry. God teaches and speaks to people through the Bible. This book will teach and inspire Christians to read the Bible and respond with their lives. In Reading Through Matthew, Encountering God, I demonstrate my method of Bible reading, journaling, and prayer. This Dynamic Bible Reading, as I call it, involves reading a small Bible passage and journaling the believer's interaction with that passage through three distinct sections; (1) Scripture Insight: the meaning of the passage, (2) Application: how to apply the meaning to life, and (3) Prayer: seeking God's guidance in living out what the passage teaches. To best draw the meaning of Scripture into our lives, we must read it, work through its meaning, and begin to practice it in life. This book helps to develop these skills. Once gained, I hope each reader will pass this book on to someone else who might benefit from it.

Reading Through Matthew, Encountering God

The Bible is God's love letter to us, providing many guiding principles for living life the way God intended. The book of Genesis is particularly important as it introduces God, the creator of everything. In Encountering God in Genesis, author Brenda Frost examines this special book in which we learn many things about God as He interacts with and reveals Himself to His creation. Presenting a Bible study organized into eleven weeks with five days of studies, Encountering God in Genesis provides deeper insight through: observation, asking questions based on the text being studied; correlation, looking at other texts in the Bible that cover similar topics; commentary, providing deep discussion of each idea; vocabulary, explaining the meaning of important words; and application, posing questions that apply what's been studied to our daily lives. Filled with rich lessons, the book of Genesis is quoted or referred to more than one hundred times in the New Testament and by Jesus Himself. Genesis is the foundation of the entire Bible and serves as the backbone to understanding the rest of Scripture. Encountering God in Genesis helps to enhance your knowledge of this important foundation and provides guidance for living your life according to God's will.

Encountering God in Genesis

Moses was a prince, an exiled shepherd, and a flawed reluctant leader of God's people. Readers will discover for themselves more about Moses and the miracle-working God whom he served.

Moses

Knowing the Creator of all things visible and invisible is essential for salvation according to Scripture. It affects every aspect of our spiritual life: Prayer, Worship and Bible Study. Our primary purpose in this life and the next is to worship the Creator, and the quality of your worship is directly related to your understanding who He is. This book formulates the proper view of God by breaking down the "God Encounters" in the Old Testament leaving the reader with a solid foundation to defend the Deity of Jesus and the Triune nature of God without relying on ancient creeds, but on the Bible alone. Beginning with Abraham, then to Moses, Elijah, Isaiah, and ending with Jeremiah and the Judges, the reader will see the Son of God revealed in every encounter with the Heroes of the Faith, climaxing to the Mountain Top experiences of God the Father visiting His Creation. Jesus said the Scriptures were about Him. See Him as you never have before in every God appearance of the Tanach.

Pursuing the Knowledge and Glory of God

Series originally published as a single volume in 1984, under the title: Doorways to Christian growth. "Discovering God in the Old Testament" was the chapter title for the contents of this volume.

The Doorways Series: Encountering God in the Old Testament

This new edition of a bestselling evangelical survey of the Old Testament (over 180,000 copies sold) has been thoroughly updated and features a beautiful new interior design. It is lavishly illustrated

with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular: · chapter outlines, objectives, and summaries · study questions · sidebars featuring primary source material, ethical and theological issues, and contemporary applications · lists of key terms, people, and places · further reading recommendations · endnotes and indexes The book is supplemented by web-based resources through Baker Academic's Textbook eSources, offering course help for professors and study aids for students.

Encountering the Old Testament (Encountering Biblical Studies)

"I highly recommend this volume to all who read the Old Testament. . . . This is a five star recommendation." --Messenger

Encountering the Old Testament

A. W. Tozer's *Men Who Met God* is a compelling survey of seven biblical figures who had the tremendous experience of walking and communing with God in some fashion—in the coolness of the afternoon, through a burning bush, in personal discussion, or by another divinely inspired method. Originally preached as a series of sermons by A. W. Tozer at Southside Alliance Church in Chicago, this compilation enlightens the mind and cuts to the heart in the way we've come to expect from Tozer. May you be moved toward God as you see how men of old encountered his Awesome Presence.

Men Who Met God

An encounter with God. It's what we were created for and, whether we realize it or not, what we all pursue. However curious we may be about it, though, many believe it's an arcane experience available only to the spiritual elite. David M. Edwards, an acclaimed worship leader, author, and speaker, shares his insights into encountering God in a way that's refreshingly direct, approachable, and biblically grounded. Through personal experience as well as the examples of Moses, Paul and Silas, David, Mary of Bethany, Abraham, and others, Edwards gives a new dimension to their stories that will help readers see it is indeed possible to encounter God in their daily lives.

Encountering God

The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally. *Into His Presence Volume 2* uses the documented encounters of the prophets of old with the God of History as tools to help you understand the character of God as a person. In this book, you will see the God of the Bible as a divine person encountered by the prophets and the writers of the Old Testament. The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible. In this book, you will learn how many historically documented conversations each of the great prophets had with God and understand that Jehovah moved with purpose in each of His encounters with His prophets. Your understanding of the character of God will be enriched as you see Him through the eyes of Elijah, Jehovah's defender against religious and political leaders who waged an aggressive campaign against the worship of Jehovah. You will be enlightened as you examine the person of Jehovah through the eyes of Isaiah and understand why he saw Jehovah as the only Savior and the coming Messiah. You will be amazed by the number of conversations Jeremiah had with God and see how his encounters with Jehovah demonstrate that encountering Jehovah can completely transform your views about His person. You will walk with Daniel, Zechariah, Esther and Nehemiah as their relationships with Jehovah turn them into His ambassadors in their own world. Through the enumerated experiences of each of the prophets, you will come to understand the consistent character attributes of God as a person over the course of history. You will conclude that God is a divine person with whom you can also have an intimate relationship. As you read this book, you will feel the God of the Bible personally calling you into His presence.

Into His Presence, Volume 2

Encountering Jesus in the Real World of the Gospels Cyndi Parker *Encountering Jesus in the Real World of the Gospels* draws readers into a deeper understanding of ancient Israel and first-century Judaism—the clothing, setting, political climate, and more—all to better understand Jesus' ministry. Instead of reading the Gospels through twenty-first-century eyes, author Cyndi Parker introduces readers to the larger context with the weight of the Old Testament behind them. This is an approachable and

conversational book that introduces the reader to the complex human world of Jesus. Have you ever wondered if it is important that Jesus grew up in Nazareth but moved his public ministry to Capernaum, even though Jerusalem was the capital of Jewish thought? Does it seem strange to you that Pharisees, Sadducees, and Essenes held significantly divergent religious views, even though they were all Jewish? In this book, Cyndi Parker guides us through the intriguing drama of history that created the context of first-century Judaism. She extends an invitation to readers to take a new look at the long drama of Gods interactions with humanity that reach a climax in the life of Jesus. *Encountering Jesus in the Real World of the Gospels* focuses on the complexities of the political, social, literary, and religious context of the Gospels. The purpose is to advance readers understanding of the Gospels and help them encounter Jesus, the disciples, and crowds as real people in a real place at a time vastly different from today. Come explore the land of ancient Israel with its dramatic history, culture, and religion. Includes many images, maps, photos, and drawings throughout! About the Author Cyndi Parker (PhD, University of Gloucestershire) teaches in seminaries, universities, and churches around the world. Cyndi lived in Jerusalem for five years, has led dozens of trips to Israel, and continues to develop innovative, educational trips that inspire students of all ages through experiential education.

Encountering Jesus in the Real World of the Gospels

Preaching occurs when a holy man of God opens the Word of God and says to the people of God, "Come and experience God with me in this text." *Encountering God through Expository Preaching* ushers preachers of all levels of experience through the practical steps necessary to preach with power. The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching, but they also dive deeper to emphasize how a pastor's character and reliance upon the Holy Spirit are essential to preaching God's word effectively. As the preacher encounters God in preaching, he will preach with spiritual power and see lives transformed and churches strengthened.

Encountering God through Expository Preaching

We can all form an unbreakable bond with God. But to do so, we must first enter into a deep and lasting relationship with him. Read, ponder, and pray for guidance from God. Seek to grow in knowledge and understanding of his ways. Then apply lessons from the Bible to our daily routines. Commit to Gods love, grace, and wisdom. Be inspired by his word in the Bible, and draw closer to him. In *Encountering God*, author Marsha Glynn offers daily reflections that will help fellow believers draw closer to God through words and deeds. After years of reaching out to God through prayer and reading the Bible, Marsha was inspired to share her heart and soul and offer a collection of Bible verses and reflections that bring reassurance of Gods never-ending love, his comfort, and the hope only he can provide. The bond that Marsha has with God is unbreakable. Learn how she developed this bond and has come to believe all things come from God. He makes good come from every experience. We can all be transformed by his love.

Encountering God

Bryan E. Beyer follows previous bestselling texts with this comprehensive introduction to the book of Isaiah. Here is a survey with depth, presenting the prophet's overarching themes and sweeping issues while including copious details that round out a study of the man and his work. Chapters begin with outlines and objectives that allow easy entry into the discussion and end with conclusions and study questions that aid comprehension and recall. Informative sidebars delve further into the language, theological connections, and controversies of Isaiah. This volume is useful to any serious student of the Bible.

Encountering the Book of Isaiah (Encountering Biblical Studies)

The renowned author of *How to Read the Bible* reveals how a pivotal transformation in spiritual experience during the biblical era made us who we are today. A great mystery lies at the heart of the Bible. Early on, people seem to live in a world entirely foreign to our own. God appears to Abraham and Sarah, Jacob and others; God buttonholes Moses and Isaiah and Jeremiah and tells them what to say. Then comes the Great Shift, and Israelites stop seeing God or hearing the divine voice. Instead, later Israelites are "in search of God," reaching out to a distant, omniscient deity in prayers, as people have done ever since. What brought about this change? The answers come from ancient texts, archaeology and anthropology, and even modern neuroscience. They concern the origins of the modern sense of self and the birth of a worldview that has been ours ever since. James Kugel, whose strong religious faith

shines through his scientific reckoning with the Bible and the ancient world, has written a masterwork that will be of interest to believers and nonbelievers alike, a profound meditation on encountering God, then and now. "Fascinating."—The New York Times Book Review "Biblical exegesis at its best: a brilliant and sensitive reading of ancient texts, all with an eye to making them meaningful to our time by making sense of what they meant in their own."—Kirkus Reviews(starred review) "A magnificent job of bringing important ideas from the academy to a broad readership . . . Kugel gives readers a sense of history's convoluted texture, its ironies, and thus its beauty."—The Jewish Review of Books

The Great Shift

Revised with nearly half of its material newly written, "Fresh Encounter" is a discussion of how God brings spiritual revival to individuals and the church.

Fresh Encounter

This book began when the author realised that, when people said they were fascinated by particular biblical passages, they were usually ones that presented dramatic encounters between people and between God and people. Such are the passages interpreted in this book. They usually set a vivid scene that heightens the dramatic nature of the encounter, and animated dialogue often directly addresses the reader. There is also animated action that is vividly striking and often sudden and unexpected. These features involve the readers themselves and may question them about what they expect. Indeed the dramatic encounters provocatively lead to unexpected new life in the future.

Dramatic Encounters in the Bible

When tragedy strikes you or those around you, the desperate hunt for hope in the secular forest will be futile. The hunters invariably go home empty-handed and brokenhearted because humanity doesn't have the answers. Jesus gave us the key in one of the most direct and unequivocal statements ever made: "I am the way, the truth, and the life. No one comes to the Father except through Me" (John 14:6). This book is a signpost. On the way, through the truth, to the life. If life is what you need, trust in God will take you there. With articulate words, Tommy Tenney helps lead us past tragedy to that place of trust. After reading this book, you will know what to do and know what to say.

Trust and Tragedy

Old Testament professors and scholars have come together to paint a portrait of our changeless Creator--one that shows God's immutable nature of love and compassion demonstrated in every major section of the Old Testament scriptures. From the Pentateuch to the Prophets, Encountering the God of Love offers new perspectives on old scriptures to prove that God was, is, and will always be a God of love.

Encountering the God of Love

This accessible introduction to the Book of Genesis examines introductory issues, overarching themes, and the overall argument of the book.

Encountering the Book of Genesis (Encountering Biblical Studies)

God put the Bible together for you, and he wants you to understand and know him better. But sometimes you can get lost in the details and miss the big picture. The Bible is more than just a collection of wisdom, instructions, and history. It's one unified story of the incredible love of God! Encountering God's Heart for You takes you on a daily journey through the full narrative of Scripture in a year. And in the process, it will draw you nearer to God as you discover his love and compassion. It won't cover every verse, or even every chapter, in the Bible, but by the time you're through, you'll have a strong grasp of what the Bible is all about. Reading Scripture isn't just a way to collect information or check something off a to-do list. Let this book bring you into God's presence to better understand the Bible's story of love, sacrifice, and redemption as he draws you to himself.

Encountering God's Heart for You

Introduces college students to the Book of Hebrews--introductory issues, overarching themes, and the overall argument of the book. Includes several pedagogical features.

Encountering the Book of Hebrews

GOD ENCOUNTERS ARE FOR EVERYONE! Every sincere seeker of the Lord can have God encounters! Journey with James and Michal Ann Goll as they share how they discovered a lifestyle of God encounters. You will enjoy a new depth of fellowship with God as you find yourself enjoying a new and refreshing intimacy with your Lord; an intimacy that brings the most powerful deliverance and healing in your life. You will see how God's tangible presence will: Free you from guilt Free you from bitterness and fear Heal you from pain of the past Open your heart to hear and respond to God like never before. Jim and Michal Ann Goll are seasoned prophets, recognized internationally for their work. Their exhaustive research on this topic, endlessly backed up by Scripture, is evident throughout this book. God Encounters is an excellent primer on how to move into deeper realms of the prophetic and supernatural as well how to reap the benefits of God encounters.

God Encounters

ECPA Top Shelf Award Winner Is it really possible to enjoy the Old Testament? Christians know they are supposed to read the Old Testament. Yet many struggle to do so. They often find it confusing, theologically troubling, or just uninteresting. Eric Seibert understands this dilemma and provides a solution. His goal is to help people learn to love the Old Testament and actually want to read it. Seibert demonstrates how this part of the Bible is extremely valuable for Christians and offers dozens of practical suggestions and creative activities for hands-on interaction with the biblical text. Equipped with a variety of tools and approaches, readers discover how even the most seemingly dry passages can come to life. With *Enjoying the Old Testament*, readers of all ages will be inspired to pick up the Old Testament over and over again.

Enjoying the Old Testament

A fresh, in-depth study of the poetry of Psalms, highlighting the character and actions of God in every psalm. Enticing reading and quality resource material.

Encountering God in the Psalms

In *Encountering God*, Kelly Minter explores how essential spiritual disciplines are to our faith experience and everyday lives. She'll unpack the biblical foundation for these sacred habits along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, hospitality, and celebration. Over 8 sessions, you'll discover that spiritual disciplines aren't just one more thing to add to your to-do list, but they can actually create more margin in your life, resulting in deeper peace, communion, and rest. And perhaps most importantly, cultivating habits of faith help you know God more, as you release control to Him, express your need for Him, and walk in glad submission and worship of Him. Features: Personal study segments with homework to complete between 8 weeks of group sessions Leader helps to guide questions and discussions within small groups Teaching videos, approximately 30 minutes per session, available for purchase or rent Explanations of the history and progression of spiritual disciplines from origins to present day along with their biblical roots Practical guidance and activities to live out the various spiritual disciplines at home Benefits: Demystify spiritual disciplines and be empowered to practice them as you draw closer to God. Understand how spiritual disciplines strengthen the Body of Christ, both in communities and individual lives. Reframe your perspective on rest and renewal.

Encountering God - Bible Study Book

Give your students 31 days of verses about the life of Christ.

31 Verses - Character: Old Testament People: Encounters with God

The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally. *Into His Presence* uses historically documented experiences of a number of important people with God over thousands of years as the lens through which to help you understand the character of God as a person. In this book, you see the God of the Bible as a divine person encountered by the men and women of the Bible. The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible. In this book, you will learn how many historically documented conversations Adam had with God and see that Adam's God moved with purpose in each of His encounters with Adam. Your understanding of the character of God will be enriched as you see Him through the eyes of Abraham

over the course of their 100-year relationship. You will be amazed by the sheer number of historically documented conversations Moses had with God, and understand how these encounters transformed Moses from a polytheist into one of history's greatest spokesmen for monotheism and the pursuit of a personal relationship with the God of heaven. You will walk with David through the ups and downs of his life, identify with his struggles, and understand how life's experiences drew him into a close relationship with God. Through the enumerated experiences of the patriarchs, judges, and kings of Israel, you will come to understand the consistent character attributes of God as a person over the course of history. You will conclude that God is a divine person with whom you can also have an intimate relationship. As you read this book, you will feel the God of the Bible personally calling you into His presence.

Into His Presence, Volume 1

God's Divine Character Revealed Understand God in a whole new way as you spend 52 weeks studying different aspects of God's divine character. As you study, you'll grow in your own walk with God, and your character will be shaped more into God's likeness. Through 52 studies that lead you to all parts of the Bible, you'll come to know the Bible's Author on a more intimate level than ever before—and in doing so, you'll gain insight into how the God of the universe cares about you specifically. The Encounter Bible Series introduces you to the three-in-one God as each volume dives deeply into a study of each person of the Trinity: God, Jesus, and the Holy Spirit. As you read these devotional study notes alongside the text of the NIV Bible, you'll begin to gain a fuller understanding of the God of the Bible. Features: • Full text of the NIV • 52 weeks of devotional readings about God the Father, including discussion questions and options for deeper study • Topical index

NIV, Encountering God Bible

Contains c-disc in back pocket.

Immanuel

Prayer that Enters into Gods Presence and Releases Breakthrough! Many people see prayer as a religious practice, not a fulfilling pleasure. For this reason, many breakthroughs stay locked up in Heaven. God longs to answer our prayers; He is simply listening for prayers that agree with His will. When your prayers come into alignment with Gods plans... Margie Fleurant teaches people about prayer that enters into Gods presence, accesses the strategies of Heaven, and releases breakthrough. She emphasizes that prayer is not a religious practice, but a divine encounter between you and God! In Encountering God Through Prayer, youll learn how to: Pray from the secret place: draw near to God and discover how breakthrough prayers are born in these intimate encounters Stand in your new creation identity: pray with new boldness and faith as you understand your position in Christ Rest in the Fathers love: stop striving in prayer and start simply enjoying the Fathers presence Practice powerful prayer: learn simple patterns that, when implemented, will help launch you into a more fulfilling prayer life No matter where your prayer life is today, you can have unlimited access to Gods presence and pray Heavens solutions into your world!

Encountering the New Testament

No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans. Over the years, these texts have been used to justify all sorts of violence: from colonizing people and justifying warfare, to sanctioning violence against women and children. Eric Seibert confronts the problem of "virtuous" violence and urges people to engage in an ethically responsible reading of these troublesome texts. He offers a variety of reading strategies designed to critique textually sanctioned violence, while still finding ways to use even the most difficult texts constructively, thus providing a desperately needed approach to the violence of Scripture that can help us live more peaceably in a world plagued by religious violence. --from publisher description

Encountering God Through Prayer

Designed to get students to read the Bible for themselves, this introduction to and overview of the Old Testament draws on the most recent research on the Hebrew scriptures to outline the historical, social, and cultural contexts out of which the biblical texts were produced.--From publisher description.
