F the Fairy Tale

From a popular dating coach and podcast host, a guide to dismantling the myths that get in the way of finding love Does dating feel like you're chasing a "happily ever after" that always seems out of reach? You're not alone: many modern daters are stuck following old rules, hung up on ideas like instant chemistry and "the One." In F the Fairy Tale, love expert Damona Hoffman helps readers break free of those dating myths—and write their own love stories. Drawing on nearly twenty years of experience as a dating coach, Hoffman reveals the four pillars of strong relationships: goals, values, communication, and trust. And she doesn't just tell readers what to do or not to do—she explains why, exploring the psychological and societal factors behind our behavior to help us break free of old habits for good. F the Fairy Tale gives you the tools to create the happy ending to your love story that's just right for you.

F the Fairy Tale

From a popular dating coach and podcast host, a guide to dismantling the myths that get in the way of finding love. Does dating feel like you're chasing a "happily ever after" that always seems out of reach? You're not alone: many modern daters are stuck following old rules, hung up on ideas like instant chemistry and "the One." In *F the Fairy Tale*, love expert Damona Hoffman helps readers break free of those dating myths—and write their own love stories. Drawing on nearly twenty years of experience as a dating coach, Hoffman reveals the four pillars of strong relationships: goals, values, communication, and trust. And she doesn't just tell readers what to do or not to do—she explains why, exploring the psychological and societal factors behind our behavior to help us break free of old habits for good. *F the Fairy Tale* gives you the tools to create the happy ending to your love story that's just right for you.

Break The Glass Slipper

In this paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. "How's love going to happen for you if you're just sitting on the couch watching Netflix?", Crista Beck says. "Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships." Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. *Break The Glass Slipper* is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, *Break The Glass Slipper* is a refreshing and powerful nudge for a generation to break our own glass slippers and lead healthy and powerful love lives.

Finding Happily; No Rules, No Frogs, And No Pretending

After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be ourselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to dating and relationships 'happily ever after' is not an ending; it's a journey." If you are ready to rethink dating and relationships and find love under your own terms, then this book is for you. If you are ready to stop doing "the rules," kissing frogs and pretending to be someone you are not, then this book is for you. This is the last dating and relationship book you will ever need! This is not another one of those dating and relationship how-to-guide that over promises, but under deliver. Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.

Happily Ever After

Find Your Inner Princess and Live Happily Ever After Don't let anyone tell you true love is a fairy tale. You can find the romance of your dreams, and this book will tell you how. In Happily Ever After, author Wendy Paris offers a contemporary spin on ten classic fairy tales, going behind the scenes with these legendary romantic heroines to show what they did to live happily ever after. Contrary to popular belief, fairy-tale heroines are not weak and passive. They are noble, brave, optimistic women who know that the formula for success in a chaotic world is to hold fast to their own beliefs despite what fate happens to throw their way. Ultimately, it is their character that saves them, not the prince on the white horse. Take Cinderella, for example. Despite having a less than ideal job, she didn't let bitterness and regret give her an ulcer, bad skin, and frown wrinkles. She knew "cinder maid" was a job title, not a life description. She didn't hide in her carriage, crying, "I can't go to the ball by myself! Everyone will think I'm a loser!" She had the courage to attend a party alone. At the stroke of midnight, she didn't cling to the prince's hand and wail, "Save me from my miserable life!" She had the confidence to know that if he liked her, he'd come calling. This humorous, heartfelt book shows women how to focus on their strengths and character rather than resort to manipulative strategies to "land" a man. The perfect antidote to negative dating guides that just don't work, Happily Ever After offers practical, empowering advice that's been proven effective for the last 500 years and is still relevant today.

Cinderella, You Bitch!

Break free from the fairy tale myths of love into the freedom of designing your own version of happily ever after--where you are the hero of your own story. Want to wake up from your slumber and take control of your romantic life? Then this book is for you. *Cinderella, You Bitch: Rescue Your Relationships From the Fairy Tale Fantasy* takes a humorous, heartfelt, and in-depth look at how the fairy tale narrative has created unrealistic and impossible relationship goals for ourselves and our partners--and how you can flip the script to find your own happily ever after. Part self-help, part history lesson, part transformational growth, this book illuminates how to break free from the spells cast upon you and provides tools to help uncover beliefs, patterns, and narratives that may be holding you back from being your true self, both in and out of a relationship. You'll learn to identify and work through your own fairy tale tropes, with the goal of breaking free from old beliefs and stories to rewrite your story and reclaim your freedom.

Cinderella Was a Liar: The Real Reason You Can't Find (or Keep) a Prince

This book goes beyond *He's Just Not That Into You* and tells women the reasons why certain men are not interested. A bold, witty, and candid approach to the search for Mr. Right--by a casting agent for TV's most popular dating shows. Exposes fairy tales for what they are--and shows modern women how to get past the fantasies to find real and lasting love.

Be Your Own Dating Coach

A relationship coach in a book Ever wondered why you make the same dating mistakes time after time? What seemed so promising at first simply dwindled into yet another disappointment. Or do you rarely get beyond the first or second date? Do you yearn for a long-term relationship but find yourself drifting from relationship to relationship? Or do you feel trapped when you really just want to have fun? Taking a step back from your busy life while taking a good yet honest and dispassionate look at yourself is never easy. *Be Your Own Dating Coach* is an upbeat, positive and humorous look at understanding yourself better, increasing your self-esteem, having more fun and getting the relationships you want and deserve. In short, it will show you how to coach yourself to a better love life. Written in two halves, one for men and one for women.

How to Create the Relationship of Your Dreams

Whether single or partnered, nearly everyone desires to create a dream relationship. Yet despite what people want, almost every relationship falls far short because we are stuck in our ego survival strategies. We use approval seeking behaviours to get love and validation from our partners instead of learning to love ourselves and self-validate. We use avoidance behaviours with our partners instead of expressing who we really are by saying and doing exactly what we want. Then we use blame and judgment when our partners don't give us the dream that we wanted instead of loving them unconditionally. Compatibility does make a difference in the quality of a relationship, but you can't create a dream relationship by finding the most compatible partner. Instead, you create it by learning to generate happiness and fulfillment from within yourself. You create it by learning to freely express your personality, assert your desires, enforce your boundaries, and state your opinions, feelings, and vulnerabilities. You create it by letting go of anger and judgment, and creating a safe environment for your partner to be who they are with you. These are skillsets that anyone can learn, and this book will give you the knowledge and tools to do it.

A Fairy Tale Come True: A True Story of Romance and Love

"My sweetheart I dreamt about Prince when I was a very young girl but then I understood that as a rule there are not wonders in our life. But now I understand that I have had a wonder because I met you." This is the story of two people on opposite sides of the planet who were both seeking to find love. Alla was born in Siberia. When she was a child, she moved with her parents to Chkalovsk, Tajikistan. Years later she found herself abandoned in the new Republic of Tajikistan following the break up of the Union of Soviet Socialist Republics. Life under the corrupt rule of the Communist Party officials had been difficult enough, but the terrible economic conditions combined with the rise of Islamic militants in the new country of Tajikistan led Alla to look beyond the former USSR for a mate. After many failed attempts, it was a letter from Tommy that changed her life forever. On the other side of the globe, Tommy was dealing with the emotional turmoil of the loss of his wife to cancer. Life without his best friend left him feeling empty. Encouraged by friends, Tommy set out to find someone to be his new best friend and partner. For Tommy, the dating scene was much different from when he was in his twenties. He did volunteer work and joined several groups to broaden his social network, but he had one problem. Tommy is usually mistaken as a much younger man, sometimes by as much as 25 years. So it was at the encouragement of a Fox News reporter that Tommy went to a website that made the claim that European women don't have an issue with age differences, whether real or perceived. Read the love letters exchanged between Alla and Tommy, and follow the progress of how they eventually joined each other in marriage.

Date Expectations

Dating can sometimes feel like you're riding a roller coaster. It's fast, it's nerve-wracking and at some point you just want to get off! Does dating seem more like a race or game than a pursuit of love? It can move fast, after all. And you have no time to waste on the wrong person. There are plenty of options with all the single men out there and endless ways to meet them! You don't want just any man - you want to find Mr. Right - either by swiping left through dating apps like Tinder, sorting through online profiles, Facebook friends-of-friends, Twitter followers, or even a four-minute speed date. If a man doesn't seem good-looking enough, or tall enough, or funny enough from a first impression, it's on to the next! Pretty soon, you're exhausted and frustrated from your search. You wonder why it's so difficult. You just want to meet the right person. And who can blame you?! While riding this kind of dating roller coaster may seem to be the best and fastest way to meet the right person, it doesn't work. *Date Expectations* examines how such anxious searching actually works against you. Maybe it's time to slow down your search and look more closely at how your habits create barriers to finding real love. Your long list of what an ideal partner should look or be like isn't the answer - maybe it's time to discover what you truly want in a relationship. *Date Expectations* will teach you the keys to more effective communication, which is at the very heart of relationship building. With expertise gained from hundreds of dating experiences and her years as speed dating host, Kelly shows how shifting our perspectives can make finding that special someone not only more enjoyable, but significantly more possible. *Date Expectations* gives refreshing insight, encouragement, practical suggestions and useful exercises for you to turn your dating life around.

A Fine Romance

Where is this thing called love? And how do you get there from here? For many it's an elusive goal that's over even before it has a chance to start -- but it doesn't have to be. In *A FINE ROMANCE*, nationally recognized psychologist Dr. Judith Sills shows how the whole agonizing and exhilarating process of love actually develops between two people -- and how the rules of successful courtship can be learned and mastered. Dr. Sills covers all the skills you need to develop the right relationship in the areas of intimacy, compromise, and commitment. She also takes you step-by-step through the five stages of a relationship: * **SELECTION** -- when you actively or passively choose a partner. * **SEDUCTION** -- the dating days when you and your partner decide if the relationship is romantic, platonic, or dead. * **SWITCH** -- that uncomfortable period when the pursuer backs off just as the partner responds. * **NEGOTIATION** -- when you both acknowledge your differences and try to find a decent way to fight about them. * **COMMITMENT** -- the negotiation to marriage. There is no one right person. There is only your ability to give and receive love. This book will help lovers learn how to do just that.

It's Okay to Sleep with Him on the First Date

Every Time You Go On a Date, you're faced with 347 "rules" on how to act, what to say, when to call him, when to kiss him, and how to play "the game." These rules do more than just insult your intelligence: they spread anxiety, breed insecurity, make us all more cynical and, worse, when you follow the rules you might overlook your match. In this empowering he said/she said guide, relationship experts Andrea Syrtash and Jeff Wilser help us take off the rules-colored glasses. The truth is men don't care if you sleep with them on the first date. (If they like you, they'll want to see you again.) How to find success in love? Don't trust the rules; trust yourself.

Forever In Love: Secret to Unlock Your Man's Heart and Make Him Desire You Always

We will go over the differences between men and women, so that you can learn to slip underneath his barriers. Communication is a vital part in this. Men and women communicate differently and when you talk to him on his level, that helps to forge that connection that you are seeking. Learn what he wants and how to give it to him. Learn how to convince him to put his defenses down, allowing him to connect to you better so that your relationship will last forever. He can and will be yours, thanks to the techniques in this book. Unlock his heart and make him yours.

Matchmaker Secrets

Have you ever asked yourself the question, "Why do some people appear to effortlessly find love, while others struggle in the dating scene?" Most people say it is good looks, success, age, or lack of baggage that are the keys to finding love, but are they right? The answer is, No! Those things are part of the equation, but the truth is they are not the determining factors for dating success. What are the factors that increase your odds of finding love? After 30 years of combined experience, Certified Matchmakers Elizabeth Cobey-Piper and Susie Hardesty have discovered the secrets to finding love. Through watching thousands of singles succeed and fail in their quests for fulfilling relationships, one thing became clear: It is how you approach the dating process in six specific areas that makes the difference in your success. This groundbreaking discovery is the Six Predictors of Dating Success. In just one conversation with you, these insightful matchmakers can use these six factors to predict your likelihood of finding love. In their book Matchmaker Secrets, the Six Predictors of Dating Success, Elizabeth and Susie, will take you on an exploration of these powerful concepts and show you how each Predictor plays a crucial role in your own success. In this straightforward, yet warm and sometimes

humorous book, these loving and fierce cupids share the inspiring real-life stories of how their clients used the Six Predictors to find love. Through strategic recommendations and practical advice, they explain how to use the Six Predictors to empower you in your search for love, transform your dating experience, and help you reach your goal of a fulfilling relationship. In this book you will discover: Why you haven't been successful in the past The pitfalls of modern dating and how to avoid them How to turn the odds in your favor How to enjoy the dating process Most importantly, how to find love Join Elizabeth and Susie on this transformative journey through the Six Predictors, learn their matchmaker secrets, and realize that you have the power to change your dating experience and find love.

Finding a Guy Like Gilbert

At age thirty-three, plagued by severe OCD, Penelope Winters felt she was doomed to remain single forever. For the first time, she sought outside help by signing up for a course. This was the first step of the journey that would literally change her life. In that class, she formed new friendships and perspectives that empowered her to take the next step, and the next. Today Penelope is happily married. Looking back upon the journey that led her to where she is today, she became inspired to chart this path for women who are just like her-unlucky in love but unwilling to let go of their dream of being loved truly and well. Through a creative, multipronged approach (incorporating therapy, meditation, affirmation, drawing, singing, and various other practices) Penelope learned to love, accept and embrace her true self. She came to anticipate the love, respect and devotion of a wonderful man, who would eventually appear in her life as if by magic. But it wasn't magic that brought Penelope her perfect match; she shaped her own destiny, and you can find out exactly how she did it. Finding a Guy Like Gilbert - a Dating Manifesto is a self-help guide for the woman who thinks she has tried everything and is almost ready to give up looking for love-but not quite yet! You have dated all the wrong guys and you're more than ready to meet the right one, but lately you feel so jaded that you honestly wonder if there's anyone out there for you or whether you'll recognise him even if he appears. The truth is that you've been out there for so long that you've likely developed some attitudes and patterns that may be sabotaging your chances. With all the warmth and wit of a tough yet kindhearted big sister, Winters takes you by the hand and walks you through the steps of opening your mind and your heart to prepare for love. You'll get honest answers to your questions about dating. Should I proactively search for love or patiently wait for it to come and find me? How much time and money should I spend preparing for a date? Should we be discussing politics and philosophy on the first date or sticking to small talk? You'll be prepared for the issues that commonly arise once you're a bit deeper into the relationship. Is he still in love with his ex? Is jealousy ever okay? Why can't he seem to take a hint? This book spills all of the valuable dating intel that Penelope and her friends have accrued across the years. Everything they wish they would have known back then; you can know right now. This clear, step-by-step guide shares best practices, dating dilemmas, and common pitfalls, illustrated by real life experiences and anecdotes. You'll know how to stay safe and maintain your sense of self, sanity and humour while navigating the world of dating. You'll learn how to attract your ideal partner into your life and how to be ready for him when he manifests. You'll rediscover your sense of excitement, hope, confidence and joy, while having a lot of fun and getting to know yourself. "Penelope Winters takes you on such a heartfelt journey through the challenges of finding your happily ever after. You feel as though she is accompanying you every step of the way. Penelope's valuable tools and warm, open-hearted support make this a must-read for anyone looking for love!" Debra Newell. Debra's incredible survival story, told in 2018's breakout Bravo Series "Dirty John" is known worldwide. She is a tireless advocate and helper to women trapped in abusive and coercive control relationships. "Finding a Guy Like Gilbert - a Dating Manifesto" is a delightful little book that I found completely relatable. Definitely an eye-opener. As I go through my own book of revelations I find myself thinking of this book! A beautiful, short read." Sommer Wayne Dyer. Daughter of Dr Wayne Dyer, artist and student. Truth in Dating

Millions of single people — whether never married or divorced — put a lot of energy into meeting and dating new people, but because they don't invest their true selves, their efforts often go nowhere. To counter this trend, Susan M. Campbell presents an approach to dating that many consider radical: Be honest about yourself and ask for what you want, up front. Campbell shows people how to have fun by flirting truthfully; date without getting ahead of the relationship; enjoy the freedom of being themselves; relate to their dates with honesty; realistically examine what a romantic partner can — and can't — offer in the way of fulfillment and happiness; and move forward when the time is right, or say goodbye if it's

not working. On the way to finding the love of their lives, readers gain the tools they need to successfully manage the entire process.

You HAVE a ROMANCE REQUEST

Find your best romantic adventure yet at the next swipe... Have you signed up on dating platforms in the last few months but barely got a call-back, much less a date? Are you tired of matching with people who just add to your bad date experiences? When you try to find love online, do you do everything you need to do including subscribing for premium services only to end up with bottom feeders and creepy personalities who leave you exhausted, frustrated, and underwhelmed? If you answered 'yes' to any of these questions, you are not alone. Millions of people are failing woefully at finding love online despite the numerous options available. But as staggering as that number is, a significant number of people have met the partner of their dreams through these same platforms, and you are about to learn how they achieved this successfully. Love is a beautiful thing, and you deserve to experience it abundantly in your life. And in this book, you will get the answers to questions you have been asking and solutions to problems you probably weren't even aware of. You Have a Romance Request is Gracey Wright's online dating formula that addresses some of the common mistakes people make when dating. It highlights critical aspects of setting up your dating profile that could change the outcome in your favor and provides you with a detailed guide on how to weed out unlikely matches before you make any kind of commitment. By reevaluating your expectations, profiling past experiences, and setting clear boundaries, you can turn your next online dating adventure into an experience that materializes your most romantic fantasies. This dating formula is designed to help you manifest your relationship goals whether they are long or short term. They help you integrate important life skills that can be extended to your non-romantic relationships as well. That is because you will be taught important communication skills that help you express yourself in a way that fosters healthy relationships. Gracey Wright is a firm believer in every individual being the key to their happiness. Her theory is that the true path to unveiling this key is finding love within yourself first. No matter your goals in life; finding true love, becoming financially independent, losing weight or just being happy, the starting process for that journey is reaching for the love within. By developing a keen understanding of who you are and what your values are, you put yourself in a better position to receive the kind of love you truly need besides the generic definition of a fairytale kind of love. In this book, not only are you going to learn how to find love online, but you will also uncover how to recognize unfeigned love in other people. You will learn how to establish genuine connections with people through your phone or computer screen and more importantly, how to transition your newfound love from the digital space into real life without compromising your safety, sanity, and sense of self. When it comes to searching for wholesome and healthy love digitally, You Have a Romance Request is exactly what you need.

The ABCs of Dating

ARE YOU NEW TO DATING? ARE YOU ACTIVELY DATING BUT NOT FINDING SATISFACTION AND FULFILLMENT? ARE YOU RE- ENTERING THE DATING WORLD? ARE YOU CONFUSED BY WHAT YOU HEAR AND READ AND AS A RESULT FEEL ANXIOUS? ARE YOU DATING TO FIND LOVE AND COMMITMENT? This is the book for you! The ABCs of Dating is a guide for men and women that recognizes and reveals the separate and unique stages of the dating process and provides insightful strategies to help you attain your relationship ideals! The A phase starts with the self-reflective work necessary to date mindfully with more fun, enjoyment and confidence. The B phase is bonding more closely with a potential partner and about creating a like-mindedness based on trust and intimacy. The C phase speaks to beginning a commitment when the relationship is right and how to keep love alive. The ABCs of Dating is a book to read for comfort, encouragement and as a compass for how to move forward in a new, empowered and creative way to find the love you deserve. Brenda A. Her creative strategies, outlined here in The ABCs of Dating, have helped many men and women struggling in the area of relationships and complex dating issues. She has led many singles to find new meaning in their quest for love. Couples who have worked with Brenda have found happiness and connectedness within their relationships and marriages. In addition to general therapy, she deals with sexual and intimacy issues in individuals and couples and is experienced at addressing themes of non-functioning elements within relationships to empower positive change. Working with all ages and different cultures and backgrounds, she is highly adept at understanding and illuminating the dynamics of the power of love

Why Mr Right Can't Find You...and How to Make Sure He Does

Mr Right is out there now - and the woman he wants is you. Yes, you...as you are right now; not when you've lost weight, or when you know more about football or cars! Why Mr Right Can't Find You... exposes the classic myths of dating and reveals the surprising secrets of true compatibility, giving you the tools to eliminate the Mr Wrongs and, more importantly, recognise the perfect man for you. No more playing games or second-guessing, with this book you will discover that any time is the right time to meet Mr Right, that online dating can be the most successful way to find a partner and, above all, that your ideal mate is out there now, looking for you. You just have to go to the right places... Witty and down-to-earth, this practical guide will turn everything you thought you knew about mating and dating on its head.

How to Get Her Interested in You

Love, the topic of thousands of novels for many centuries, as well as one of the most discussed subjects in our society today, is still being widely misunderstood. As the number of single people in the world increases, scientists have tried to identify the causes that make anyone fall in love without any success. What they did find were tendencies that this book reorganized in order to lead into a specific path. We do know by now that love is basically a subjective experience depending foremost on personal assumptions. Nevertheless, if we combine what many experts have found, it's possible to reach a certain number of practical deductions. With this information in hands, we can dramatically increase our chances of finding the ideal partner. Considering such premise, the steps here presented describe a combination of scientifically proven facts that intend to show the easiest and quickest way to find a partner. The informational content clarifies the interaction of thoughts and behaviors between both genders, while describing the whole perspective of what seduction is, allowing a better control of the dating game. Dating is, above all, an experience of self-acknowledgment and it's based on this principle that this book proposes a self-analysis to our attitude towards finding it and overcoming personal barriers.

Vivvy and Izzy the Dwarf: A Series about Relationships Book 1: Out of the Forest and Into the City: A Fantasy Novel

Are you experiencing problems in your love relationship? If so, then this is the book for you. It will inspire you to find a way to move forward. While Izzy the dwarf gives this fantasy novel with romance a certain fairy-tale nature, he is really just a friend providing useful advice to the young woman Vivvy and her husband Felix. And true to life, there are no magical interventions by Izzy or the wizards who teach him how to guide Vivvy and Felix. The couple gets all the couples therapy they could want, but they still have to find a way through their conflicts on their own. This novel is a fairy-tale after the fairy-tale. It shows the reader what happens after the lady and her prince charming have found each other. This fantasy novel about relationships will enrich you with human emotions viewed under a microscope. You will be able to relate to Vivvy and Felix in many everyday situations and also in more peculiar ones. Moreover, the two characters will show you that when there is a will, there is a way, sometimes a long way.

A Singles Cinderella Story: (Or How to Find Love Without Losing Yourself)

El Casey and her best friends Leticia and Teresa are back in this sequel to A Salary Cinderella Story (Or How to Make More Money Without a Fairy Godmother). Told in the same parable format as the first book, A Singles Cinderella begins six months later when Teresa announces her engagement, which sends the single El on a quest to create her own personalized Master's Degree in Relationships so she can understand the ins and out of dating, love, sex, and successful matches. Through literature searches, including the works of Byron Katie and Jen Sincero, original research in online and in-person romance, and hearing experts like Deborah Tannen speak, El and her friends drink, laugh, and learn their way through mastering relationships with themselves and others during the search for love. (And readers end up with helpful guidelines and tools for what could be their own personalized relationship Master's Degrees.)
