Landscape designing from scratch? It's important to start with use, first, to come up with ideas > Landscape designing from scratch? It's important to start with use, first, to come up with ideas ✕y Garden Project Academy 44,678 views 1 year ago 12 minutes, 32 seconds - Landscape, designing from scratch? It's important to start with use, first. How you plan to use your **landscape**, or spend time in it, ...

What do you want to do in your outdoor space?

More interesting than their answer is their reaction to the question.

If you are going to all the trouble of re-designing and customizing your yard, it should be based on your needs and goals and plans.

Think carefully about your goals for the space and how they can influence the design

Learn from your landscape
