Toward Happier Choices

Toward Happier Choices by Michael Oborn is an ambitious collection of feminist and humanist narratives hoping to derail millenniums of dogma supporting cultural divisiveness and the suppression of women's human rights. Oborn's text is a thought-provoking, page-turner.... [He] explores themes such as women's rights, the pollution of the oceans, and the myth told about coffee. Oborn's narratives convey his search for meaning in his life after he strips himself of his religious moorings. Far from being didactic stories, the majority are short and amusing narratives that share the shift of his perspective from a religious, stereotypical, and impersonal lifestyle to one that was indulgent, passionate, and enervating. His first chapter, "Christopher Plummer and the Mormon Apostle" is an engrossing narrative that muses upon his innate life calling as opposed to his imposed life calling. The author's narrative drips with irony, as he equates the drama of a lead actor in Hamlet to that of the mesmerizing performance of the Mormon Apostle. His next story is a heart-breaking tale of his search for employment after his divorce. I particularly relished that Oborn's book is a covert declaration of war on debilitating fundamentalist philosophies and misogynistic religious doctrines. His revelations of the nerve-racking struggle to survive and thrive amid a torrent of guilt and impotence in the arena of independent and critical thinking engendered from his Mormon background... I felt that his expositions unveiling the philosophies he considered as possessing genuine wisdom and universal truths were logical, wholesome, and transformational. One of the indelible lines etched in my psyche from Oborn's refreshing text is the following, "The ludicrous belief that one man will have many wives makes of her a commodity and of him a sadist." Oborn's memoir about Sin City is perhaps one of the most amusing, incredible and endearing stories, I have ever read. This book of narratives is ideally suited for adults as the author in expressing angst at life's improbable situations sometimes used profane language. This book is for readers who are open-minded and willing to engage in critical thinking. Paulette Reefer Author and Vice Principle, Dept of Education, University of The West, California

16 Happy Choices

How We Choose to Be Happy

Now featuring new research and the most current information on the science of happiness, this book presents an outline of the nine choices happy people consistently make. Also included are tools for self-assessment to allow readers to measure happiness-and to find out what might be holding them back from having more of it. Insightful, intimate, and inspiring, How We Choose to Be Happy lets readers learn by example, and take substantial steps toward joining the ranks of the extremely happy.

The Happiness Choice

Discover the path to a happy life, from a woman who overcame the odds and achieved a joyful life. Author Marilyn Tam takes what she learned from being an unwanted, neglected, and abused child in Hong Kong to become an international business success and humanitarian who is happy, healthy, and at peace with herself. In The Happiness Choice, she teaches readers how to live the life of their dreams. This book reveals the principles, tools, and philosophies she has used to achieve a balanced, healthy, and joyful life. People want contentment, love, and happiness from meaningful work, personal relationships, healthy mind and body, a spiritual core, and a reason for living. Tam details a path to get you there. Offers overall perspective, inspiration, and support to help people achieve their dreams. Packed with personal stories and advice from Tam, celebrated entrepreneur and sought-after speaker and consultant, working globally with Fortune 500 companies, governments, and non-profit organizations. The Happiness Choice, is filled with stories, tips, and insights on how anyone can live the life they've dreamed of living—a happy, healthy, successful, and dynamically balanced life.

Choose the Life You Want

What kind of life do you want for yourself? What choices will create this kind of life? In his New York Times bestseller Happier, positive psychology expert Tal Ben-Shahar taught us how to become happier through simple exercises. Now, in Choose the Life You Want, he has a new, life-changing lesson to share: Drawing on the latest psychological research, Ben-Shahar shows how making the right choices—not the big, once-in-a-lifetime choices, but the countless small choices we make every day almost without noticing—has a direct, long-lasting impact on our happiness. Every single moment is an opportunity to make a conscious choice for a happy and fulfilled life. Choose the Life You Want covers 101 such choices, complete with real-life stories, to help you identify and act on opportunities large and small.

Happiness is a Choice

This book provides an occasion for the reader to pause, think and appreciate the worth of life as well as all the gifts of life that we otherwise take for granted. It is an effort to analyse the factors that lead to 'Happiness' and highlight the important aspects in our day-to-day life, which have the potential to make life full of joy and happiness. The objects of happiness are spread all around but the choice to be

happy is a conscious decision and the option to choose it lies with us. Happiness is floating all around us. We just need to be open and receptive towards it&we need to let it alight upon us!

A Choice Theory Psychology Guide to Happiness

This book is about how to make yourself happy. The meaning of happiness is uniquely examined from a Choice Theory perspective. Defining happiness is a somewhat difficult task because no two people experience it the same way. In this book, the author shares the personal stories of twenty, very different people, who have written about what happiness means to them and why they are happy. The author explains how different aspects of Dr. William Glasser's Choice Theory are demonstrated in every story. This reflection is followed by a Choice Theory Take Away where the author gives the readers information about how to immediately use these Choice Theory ideas in their own lives. In the Preface of the book, the basics of Choice Theory are briefly explained as a reference point. But the stories clarify the ideas and help the reader more fully understand Choice Theory and how to use it to make themselves happy.

Choice and Consequence

Life is a series of moments guided by our choices. Do you know your designed path, are you on it? Would it be a good idea to know? I think so and I will tell you the how and why to your destiny. Happiness is your destiny and you can get there. Change your choices and you will change your life. This book is either intense or light reading, preferably light the first time. It is your choice to take the next step. Make no mistake, you are where you are in this life as a direct result of your choices, good or bad. The ending can and should be happy. Here is how, hard or easy, to make it so. This book is for everyone that wants to be happy. Deep down, all-consuming happiness is at your fingertips. The funny thing is that you are reading this and you choose to keep reading. Why? Can you be happier, regardless of your current place in this life? The short answer is a resounding YES! Will you do what is necessary to get there, why or why not? Life, literally, is not for the faint of heart. Choose happiness every step of the way. This book will give you a step by step process to ensure that you are happy.

You Are Your Choices

With her 25th book, lifestyle philosopher Alexandra Stoddard offers simple steps for taking charge of your life—your way. In brief essays filled with useful examples and optimism, she reveals 50 choices you can make to live joyfully in pursuit of what is true, good, and beautiful. As a pioneering writer and lecturer on personal happiness for the past twenty years, Alexandra has inspired millions to break the "rules" and pursue fulfillment. Now, as scientists have begun to discover the benefits of living a happy life, Alexandra provides practical ways to live happily every day. She puts us in charge of our choices, reminding us that we always have a choice about what we think, feel, and do. When we are true to ourselves, we can fly above stress and conflict, contented and confident that we are the right path. Featuring essays that help us trust ourselves ("Intuition is your guiding light"), stay steady in a storm ("Your choices count most in a crisis"), embrace the new ("Accept opportunity"), address unfinished business ("Have as few regrets as possible"), surround ourselves with delights ("Redefine what is beautiful"), and remember to have fun ("Cheap thrills are thrilling"). Every choice you make is an opportunity to delight in life. You Are Your Choices offers insight and companionship each step of the way.

Rejoice Every Choice - Skills To Achieve Success, Happiness and Fulfillment: Book # 2: How to Achieve Peace of Mind

A PERSON IS LIMITED ONLY BY THEIR CHOICES IN LIFE! Happy By Choice: 50 Proven Ways To Achieve Lasting Happiness

"Happy By Choice" is a comprehensive guide to finding joy and fulfillment in everyday life. With practical tips and actionable advice, this book offers readers a variety of strategies to cultivate happiness in their lives, from connecting with loved ones to engaging in creative projects and learning new skills. Through the power of positive thinking and intentional actions, readers can discover the happiness that they deserve. Whether you're seeking simple pleasures or life-changing experiences, "Happy By Choice" is the ultimate resource for anyone looking to live their happiest life.

Happiness Is a Choice-Let It Be Your Choice

Do you feel that happiness is an illusion, something that is hard to attain and impossible to maintain? I am here to tell you that just isn't so. You can be happy every single day of your life with just a few adjustments in how you think. In this book I will give you a simple guide on how to think and focus your thinking so that you can enjoy your life, enjoy the people in your life and most importantly be happy on a daily basis. Life is very short as we all know, but if you take the time to pay attention to how you think you can avoid the unhappiness that surround so many. The choice is up to you. Wouldn't you like to spend your time here enjoying your life? I know I would. Decide now to make that change.

Better Choices, Better Life

A person's reactions to events determine whether that person will be happy. This book is about learning to deal with everyday problems and experience feelings without engaging in self-defeating thinking or behavior. You will learn how to handle problems differently. You will learn how to recognize the early stages of self-defeating behaviors and how to eliminate those behaviors by changing your reactions. You will learn to deal with feelings instead of ignoring them.

Happiness Is a Choice

Happiness lies within each individual--and possessing it is within everyone's power, according to the founder and director of the renowned teaching center The Option Institute. Kaufman--bestselling author of *Son-Rise* and other books--offers an effective six-point plan for making happiness a permanent part of life.

Your Success Your Choice

"Robert Trautman has packed a lot of living into his time on earth. In the first section, Trautman lays out his 'Principles, Practices and Philosophy'. Here he outlines his 'how-to-live' beliefs, which range from the mundane to the insightful. There's a sweetness to many of these passages, particularly Trautman's stories of the childhood antics he shared with his identical twin brother, Bill." BlueInk Review "Those looking for some new ways to enhance their lives will most likely enjoy this methodical book on how to achieve success. A variety of people may benefit from reading Robert C. Trautman's book, from parents and teachers of school-age children to individuals who just want to improve their lives. He then delves into each principle in section 1, some of which seem to be common sense, but others of which are fresh; 'Consider your life as a series of short stories.'" Clarion Foreward Review "Trautman proves to be a good storyteller throughout his book. His greatest strength, however, is his ability to elucidate technology. A section on display monitor metrics, for example, leads unexpectedly to insights about light and the human eye. He sums things up by revealing that 'the meaning of life is to live a life of meaning!' even though there is 'nothing after we die...No afterlife. No heaven. No hell.'" Kirkus Indie Review Learn how to... Set long-term & short-term goals toward success and happiness Create an efficient path toward those goals Set up and maintain an effective budget allowing you the means to reach your goals Get rid of acne once and for all, improving your social happiness Get more energy by losing unwanted weight effectively, efficiently, and safely Your current level of success (or failure) is the product of the choices you've made throughout your life. "Your Success - Your Choice" provides a practical guide designed to help you make the choices that lead most directly to greater success and happiness. Success is a choice. Make it yours!

The Paradox of Choice

Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

I Decided to Be Happy

I believe that happiness is a choice. In this book, we will explore your unlimited happiness, your birthright to happiness and ways that you can create a blueprint for happiness. The ups and downs of my life have taught me to DECIDE to be happy. That decision has made my life just a little bit easier, especially during difficult times. Life became a lot more fun when I consciously decided to be happy regardless of what's going on. What you think about you bring about and what you put your attention on will expand. So, choosing to find and be happy regardless of what's going on can be one of the best decisions of your life. It has been for me! It's not always easy to be happy. Certainly, there are times when things are painful, sad, tough and heart-breaking - so you're not going to be dancing about singing a happy tune! However, when you're faced with challenges, you do have a choice of how you're going to respond and act, rather than react. The blueprint for happiness really works. I have certainly tested it often enough to know. Choosing to be happy is the basis for happiness. Becoming aware of what you already have and dreaming and planning for what you want, makes all things possible and it comes from doing and becoming a Manifesting Princess and having the mindset that you deserve happiness. When you take back your power, you are deciding to become consciously aware of how you are living your life. No

longer do you want to be around the negativity from yourself and from others. You are done with being financially broken, emotionally bankrupt and physically disadvantaged by your vices. You have decided that you are truly worth knowing, loving and having all the happiness that you want. This is the 8th book in the Manifesting Princess series of books. It's my hope and prayer that this book will help you create the best version of your dreams come true so that you'll truly have the life of your dreams!

Make a Choice

A PERSON IS LIMITED ONLY BY THEIR CHOICES IN LIFE! Rejoice Every Choice-Skills To Achieve Success, Happiness and Fulfillment reveals the simple, easy to follow choice-making formula created and personally used by author, Galit Goldfarb, which allowed her to go from having literally nothing in every important aspect of her life to achieving success in all areas. If you want to achieve success and happiness in every aspect of your life, from health through to money matters, relationships and peace of mind; the practical lessons in this book will show you how to significantly improve them all because everything In Life Depends On Your Choices. This book will teach you how to make the best choices that will lead you to financial independence quickly and easily.

Rejoice Every Choice - Skills To Achieve Success, Happiness and Fulfillment: Book # 5: How To Create Wealth and Abundance

What if you had the secret to happiness? In Be Happy By Choice, veteran trial attorney and television personality Mark Eiglarsh shares his simple and effective strategies and perspectives you can use today to live a happier life. Mark's engaging stories from the courthouse and the tale of his own journey from grief to gratitude offer an inspiring roadmap for those seeking more out of life, work and love. Whatever the root of your discontentment may be, happiness is a choice. The formula Mark provides is what you've been looking for, ensuring happiness guaranteed...or your misery back. Mark Eiglarsh, a formerly unhappy guy, made a career out of solving everyone's problems but his own. Now this successful trial lawyer, television and radio on-air legal expert, adjunct law professor, devoted husband and proud father of three has reclaimed his happiness. Mark has passionately made it his life mission to share with others how they can lead happy, healthy and successful lives, in spite of whatever challenging circumstances they may be facing. A transformative speaker, Mark dazzles audiences with his infectious enthusiasm, unique humor and heartfelt authenticity. He's guaranteed to make you laugh and feel inspired while providing you with the tools to increase your happiness levels, reduce stress, and improve your relationships at work and home.

Be Happy by Choice

Amid confusing and alarmist media claims about our changing culture, Claude Fischer sets the record straight on social trends in America. The promise of America has long been conceived as the promise of happiness. Being American is all about the opportunity to pursue one's own bliss. But what is the good life, and are we getting closer to its attainment? In the cacophony of competing conceptions of the good, technological interventions that claim to help us achieve it, and rancorous debate over government's role in securing it for us, every step toward happiness seems to come with at least one step back. In Lurching toward Happiness in America, acclaimed sociologist Claude Fischer explores the data, the myths, and history to understand how far America has come in delivering on its promise. Are Americans getting lonelier? Is the gender revolution over? Does income shape the way Americans see their life prospects? In the end, Fischer paints a broad picture of what Americans say they want. And, as he considers how close they are to achieving that goal, he also suggests what might finally get them there.

How We Choose to be Happy

In The Power of Choice, her most personal book to date, bestselling Dutch author (200,000 copies sold), psychologist and former model Kelly Weekers invites readers into her private life and shares her thoughts on friendship, ambition, parenting, love, loss, self-esteem and more. The book feels like a nice chat with a good friend: without telling you what to do, Kelly helps you explore how to make your own right choices and take back control of different aspects in your life.

Lurching Toward Happiness in America

You opened this book, because you were curious about how you can be HAPPY or HAPPIER than what you are now. Well let me tell you right now, DON'T BELIEVE ANYTHING I SAY just apply or do some of the exercises I recommend and IF, just if, you become happier, then start applying and using these principles EVERY DAY. Something inside me from a very young age was telling me that I either wanted, desired, was able to, had to be, had already inside of me, THE POSSIBILITY OF BEING HAPPY. And you too, have the same possibility of being HAPPY. So why am I qualified to write about happiness? Well from my childhood, I started practicing being happy for no reason. I have read books, I have gone to seminars, I have studied NLP (Neurolinguistic Programming; a science of the subconscious mind) and I have practiced what I have learned. Because of the practice of these principles that I am going to describe in this book, I have been able to create happiness moment by moment even in the most difficult moments of my life.

The Power of Responsibility

Thaler and Sunstein offer a groundbreaking discussion of how to apply the science of choice to nudge people toward decisions that can improve their lives without restricting their freedom of choice.

The Power of Choice

The Choices Workbook is designed to help you balance, manage, and improve your choices by guiding you through chapters 5 and 6 of The Happiness Journey. What impact does my explanatory style have on my choices? Why does money feel like both a burden and a benefit? How can I make better choices? Find the answers to these questions and more with the Choices Workbook. Our choices determine our experiences, and our experiences define our lives. With the Choices Workbook for The Happiness Journey, you can incorporate scientific discoveries about choices into your own life. You have the power to balance, manage, and improve your choices. But it all starts with you. happier.

Choosing Happiness

"Tough Decisions" is a personal journey and a gradual process for young women to find themselves within these confusing times. If you are struggling toward making right decisions you will find by reading this book that ultimately learning to make wise choices will give you peace of mind. Reading through these chapters will give one a sense of accomplishment and sense of self. Within the contents of "Tough Decisions" you will truly find out who you are, how to start building a life that give you ways to do this, choosing friendships that will give you positive support, developing self-respect that leads to confidence, understanding why self-respect is vital to your happiness, learning how to meet your goals without stressing out, and developing spirituality. "Tough Decisions" offers awareness into the process of attaining personal growth through stories, choosing fun activities outside of school, accounts of young women nationally as well as international, insight into the value of children's stories, and why emotional maturity will lead to better decisions toward partner commitments and relationships. Endorsed by: Larry Dossey, MD -- Author of nine books, Diplomat, American Board of Internal Medicine. Award winning Producer of The Power of Purpose and If I Were Brave. David was elected in the prestigious Speaker hall of Fame.

Nudge

A common goal in life is to be happy... to find and create happiness that can develop into joy. This insightful book gives a fun perspective on happiness, and how to enjoy life now and in the future. The author's real life examples, insights, and strategies make it easy for anyone to increase his or her happiness and understanding of what it means to be happy. Covering various topics such as relationships, pleasure, feelings, behavior, choices, positive thinking, and gratitude (and so much more), this book is a great investment for any reader. Road of Happiness is a must-read for anyone desiring personal improvement as they seek to lead a happier life.

Choices Workbook for the Happiness Journey

The internationally renowned author of *Choosing Happiness* shows how a little bit of everyday kindness can help us tackle the pressures of the modern world—providing the insights, reassurance, and the means to worry far less and enjoy life more. Change your life with *Everyday Kindness*. Virtually every moment of our greatest well-being reflects the giving and receiving of kindness. At home, work, and in the wider world, there are countless opportunities when a moment of consideration or kindness—given or received—will transform your day. Whether it is a hard time to be endured or a wonderful time to be shared and celebrated, it's our willingness to think well of ourselves and act kindly toward others that makes all the difference. In this intimate, deeply encouraging book, author Stephanie Dowrick takes kindness as her inspiration and theme and shows us how to bring the practice of kindness into our daily lives. This simple act, Dowrick illustrates, is vital in helping us grow in self-confidence and appreciation, make the best choices to support our physical and emotional well-being, find pleasure in our work and in our relationships, and experience more authentic love. *Everyday Kindness* provides the reader with the spiritual and psychological tools to make a calmer, happier, and more rewarding life immediately possible.

Tough Decisions for Young Women

The path to an unhappy life is bridged by the consequences of our own choices. Why are choices so important? Why do we need to consider and weigh our options when we make these choices? The answer is simple. Because we desire to lead content and happy life. This book will help you understand, the importance of choices and the role they play in making us who we are. It is not a life journey, but the lessons so learned that is shared in this book. Expectations of who we desire to be, who we become, choice to compromise, protect the relations and bonds despite all odds, this book will deal with a variety of situations, our choices are challenged and hence decide the path to a happy life. Life is a game of choice, either we play to win or we lose to learn. What is your choice going to be?

Road of Happiness

Transform your relationship with money into one that powers true wellbeing. Money can buy happiness when you spend it on wellness. In *Happy Money Happy Life: A Multidimensional Approach to Health, Wealth, and Financial Freedom*, celebrated writer, speaker, and entrepreneur Jason Vitug delivers an exciting and practical discussion at the intersection of our mental and emotional health and our money. You'll explore the importance of physical and spiritual wellbeing, the interconnectedness of environmental comfort, meaningful work, and social connections as you learn to live a healthier, wealthier, and happier life. With insightful takeaways from happiness research, you'll understand how money weaves itself into every aspect of your life and how you can masterfully use it to choose happiness. In the book, you'll find: Descriptions of the 8 dimensions of wellness and a hands-on framework you can use to achieve your financial and life goals 4 key principles to living a happier life A holistic strategy for transforming your relationship with money into one that improves every aspect of your wellbeing An indispensable roadmap to mental strength, physical health, financial success, and emotional intelligence, *Happy Money Happy Life* is ideal for professionals, managers, workers, executives, and other business leaders ready to explore the possibility that life is about joy and happiness, not merely titles and salaries.

Everyday Kindness

Happiness is a result of our own thoughts and actions. But how do we teach that to children. The *Happiness Workbook for Kids* is the key. In this insightful yet easy-to-read workbook, Maureen Healy teaches kids how to become happier despite the everyday obstacles, frustrations, and big emotions that often challenge their ability to make good decisions. With the tools inside, children will learn how to constructively express their emotions, bounce back from challenges, and move toward happier life experiences. Intended for elementary and middle school-aged children, this workbook simplifies complex ideas so children can: - Cultivate self-awareness - Enhance emotion regulation skills - Build resilience and self-reliance - Develop habits of happiness - Make smart choices (even with tough emotions!) By harnessing the awesome power of happiness, this book will help kids recognize how smart, strong, and capable they are of creating their happiest life.

Rewind Choices. Forward Happiness

Delightful words, wisely crafted and carefully chosen. This book will bring a little ray of warmth to your day and these gorgeous girls, so lovingly created, have contagious smiles. This book reminds us of how

important gratefulness is to our happiness, and that we are in control of our choices. This charmingly illustrated collection of joy quotes and reflections makes a thoughtful gift book for someone special, or just for you. It makes a delightful addition to your coffee table books, offering bite-sized tidbits of inspiration as you need them. Joy is one of those intangible, magical qualities that can so enrich our lives. This selection of whimsically illustrated quotations and reflections will guide you to consider what joy means to you and help you to live your most joyful life.

Happy Money Happy Life

Happiness, like health, is our natural state of being. Health is not a burden for us unlike its opposite--disease. Since we are most comfortable in our natural state we seek happiness which is not a burden. To be happy, what is needed is to eliminate unhappiness which is an intruder. It is similar to getting rid of a disease and health automatically makes its appearance. Unhappiness is an intruder and it intrudes as a penalty we have to pay for transgressing the law of creation. The law is that the creation is an integrated, interrelated organic whole just like a human body. Every cell works for the benefit of the whole body and the body does everything to protect and preserve each and every cell resulting in happy, harmonious coexistence. We transgress this law and create disharmony by feeling and acting as independent, separate, isolated entities from the rest of the creation. Thus we are violating the law because of our ignorance. Unhappiness is the penalty we pay for transgressing the law that the whole of the creation is an integrated, interrelated organic whole. The remedy: To be happy we should live in conformity with the law of creation namely, that the creation is an integrated, interrelated organic whole. To live in conformity with the law we have to bring about a cognitive change in our thinking and the resulting changed thinking should be followed by a transformation in our lives. The change requires us to become more and more inclusive by developing divine qualities like kindness, compassion, sharing etc. and shunning the opposite qualities. We are free either to conform or resist the law of creation. The choice is ours. In summary we are responsible for our happiness.

The Happiness Workbook for Kids: 24 Fun Activities to Help Kids Focus, Make Smart Choices, and Bounce Back from Challenges

We are constantly being told that happiness should be our goal, and how we can achieve it. But does the advice of happiness 'experts' really work? Sophie Scott, the ABC's medical reporter, roadtests the most popular methods to find out. We are constantly told that happiness should be our goal, but how can we achieve it? Does the advice of happiness 'experts' really work? that is what Sophie Scott decides to find out. Exploring the science of happiness, the ABC's award-winning medical reporter gets inside the ideas of leading happiness experts, including Buddhist monk Mathieu Ricard (the 'world's happiest man'), psychologist Dr tim Sharp (aka 'Dr Happy') from the Happiness Institute, and Assistant Professor Alice Domar from the Harvard Medical School, to discover the best ways to achieve and maintain happiness. then she tries it all out. Using each approach suggested by the experts, she 'roadtests' her way from depression to happiness, sampling techniques such as cognitive behaviour therapy; meditation, mindfulness and spirituality; acceptance and gratitude; altruism and volunteering; food choices and exercise. If you want to become happier than you are right now and stay that way, here are the tools - and shortcuts - to make it happen.
