English in Common 2B Split

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. English in Common Student Books are divided into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. This is a Split Edition, with combination Student Book and Workbook covering the second half of the level. This version is also available as a blended learning program with MyEnglishLab - an online learning tool for personalized practice, with automatic gradebook. Level 2 is for Elementary, and covers competencies in the A1-A2 band of the CEF.

English in Common 2A Split

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 2 motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 2 engages learners' interest by offering a new twist to familiar topics - topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 2 encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. English Zone is a four-skills, six-level primary series that offers stimulating and diverse language learning experiences. As they further their fluency in English, students engage in stimulating activities that link to school curriculum areas such as mathematics, social science, natural science, health, art, drama, and language arts. Special cross-curricular Zones in each unit offer contentbased readings and task-based activities related to these subject areas. The series also directly addresses the importance of building literacy by presenting self-contained, high-interest stories at each level. Students are also introduced to a different set of characters who present language in real-life situations in meaningful and interesting ways. English Zone's comprehensive Teacher's Guide provides additional support material, techniques and activities for catering to multiple intelligences, as well as language support and strategies for building all four skills. The opportunity to apply English skills to the range of experiences and activities students encounter in the school curriculum ensures that their language learning will assume a special richness.
