Lucky Cat

A popular symbol of prosperity and good fortune across Asia and around the world, Lucky Cat beckons good luck with his raised paw. Learn about this cheerful cat's significance, his origins in eighteenth-century Japan, and his fascinating history and folklore, as well as how to display your own Lucky Cat and invite good luck into your life. Includes: - Hand-painted Lucky Cat statue - Colorful display stand - 48-page illustrated book

The Good Luck Cat

Because her good luck cat Woogie has already used up eight of his nine lives in narrow escapes from disaster, a Native American girl worries when he disappears.

Singularities

Amid the seemingly exponential advancement of technology and the increasingly portentous implications of its continued development and proliferation, many futurists speculate about an imminent historical threshold when the nature of human existence will be forever changed—the Singularity. In *Singularities*, Joshua Raulerson mounts a wide-ranging study of the Singularity as a subject for theory and cultural studies, drawing science fiction texts into a complex dialogue with digital culture, transhumanist movements, political and economic theory, consumer gadgetry, gaming, and related areas of our high-tech postmodernity. By doing so, he shows how the Singularity greatly shapes many of our contemporary anxieties and aspirations.

Lucky Cat

Its beckoning paw has a cult fanbase, but the lucky cat is more than just a cute ornament. The iconic creature is a symbol of good fortune and used as a powerful lucky charm in shops and homes across Japan, China, and beyond. The lucky cat (or maneki neko in Japanese) has a long history dating back to the 17th century that's packed with fascinating folklore, serious symbolism and countless contemporary cat spin-offs. Its paw, bib, coin, collar, and colors all have meaning. Did you know a pink cat will bring you luck in love, while a gold cat is all about wealth? Or that a left-pawed cat is used by businesses to

attract customers, while a cat with a beckoning right paw is found in homes as talisman? Dive into this adorable book to find out all you need to know about the beautiful lucky cat.

Quincy Persian wants two things: a great roommate and a chance to become a food-cat on KittyTube. But Joaquin Maine coon, the largest kitten, has taken over their dorm room. Quincy is forced to take the top bunk and hides in fear of this bully. Videotaping new food cat videos should be his refuge. Instead, Quincy must work with kittens like Mirko Bengal, who bungles every scene. Lonely, Quincy turns to Ismo Bobtail, an international kitten from Japan who is studying the KittyTube operation and hopes to help start something similar in Japan. Life in the Kitten Dorm is hard! In this exciting return to the KittyTube world, Angel's brother, Quincy takes center stage. Somehow Quincy must keep his relationships straight and still manage to make the cut when the kitten actors are cut to only twenty kittens who will move on to the next phase. Follow Quincy's path toward stardom.

KITTEN FRIENDS: Quincy's Story

The 137th New York Regiment courageously and heroically defended a key point of the Union defense during the Battle of Gettysburg on Culp's Hill. Matt McCabe, a young Union soldier, befriends a cat that instantly becomes a lucky pet for his immediate group as well as the whole regiment. The thoughts and feelings of young men in combat are explored and the battle is accurately described. The 137th received more casualties than any other regiment in the Union army. Matt McCabe survives the battle only to march away leaving his new found friend, Gettysburg the Cat, behind. Or does he? You will learn some of the daily activities of young men in war and how they behave in battle. War is a tragic, horrible experience, yet there is a bond of friendship that exists among the troops, and there are moments of both tragedy and humor, such as you would find in a Shakespeare play. This is an entertaining novel complete with pathos, historical accuracy, a few moments of humor, and a cat.

What does "good luck" look like and how do you achieve it? Lucky symbols, lucky numbers, lucky charms and luck-creating rituals--how is it that a disciplined and hard-working country like Japan is so invested in the idea of luck? And what, exactly, does "good luck" mean? This insightful book--by a leading expert on the subject--explores the ways in which "good luck" symbols and rituals in Japan are used in tandem with diligence and a positive attitude to help people overcome life's many twists, turns and bad patches. It explores how customs and beliefs play a vital role in creating positive expectations and outcomes--and includes practical exercises for bringing good fortune and happiness into your own life. Author Nobuo Suzuki acquaints us with beloved Japanese icons of luck, prosperity, and goal-setting and explains what they truly represent--including Maneki Neko (the "Lucky Cat"), Daruma (the "Lucky Buddha") and the Seven Lucky Gods of Good Fortune. We even meet some quirky and much beloved modern Japanese symbols of luck like the "Golden Poop" (yes, you read that right!). And we learn how these symbols all foster a sense of community which contributes to the happiness and well-being of all individuals in Japan. With this book, luck becomes a matter of self-understanding and connection to others rather than something that exists outside of ourselves and other people. It is an integral part of life and learning to shape out a destiny for ourselves that we can view with pride and contentment.

Lucky Cat

Maneki-neko, the Lucky Cat! Maneki-neko is a Japanese figure that is believed to bring good luck and fortune. Known also as Lucky Cat, Money Cat or Fortune Cat, they date back to the 1800's. If you love Japanese culture. If you're looking to bring fortune into your life, then you need the Lucky Cat Notebook Laptop Or Paper Notebook? Technology promises to make our lives more productive. Indeed, some things are faster and easier than ever. Unfortunately, a lot of technology is designed for the task, not for the user. As a result, people are able to take more notes, yet understand less. Have you ever taken copious notes in a class or meeting using your computer only to realize afterwards you still didn't understand? Taking notes on paper forces you to synthesize rather than merely transcribe. Because you desire comprehension and understanding rather than simple transcription, the Lucky Cat Notebook is a must. Studies About Benefits of Paper Notebooks Don't just take my word, based on a study conducted at UCLA, the Association for Psychological Science indicated that "taking notes by hand is better than taking notes on a laptop for remembering". Will you take advantage of this knowledge to gain an edge on your competition at school, work, or business? How will better understanding make things help you achieve your goals? Organize Your Life Get rid of little scraps of paper you use to capture inspirations and ideas, daily tasks, notes, and phone numbers. Use the Lucky Cat Notebook to neatly organize your life. Feel Better By Logging Your Progress In my corporate days, I'd instruct employees to write down accomplishments as they happened. During annual reviews, we are bogged down with current issues and activities and it's hard to remember the great things we did 9, 6, or even 3 months ago. Write down your accomplishments with your hobbies, weight loss, and other life goals. Use the Lucky Cat Notebook to look back feel good about yourself and the things you've done! **FREE BONUS INSIDE** Included inside is a link to download a free copy or an amazing adult coloring book featuring mandalas, animals and butterflies. Aside from enjoying your Lucky Cat Notebook, enjoy hours of enjoyment and relaxation with beautiful adult coloring pages. Inside, you'll find: 100 pages for writing A link to download a **FREE** adult coloring book What Really Matters? Frank C. Brown organized the North Carolina Folklore Society in 1913. Both Dr. Brown and the Society collected stores from individuals—Brown through his classes at Duke University and through his summer expeditions in the North Carolina mountains, and the Society by interviewing its members—and also levied on the previous collections made by friends and members of the Society. The result was a large mass of texts and notes assembled over a period of nearly forty years and covering every aspect of local tradition. members of the Society. Grandma Wallaroo is a fiction story with sprinkles of true events. Wally, as Grandma is called has and does live a very active life. This story takes us fly fishing with her Grandson that has some life threatening surprises. Her Granddaughter talks her into going to look at a car to buy and ends up with something totally different. She signs up for a trip to the International Space Station with 34 others and ends up returning from space in a very different and unproven way with an astronaut that was there to test the recovery unit.

A house of gold steeped in shadows... Fairies like me are born lucky, but even our luck can run out. When I'm captured and imprisoned by a government agency, only one person can free me—Seven. I haven't seen the sexy leprechaun billionaire since we were teenagers, but he's the reason I left the fairy realm sixteen years ago. Born into a life of privilege, his gilded existence is nothing like mine, but returning to his world is my only way out. His price? Seven wants me in his life, so much so that he ropes me into helping him solve a series of bizarre murders that threaten our kind's tentative relationship with humans. I promised myself I'd never get involved with him again, but his dark charms prove hard to resist. The closer we get to solving the mystery we've uncovered, the harder it becomes to keep my distance. The harder it becomes not to see that everything I believed about Seven was a lie, and the dark secrets of our past are about to come back to haunt us. This twisted Cinderella story will sweep you away into a vivid fairytale world filled with suspense, betrayal, romance and twists and turns that will keep you flipping pages until the last word. From award winning and USA Today bestselling author Genevieve Jack comes a world where fairies are real, luck is the new magic, and the unexpected awaits you on every page. Perfect for Dark Fever and Hidden Legacy fans. "Secrets, surprises, lies, betrayal, romance, bigotry and a murder mystery. All I can say is WOW." - Paranormal Romance Guild "This story was amazing. There were twists and turns and such amazing writing that once I started reading I was hooked and couldn't put it down." –Sassy Southern Book Blog What readers have to say: "Secrets, surprises, lies, betrayal, romance, bigotry and a murder mystery. All I can say is WOW." - Paranormal Romance Guild "Holy smokes, that was incredibly fun! You know when you go to an amusement park and get on a ride that you aren't sure what you've gotten yourself into, and it ends up being one the best you have experienced? That was Lucky Me for me. The amusement park analogy is because most of the book is in an elaborate amusement park... a Shrek-like world filled with fairies, pixies, leprechauns, etc., and they are carrying on in modern existence. It's brilliant! At times hilarious, a mystery and love story that is fun and gripping." -Beautiful Chaos Reviews "I LOVED this book! This was a breath of fresh air from all the fantasy and romantasy reads that I usually pick up. The world-building was so well done. Detailed enough to make the reader want to know what's next in this series. Flashbacks from Sophie's POV were great for plot development. Cozy setting but suspenseful plot were a great juxtaposition and gave me great spooky season vibes." -Lindslikesbooks blog "Elements of fun, mystery, and romance make this a fast-moving plot with plenty of imagination. Characters are delightful and believable." -Publishers Weekly [Booklife] "The way she drew me into this story was amazing. There were twists and turns and such amazing writing that once I started reading I was hooked and couldn't put it down." -Sassy Southern Book Blog "The incredible imagination of Genevieve Jack opens up a vault of fantasy and deliciousness...layered, emotional, and complex." - Buffynanna book blog *** For fans of fantasy romance, fae romance, paranormal romance, Ilona Andrews
