Kept to Kill

Lily has been alone for most of her life. Held as a captive. Used as a weapon. The mercenaries who 'rescue' her are as intriguing as they are brutal, but Lily is still a pawn in the games of men. They'll use her and cast her aside if she lets them. That's if she survives what comes next... Quin, Commander of the Dark Army, has only one goal and will let Lily die if it serves his purposes, but he's also drawn to her in a way that makes him wish for more. No one is safe from Mad Mal, a monster who kills to satisfy dark needs. He will make her pay for tempting the other beast he hides within. And the playful Bastian seems harmless, with a taste for wine and women, but he might just harbor the darkest soul of them all...and the darkest secrets. Each man has his own twisted torments and fierce desires that Lily cannot fathom after her years as a captive. But as the days and nights go by, she begins to realize she needs something she never thought she'd have and it may not be the freedom she always yearned for at all. Can she unlock the hearts of these men who care for nothing and no one to find the pieces of themselves they buried long ago, or will they decide their mission is more important than the woman who brings them to their knees? Kept to Kill is the third standalone in the Dark Brothers Series of dark fantasy romance. If you like strong, but desolate heroines, antiheroes that make your blood run cold even as it heats up, and your Happily Ever Afters with some darkness before the light, you will love this book. Read the next dark adventure in this amazing series today! Authors Note: This story contains knife play, angst for the FMC, and, although she can hold her own, things are not great for Lily at first. If you don't enjoy that kind of story, continue at your own risk. **You don't need to have read the other books in the Dark Brothers series to enjoy this book, but it helps.**

The Lies of Locke Lamora

"Remarkable . . . Scott Lynch's first novel, The Lies of Locke Lamora, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining."—The Times (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the

tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for *The Lies of Locke Lamora* “Fresh, original, and engrossing . . . gorgeously realized.”—George R. R. Martin “Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven't read it, you should. If you have read it, you should probably read it again.”—Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* “A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke's wit and audacity endear him to victims and bystanders alike.”—The Seattle Times “A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens.”—Booklist (starred review) “High-octane fantasy . . . a great swashbuckling yarn of a novel.”—Richard Morgan

The Book of End-Time Light

The Redwing Saga is a series of novels set in the 19th and early 20th centuries. Though commencing with the Jack the Ripper murders, the books go far beyond this dark series of murders and shine the light on spiritual warfare and prophetic plans within a fictional setting. The characters include human and inhuman players, and as the series unfolds the plans of the Enemy will become more and more clear, not only to these characters but also to the reader. 'Blood Lies' reveals the men and unseen spirits behind the dark and shadowy group known as Redwing. Opposing these sinister men and their plots to bring hell to Earth is a group of men and women who keep a secret. A very special secret. A secret of blood. This group of brave, spiritual warriors is known as 'The Inner Circle'. And it all begins when a little girl is left next to her dead mother in Whitechapel.
