Und die Sterne begannen zu leuchten

The Little Prince and (French: and Le Petit Prince) is a and novella and by French aristocrat, writer, and aviator and Antoine de Saint-Exupéry. It was first published in English and French in the US by and Reynal and Hitchcock and in April 1943, and posthumously in France following the and liberation of France and as Saint-Exupéry's works had been banned by the and Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and The Little Prince and makes observations about life, adults and human nature. The Little Prince and became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and best-selling and and most translated books and ever published. and It has been translated into 301 languages and dialects. and The Little Prince and has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

Worte wie Sterne

Physics and Literature is a unique collaboration between physicists, literary scholars, and philosophers, the first collection of essays to examine together how science and literature, beneath their practical differences, share core dimensions – forms of questioning, thinking, discovering and communicating insights. This book advances an in-depth exploration of relations between physics and literature from both perspectives. It turns around the tendency to discuss relations between literature and science in one-sided and polarizing ways. The collection is the result of the inaugural conference of ELINAS, the Erlangen Center for Literature and Natural Science, an initiative dedicated to building bridges between literary and scientific research. ELINAS revitalizes discussion of science-literature interconnections with new topics, ideas and angles, by organizing genuine dialogue among participants across disciplinary lines. The essays explore how scientific thought and practices are conditioned by narrative and genre,

fiction, models and metaphors, and how science in turn feeds into the meaning-making of literary and philosophical texts. These interdisciplinary encounters enrich reflections on epistemology, cognition and aesthetics.

The Little Prince

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. *The Tale of the Rose* is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. *The Tale of the Rose* is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, *The Little Prince* was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. *The Tale of the Rose* is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as *The Little Prince*. Praise for *The Tale of the Rose* “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, *The Tale of the Rose* is a book to read for its strength of character, and for the adventure that it offers.”—Elle

German books in print

A definitive survey of the most important developments in translation theory and research, with an emphasis on the twentieth century. This new edition includes pre-twentieth century readings and readings from other fields.

Zitty

The Aviator is the first story by writer Antonie de Saint-Exupéry. In 1926, Antoine de Sainte-Exupéry la publie dans la *Navire d'argent*, la revue don't Jean Prévost est secrétaire de rédaction.

Physics and Literature

How do we evaluate the power and utility of language when it has been made to articulate falsehoods in certain totalitarian regimes or has been charged with vulgarity and imprecision in a mass-consumer democracy? How will language react to the increasingly urgent claims of more exact speech such as mathematics and symbolic notation? These are some of the questions Steiner addresses in this elegantly written book, first published in 1967 to international acclaim.

The Tale of the Rose

Learn about emotions with *The Little Prince* Discover emotions with the beloved character from author-illustrator Antoine de Saint-Exupéry. Joy, fear, anger, surprise...children experience a range of emotions every day, often several at the same time, and they sometimes find it difficult to articulate what they feel. Naming and identifying emotions is a way for little ones to start recognizing these feelings. As they gain self-awareness, children learn to manage their emotions, a critical skill that lays the foundation for emotional intelligence and resilience. The feelings described in this book include joy, surprise, anger, love, fear, sadness, and calm.

The Translation Studies Reader

Rose wonders who she is, asking herself if she would still be Rose if her name were not Rose, and goes on a journey in search of herself.

The Aviator

As a small boy in remote Alberta, Darrel J. McLeod is immersed in his Cree family's history, passed down in the stories of his mother, Bertha. There he is surrounded by her tales of joy and horror—of the strong men in their family, of her love for Darrel, and of the cruelty she and her sisters endured in residential school—as well as his many siblings and cousins, and the smells of moose stew and wild peppermint tea. And there young Darrel learns to be fiercely proud of his heritage and to listen to the birds that will guide him throughout his life. But after a series of tragic losses, Bertha turns wild and unstable, and their home life becomes chaotic. Sweet and eager to please, Darrel struggles to maintain his grades and pursue interests in music and science while changing homes, witnessing domestic violence, caring for his younger siblings, and suffering abuse at the hands of his brother-in-law. Meanwhile, he begins to question and grapple with his sexual identity—a reckoning complicated by the repercussions of his abuse and his sibling's own gender transition. Thrillingly written in a series of fractured vignettes, and unflinchingly honest, *Mamaskatch*—"It's a wonder!" in Cree—is a heartbreaking account of how traumas are passed down from one generation to the next, and an uplifting story of one individual who overcame enormous obstacles in pursuit of a fulfilling and adventurous life.

Language and Silence

In Nazi Germany, telling jokes about Hitler could get you killed. Hitler and Göring are standing on top of the Berlin radio tower. Hitler says he wants to do something to put a smile on the Berliners' faces. Göring says, "Why don't you jump?" When a woman told this joke in Germany in 1943, she was arrested by the Nazis and sentenced to death by guillotine—it didn't matter that her husband was a good German soldier who died in battle. In this groundbreaking work of history, Rudolph Herzog takes up such stories to show how widespread humor was during the Third Reich. It's a fascinating and frightening history: from the suppression of the anti-Nazi cabaret scene of the 1930s, to jokes made at the expense of the Nazis during WWII, to the collections of "whispered jokes" that were published in the immediate aftermath of the war. Herzog argues that jokes provide a hitherto missing chapter of WWII history. The jokes show that not all Germans were hypnotized by Nazi propaganda, and, in taking on subjects like Nazi concentration camps, they record a public acutely aware of the horrors of the regime. Thus *Dead Funny* is a tale of terrible silence and cowardice, but also of occasional and inspiring bravery.

The Little Prince: My Book of Feelings

Joel B. Lande's *Persistence of Folly* challenges the accepted account of the origins of German theater by focusing on the misunderstood figure of the fool, whose spontaneous and impish jest captivated audiences, critics, and playwrights from the late sixteenth through the early nineteenth century. Lande radically expands the scope of literary historical inquiry, showing that the fool was not a distraction from attempts to establish a serious dramatic tradition in the German language. Instead, the fool was both a fixture on the stage and a nearly ubiquitous theme in an array of literary critical, governmental, moral-philosophical, and medical discourses, figuring centrally in broad-based efforts to assign laughter a proper time, place, and proportion in society. *Persistence of Folly* reveals the fool as a cornerstone of the dynamic process that culminated in the works of Lessing, Goethe, and Kleist. By reorienting the history of German theater, Lande's work conclusively shows that the highpoint of German literature around 1800 did not eliminate irreverent jest in the name of serious drama, but instead developed highly refined techniques for integrating the comic tradition of the stage fool.

The world is round

This story is about a long suppressed love triangle between Leonidas Tachezy, a high-level Austrian career bureaucrat, his younger, trophy wife Amelie, and a Jewish woman from his past, Vera Wormser, with whom he'd fallen in love when she was fourteen. After his marriage, Leonidas encounters Vera in a German university town where she is studying philosophy. He makes a promise that implies marriage, but drops out of her life entirely to return to a comfortable existence until one day when a letter arrives, addressed with Vera's unmistakable handwriting in pale blue ink. Like Humbert Humbert in *Lolita*, Leonidas explains his "crime" against Vera to an imaginary courtroom in a way that anticipates Nabokov.

Mamaskatch

A tour de force of wisdom and insight by the depth psychologist and controversial priest who has authored more than 40 books. In this essential work, *The Little Prince* is held up as a model for today's readers and inspires them to trust again in the unconditional fidelity of love--a love that is unconquerable, even in death.

Dead Funny

A sturdy board book that is perfect for little paws. David Melling is one of the UK's best-loved author-illustrators and Douglas the brown bear is a timeless character. The Hugless Douglas books have sold over 1.4 million copies to date in 26 languages. Hello, Hugless Douglas! was a World Book Day picture book in 2014. 'Hugless Douglas fits right in with the well-loved classics like Winnie the Pooh and Paddington Bear and will be remembered for many years to come.' Guardian

Persistence of Folly

Woodland friends gather to watch shooting stars, and help each other through dangers along the way.

Pale Blue Ink in a Lady's Hand

Seemingly the simplest of stories—a passing anecdote of village life—*Rock Crystal* opens up into a tale of almost unendurable suspense. This jewel-like novella by the writer that Thomas Mann praised as "one of the most extraordinary, the most enigmatic, the most secretly daring and the most strangely gripping narrators in world literature" is among the most unusual, moving, and memorable of Christmas stories. Two children—Conrad and his little sister, Sanna—set out from their village high up in the Alps to visit their grandparents in the neighboring valley. It is the day before Christmas but the weather is mild, though of course night falls early in December and the children are warned not to linger. The grandparents welcome the children with presents and pack them off with kisses. Then snow begins to fall, ever more thickly and steadily. Undaunted, the children press on, only to take a wrong turn. The snow rises higher and higher, time passes: it is deep night when the sky clears and Conrad and Sanna discover themselves out on a glacier, terrifying and beautiful, the heart of the void. Adalbert Stifter's rapt and enigmatic tale, beautifully translated by Elizabeth Mayer and Marianne Moore, explores what can be found between Christmas Eve and Christmas Day—or on any night of the year.

Discovering the Royal Child Within

'A tantalising mystery... a mesmerising work of literature' Antony Beevor 'Truly troubling, a weird meditation on death, war and sex' *Paris Review* A superb early postmodern classic by one of Nabokov's fellow émigré writers, rediscovered after more than half a century A man comes across a short story which recounts in minute detail his killing of a soldier, long ago - from the victim's point of view. It's a story that should not exist, and whose author can only be a dead man. So begins the strange quest for its elusive writer: 'Alexander Wolf'. A singular classic, *The Spectre of Alexander Wolf* is a psychological thriller and existential inquiry into guilt and redemption, coincidence and fate, love and death. Part of the Pushkin Press Classics series: timeless storytelling by icons of literature, hand-picked from around the globe Translated by Bryan Karetnyk Gaito Gazdanov (1903-1971) joined the White Army aged just sixteen and fought in the Russian Civil War. Exiled in Paris from the 1920s onwards, he eventually

became a nocturnal taxi-driver and quickly gained prominence on the literary scene as a novelist, essayist, critic and short-story writer, and was greatly acclaimed by Maxim Gorky, among others.

Hugless Douglas Colours

“Absolutely delightful.” —People The enchanting story of a bookshop, its grieving owner, a supportive literary community, and the extraordinary power of books to heal the heart Nightingale Books, nestled on the main street in an idyllic little village, is a dream come true for book lovers—a cozy haven and welcoming getaway for the literary-minded locals. But owner Emilia Nightingale is struggling to keep the shop open after her beloved father's death, and the temptation to sell is getting stronger. The property developers are circling, yet Emilia's loyal customers have become like family, and she can't imagine breaking the promise she made to her father to keep the store alive. There's Sarah, owner of the stately Peasebrook Manor, who has used the bookshop as an escape in the past few years, but it now seems there's a very specific reason for all those frequent visits. Next is roguish Jackson, who, after making a complete mess of his marriage, now looks to Emilia for advice on books for the son he misses so much. And the forever shy Thomasina, who runs a pop-up restaurant for two in her tiny cottage—she has a crush on a man she met in the cookbook section, but can hardly dream of working up the courage to admit her true feelings. Enter the world of Nightingale Books for a serving of romance, long-held secrets, and unexpected hopes for the future—and not just within the pages on the shelves. How to Find Love in a Bookshop is the delightful story of Emilia, the unforgettable cast of customers whose lives she has touched, and the books they all cherish.

Human space is an English translation of one of the most comprehensive studies of space as we experience it. Since it was published in Germany in 1963, Bollnow's text has become a key reading in architecture, anthropology, and philosophy, and has been kept continuously in print (in 2010 the German edition was issued in its eleventh impression). The

One Starry Night

Topic of particular interest is Professor Salam's view on the development and the international nature of science. His insistence that a scientific thought and its creation is the common and shared heritage of mankind which deserves much thought. There are also interesting accounts of Professor Salam himself and of the International Centre for Theoretical Physics at Trieste, Italy.

Rock Crystal

Reproduction of the original: The Story of Mary MacLane by Mary MacLane

The Spectre of Alexander Wolf

Much of Canadian cultural life is sustained and enriched by translation. Translation Effects moves beyond restrictive notions of official translation in Canada, analyzing its activities and effects on the streets, in movie theatres, on stages, in hospitals, in courtrooms, in literature, in politics, and across café tables. The first comprehensive study of the intersection of translation and culture, Translation Effects offers an original picture of translation practices across many languages and through several decades of Canadian life. The book presents detailed case studies of specific events and examines the reverberation and spread of their effects. Through these imaginative, at times unusual, investigations, the contributors unveil the simultaneous invisibility and omnipresence of translation and present a cross-cut of Canadian translation moments. Addressing the period from the 1950s to the present and including a wide scope of examples from medical interpreting to film dubbing, the essays in this book create a panoramic view of the creation of modern culture in Canada. Contributors include Piere Ancil (University of Ottawa), Hélène Buzelin (Université de Montréal), Alessandra Capperdoni (Simon Fraser University), Philippe Cardinal, Andrew Clifford (York University), Beverley Curran, Renée Desjardins (University of Ottawa), Ray Ellenwood, David Gaertner, Chantal Gagnon (Université de Montréal), Patricia Godbout, Hugh Hazelton, Jane Koustas (Brock University), Louise Ladouceur (Université de l'Albera), Gillian Lane-Mercier (McGill University), George Lang, Rebecca Margolis, Sophie McCall (Simon Fraser University), Julie Dolmaya McDonough, Denise Merkle (Université de Moncton), Kathy Mezei, Sorouja Moll, Brian Mossop, Daisy Neijmann, Glen Nichols (Mount Allison University), Joseph

Pivato, Gregory Reid, Robert Schwartzwald, Sherry Simon, Luise von Flotow (University of Ottawa), and Christine York.

The Poems of Goethe

"Footprints" has appeared in books and on plaques, cards, calendars and posters, and its inspiring message is treasured by millions all over the world. The poem was composed by Margaret Fishback, a young woman searching for direction at a crossroads in her life. In this inspiring story, the creation of the poem, its subsequent loss and its astonishing recovery are intertwined with a life full of challenge, adversity and joy. The result is a memorable offering of the heart and soul, giving spiritual and emotional renewal. In this new, beautiful hardcover edition, the author shares the story of the poem alongside extra material, including a personal update, readers' letters of how "Footprints" changed their lives, a selection of her other poetry and a series of interview questions in which she shares some important life lessons.

How to Find Love in a Bookshop

****Now a major motion picture**** It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mother forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life.

Churchill continues to lead the country while war ravages Europe.

The Story of Mary MacLane

Talon was once a Celt warrior cursed by his ancient gods. Following the murder of his sister, the dying Talon had made a deal with the goddess Artemis. He had been given one act of vengeance against the clan who betrayed him, in exchange for his soul and his eternal service as a Dark-Hunter. Talon has sworn to fight Daimons and rescue the human souls they've captured. He has never had cause to regret this choice - until he meets Sunshine Runningwolf. The unconventional Sunshine should be

Talon's perfect woman. She is beautiful, sexy and isn't looking for a long-term commitment. But the more time Talon spends in her company the more he starts yearning for dreams of love and family that he buried centuries ago. But loving Sunshine would be dangerous for both of them - Talon is destined never to know peace or happiness while his enemies still seek to destroy him and everyone close to him...

Translation Effects

The irresistible second installment in the beloved series that has sold millions of copies worldwide. Since his first captivating adventure in *Hector and the Search for Happiness*, Hector the young French psychiatrist has continued to explore the mysteries of the human soul. Having found that love seems virtually inseparable from happiness, he begins taking notes on this powerful emotion. But unbeknownst to him, Clara, the doctor's beloved, is making her own investigations into love. As much a love story as a novel about love, *Hector and the Secrets of Love* is a feel-good life manual wrapped in a globetrotting adventure, told with the blend of a fairy tale's naïve wisdom and a satirist's dry wit that has won Hector fans around the world.

Footprints

Letter to a Hostage is a book by the author Antoine de Saint-Exupéry. Saint-Exupéry initially wrote this piece as a preface for his best friend, Léon Werth's novel: *Trente-trois jours* (Thirty Three Days). Werth had been forced to take refuge in the Jura region of France during the autumn of 1940 because of his Jewish origins. His book, however, could not be published, and so the author significantly revised his preface, removing any direct references to his friend and making him anonymous within the text and a symbol for France as the hostage of the occupying forces. This version was published independently in June 1943. The work is comprised of six short chapters which reflect upon recent aspects of the author's life (travelling to Portugal, impressions of the Sahara, living in the USA...), and combines references to his friendship with Werth and to his love for his country.

Me and Earl and the Dying Girl

Grace Paley's stature among writers of short fiction was established by her first collection, *The Little Disturbances of Man* (1959), and reconfirmed with the publication of *Enormous Changes at the Last Minute* in 1974. This new book, a selection from her work over the past ten years, is appropriately titled *Later the Same Day*: Paley's concerns, or themes, have changed only as much as life's constants change with the passage of time. Those characters familiar to readers of her previous volumes have grown older but are still deeply involved with their parents, their lovers and friends, and their children--the past, present, and future--and the welfare of the wider community. We meet the neighborhood druggist with his tale of familiar heartbreak and small-time bigotry ("Zagrowsky Tells"); a willful father in Puerto Rico who cannot accept the obvious loss of his child by kidnapping ("In the Garden"); a black woman who mourns the fact that her daughter, "born in good cheer," has become only "busy and broad" ("Lavinia: An Old Story"); a visitor from China whose concern is about the children, how to raise them ("The Expensive Moment"); a craftsman whose beautiful creation is stillborn ("This is a Story about My Friend George, the Toy Inventor"). The seventeen stories in *Later the Same Day* are marked by Paley's low-keyed humor, her rich but economical use of language, and her seemingly endless capacity for empathy. Their substance--the persistence of human and political concerns, despite practical pressures--subtly overwhelms less important matters.

Merry Christmas, Alex Cross

A beautiful and uplifting collection of heartfelt, hand-lettered full-color artwork and soothing messages that provide compassion and connection for everyone feeling overwhelmed in their lives. All of *This is for You* is balm for anyone feeling lost and detached from today's confusing, hectic world. In her luminous four-color hand-lettered artwork and accompanying heartfelt notes, acclaimed illustrator Ruby Jones reminds us that even when times are tough, it remains important to be kind and gentle with ourselves and those around us. Jones received worldwide recognition after she posted an illustration of two women--one of them a Muslim wearing a hijab--embracing after the 2019 Christchurch terrorist attacks. The image was accompanied by an extraordinary message of empathy and understanding: "This is your home and you should have been safe here." A beacon of hope and kindness, All of *This is for You* is for every one of us, because no matter the individual issue--whether it's self-image, identity, depression, grief, or anxiety--we all struggle with challenges. Jones's gentle illustrations and soothing

insights are a breath of fresh air during tough times, and a reminder of humanity's inherent and enduring goodness.

From Coach to Awakener

It is absurd to have a hard and fast rule about what one should read and what one shouldn't. More than half of modern culture depends on what one shouldn't read.
