Let's Review Global History and Geography

Updated to encompass significant world events and reflect the latest New York State Regents Exams, this book emphasizes the basics of world geography, the social sciences, and their relationship to the growth and development of civilizations. All titles in the Let's Review series are designed to prepare high school students for the New York State Regents Exams, but also make fine textbook supplements for use in high schools everywhere. In addition to its comprehensive subject review, this title features the latest Regents Exams with answers.

Let's Review: Global History and Geography

Books in this series have been completely revised and brought up to date to reflect recent large-scale changes in New York State's High School Regents exams. Let's Review books have been especially designed to prepare students for Regents finals in New York, but also make fine textbook supplements that can be used in high schools everywhere. In addition to subject reviews, each title contains either model exams or actual recent Regents exams with answers. Many teachers prefer to use Let's Review book as classroom companion texts to Barron's Regents Exams and Answers books. This review book, like the current Regents exam, reflects a new emphasis on basics of geography, now part of the high school curriculum. Formerly, this book's title was Global Studies.

World Cultures

This book has been written to help you, the student, review your two-year global history and geography course. Its purposes are to: help you focus on the key facts, themes, and concepts that you need to know to succeed on the Regents Examination in global history and geography; allow you to become familiar with the format of the Regents Examination; provide you with the test-taking skills you will need to apply your social studies knowledge to the Regents Examination. In this book, the ninth- and tenth-grade global history and geography curriculum is presented chronologically ... Four overall themes - history; geography; economics; and civics, citizenship, and government - draw these units together.-p. v.

Global History and Geography

Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. After going through the practice questions, you can use the workbook again as a refresher to prepare for the Regents exam by taking a full-length practice test. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following subjects: World History Geography Economics Civics, Citizenship, and Government A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam
