Focul mocnit din paradis

Grappling with hidden family secrets, forbidden passions, and a business in peril, the adopted daughter of a Louisiana mogul must confront the past to bring peace back to her hometown. The adopted daughter of the most powerful man in town, Schyler Crandall was a brokenhearted girl when she left Heaven, Louisiana. Now a crisis has brought her home to a family in conflict, a logging empire on the brink of disaster, and seething secrets that make Heaven hotter than hell. Everyone in Heaven has a secret: Schyler's beautiful younger sister, Tricia, with her cruel lies; Ken, Tricia's handsome husband, who married the wrong sister; Jigger, the pimp and ruffian with plans of his own; and Cash, a proud, mysterious, and complex bad boy with a wild reputation. It is dangerous for Schyler to even be near him, yet she must dare to confront the past -- if there is to be any peace in Heaven.

Slow Heat in Heaven

Als junges Mädchen verließ Schyler Crandall, die Adoptivtochter des mächtigsten Mannes in Heaven, die Stadt mit gebrochenem Herzen. Als attraktive, erfolgreiche Frau, die genau weiß, was sie will, kehrt sie zurück. Schon nach kurzer Zeit hat sie das Gefühl, sie sticht in ein Wespennest: dunkle Affären, hinterhältige Intrigen, bei denen offenbar ihre durchtriebene kleine Schwester Tricia die Finger im Spiel hat. Das Imperium ihres Vaters steht kurz vor dem Ruin. Auch Cash, ebenso verführerisch wie undurchschaubar, ist in die Sache verwickelt. Doch kein Mann hat Schyler bisher so um den Verstand gebracht und konnte ihr so gefährlich werden wie er ...

Bestselling author Jude Deveraux spins a rollicking story of a mismatched couple who unearth a sparkling, irresistible passion across the rugged West! Captain Ring Montgomery was handsome, a skilled rider, a crack shot, popular with the men and their ladies. That was reason enough for a jealous, surly colonel to saddle Montgomery with a most peculiar assignment: to escort an opera singer into the Colorado gold fields. Ring's plan was to scare the little lady enough so that she'd hightail it for home. After all, a Civil War was brewing! But LaReina, The Singing Duchess—as Maddie was called—didn't scare easily. And she didn't intend to explain her reasons for coming West to any high and mighty soldier. Captain Montgomery might be smart enough to figure out that she was no European duchess, and gentleman enough not to take advantage of her. But he'd have to go on thinking she had some insane desire to sing opera to a bunch of ragtag miners—for she didn't dare trust him with the truth...

Temperatures Rising

The author of forty-five New York Times bestselling novels, Sandra Brown is one of the romance world’s most acclaimed writers. *Rendezvous* magazine has praised her as a novelist whose “larger than life heroes and heroines make you believe all the warm, wonderful, wild things in life.” Now, in the classic romantic tradition her fans have come to love, here is another sexy and extraordinary tale of passion—the story of a woman who gives up fame and fortune...and discovers true love in the last place she expected to find it. The Rana Look The modeling world called it the Rana Look...the exotic, one-of-a-kind allure that only supermodel Rana Ramsey could deliver. With her green eyes, olive skin, and wildly lustrous auburn hair, Rana posed for ad campaigns and strutted down runways all over the world, naming her own price to sell everything from cosmetics to women’s lingerie. But all of that suddenly ended one day when she looked her demanding mother-manager in the eye and said, “Enough.” That was the day Rana packed her things and left New York—and modeling—forever. Settling in Miss Ruby’s boardinghouse in Galveston, Texas, Rana finds success with her own business—and cultivates a new look to go with her new life. Now her beautiful eyes are shielded behind tinted glasses, her famous figure hidden under shapeless dresses, her trademark wild hair falling straight down her back. Rana knows she’ll never attract a man this way, and that’s just fine with her—that is, until Ruby’s nephew, football star Trent Gamblin, moves in to nurse his injured shoulder. Ruggedly handsome, charming, and undeniably charismatic, Trent is the kind of man that Rana finds irresistible...the kind of man she is certain would never look twice at a woman as ordinary as the new Rana. But to her surprise, Trent seems unfazed by her Plain Jane look. For he is drawn to a beauty that Rana can’t hide. He is determined to learn the mystery behind the elusive, reclusive boarder with the secret past. To do so, he proposes an unusual pact: they will only be friends, nothing more. As the days pass, Rana and Trent are drawn together in a sensual idyll unlike anything either of them has ever known. But the outside world cannot be kept at bay forever. And Rana fears that when Trent learns the truth about her past, he’ll feel betrayed and deceived. Even worse, he’ll never be able to see her as she truly is. Then an unexpected tragedy strikes, and the stakes seem higher than ever. Now they must look deep into each other’s heart to determine if their relationship is just an impossibly erotic dream—or a dream of love come true.

Breath of Scandal

In this steamy post-Civil War saga, the most stubborn woman headed for Texas meets her match in a mystery man with a dark past . . . and together, they must take down a common enemy. No woman on

the wagon train trek to Texas was more alluring than Lydia Langston. No man was more rugged than Ross Coleman . . . and both were running from the past. Lydia once vowed that no man would ever take away her pride, while Ross Coleman has stayed true to his wife, who died giving birth to their son. But despite their challenges, Lydia and Ross now find themselves together, fighting the same enemy and the same dangerous emotions building inside them . . . and unable to stop the events that will eventually pit a man's deadly vengeance against the strength of a woman's love.

Namun, demi kesuksesan bukunya yang berisikan memoar almarhum suaminya, ia setuju berbagi rumah dengan aktor tenar Rylan North, pemeran utama dalam film yang diangkat dari memoar tersebut. Wanita mana pun dengan senang hati bersedia menggantikan posisi Kirsten, namun ia tidak akan tergoda rayuan maut Rylan. Bagaimanapun, membuat penonton terpesona memang pekerjaan pria itu. Unspeakable

Of the lot, this man was still her best bet. He not only looked the most inebriated, but the most disreputable – lean and hungry and totally without principle. Once he was sober, he would no doubt be easy to buy. “Sister” Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man, more particularly a mercenary. Linc O’Neal wasn’t the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry’s promised fifty thousand dollars—in addition to her body—which she provocatively advertised in order to trick him, then withheld. With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.

The Rana Look

"My name is Lucas Greywolf." A raspy voice, as soft and sandy as the wind that blew across the desert, spoke directly into her ear. It was a gentle sound, but Aislinn wasn't deceived. Like the winds it reminded her of, it could be whipped into a fury. . . Aislinn Andrews knows his name because his escape from prison has prompted a statewide manhunt. As lean and menacing as a panther, the fugitive invades her house, her bed, and then takes her as his hostage. Overnight, Aislinn's safe and predictable life is upended by a man considered criminal and dangerous. However, his greatest threat to Aislinn isn't the knife he wields, but his untame appeal. All his life, Lucas Greywolf has harbored a bitter grudge against Anglos, resenting even that half of his heritage. Years spent in prison for a crime he didn't commit hasn't quelled his fighting spirit, but only fanned it. After escaping, he comes face-to-face with blond, blue-eyed Aislinn Andrews, the epitome of everything he hates. Yet he must have her. Now the

war Lucas wages is personal, and his fiercest enemy is his longing for the wrong woman. Two people. Two worlds. One shared moment of incandescent passion...when nothing else mattered. But can that unifying instant withstand everything that divides them, when the largest obstacle they face is the most difficult to overcome? Pride.
