Roar of Freedom

This book has been written from the inspiration of my own lifewords truly founded in my heart with hope, love, truth, and the inspiration that everybody has the strength to create a bright future and that everyone has motivation, ambition, and willpower to pick themselves up when times get hard and when there seems to be no light at the end of the tunnel. When all hope seems hopeless and when all your efforts seem to be going nowhere, keep pushing forward. There is light at the end of the tunnel. You just have to fight your way through the darkness.

The Ministry, Vol. 10, No. 02

This issue of The Ministry contains a complete record of the nine messages given during the 2005 International Training for Elders and Responsible Ones in Moscow, Russia, in October 2005. The general subject of the training was the vision of the Lord's recovery and its application. The burden for these messages can be summarized in the following four statements: 1) the true vine--Christ the Son with the believers in the Son as the branches--is the organism of the Triune God in the Son for His multiplication, spreading, and glorification in the divine life; 2) we must stay on the way of life, the line of life, in the maintenance of life by enjoying Christ as the tree of life in the flow of life for God's building in life by our growth in life; 3) the kingdom of God is constituted with God's life as the realm of the divine life for His ruling, in which He reigns by His life and expresses Himself as the Divine Trinity in

the divine life; and 4) the intrinsic significance of the golden lampstand is the highest peak of the divine revelation, the subjective experience of the golden lampstand is the God-man living, and the organic maintenance of the golden lampstand is Christ's shepherding in His heavenly ministry. We also include a report concerning the Lord's move in Ghana and Nigeria, West Africa.
