[#European Intellectual Property Review](#) [#IP law Europe](#) [#EIPR journal](#) [#intellectual property current](#) [#copyright law Europe](#)

The European Intellectual Property Review (EIPR) is a prestigious journal offering unparalleled analysis and commentary on the evolving landscape of intellectual property law across Europe. Providing essential insights into patents, trademarks, copyright, and design rights, it serves as a crucial resource for legal professionals, academics, and policymakers seeking the latest developments and 'sweet' spot analyses in European IP matters. Stay informed on the core principles and cutting-edge issues shaping intellectual property practice and policy throughout the continent.

You can explore theses by subject area, university, or author name.
