Tell us about yourself & how you got interested in pharmacy!

How did you explore being a pharmacy technician as a career option? What training & opportunities did you pursued to enter this role?

What most interested you in practicing as a pharmacy technician in the inpatient or hospital setting & eventually selected it as your career path?

Tell us more about your current position, practice site, & responsibilities in your role.

How was your transition from a staff technician position to a supervisor role & any challenges/barriers

you had to overcome?

To what level do technicians practice multidisciplinary collaboration? How do you effectively collaborate with other members of the health care team?

What skills do you most heavily rely on as a pharmacy technician in a leadership role?

What are the most rewarding and challenging components of working in an inpatient setting and specifically, your role as a pharmacy supervisor?

How do you see the role of pharmacy technicians evolving in the coming years?

What role has mentorship played in your professional development?

What advice can you provide to individuals interested in becoming a pharmacy technician, & to current technicians who are interested in leadership roles, to best position themselves for success?
