Olympians: Hera

The story of Hera, Queen of the Gods, and the heroes who won her favor. Volume 3 of Olympians, Hera: The Goddess and Her Glory, introduces readers to the Queen of the Gods and Goddesses in the Pantheon. This volume tells the tales of the many heroes who sought and won Hera's patronage, most notably Hercules. In Olympians, O'Connor draws from primary documents to reconstruct and retell classic Greek myths. But these stories aren't sedate, scholarly works. They're action-packed, fast-paced, high-drama adventures with monsters, romance, and not a few huge explosions. O'Connor's vibrant, kinetic art brings ancient tales to undeniable life, in a perfect fusion of super-hero aesthetics and ancient Greek mythology. This title has Common Core connections.

Hera

Introduces Hera, Zeus's wife and goddess of air, sky, and the heavens, and the only thing Zeus fears.

Hera, the Goddess and Her Glory

Introduces readers to the Queen of the Gods and Goddesses in the Pantheon. This volume tells the tales of the many heroes who sought and won Hera's patronage, most notably Hercules.

Hera the Goddess and Her Glory

Empowering, high-interest narrative text tells the story of Hera, the queen goddess from Greek mythology. These core legends show Hera's loving yet jealous personality as she defends her marriage to the king of the gods. Ating myths also uncover Hera's past, detailing her creation and how she fits into the family of deities. Further explore Hera's role in Greek culture through her signature powers, symbols, and attire. Additional facts and historical information connect Hera's influence through popular culture today.

Hera

Rethinks the workings of polytheism in ancient Greece through exploring the goddess Hera in her complex relationship to Zeus.

The Hera of Zeus

The ancient Athenians were "quarrelsome as friends, treacherous as neighbors, brutal as masters, faithless as servants, shallow as lovers--all of which was in part redeemed by their intelligence and creativity." Thus writes Philip Slater in this classic work on narcissism and family relationships in fifth-century Athenian society. Exploring a rich corpus of Greek mythology and drama, he argues that the personalities and social behavior of the gods were neurotic, and that their neurotic conditions must have mirrored the family life of the people who perpetuated their myths. The author traces the issue of narcissism to mother-son relationships, focusing primarily on the literary representation of Hera and the male gods and showing how it related to devalued women raising boys in an ambitious society dominated by men. "The role of homosexuality in society, fatherless families, working mothers, women's status, and violence, male pride, and male bonding--all these find their place in Slater's analysis, so honestly and carefully addressed that we see our own societal dilemmas reflected in archaic mythic narratives all the more clearly."--Richard P. Martin, Princeton University Originally published in 1992. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Glory of Hera

The myth continues in the tenth year of the fabled Trojan War where two infamous gods of war go to battle. The spotlight is thrown on Ares, god of war, and primarily focuses on his battle with the clever and powerful Athena. As the battle culminates and the gods try to one-up each other to win, the human death toll mounts. Who will win this epic clash of power? And how many will have to die first? This title has Common Core connections.

Athena

Tells the story of Zeus and his battle with his father, Kronos, and the Titans. In graphic novel format.

Olympians: Ares

Shunned even before she was born and destined to live a life of solitude, Artemis, Goddess of the Hunt, finds power through her skilled hunting ability and mighty bow. She slays those who wish to do harm to the innocent and takes care of the young and helpless. She protects women and young girls, helps in childbirth, soothes, and is unrivaled in her hunting abilities. In the latest volume of Olympians, New York Times--bestselling author George O'Connor continues to turn his extensive knowledge of the original Greek myths into rip-roaring graphic novel storytelling.

Zeus

Empowering, high-interest narrative text tells the story of Hera, the queen goddess from Greek mythology. These core legends show Hera's loving yet jealous personality as she defends her marriage to the king of the gods. Fascinating myths also uncover Hera's past, detailing her creation and how she fits into the family of deities. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

Olympians Boxed Set

The New York Times bestselling series continues as author/artist George O'Connor focuses on Hermes, the trickster god in *Olympians: Hermes: Tales of the Trickster*. In volume ten of *Olympians*, George O'Connor delves into the myth of Hermes, the trickster god. From his infancy, when he bewitches animals and bends them to his will (stealing a herd of Apollo's prize cattle in the bargain), to his adolescence and adulthood when he becomes father to the equally mischievous Pan, Hermes's story is wildly entertaining as he brings a little bit of chaos to everything he touches or creates. This volume is sure to be a fan favorite with its wit, charm, and storytelling.

Myths and Legends of Ancient Greece and Rome

Thrown from Mount Olympus as a newborn and caught by Thetis and Eurynome, who raised him on the island of Lemnos, Hephaistos had an aptitude for creating beautiful objects from a very young age. Despite his rejection from Olympus, he swallowed his anger and spent his days perfecting his craft. His exquisitely forged gifts and weapons earned him back his seat in the heavens, but he was not treated as an equal—his brothers and sisters looked down at him for his lame leg, and even his own wife, Aphrodite, was disloyal. In this installment of George O'Connor's bestselling *Olympians* graphic novel series, witness Hephaistos' wrath in *God of Fire* as he creates a plan that'll win him the respect he deserves.

Olympians: Hermes

The goddess Hera is represented in mythology as an irascible wife and imperfect mother in the face of a frivolous Zeus. Beginning with the *Iliad*, many narrative traditions depict her wrath, the infidelities of her royal husband and the persecutions to which she subjects his illegitimate offspring. But how to relate this image to the cults of the sovereign goddess in her sanctuaries across Greece? This book uses the Hera of Zeus to open up new perspectives for understanding the society of the gods, the fate of heroes and the lives of men. As the intimate enemy of Zeus but also the fierce guardian of the legitimacy and integrity of the Olympian family, she takes shape in more subtle and complex ways that make it possible to rethink the configuration of power in ancient Greece, with the tensions that inhabited it, and thus how polytheism works.

Olympians: Hephaistos

First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

The Hera of Zeus

Features: -Full-spread illustrated map of ancient Greece -Introduction: Origins of mythology -A-Z Hall of Fame: Yearbook-style entries -Profiles and myths: -First-person profiles; pronunciation and Roman name; key attributes, powers, and characteristics; "Top Ten Things to Know about Me;" Family, Friends, Flings, and Foes -Reality Checks connect ancient mythology to the present day "real world" -Curriculum-related myths; sidebars explain difficult concepts and terms -Loads of photographs and illustrations -Breakout Spreads: Illustrated special features on such mythological hotspots as Poseidon's Water Park, the Underworld, the Trojan War, and the original showdown, the Titans vs. Olympians -Family Tree: Genealogical chart of gods and goddesses -Suggestions for further reading, includes books and age-appropriate websites -Full-series index in each book

Goddess and the Warrior

In this thrilling reimagining of ancient Greek mythology, a headstrong girl becomes the most powerful fighter her people have ever seen. Seventeen-year-old Daphne has spent her entire life honing her body and mind into that of a warrior, hoping to be accepted by the unyielding people of ancient Sparta. But an unexpected encounter with the goddess Artemis—who holds Daphne's brother's fate in her hands—upends the life she's worked so hard to build. Nine mysterious items have been stolen from Mount Olympus and if Daphne cannot find them, the gods' waning powers will fade away, the mortal world will descend into chaos, and her brother's life will be forfeit. Guided by Artemis's twin—the handsome and entirely-too-self-assured god Apollo—Daphne's journey will take her from the labyrinth of the Minotaur to the riddle-spinning Sphinx of Thebes, team her up with mythological legends such as Theseus and Hippolyta of the Amazons, and pit her against the gods themselves. A reinterpretation of the classic Greek myth of Daphne and Apollo, *Daughter of Sparta* by debut author Claire Andrews turns the traditionally male-dominated mythology we know into a heart-pounding and empowering female-led adventure.

Mythlopedia Set

He was Apollo, the sun, and he'd burn down anything that tried to hurt her... Cassandra and Aidan are just your average high-school couple. Or so Cassandra believes. Blissfully unaware that she was once a powerful prophetess, Cassandra doesn't even know that god exist...Until now. Because the gods are dying - and Cassandra could hold the answer to their survival. But Aidan has a secret of his own. He is really Apollo, god of the sun, and he will do anything to protect the girl he loves from the danger that's coming for her. Even if it means war against his immortal family... Sexy, irresistible characters; romantic and mythological intrigue; relentless action and suspense - *ANTIGODDESS* is the YA novel you've been waiting for.

Daughter of Sparta

In the final volume of the New York Times–bestselling *Olympians* graphic novel series, author/artist George O'Connor focuses on Dionysos, the god of wine and madness. The *Olympians* saga draws to a close with the tale of Dionysos, the last Olympian, and maybe, just maybe, the first of a new type of God. His story is told by the first Olympian herself, Hestia, Goddess of the hearth and home. From her seat in the center of Mt. Olympus, Hestia relates the rise of Dionysos, from his birth to a mortal mother, to his discovery of wine, his battles with madness and his conquering of death itself, culminating, finally, in his ascent to Olympus and Godhood.

Antigoddess

'A masterly novel' New York Times 'Such is the exquisite, gossamer construction of Murakami's writing that everything he chooses to describe trembles with symbolic possibility' Guardian Read the haunting love story that turned Murakami into a literary superstar. When he hears her favourite Beatles song, Toru Watanabe recalls his first love Naoko, the girlfriend of his best friend Kizuki. Immediately he is transported back almost twenty years to his student days in Tokyo, adrift in a world of uneasy friendships, casual sex, passion, loss and desire - to a time when an impetuous young woman called Midori marches into his life and he has to choose between the future and the past. *Murakami's

new book *Novelist as a Vocation* is available now* 'Evocative, entertaining, sexy and funny; but then Murakami is one of the best writers around' *Time Out* 'Poignant, romantic and hopeless, it beautifully encapsulates the heartbreak and loss of faith' *Sunday Times* 'This book is undeniably hip, full of student uprisings, free love, booze and 1960s pop, it's also genuinely emotionally engaging, and describes the highs of adolescence as well as the lows' *Independent on Sunday*

Olympians: Dionysos

The story of one woman's struggle to care for her seriously ill husband—and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support. *Already Toast* shows how all-consuming caregiving can be, how difficult it is to find support, and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles. When Kate Washington and her husband, Brad, learned that he had cancer, they were a young couple: professionals with ascending careers, parents to two small children. Brad's diagnosis stripped those identities away: he became a patient and she his caregiver. Brad's cancer quickly turned aggressive, necessitating a stem-cell transplant that triggered a massive infection, robbing him of his eyesight and nearly of his life. Kate acted as his full-time aide to keep him alive, coordinating his treatments, making doctors' appointments, calling insurance companies, filling dozens of prescriptions, cleaning commodes, administering IV drugs. She became so burned out that, when she took an online quiz on caregiver self-care, her result cheerily declared: "You're already toast!" Through it all, she felt profoundly alone, but, as she later learned, she was in fact one of millions: an invisible army of family caregivers working every day in America, their unpaid labor keeping our troubled healthcare system afloat. Because our culture both romanticizes and erases the realities of care work, few caregivers have shared their stories publicly. As the baby-boom generation ages, the number of family caregivers will continue to grow. Readable, relatable, timely, and often raw, *Already Toast*—with its clear call for paying and supporting family caregivers—is a crucial intervention in that conversation, bringing together personal experience with deep research to give voice to those tasked with the overlooked, vital work of caring for the seriously ill.

Norwegian Wood

Heracles Euripides - Euripides' *Heracles* is an extraordinary play, innovative in its treatment of the myth, bold in its dramatic structure, and filled with effective human pathos. The play tells a tale of horror: Heracles, the greatest hero of the Greeks, is maddened by the gods to murder his wife and children. But this suffering and divine malevolence are leavened by the friendship between Heracles and Theseus, which allows the hero to survive this final and most painful labor. The *Heracles* raises profound questions about the gods and mortal values in a capricious and harsh world.

Already Toast

This book describes the powers and actions of the goddess Hera. Short paragraphs of easy-to-read text are paired with plenty of colorful photos to make reading engaging and accessible. The book also includes a table of contents, fun facts, sidebars, comprehension questions, a glossary, an index, and a list of resources for further reading.

Heracles

With deft visual humour, a best-selling author-illustrator imagines how awesome it would be to have a pet triceratops living in your garden. Wouldn't it be great to have a triceratops for a pet? If you had one, it would probably be your best friend. It would always want to play with you, and it would always know how you're feeling. On dark and stormy nights, if your triceratops got scared, you could let it sleep in your room. True, a triceratops is a little on the huge side, but that just means more pet to love, and more pet to love you back! Just imagine your very own pet triceratops running out to greet you at the end of the day. Ooof! Wouldn't that be the best thing ever?

Hera

Tells the story of Hera, a wife of Zeus and the greatest of all the goddesses on Mount Olympus.

If I Had a Triceratops

In book one, Hera begins her story in the company of her childhood friends, Artemis and Apollo, as they go out to hunt the boar along Atlantis' jungle shores. Hera, young, and too eager for glory, plunges into disaster discovering a mystical ability that changes the direction of her life. She is taken into the myth and mystery of the Emerald Temple, home of powerful priestesses, where she discovers her true lineage and her royal destiny.

Hera

The figure of Medea has inspired artists in all fields throughout the centuries. This work examines the major representations of Medea in myth, art, and ancient and contemporary literature, as well as the philosophical, psychological and cultural questions these portrayals raise.

Hera

Gods and Goddesses of Ancient Greece is a series of AV2 media enhanced books. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slide shows, activities, hands-on experiments, and much more.

Medea

Secrets, like troubles, come in threes. When you possess one of either, two more arrive to keep it company. Nerine, a sea nymph of the ancient world, knows too much about both. Each morning, in the chill before the sun's rising, Nerine and the three Fates stand under the mighty branches of the World Tree, gazing into the depths of the root-girdled Well of Destiny to master the dooms they must bring to life that day. When the dawn's visions show Nerine's lover-shipwrecked and drowning-all her renounced yearning for him rises anew. Surely, as handmaiden to the Fates themselves, she might tilt the odds to give her beloved a chance. Somehow-this day, this morning, this time-Nerine must subvert destiny or lose the companion of her heart forever. Love and coming of age in a mythic Mediterranean where the gods and goddesses of old shape history. EXCERPT FROM FATE'S DOOR Nerine served all three norns as handmaiden. And Nerine would choose the new materials required for this day's weaving. She would need pale peach for the baby born to a king, blood red for a battle between Sparta and Athens, gold for a hero's bright deed. And if she failed to watch the images unfolding in the Well of Destiny, she would not know the other threads to choose for the day's work. She had to know. So Nerine watched, but her heart ached, and memories from her past overlaid the flowing images on the waters of the well. Altairos as a curly black-haired boy, laughing, his eyes crinkling in that way that only he had. Altairos as a gangly youth, earnest and passionate, reciting poetry to her. Altairos as a young man, strong and sure, pressing a first kiss upon her willing lips. Who but she would lay out the symbols of his death? She, the handmaiden of the fates. She couldn't bear it-to lose him so. ABOUT THE AUTHOR J.M. Ney-Grimm lives with her husband and children in Virginia, just east of the Blue Ridge Mountains. She's learning about permaculture gardening and debunking popular myths about food. The rest of the time she reads Robin McKinley, Diana Wynne Jones, and Lois McMaster Bujold, plays boardgames like Settlers of Catan, rears her twins, and writes stories set in her troll-infested North-lands. Look for her novels and novellas at your favorite bookstore-online or on Main Street.

Hera

What if you had sculpted the perfect replica of a gorgeous Greek god and, right before you're about to unveil it to a group of ladies, it comes to life in all its naked glory? What if your creation wanted to reward you by fulfilling your every desire? What would you do? If you're Alexandra, you'd want to smash something. The statue of Darius, playboy god, was supposed to bring in much-needed cash for the orphanage where Alex grew up. Now that it has miraculously turned to flesh, she just needs to give it a small imperfection so that it'll turn back into the marble statue she created. Never mind that she fell in love with him—it—a little every day while she was sculpting the exquisite body. Never mind that he—it—is every bit as sexy and charming and powerful as she imagined. And she sure as heck shouldn't be tempted by his heated offer to fulfill her every desire . . .

Fate's Door

The Greek myths are amongst the best stories ever told, passed down through millennia and inspiring writers and artists as varied as Shakespeare, Michelangelo, James Joyce and Walt Disney. They are embedded deeply in the traditions, tales and cultural DNA of the West. You'll fall in love with Zeus, marvel at the birth of Athena, wince at Cronus and Gaia's revenge on Ouranos, weep with King Midas and hunt with the beautiful and ferocious Artemis. Spellbinding, informative and moving, Stephen Fry's *Mythos* perfectly captures these stories for the modern age - in all their rich and deeply human relevance.

A Greek God at the Ladies' Club

At birth, Hermes, son of Zeus and the Nymph Maia, says his first word: "Gimme!" In this brilliant, hilarious graphic novel about the mischievous, fun-loving messenger of the gods, Caldecott Medal winner Mordicai Gerstein, transports classical mythology to the 21st century. "The world!" the newly born Hermes says. "It's even better than I expected! I love it! I want it all!" This book is filled with joy, exuberance, and humor. On his first day of life, Hermes manages to trick a turtle into surrendering its shell and a ram into surrendering its horns, thereby inventing the lyre, music, and song! He also manages to steal his brother Apollo's precious cows, but later redeems himself by outwitting the giant brothers Otus and Ephialtes, who have kidnapped Mars. These adventures and more, all derived from classical mythology, are told with great humor as well as a twenty-first century sensibility by the colossally talented Mordicai Gerstein. The art in this graphic novel is truly spectacular, with 250 illustrations, executed by a master artist and filled with unique humor. A Bank Street Best Book of the Year

Mythos

Giving Western literature and art many of its most enduring themes and archetypes, Greek mythology and the gods and goddesses at its core are a fundamental part of the popular imagination. At the heart of Greek mythology are exciting stories of drama, action, and adventure featuring gods and goddesses, who, while physically superior to humans, share many of their weaknesses. Readers will be introduced to the many figures once believed to populate Mount Olympus as well as related concepts and facts about the Greek mythological tradition.
